

# GLEBE GREYHOUNDS JAFC

*2019 Yearbook*

*Glebe Greyhounds J AFC acknowledges the Gadigal of the Eora nation as the original owners of the land we play on, and acknowledge their elders past, present and emerging. We are proud of the Aboriginal heritage of our area and of the contribution Aboriginal people make to our club and our community.*

**F**ounded in 1980 the Glebe Greyhounds Junior Football Club gives children aged five to 17 the chance to play Australian Football.

Our philosophy, every player who wants a game gets a game, means that the club prides itself on ensuring all players are treated equally and that our main priority is a fun, safe and family environment.

We value all players and keep a record, published in our yearbook, of every game played and goal scored by every Glebe player ever.

On field the Greyhounds have a proud history having won 24 Premierships over the last 35 years and consistently played in finals in most ages.

Many of our players have gone on to play at higher levels including the AFL, AFL Reserves, representative football, Sydney Football League, while another went on to become one of the leading punters in American College Football.

The club is one of the largest in Sydney and plays in the famous black and white strip of Collingwood. Our home ground, Jubilee Oval on the shores of Blackwattle Bay, is one of the most beautiful football grounds in Sydney.

The rules are modified for younger players to emphasise the skills of Australian football – this means fun, safe and fair games.

All our coaches are fully trained and accredited with the Australian Football League.

*The photos on the front and back cover of this year book are of Emily and Naomi Webb from the U14YG and U12YG, and were taken at Uluru. We acknowledge the Anangu people as the traditional owners. The photos were taken the day after the launch of the Indigenous jumper at Jubilee Oval. The pictures acknowledge the Aboriginal heritage of Glebe and of Australia, and recognise the growth of female participation at our club.*

# 2019 GLEBE GREYHOUNDS J AFC

Presidents Forward

**W**hat a season. On the field and off the field 2019 has been an amazing year. The club has once again gone up another level in so many ways. But let's start with the most impressive win of the year. I don't think it's going too far to say season defining. How good is the new siren? The iconic blast that just is footy. I absolutely love it. As do the local residents. And the residents of Rozelle. And some in Balmain I understand.

Off the field, it has been a big year. Busy, like stupid busy sometimes, but fantastic. The season started with a Welcome to Country from Aunty Bronwyn and a smoking ceremony from Uncle Max to symbolically welcome us all onto Jubilee Oval for the season ahead, and they returned in May for the launch of our new Aboriginal jumper, designed by artist Adam Hill AKA Blak Douglas for Sir Doug Nicholls round.

The jumper itself is just fantastic, and massive thanks to Mike Schofield and Bain Stewart for the work in championing the concept and getting us such an amazing design. The jumper embraces the Aboriginal history of the local area and acknowledges the female and male players in our club. It says loud and clear that we recognise the Aboriginal history of the land we play on and the contribution Aboriginal people make to our community and our club.

While we're on inclusion, the club ran the inaugural Bring Ya Boots Pride round to welcome LGBTQI families to Glebe to come and try footy. Thanks to Cris Townley and her team of Richard Baker and Monica Bourke for their work in getting this up. All kids should have the opportunity to experience the benefits of team sport in a safe, welcoming, inclusive club environment, and that club is Glebe.

The Beer and Gin night was another huge success (or just huge) with tickets selling out in a matter of days. Not sure if it was the beer, the gin, the porchetta or sweet choons from bona fide rock star Davey Lane that did it, but those tickets went faster than a well made negroni on a balmy evening. Thanks to Bev Walsh, Mike Cooney and Luke Macdougall

for the organising, and to Guy Fitzroy and especially Shane McKendry who was one minute taking an afternoon stroll past the club house and the next peeling 20 kgs of spuds and making sure we all got fed. It really was a great night.

In July, 70 Glebe players and accompanying parents, siblings and grandparents took over Ocean Grove Holiday Park in the third annual State of Origin, in support of Rivers Gift against the Ocean Grove Collendina Cobras. What a weekend it was. The Cobras were once again fantastic hosts at their magnificent home ground, the footy was hotly contested, and the holiday park had a jumping pillow. Tick, tick, tick. Between both clubs \$20,000 was raised (up from \$5,000 last year), with money coming from cake stalls, donations and the Glebe 2 Geelong runathon that saw around 2,500 laps of Jubilee run by players across all ages. I am very pleased to say that we won two out of three games and

## This year we once again grew our numbers by 10% to 550 players across 38 teams.

that the trophy came home to Glebe. Turns out these inner west kids can play footy. The Cobras will be coming to us in 2020, and we want to include a girls game on the schedule and retain that trophy. Look out.

As well the U10s hosted the Sandy Bay Lions from Hobart in their return match, also in support of Rivers Gift, and we are very proud they retained their trophy as well. A huge thank you to Cain Sarah who put in a mountain of work to get the trips happening, Dave Sawkins who worked tirelessly organising the runathon, allocating cabins and deciphering spreadsheets for Cain, and Matt Smith who helped organise the trip and coached the U11s.

On the Friday before Grand Final weekend we held the Presidents Lunch at Tramsheds. It was a really

great afternoon with five previous Glebe Presidents in attendance and entertainment from Titus O'Reilly. It was really special hearing about the history of the club first hand from the people who ran it when it really was a hard slog, especially Simon Kelly who founded the club at just 19 years of age. Players were recruited by walking up to them on Glebe Point Rd and asking if they wanted to play footy. There certainly was appreciation from the current Greyhounds for the hard work that was done, and by the past Presidents for the great shape the club is in now. Now, some people will say that's all good and well, but really it's just a lot of inner west fluffy stuff and what about the footy? I mean, aren't we a footy club? The answer is yes, yes we are. And all that fluffy stuff is important because it helps retain and attract players to our club. And when we have good numbers, well...

This year we once again grew our numbers by 10% to 550 players across

38 teams. And that's after capping numbers at 60 in an age group. We fielded six girls teams (growing to seven in 2020 with U16YG), three U14s in Div 1, Div 2 and Div 3 in the Glebe Newtown Alliance, 200 Auskickers and big numbers coming through in U9s and U10s.

Numbers like that translate to on field success. Our three U11 teams all made finals, and played in Grand Finals in Div 1 and Div 2. Our U13 Div 1s played in their third successive Div 1 Grand Final. The three U14 Alliance teams all made finals, with the Div 1 team making the Grand Final. And the U15 Div 2 Alliance team made the Grand Final. Seven Glebe teams made finals and five played in Grand Finals. Extraordinary.

And from that, the U14 Div 1 and the U15 Div 2 both won Premierships in 2019. So when I get asked if that fluffy inner west stuff is important, I will always answer yes it is. Because that fluffy inner west stuff about being inclusive and welcoming, is

us showing that we are the club for everyone, where anyone who wants a game, gets a game. That fluffy stuff is actually tangibly demonstrating our values. It's the shingle we hang over our door that tells everyone we know who we are and why we do this. Because the benefits of playing team sport should be available to everyone, regardless of your gender or family circumstances or financial position or footy ability, in a safe, inclusive, welcoming club environment. That makes our club a great place to be, a club where people want to play footy because they like it and they stay. When you do it for those reasons, the right reasons, the on field success looks after itself.

Carna Greyhounds.

# AUSKICK COORDINATOR

Report by Mike Schofield

The lard in the bucket beneath the barbecue had barely started to solidify when work began again for City Auskick Coordinators. Rumours began to circulate that the very fabric of the system we had come to love was about to be torn apart. Our City region is the only set up in the country to enjoy a home and away season in the younger age groups, and we were in danger of losing our weekend stoushes with local rivals and old foes. Over the next 6 months covert meetings were held, demands were laid on the table and compromises were reached... Auskickers were still able to live for Saturday and it's pre lunch combat, parents were still able to enjoy early morning ground set up and canteen duty with a hangover, and a new training regime was introduced imaginatively titled Auskick 2.0 just in time for season 2019.

No sooner had balls began to

deflate in the cage cupboards, registrations opened for season 2019 on 1 September, and by first training on 19 March we were approaching a magnificent total of 169 kids in Auskick. We equalled our record set last year for girls at 40 and smashed previous numbers in U5s (24) and U7s (57).

After the kind of wet week only previously seen at British holiday resorts in high summer, our first training session on March 14 was cancelled leaving scores of disappointed kids to dream of booting the Sherrin for one more week until we could get things off the ground. We lost a few sessions over the season, but the weather was generally kind.

April fools day rolled around, but it was no joke when Swans best and fairest Jake Lloyd and the genial James Rose strolled across the oval to visit the club and put our kids through their paces. The Greyhounds

***“our first training session on March 14 was cancelled leaving scores of disappointed kids to dream of booting the Sherrin for one more week until we could get things off the ground”***

undoubtedly played a major part in young Rose's form turnaround and subsequent selection into the first team as we forced him to send hundreds of high balls into contests over a gruelling half hour. The pair were then handcuffed to a table in the traditional fashion for autographs and a Q&A session designed to ready them for Brian Taylor's painful post match interviews in the rooms.

On 2 May the AFL came to give parents O-Level training in essential footy skills. Spandex was widely

Swans best and fairest Jake Lloyd and the genial James Rose strolled across the oval to visit.

We recognise the Aboriginal history of the land we play on and the contribution Aboriginal people make to our community and our club.

observed clinging to the eager participants, many of whom seemed to be treating the exercise like it was their last chance to be drafted, and with an enthusiasm only previously seen from our beloved president when confronted by an egg and bacon roll.

Round 2 of the AFL season saw us send a massive 60 kids to the SCG for half time Auskick at the Swans v Crows fixture... food outlets around bay 3 of the ground flew into panic as the invasion of hungry 7 & 8 year olds famished after living the dream on the SCG threatened an Eastern Suburbs pie shortage.

Round 10 of the season had another 18 Auskickers run on at half time during the Swans v Magpies game... we'd planned to sport our snazzy new indigenous guernseys on the field, but were sadly denied the opportunity by the corporate fun police showing it was perhaps not "more than money".

On the 10th August the Auskick season finished with a round of games for U5 & U6, and Gala Day for U7 & U8. The club PA had been fixed in the nick of time and the knobs were turned to eleven for the last banner run through of the season.

Massive thanks to all our coaches who embraced the new Auskick training system and ensured it worked so well, and of course the parents who enthusiastically helped out each week, it could not have worked without you.

A special shout out to our U5 coaches Lachlan Radnedge, David Sawkins and Brian Nelson who did a great job with the group. It's been a few years since I coached the young ones, and I had a ball helping you get settled in over the first month.

We also had Emily Morrison who helped coach and worked in the canteen throughout the season as part of her Duke of Edinburgh Award. Her assistance was really valued

Mike and Simon waiting for the fog to clear

by the coaches and she was very popular with the kids as she worked up through the age groups. Good luck next season Emily when you're playing with the U16 girls! The club is keen to hear from anybody taking part in the scheme who would like to help out, so feel free to get in touch.

Thanks to all who have joined me on the early Saturday shift to set the ground up, slice the bread rolls and fry the living daylight out of unfeasibly large boxes of bacon, your contribution helps make this club the great institution it is.

Finally, hats off to members of the Executive Committee, most of whom already give so much to the club, in particular Bev, Simon and Kirsty who have all leapt out of bed bright and breezy and staggered down to the club at first light to get the ball rolling at our home fixtures.

Enjoy the break, and see you all next season!

**UNDER 5s**

Report by Lachlan Radnedge

**HEAD COACH** Lachlan Radnedge  
**ASSISTANT/TEAM COACHES** David Sawkins, Brian Nelson  
**MANAGER** Kate McTiernan

**W**ow, Auskick U5s what an experience and season it has been. I mean that in a good way.

26 registered players, the largest U5 group in the club's history and 2 rookie coaches, what a start.

From the first training session everyone involved knew we had a good group but few realised at that time just how good a group they were to become. Football aside, it's been fantastic to watch friendships develop and individuals bonding together into a happy positive team. The club's mantra is participation and fun (The Glebe Spirit) and by the way the kids ran through the club banner and sang the club song each week that's exactly what they achieved

We enjoyed fantastic training and game day attendance numbers throughout the season the envy of the other clubs.

All players should be extremely proud of their skill development, their improvement and understanding of how the game is played and by how they got involved, helped each other and challenged themselves and their teammates each week. The kids overall confidence as players, teammates and individuals jumped significantly over the season all of which added to the team environment and their enjoyment of footy.

With 2 rookie coaches and 26

players it was never going to be easy so massive thank you to our Auskick coordinator, Mike Schofield who set us up and helped out for the first month but was never far away for the entire season. David Sawkins our experienced coach who made Lachlan and Brian look good at training each week. Kate McTiernan who jumped onboard as our team manager to organise and inject some much needed technology. Sean Richardson and Stephen Duma our game day ground manager and first aid attendant and a big thankyou to all our parents and carers who pitched in at training and on game days. Your engagement and encouragement added to a successful season. To all our canteen and BBQ volunteers thank you.

To our players, thank you for your hard work, focus and commitment to turn up each week, get involved and listen. We look forward to seeing you all next season. GO GREYHOUNDS!

**26 registered players, the largest U5 group in the club's history**

→ **ETHAN BARNES (BEST DEFENDER)**

Ethan has had an outstanding season across the field, particularly in defence where he prevented many opposition goals and became an opposition nightmare. He is a great team man, who contributed greatly to the team spirit which is evident in his singing of the Club Song. Well done Ethan.

→ **LUCAS BUTLER (BEST RUNNING DEFENDER)**

Lucas is a valued team man and consistently showed great pressure in defence, winning the ball and then using his burst of speed to run forward. Lucas has developed great all round skills that will set him up for future seasons. Well done Lucas.

→ **ANTON DUMA (BEST MIDFIELDER)**

Anton's willingness to be first to the ball was evident from the first game. His determination and burst of speed allowed his teammates to enjoy the game. Anton has enjoyed a fantastic season kicking numerous goals. Well done Anton.

→ **NED FERNIE (BEST KICK)**

Ned enjoyed a fantastic season, kicking plenty of goals along the way. His kicking distance and accuracy improved as the year went on. Ned used his height in the ruck contest to win plenty of footy which he shared so well amongst his team mates.

→ **HARRY FORDE (BEST HANDBALLER)**

Was a joy to coach. Harry's skills and understanding of the game improved throughout the season. He was solid all over the ground and strong at the contested possession often coming

away with the ball from a group of players.

→ **VAUGHN GORDON (MOST DETERMINED PLAYER)**

It was so great seeing Vaughn's development over the course of the season. He really started to enjoy his footy, particularly kicking goals up front in the forward line. He contributed positively to the team spirit and we look forward to seeing him back next year.

→ **OLIVER GRAHAM-SMALL (MOST COURAGEOUS PLAYER)**

Oliver developed an awesome ability to read the play and gather possessions in all parts of the ground. He was a courageous and determined player and had a number of memorable runs on Jubilee Oval. One of the most improved players of the season, Well done!

→ **FELIX HAGEN (BEST RUCK)**

Felix's knowledge of the game and his role in it is outstanding as was his efforts in the ruck this season. His understanding of how important it is to get the tap to our midfielders was crucial. Felix has had a stella season and is a great team player. Congratulations Felix

→ **ELIJAH HEINRICH (BEST TALL FORWARD)**

As one of our taller players Elijah is a natural target up front and a handy ruck interchange. Elijah's understanding improved with each game and showed in the number of shots he had on goal in the latter part of the season. Well done Elijah.

→ **FLORENCE HONNER (TEAM ENCOURAGEMENT AWARD)**

Florence gained experience and confidence as the season went on.

Shy and cautious at the beginning she became more involved game after game. Was strong in the ruck and will be a force to be reckoned with in the years to come.

→ **CLANCY KELLY (QUIET ACHIEVER AWARD)**

Clancy was a quiet achiever with a big impact in every game. A very promising season and with his height could go a long way in the game. Great work - we'll really miss you next season with your impending move south!

→ **LENNOX LEITL (BEST READER OF THE PLAY)**

Tough from being a younger sibling he wasn't scared to fight for the ball. Lenny is both talented and a hard worker who in most games was one of the highest ball winners for the team. Importantly Lenny was also unselfish and would share the ball to his teammates once he won it. Great to coach!

→ **JASPER MCGLASHAN (BEST MARK)**

Jasper has a great pair of hands, good foot speed and a solid kick. Always working hard at practice and during the games. He developed a good understanding of where to be on the field to position himself to get the ball as it came forward or intercept it when he was playing in the midfield or back.

→ **NIAMH MCTIERNAN (BEST FORWARD)**

Niamh has a great ability to bag a goal, and in most games scored more than one to bring her goal tally to 26 for the year. She put in the work to get the ball and then would have the ability to get around the defence to get the ball through the sticks.

→ **CHARLIE NELSON (MOST IMPROVED PLAYER)**

Charlie's skill and understanding of the game improved out of sight as the season progressed as did his love for it. From someone at the start of the season who thought dad couldn't coach to him saying I didn't do a bad job is reflective of him appreciating his development. Congratulations Charlie.

→ **DECLAN PEEL-O'CONNOR (SPIRIT OF THE GREYHOUNDS AWARD)**

Declan was a pleasure to have in the team this year and his skills developed immensely as the season progressed. He contributed in all parts of the game and showed his passion both on and off field, which was evident in his singing of the Club Song.

→ **MAXWELL RADNEDGE (BEST HARDBALL GET PLAYER)**

Maxi was into everything this season. He was courageous in the ruck and contested ball, often seen bursting

from the pack with the football heading towards goal. He loved playing footy with his team mates, sharing the ball around and of course singing the Club Song!

→ **CHARLIE RICHARDSON (BEST TALL DEFENDER)**

Charlie was superb in defence and saved many opposition goals throughout the season. He has developed great all-around skills which helped the team across the field. A real team player who is easy to coach and has really grown into the game.

→ **CHARLIE SAWKINS (BEST RUNNING PLAYER)**

Charlie developed through the year into a strong and resilient defender listening to the coaches on how important defence is in the game. He was also able to use his speed to get to the loose ball and enjoyed the opportunity to kick a few goals when he was forward.

→ **NATHAN STONE (TEAM ENCOURAGEMENT AWARD)**

Nathan's energy and infectious enthusiasm for training and the game was a major win for the entire team. His willingness to share the ball with his teammates was an example for all. He is a true team player. Congratulations Nathan.

→ **AVERY THOMAS (BEST TEAM PLAYER AWARD)**

Avery was a true team player. Happy to share the ball around and help her teammates out in all positions. She has natural athletic talent and the skills to play in any position on the field. Will be missed next year!

→ **CHRISTIAN TRAJKOVSKI (TEAM ENCOURAGEMENT AWARD)**

Christian's enthusiasm, confidence and understanding grew with each game and by season's end he was playing out most of the game. Christian's positive contribution was a major plus for his team mates. Great effort Christian

→ **LUKAS VALENTA (BEST ATTACKING PLAYER)**

Extremely focused and one of the hardest workers on the team. Never stopped running and used his speed to move around the opposition with ease. Was a major force as an attacking midfielder and used his accurate kick to score goals and pass to his teammates.

→ **JIMMY VERVERIS (MOST CONSISTENT PLAYER)**

Jimmy is a valued team player and consistently showed his ability to go after the ball and win possession. Every week Jimmy got better and better and can play in any position. He contributed immensely to the team spirit and is a great team person.

**UNDER 6s**

Report by Jason Upcroft

**HEAD COACH** Jason Upcroft**ASSISTANT/TEAM COACHES** Mike Casey, Adam Guastella, Richard Hirst, Roz Hirst, Paul Madden, Brian Parkinson, David Penpraze, Eliza Sarlos, Will Seabourne, Matt Toohar, Keith Tracey, Lee Weldon, Alex White**MANAGER** Anna Kraegen

**W**ell what an amazing season 2019 has been. It was such a pleasure and a privilege to coach the kids this season. They are a great group of kids, and it is fantastic to see that they are developing a passion for the sport of Aussie Rules.

With a brand new Auskick format this season our kids have learnt new skills, gained self-confidence, got hurt, been scared, been uncomfortable, learnt resilience, toughened-up, forged new friendships, developed a competitive spirit, learnt a sporting ethic, learnt to think about team as well as self, and most of all they have had a lot of fun. I think we have well and truly achieved

what we set out to do this season.

As we close out the season we have really bonded as a playing group and all players are now settling into the rhythm of thinking about both themselves and their teammates. All players are playing within the Auskick rules and Glebe spirit, and we are consistently playing better footy than our opponents - we are doing the right things and getting rewarded for our efforts.

It's pleasing to see the quick and skillful passages of play, with players now selecting from a range of skill options to deliver thoughtfully and effectively to teammates, ensuring we transition through the lines, retaining possession all the way to goal. We are looking for each other, going hard

after the ball and dominating the attack. It is also pleasing to see the enthusiasm of our players in defence, with players using their bodies to block opposition run and close down their space - this skill will prove really valuable in years to come as we introduce more complexity into our tactics.

All players have risen in confidence significantly across the season, challenging themselves week by week to try new things. The coaches have asked the players to stretch themselves, encouraged them to utilise the skills and tactics learnt at training, and focused on enjoyment and learning at all times. Overall, all players are now involved and focused, their skills are now sharp, some have added physicality to their game, and all players are really enjoying their footy.

A massive thanks to our Team Manager Anna for all of your time and effort this season. Thanks too to Mike, Adam, Richard, Roz, Paul, Brian, David, Eliza, Will, Matt, Keith, Lee, Alex and everyone else who has pitched in and made this a successful season for our kids.

I am looking forward to seeing everyone next year for U7. Go Greyhounds!

**we are  
doing  
the right  
things  
and  
getting  
rewarded  
for our  
efforts**

**→ HUGH BRISTOW (MOST IMPROVED)**

Our most improved player this season, Hugh has gone from energetic and polite boy, to the man with the moves and the excitement machine of the team. It has all come together for Hugh now and he celebrates his successes with gusto.

**→ LUCINDA BRYANT (ENCOURAGEMENT AWARD)**

Flashes of enthusiasm and curiosity emerged in many games, but the cold and early mornings eventually got the better of Lucinda and she made the tough decision to hang up the boots before seasons end. We hope to see Lucinda back for another crack next year.

**→ CONSTANCE CASEY (BEST TEAM PLAYER)**

I hear there is a space opening up with the Black Ferns for our determined and happy player, Connie. With a natural flair for welcoming new teammates, helping others to feel comfortable and included, and collaborating for success, Connie was a favourite amongst her teammates. She has set herself up for a great sporting career in the South Island league.

**→ HUGH CHAMBERS (MOST DYNAMIC)**

Hugh watches it all and takes it all in. When it is his turn he is explosive. Whether it is jumping high in the ruck, putting his hands up in

defence, or kicking multiple goals in a quarter. Hugh is growing in confidence and will take a huge step into the season next year.

**→ EVELYN CHEONG (EQUAL MOST IMPROVED)**

In the first half of the season we wondered if Evie would make the decision to come out and play with his friends. Thankfully it was a tale of two seasons though - when it clicked for Evie it really did click. Now an integral player in any lineup, Evie plays his footy with passion and joy.

**→ PHOEBE COULL (COACH'S AWARD)**

The look of joy and satisfaction in Phoebe's eyes when she has achieved a personal objective on the footy field is priceless. Phoebe's desire to play is there and she is implementing her gameplay step by step. I can see Phoebe having a breakout season next year, with the confidence of one successful season under her belt.

**→ CALEB ELLIS (COACH'S AWARD)**

A see-ball-get-ball style of player, when Caleb gets fired up he is unstoppable. If he keeps up the great work on the training track I can see Caleb developing into an Isaac Heeney type in and under player.

**→ NOAH GUASTELLA (BEST IN AND UNDER PLAYER)**

With his lightning quick reflexes, hardness at the contest, and naturally unpredictable style, Noah channels

sporting greats like Muhammed Ali and Leigh Matthews. It is exciting to watch Noah swoop into a pack to get the loose ball, then skip around dazed opponents on the way to deliver to his teammates.

**→ TOM HEBBLEWHITE (MOST BALANCED)**

A natural eye for following the bounce of the ball, a passionate desire to get a loose ball, a joyful energy for gameplay, and skills that are advanced for his age. Tom's balance on both sides allows him to make everything look easy as he weaves through traffic and kicks goals from the Under 6 equivalent of 70 metres out.

**→ ARTHUR HIRST (BEST MIDFIELDER)**

Arthur has steadily grown in confidence and maturity all season. From a coaching perspective the hardest thing to teach is hunger for the footy, and it is really pleasing to see that Arthur has developed into one of the teams most intensely focused and courageous ball chasers. Add to that a fully rounded skillset and Arthur is set for an explosive footy future.

**→ BRUCE HOOPER (ENCOURAGEMENT AWARD)**

Racked by injuries and illnesses, Bruce's season unfortunately didn't get any momentum. With an obvious love of footy, we hope that Bruce comes back revitalised next season. →

## UNDER 6s

Player profiles

→ **BENJAMIN KRAEGER (SPIRIT OF THE GREYHOUNDS)**  
Benji is the engine room of any team he plays in. With a huge tank for running, super quick and clever decision making, and a very mature footballing brain, Benji leads the pack in so many ways. With a cheeky grin that infects all around him, Benji is a cornerstone asset to our team.

→ **HARRY MADDEN (MOST DETERMINED)**  
Known to all around him as the devastating "H-Bomb", Harry has gone from shy little boy to confident and assertive player. The tools in Harry's kit are many – desperate desire to succeed, rugged involvement in contested footy, fast runner and silky ball handling.

→ **XAVIER MARCHANT (QUICKEST PLAYER)**  
Sources have revealed that the Bombers scouts have signed Xavier

up to a long term contract. Xavier has assured us that the move to Melbourne is temporary and he has promised to be back to rejoin his teammates at the Glebe Greyhounds. We hope so, and in the meantime we wish you every success in the footy heartland.

→ **EDWARD PARKINSON (BEST LINE BREAKER)**  
A breakout year this season, Edward has gone from strength to strength. Energised and focused all over the field, Edward has added balance, poise, strength and aggression to his toolkit. There is nothing more exciting than watching one of Ed's patented run-and-carries, busting through the lines, fire and determination in his eyes.

→ **NOAH PENPRAZE (BEST RUNNING PLAYER)**  
Although he started a few weeks into the season, Noah has slotted in very comfortably and was quickly able to establish himself as one of the key players in his team each week. With a clear love of footy, silky movement, advanced skills, and a happy nature, Noah is set for a great career at the Greyhounds.

→ **HAMISH RICHARD (BEST TRAINER)**  
Quietly determined, Hamish focuses on the matter at hand, learns quickly and implements the things he has learnt with perfection. Hamish loves doing big kicks, and can now effortlessly kick over the heads of swarms of opponents on his way to bagging multiple goals every game.

→ **SCARLETT SARAH (MOST COURAGEOUS)**  
Toughness, courage and determination are the spirit of this team, and Scarlett brings all of that in spades every week. It is so exciting watching Scarlett get a look of determination in her eyes, drop the shoulder and tear through a pack of bigger opponents on her way to kicking a goal.

→ **AUDRE SARLOS (MOST DYNAMIC)**  
If there was an award for the biggest smile we would have to give it to Audre. He just loves playing footy and it shines through constantly. Audre has developed across the season from shy onlooker to ferocious and devastating breaker of packs. With confidence to play well in any

position, Audre is set for a huge season next year.

→ **HARRY SEABOURNE (BEST ATTACKING PLAYER)**  
Harry is an energetic and courageous athlete with a natural gift for hunting the loose ball. Across the season Harry has developed an increasingly sophisticated tactical skillset, and is developing into a leader at the club. With a cheeky grin and usually covered in mud from his relentless attack on the ball, Harry's enthusiasm is infectious to all around him.

→ **STRATH STEVENSON (BEST DEFENDER)**  
Naturally shy, Strath comes alive from the first bounce to the final siren. Now fully focussed and hard at the ball, Strath's ferocity in both defence and attack are becoming both consistent and from an opponents point of view, awesomely devastating. The sheer joy when Strath kicks a goal is absolutely priceless.

→ **HUGH THOMPSON (TOUGHEST PLAYER)**  
A selfless team player, a tough and

strong inside ball winner, a no nonsense approach to training and game day equals a cornerstone club man in this U6 group. Hugh sets the bar high for achievement in pushing himself to learn and develop at training, then perfectly implements each and every week on game day.

→ **ABIGAIL TOOHER (BEST RUCK)**  
Abi has developed into a courageous and competitive player. Across the season Abi's confidence and determination has grown with every achievement. She can be found kicking amazing goals, using her height and strength to her advantage in the ruck and running at the pack and coming up with the ball. A great year for Abi, I can see her footy career skyrocketing next season.

→ **IDE TRACEY (BEST READER OF THE PLAY)**  
With ball in hand, Ide is like a pocket sized freight train. Never, ever underestimate Ide's tactical knowledge, ferocity at the ball, and cunning implementation of her advanced skillset. Competitive and smart, when opponents get on Ide's

wrong side she will make them pay. I can see Ide developing into a Daisy Pearce style of player – tough, smart, and a perfectionist.

→ **AUSTIN UPCROFT (MOST SPECTACULAR GOALS)**  
Austin is driven to succeed on the footy field and there is nothing he enjoys more than a spectacular goal, sometimes from impossible angles, sometimes from frightening distances. Austin works tirelessly on his skills and footy smarts, always striving to get a competitive advantage, and loves bringing his teammates along with him like a warrior into battle.

→ **MAX WELDON (MOST DETERMINED DEFENDER)**  
The joy of playing footy bubbles over constantly on Max's face. By season's end Max has developed into a player who can bring out the full skillset at will, kicking goals through packs of opponents, dynamic and ferocious defensive intensity, and the ability to do the impossible in general play. I am really excited by the prospect of what next season will bring for Max.

*It is so exciting watching Scarlett get a look of determination in her eyes, drop the shoulder and tear through a pack*

**UNDER 7s**

Report by Carlene Matkovich

**HEAD COACH** Carlene Matkovich**ASSISTANT/TEAM COACHES** Rob Spurrs, Russell Van der Water, Warwick Hunter, Matt Webster, Adam Carmody, Steve Divic, Nick Childs, Jeff Clark  
**MANAGER/S** Melissa Boronski, Jen Bryce, Jennifer Lista, Sean Wotton, Sarah McIlveen

The U7 season was off to a great start from our very first training session with a huge turn out of eager faces both old and new. There was a buzz of excitement and anticipation while everyone reacquainted and it was awesome to see a few first time players welcomed into the group.

Auskick's new training format provided a structured framework with varied activities ensuring incremental skill development, while keeping the players interested. However, it was our amazing coaching team (Waz Hunter, Matt Webster, Adam Carmody, Nick Childs, Rob Spurrs, Steve Divic, Russell Van der Water & Jeff Clark) who generously gave their time week after week continuously bringing energy, skill and enormous amounts of fun to every session, that made our season a huge success.

Dividing the group into teams was no easy feat. After much deliberation the inventively named Blacks, Whites, Glebes, Greys and Hounds were formed.

Our collective training efforts were obvious come game days. It was incredibly satisfying to see our U7's grow in confidence, skill level and their love of the game. We were constantly rewarded with huge smiles and enthusiastic celebrations as our players reached season milestones of first goals, kicks, marks and bounces. Game strategy increased as our players learned to understand the game and its rules with confidence. Team spirit was well and truly alive as lifelong memories were created.

Parent participation was at an all time high this year. Massive thanks to everyone who chucked on their sneakers and got involved. Your exuberant cheers and encouragement during game days lifted team spirit and certainly added to the excitement every week!

Waz's Parents vs Players match at the end of the season showcased what an awesome group of parents you are and some surprisingly hidden talents that did not go unnoticed! Regardless, the U7's smashed the parents and

a brilliant display of team spirit from both sides was hilarious and inspirational.

Without a doubt the Glebe Greyhounds are a phenomenal club to be a part of and it's amazing to think all is made possible by volunteer power. This year the U7's were again meticulously organised by our wonderful group manager Melissa Boronski and her army of team managers (Jen Bryce, Jennifer Lista, Sean Wotton and Sarah McIlveen) plus our first aid representative Kate Mullumby and Ground Manager Sean Richardson – thank you from all of us for your endless commitment to making everything possible.

In conclusion, I'm sure I'm not the only one to feel so very grateful to be even a small part of creating, fostering and nurturing the love of Aussie Rules in all of our special young players. The biggest Thank you of all goes to our brilliant U7 superstars. Keep practicing and see you next year. Go Greyhounds!

*I'm sure  
I'm not  
the only  
one to feel  
so very  
grateful  
to be even  
a small  
part of  
creating,  
fostering  
and  
nurturing  
the love  
of Aussie  
Rules*

**TEAM HOUNDS****→ JAIYDEN BARNES (MOST COURAGEOUS)**

Jaiyden showed enormous courage this season. He has a great hunger for the game, drive to kick goals and once again his defending ability was outstanding. Jaiyden's steely determination and ability to read the play proved valuable to him as he devised many strategies to overcome his opponents.

**→ ARLO DAVIS (MOST SPECTACULAR GOALS)**

Arlo, AKA Starlo, provided some of our most thrilling moments this season with his bursts of speed towards the posts and his now trademark backwards snap goal – The Starlo! He did not disappoint as he followed every success with the seasons most enthusiastically celebrated goals.

**→ ALESSIO DIVIC (BEST RUCK)**

Alessio showed great determination this season, particularly in the ruck where he rarely missed a tap to our advantage, he also keeps his well earned title as one of our best defenders. His improved focus and oodles of passion ensured he was a valuable contributor to every game.

**→ ELLIOT GILPIN (BEST DEFENDER)**

Elliot was every opponents worst nightmare – impossible to get around and always on the ball. His height, skill and speed earned him our top defender title. Elliot was pivotal in most turnovers in the defence line, sending the ball back to our forwards in one huge kick. Excellent team player this season.

**→ FELIX JOHNSTON (MOST DETERMINED)**

Felix arrived this season! With

grit and bravery he racked up possessions showing great focus and determination in every game. Felix is most improved this year making his mark as a valuable team player and one to watch next season.

**→ COOPER MATKOVICH (BEST ALL-ROUNDER)**

Cooper showed great potential and entertained us with pockets of brilliance in all positions this season. His ability to be in the right place at the right time, coupled with some ripper marks and cracking goals proved his all round value to the team in every game.

**→ HENRY MULLUMBY (BEST BOUNCE EVER)**

Henry is hard to catch at the best of times – but never has the crowd gone more wild than when he first cracked out his bounce on full sprint down the outside! Great skill, especially in creating space, incredible passion and he always looks like there's no place he'd rather be – a rising star!

**→ JAMES RAITT (SPIRIT OF THE GAME)**

James is definitely one of our most improved this season, not only in skills but also his understanding of the game. It's hard to find another player out there who is having as much fun as James. His energetic enthusiasm is infectious and highly valuable to our team.

**→ ASHER WIJETUNGA (BEST MARK)**

Asher seemed always in the right place at the right time, effortlessly exciting us with some of the season's most spectacular marks. Dependable and skillful – plus one of the only team members who can actually mark Elliot's massive kicks!

**→ GEORGE WILLSON (MOST SKILFUL TEAM PLAYER)**

George managed to frustrate every opponent this season as he always fought hard to regularly turn the ball over to the Hounds. He was unstoppable, focused and never gave up, converting most plays into successful goals. Most impressive of all this season was George's team spirit and completely selfless play.

**TEAM WHITES****→ ISAAC ARENZ (ROOKIE OF THE YEAR)**

A focused and determined player, Isaac's first season played out in a textbook manner. Starting out with caution but with every game came new knowledge. As a quick learner Isaac soon realised that unless you poach the ball off the ground first the other team will teach you a lesson!

**→ TOM BENSCHER (OPPOSITION'S WORST NIGHTMARE)**

Tom can turn on the razzle dazzle just as easily as he can shut down the opposition's best aimed attack. This lad is someone to look out for in the future and is already working on snap kicks like Dustin Martin and banana kicks that even Eddie Betts couldn't do in U7's.

**→ JACK BORONSKI (SPEED & SKILL)**

Jack has bucket loads of speed and when he puts down the accelerator he leaves everyone in his wake. Not one to be pigeonholed into the tall ruckman role in the middle of the ground, Jack's speed allowed him to dart around the opposition and to get some amazing goals this season.

**→ BENJAMIN CAMILLER (THE CONDUCTOR)**

Unfortunately for Ben, a broken arm early in the season robbed him of the chance to play this year. However, a cameo appearance at a late training session, showed that he still has the ability to control the game and conduct traffic each and every way.

**→ AMELINE COVENEY (MOST CONSISTENT)**

No longer the smiling assassin, Ameline now shows an ability to fight hard for the ball and not give it up too easily. Ameline has certainly unleashed the tiger and has worked hard to get quick kicks off to goal which has been paying dividends. Keep up the good work.

**→ NED DERMODY (GOLDEN BOOT)**

Ned still maintains the title of golden boot and with ball in hand he knows there is only one thing to do with the Sherrin...and that is blast it down the ground. It was unfortunate that Ned was unable to bag more goals this season but with some off season →

## UNDER 7s

### Player profiles

training Ned will be a force to be contended with in 2020.

#### → FLYNN HUNTER (SPIRIT OF THE TEAM)

Little "Isaac Heeney" showed that his strength is reading the roll of the ball, enabling fast pickups and counter attacks that leaves the opposition, his dad and his teammates speechless. When switched on, Flynn can dominate with his power game and strong presence around the ruck.

#### → FLOYD JONES (RISING STAR)

A respectful and humble veneer was quickly stripped back every time the footy was in sight and Floyd scrapped hard to get more than his fair share of ball from the ground. Over the season Floyd showed his ability to read the play and had excellent positional knowledge for his rookie season.

#### → AILBE O'CONNOR (MOST COURAGEOUS)

Ailbe is not one to give up when the odds are set against her. With a steely determination she has toiled and has been able to scrap with the best of them to get the loose ball as well as kick a few goals this year.

#### → ELIAS RICHARDSON (MOST DETERMINED)

Elias is a real team player and gives it 100% in every position. Elias will put his body on the line in defence and when up front Elias is a heat seeking missile who will not stop until the ball is sailing through the goalposts.

#### → BENJAMIN YIN (BEST MIDFIELDER)

A broken arm saw Ben's season cut short. But when in action Ben has a great ability to read play and an almost sneaky ability to reach into the chaos of the ruck and wrench the ball out. Ben works well to link up with other players and is a selfless player.

#### TEAM GLEBES

#### → CAELAN ANDERSON (MOST SKILLFUL)

An exponential improvement in skill level has seen Caelan rise to one of the top players in the team. His creative evasion techniques and the development of an elusive side step has seen him progress beyond his years. He has also developed one of the biggest kicks of all the U7 players this year. I can't wait to see where his talent takes him next year.

#### → CALLUM BLAIR (MOST DETERMINED DEFENDER)

One of our best defenders, Callum never gives up. He is in the oppositions face when they get the ball, and he is the first one back when they break through the line. Great energy and a natural competitor, he plays strong all the way to the whistle. Despite being a first year

player he has picked up the game very quickly and has some great natural talent.

#### → EDWARD BOWEN (BEST TEAM PLAYER)

Ted is such a joy to have on the team. He has a great attitude that really creates a good atmosphere with his teammates. He has very good natural vision for the game, and quite regularly is able to find a teammate when moving the ball out of defense or through the midfield. His skills scrambling for the loose ball have improved immensely.

#### → SABINE CLARK (MOST DETERMINED CONTENDER)

Having left halfway through the season on a dream adventure with the family, Sabine was sorely missed. She possesses a knack for reading the play and getting herself in a good position during contests. Her ability to stay on her feet improved immensely, I have a feeling super coach dad would have helped with that one! Always looking to get involved in the play, she is a natural rover who has developed a very good passing and kicking game.

#### → CHARLOTTE SIMS (MOST COURAGEOUS)

Has one of the biggest hearts in the team, and this was evident given the courageous contests she threw herself into this season. I noticed

she bought a mouth-guard mid-way through the year which goes to show she does not shy away from the action. I also love Charlotte's passion for the game and her eagerness to get involved and ask questions to help with her improvement.

#### → GERHARD SMALBERGER (MOST CONSISTENT PLAYER)

Probably the hardest worker in the team. He just keeps on running until he is completely spent, I love his commitment and enthusiasm. Also blessed with natural talent, this all-round package makes a massive difference to the team, we certainly notice when Gerhard is not playing. If there is ever a time when the team needs someone to step up, you know you can count on Gerhard.

#### → CARTER SWIFT (BEST ATTACKING PLAYER)

Put a ball in Carter's hand and you will witness the most focused, determined ball runner you can imagine. He is a naturally gifted athlete, with a great kick, and inherent toughness that will see him go far in the game. Although he always has eyes for goal, and wants to score so the team can do well (and generally does), he has also worked hard this season on his teamwork. His passing game and vision for other players has improved a lot.

#### → ELIJAH VAN DER WATER (QUICKEST PLAYER)

Some big improvements this season. His catching and kicking is really coming of age. Good to see a more spirited effort when challenging for the ball on the ground. Elijah's most potent weapon though, is his running speed - when he gets into space, he puts the team in a great position to score a goal.

#### → HENRY WOTTON (MOST IMPROVED)

One of the most improved players this year. It's been great to watch his skills develop each week. He is a quiet achiever, who has steadily increased his involvement in contests and has developed good technique for staying on his feet when going for the ball. Henry is a great team player who is always on the look out for how he can assist a teammate in need.

#### TEAM GREY

#### → OLIVER CARMODY (BEST BALL WINNER, EQUAL SILVERBOOT)

Every team needs a player like Ollie. He is a tireless midfielder who never shies away from getting the ball out of a contest and clearing it to his teammates. Ollie was always willing to roll his sleeves up and get his knees dirty, despite being told to stay on his feet! He is a footy natural who was a joy to coach.

#### → ANGUS CHRISTIE (MR TENACIOUS, TEAM COMEDIAN)

A super reliable ball winner. Angus can lift the team with his heroics in the face of stiff competition. He had a quiet start to the year until strong opposition revealed his competitive streak. He also has a cheeky and mischievous side, especially when in cahoots with Lottie, which always entertained the team. Angus is the example we use to show how teamwork wins games!

#### → LOTTIE KALDOR (THE GAZELLE, BEST CELEBRATIONS)

Lottie is grace personified on a footy field. She is a great roving winger and is always entertaining and unpredictable, especially with her partner in comedy, Angus. She had the best goal celebrations of the year, especially the piggy backs! Lottie is a popular player on the team and was a joy to have around. She gets extra points for the Greyhounds colour-coordinated fashion accessories.

#### → LACHLAN KILLINGSWORTH (MOST DEDICATED, EQUAL SILVER BOOT)

Lachie loves his footy and is our most passionate player. Lachie has a laser guided boot, scoring some amazing goals from set shots. Lachie couldn't

wait for game time and gives it his all. He would graciously offer to play for the other team to make up numbers, including when he put in a man of the match performance for the Moore Park Tigers!

#### → ELLIOT LISTA (KING OF THE BOUNCE, GOLDEN BOOT)

A very exciting player to watch. He was always hungry for the ball and always keen to score goals. Elliot leads by example and is an inspiration to the rest of the team. He is undaunted by the opposition and brings his best effort every week. He was the Greys leading goal scorer and could have scored more but always took the team option.

#### → CLANCY TEMPLE (SMILING ASSASSIN, GOAL OF THE YEAR)

Clancy is every bit the footy player and roams the field with purpose. When Clancy is on, he is unstoppable and the best thing to do is stand back and watch! He is always excited to be at the game and his energy and enthusiasm are inspiring. He got the judges vote for goal of the year on Gala Day for a screaming mark, jinking run and blinder from the pocket.

#### → CAMERON WEBSTER (FASTEST ON FIELD, MARK OF THE YEAR)

Cam covered a lot of ground this season and was very dynamic on the field. A true team player, he was always looking for options and making great choices to link up with teammates. He has silky smooth kicks and handballs that were used to devastating effect on the field. Cam was really coming into his own as the season progressed and will be an absolute footy machine next year!

#### TEAM BLACKS

#### → JEREMY CHENG (MOST HUNGRY FOR THE BALL)

Jeremy's debut season was characterised by a relentless attack on the football. He really excelled as a sweeper behind the ball where he regularly turned the team around by attacking the ball in the air, or with clean hands off the ground, followed by a secure handball to a teammate.

#### XABI CHILDS (GOLDEN BOOT)

Xabi never lets his size get in the way of his focus on the ball. As a midfielder he keenly delivered his teammates scoring opportunities, but his absolute love was to receive the ball at the end of a linking play, light the afterburner and score for the Blacks.

#### → SOPHIE DALTON (MOST DETERMINED)

Sophie's tenacity and persistence

as a forward was great to watch and she really earned every goal she got. Her secure handballs in the mids and backs often set her teammates on their way to goal.

#### → CASSIUS GORDON (MOST ENIGMATIC)

Cass's enthusiasm for the whole Greyhounds experience was always on show with his beaming smile. By season's end his confidence was growing to match his size, there's real future potential in Cass.

#### → LACHLAN HARRINGTON (QUIET ACHIEVER)

Lachie almost becomes another person when the goal posts are in sight, he's a true small forward. His developing determination and persistence to score will serve him well as a future footballer.

#### → THOMAS MAYBURY (BEST DEFENDER)

Another debutante, Thomas became a fearsome defender as his in-your-face style often worried a forward into an offload rather than a shot on goal. His intensity around the ground was an asset to the team.

#### → ALEXANDER ROBINSON (BEST RUCK)

Alexander's height was invaluable in the ruck and often allowed us first touch of the football, especially when teamed up with fellow debutante Jeremy. By season's end his kicking had really developed, and we can't wait to see his development next season.

#### → JULIETTE ROSS (MOST COURAGEOUS)

Juliette 'Jet' Ross was at her best running toward goal with her smile leading the way. While determined to score goals she also understands the team game. Her prompt return to the field after saving a goal with her face in rd6 exemplified her courage and toughness.

#### → BILLIE SPURRS (MOST RESILIENT)

When Billie suffered a serious injury mid-season we really missed her ability to link the Blacks together. It was fantastic to see her return for a couple of games right at the end and fit seamlessly back into the team.

#### → JAKE STONE (SPIRIT OF THE BLACKS)

Jake is often the barometer of the team. He really empathises with his teammates and works hard for all of them week in and week out. While he's a natural defensive organiser his goals up front really lifted the team.

#### → TOMAS VALENTA (MOST SKILFUL)

'Tomik' really has all the skills but what was really thrilling to see was how hard he worked for the team. His enthusiasm in every position and circumstance really showed all of us how much fun football can be.

TEAM BLACKS

TEAM GREY

TEAM HOUNDS

TEAM STRIPES

TEAM GREYHOUNDS

I felt comfortable in late February with 30 or so registrations, being most of the class of 2018. I knew from experience a few newbies would register closer to the season but I thought the massive numbers from U8 2018 could not possibly be repeated. I was wrong - and so it played out... 60 players, 6 teams, 7 coaches, then came divisionalisation, a last minute fixture from the AFL and some Auskick program reforms. We started with a well attended pre-season, a great bunch of keen coaches and with our Age Manager extraordinaire Bec Barnes, which afforded us a less chaotic start to the season than most. And so the ride began and continued throughout a thoroughly enjoyable and rewarding year.

I know I speak on behalf of the entire coaching group when I say that this year's aforementioned massive crop of U8 sons and daughters of the Inner West were an absolute delight to coach and provided an array of shared experiences and memories to cherish. Two opportunities for the kids to experience the SCG at half time were real highlights (Adelaide and Collingwood games), I'm sure those who participated will never forget the opportunity they had. The hoarse

throats and the new limits of patience discovered are compensated for instantly by the infectious enthusiasm of the players. Once again I was proud of the way we played the game, umpired/coached and supported the teams, whilst sticking to club values and bringing great credit to the Greyhounds as an age group.

Thanks to all of the families and friends who supported us throughout the year, helping at training, volunteering on match day and being an engaged and helpful group. Watching the players grow and develop in so many ways, through their participation in the game has hopefully made everyone feel their efforts have been worthwhile this season and we hope to see you in 2020.

Thanks to Garreth, Ben, Chris, Todd, Matt S and Matt P for their wonderful coaching efforts. The kids have all improved and it hasn't been by accident. It was so easy to spend time together with these experienced

chaps who have a love of the game and a passion to help the kids enjoy it. A big special thanks to Matt Vici (and thanks to the Gijselman family for loaning us your nanny as a training coach), we could not have done it so effectively without you and your expertise given the size of the squad and everyone's varying availabilities. Our biggest thanks goes to my partner in crime, our incomparable Age Manager Bec Barnes. The level of communication, record keeping and organisation she puts into our footy program is phenomenal, we've all been the beneficiaries of her labour in many ways. Thanks also to Kristy, Erin, Claudia, Meghan, Brad and Trent for their assistance with Team Manager duties on game days, we couldn't have done it without you.

Finally thank you to the partners and children of our coaches and team managers, you sacrifice extra for the wider group and I know its valued and appreciated.

*Once again I was proud of the way we played the game, umpired/coached and supported the teams, whilst sticking to club values and bringing great credit to the Greyhounds as an age group.*

**TEAM WHITES****→ FLETCHER BARNES (GOLDEN BOOT)**

Fletcher was a deadly combination of speed by foot, accuracy by hand and a right boot that loved a goal. He was also a superb leader, always looking for an open teammate and encouraging the hard work of others. His handball skills and running bounces were big areas of improvement this year.

**→ WAKKA WAKKA COOK (MOST ELUSIVE AWARD)**

Whether it was selling the candy by hand or foot, or no-look kicks with deadly accuracy, Wakka was a nightmare for the opposition to mark. His 'canon' of a kick cleared the congestion and provided opportunities for our midfielders and backs and his ability to run past and around defenders meant that his delivery was always effective. Some very impressive goals towards the end of the season were a genuine highlight.

**→ HARRY GENTNER (MOST DETERMINED)**

Harry worked hard at each and every training, gave 100% to every game, listened to every instruction and followed it to the letter. As a teacher I would love to have Harry in one of my classes. As a coach he is the kind of player who will quietly do his job and before you know it goes from learning

the game to teaching the opposition a few lessons. Well done Harry.

**→ LEONARDO HENDERSON (SPIRIT OF THE GREYHOUND AWARD)**

Leo showed all the characteristics this club is trying to instil in our players. He is determined, passionate, energetic, team-focused and courageous. His love of a good old fashioned goal celebration was a joy to behold. He is a pleasure to coach.

**→ MINA MCGLASHAN (TNT AWARD)**

Mina was the quickest and most explosive player on the ground and she always showed great spirit and willingness to learn. She consistently supported her teammates and whether at training or at the game she worked hard to hone her skills. In the final few games of the season this hard work paid off with a strong contribution in the midfield and some clever shots on goal.

**→ LENIKA MCMAHON (MOST IMPROVED AWARD)**

Lenika's kicking skills, confidence and ruckwork all improved out of sight this year. She was focused throughout the game and stuck with her opponent so well she was able to anticipate their moves and beat them to the ball. I was especially pleased to see her kick some very skillful goals in the final rounds of the season.

**→ FINN SENIOR (FUTURE SUPERSTAR AWARD)**

Finn started the season a solid player who tried hard each week and finished it as one of the stars of the team. He attacked the ball with pace and flair and was a constant threat in front of goal. His field kicking was laser like in its accuracy and his defence was smothering.

**→ TOM STRUDWICK (BEST MIDFIELDER)**

Tom was best on ground in almost every game he played this year. His attack on the ball and his clean delivery by hand or foot cut opposition teams apart. He was a deadly combination of speed and accuracy kicking a team (equal) high 18 goals throughout the year.

**→ ARCHIE TOOGOOD (TRUE GRIT AWARD)**

What a first season for Archie! His confidence grew with each week and to see the joy on his face after kicking two goals in one game is to see the reason we play this game. A team favourite, Archie accepted every challenge and got as much joy from seeing his team succeed as he did from his own considerable improvement.

**→ FRED WOODALL (CAPTAIN OF THE BACKS)**

Ever reliable, coachable to a fault, generous and skillful, Fred has it all. That and a thumping left boot that often skipped the midfield on its way into the forward line. His steely gaze at the breaks told me he was listening to every instruction and had the desire to execute every order like a well trained soldier.

**TEAM BLACKS****→ SAM COULL (HARD BALL GET AWARD)**

Sam's big engine, height, strength and reliability as a big man set a great example to the team. At least once a game Sam was able to run with the ball under his wing and kick it long into the forward line. Often catching the opposition out of position and allowing us to score. Sam's teammates definitely appreciated his commitment and competitive spirit.

**→ THEO DURACHER-COHEN (MOST COURAGEOUS AWARD)**

Theo definitely put in the hours at training and practice at home this year. This commitment to practice has paid off, as his skills have improved exponentially. His passion, determination and fearless commitment has made him the most courageous player of the season. Theo's kicking and marking were →

## UNDER 8s

### Player profiles

reliable making him equally at home in attack or defence. Theo has been a pleasure to coach and watch develop.

#### → REX FISHER (MOST CONSISTENT AWARD)

Rex is a natural football player who used his size and speed well this season. His solid skills and booming kick allowed the Blacks to be competitive all year. Rex seemed most at home in the back line and was reliable and unstoppable when he had the ball. We look forward to seeing his love of the game and sportsmanship continue next year.

#### → FELIX FITZPATRICK (SPIRIT OF THE TEAM AWARD)

Felix was great to have around the club as he is a great team man and showed his genuine care for his teammates. He displayed his love of going for a run through the centre and sharing the ball with others. His skills and confidence developed considerably throughout the year. We all loved having him around the team this season.

#### → GEORGE HIRST (MOST SELFLESS AWARD)

George is an unselfish football player who loves sharing the ball, in particular in the forward line with Charlotte. This year he will be remembered as a fearless on baller who showed great skills at ground level and wasn't afraid of taking the huge knocks. George's openness to learn and develop has seen his football skills go to the next level - well done.

#### → LUCY MCPHEE (PASSION AND EFFORT AWARD)

Lucy has showed great improvement over the season. Her confidence has grown as she became more comfortable attacking packs and sharing the ball with her mates. Her love to run and continual movement, meant that she was a handful for opponents to man up on. Lucy is a great team player and the highlight of the season has been her enthusiasm for the game.

#### → ALEXANDER MEZRANI (ELUSIVE PLAYER AWARD)

Alex was elusive when he had the ball and his skills and confidence grew throughout the season and like many a young footballer he seemed to enjoy his time most in the forward line.

Alex really enjoys playing with his mates and is a popular member of the team who worked on his persistence and contested possession through the season.

#### → ANTON PALMER (COACHES ADVISER AWARD)

Loved being part of the Blacks team and analysing the game. His analysis and coaching insights often proved to be helpful during breaks. Anton was

the thinking footballer who always kept busy on the field. Anton is new to the game and has a fair bit to learn, however no doubt with his smarts and application will master footy. Keep the energy up Anton and we hope to see you next season.

#### → ASTON STEWART (MOST VALUABLE PLAYER)

Aston displayed determination, passion, courage and finesse throughout the season. His silky smooth skills shone around the ground and he consistently shared his love for kicking goals (especially snaps). As well as the flashy stuff, Aston always committed to the 2%, like smothering, throwing himself into contests and diving into packs. As a coach you can't ask for anything more than a player's 100% effort and determination and that is what we received every week from Aston.

#### → CHARLOTTE TEGART (MOST IMPROVED AWARD)

Charlotte has been our most improved player this year. She has displayed great kicking skills and a real passion for scoring goals. Charlotte's ruthless determination to never give up has meant no one or nothing will get in her way, especially in front of goals. This hunger for possession has meant she has been a great impact player.

#### TEAM GREY

#### → XAVIER ARMSTRONG (MOST IMPROVED)

Never one to demand the ball, this shy rookie has provided the Greys with some of our season's most rewarding moments as a team (who could forget his first career goal in the pocket at Trumper Park). His occasionally overly serious teammates have grown themselves by contributing to getting him involved in the game and helping to build his confidence, while he has shown them what perseverance and a gentle brand of enthusiasm can achieve. Xavier has worked consistently hard at training and stuck at it, he now has a great skill base.

#### → LEON DOYLE (MOST VALUABLE)

A precocious talent (and provider of a weekly assessment to me as to why Essendon is a better side than Carlton), this year Leon was the outstanding possession gatherer from anyone I saw in the U8's. He was simply omnipresent around the ground every week with his panther like agility and pace. I often noticed opposition coaches checking he was only one player! We focused this season on adding more polish to his formidable skill set and he succeeded

in spades, developing an already great boot into an ability to short pass to a leading player.

#### → PATRICK GIJSELMAN (MOST COURAGEOUS)

An always determined and consistent core contributor to the team, Patrick has added layers to his game this season. He now reads the play so much better and knows where to be and is consistent for longer. Adding this increased understanding of the game to his innate ability to know when it's his time to "go" has meant he had a season littered with highlights involving courageous marking, playing through injury, great running goals (lots of them) and sturdy defence.

#### → DARCY HERON (RISING STAR)

Darcy's best quarters and games this season were highly influential for the team. If his performance at these times starts to be his consistent benchmark next season, then we have another star on our hands. Pacy and with great game sense, Darcy made some memorable scything runs throughout the season and he always put his team first. Seeing him emerging from a pack of larger bodies and choosing a quick effective option is a sight I hope to get used to next year and beyond.

#### → HAMISH HOWARD (BEST HANDBALLER)

Hamish grew in confidence as the year progressed, concentrating for longer periods and having an increasing involvement in games through better positioning and plenty of chat. When a developing player's first instinct upon winning the ball is to look for a teammate to handball it to, we know we are doing something right. Hamish was one of our great improvers and the game is beginning to click for him.

#### → RORY HOWE (MOST ENTHUSIASTIC)

A mad Pies fan who takes more pleasure from wearing the Greyhounds black and white than most, Rory continues to model himself on some flashie Collingwood sports car-like forward like Stephenson or De Goey, despite me continuing to try to shape him into a consistent rolls-royce like Scott Pendelbury. We had a lot of fun doing so and the highlights were indeed flashy, he has a keen eye for goal and played a special part in our higher scoring games. Rory simply loves the game and just being out there with his teammates having fun.

#### → LARSEN JOHNSTON (COACHES AWARD)

Possessing all the skills already, as well as a passionate hunger to

succeed, Larsen had another highlight reel of a season. Always his own harshest critic, a confident player if there ever was one, when Larsen was switched on the Greys were an unstoppable force, and the opposition had no answer for his striking solo efforts. One of those players who seems to have more time than others, he often made the game look easy, choosing an around the body kick or a long angled handball that wouldn't even occur to most players.

#### → HAL MCLENNAN (GOLDEN BOOT)

Present with dad for every game and training session this year, the 50 game milestone veteran had another super season and performed a key role for us every week, often playing through a fair bit of opposition attention. Already possessing a very precise boot (and a reliable snap and banana), Hal was able to distribute the ball to his teammates across zones and often played them into attacking positions. At the same time he learnt to put on a lead himself and his link play and positioning was central to some outstanding end to end football from the team.

#### → ARCHIBALD MILES (BEST TEAM PLAYER)

It has been really pleasing to see →

## UNDER 8s

### Player profiles

Archie become more confident in his game this season and display an "eye of the tiger" competitiveness that I am loving. The first to volunteer to defend for two quarters or sacrifice his own game in some other way, he has embodied the Greyhounds approach to Auskick every week and set a terrific example for his team mates with his reliability and exemplary sportsmanship.

#### TEAM HOUNDS

##### → ANGUS CARRICK (BEST TEAM PLAYER)

A newbie this season and what a player! Turned up to almost every single game and always had the best attitude. With many tough games he was ready and willing to give it his absolute all at every stage. You will be a force to be reckoned with next year and your attitude should be commended.

##### → FRANCESCA DORSCH (GOLDEN BOOT)

One half of an incredible twinning duo but an easy standout player in her own right. Her strength is definitely on the midfield or defence. Her boot is so precise and strategic. Loved watching every single minute of your development this season. A truly valuable and talented player. Watch out U9 - Frankie is ready!

##### → LEO DORSCH (MARK OF THE SEASON AWARD)

The other half of the incredible twinning duo and an outright impressive and remarkable player. His consistent diving marks, smooth play and refined boot made it easy to see the talents run deep in this family. What an asset for U9 next year and I loved being your coach this year Leo.

##### → FINN HARGREAVES (SPIRIT OF THE GREYHOUNDS AWARD)

Finn achieved his 50 games this season. What a milestone! With an almost equally impressive amount of goals in his career. Always a great attitude I can't say enough good things about this player. Keep being awesome. You embody what this club means. You are fast and fearsome. Keep it up!

##### → PIP KALDOR (MOST ENTHUSIASTIC PLAYER)

A new player this year and what a committed player. You charged that ball from the get go and nobody would know it was your first season when they saw the determination on your face. Hope you continue on or use this new skill as a driving force to show you that you can achieve anything if you try. Proud of you!

##### → FELIX LEE (BEST MIDFIELDER AWARD)

Another rookie this season and another valuable midfielder. The strength you showed when in the mids was surprising and you stepped into this role naturally and confidently. Your growth this season was evident and a pleasure to watch. I hope you continue mate and I have loved coaching you this season.

##### → IMANA MCCARTHY (MOST DEDICATED AWARD)

Our ever dedicated Imana was one of the few who attended training almost every single week. She worked tirelessly on improving her skills and always came with the best attitude. I have no doubt this attitude of dedication and effort will see you well in whatever you choose to do in life.

##### → BALLY NAPHTALI (MOST BALANCED PLAYER)

Our least confrontational kid stepped it up this season and it was awesome to see. You showed a lot of personal growth when finding the sweet spot between challenging the defender but not using force. It became a game of mathematics for you and this allowed you score some sweet and well deserved goals. Proud of you mate.

##### → HARRISON PEART (COACH'S AWARD)

Our other non-confrontational kid stepped it up and we saw some more strategic play come out as a result. I loved seeing how you met this challenge and rose to the occasion. You showed yourself to be a truly valuable team player in any position this season and I am glad I got to witness that growth. Well done!

#### TEAM STRIPES

##### → ALEXANDER ANASTASI (ROOKIE OF THE YEAR)

A pocket dynamo with speed to burn and such a hunger for the ball that at times Alexander, found himself helping out the backs while playing up forward. A talented first season player with a precise long kick who has a very bright future at the Greyhounds.

##### → NOAH BUTLER (MOST VALUABLE PLAYER)

The stripes most experienced player who was often called on by the coach. Noah's ability to win the ball under pressure, find his teammates or snap a goal were pleasing to watch. Almost as much as listening to his coach and umpire critiques after the siren.

##### → KAINE GRANGER (CLUBMAN AWARD)

Another rookie who turned up each week with a fantastic attitude and a desire for improvement. Kaine's involvement and output increased continuously throughout the season as his skills and confidence developed. A pleasure to coach who copped some tough knocks and kept smiling.

##### → DARCY GUASTELLA (MOST IMPROVED)

Darcy's improvement this season was nothing short of sensational. Everything just seemed to click and Darcy started gathering the loose ball, dishing off passes like a seasoned veteran and kicked a couple of cracking goals that would make a highlight reel.

##### → RALPH HONNER (BEST RUCKMAN AWARD)

A genuine ruck star who the Stripes could rely on to get the ball moving.

His ruckwork draws the easy comparison to that of Max Gawn. Ralph's skills with ball in hand are also improving each season as is his stature in the team.

##### → AIDAN MCTIERNAN (MOST COURAGEOUS AWARD)

Aidan is a unique talent with all the skills to be a great AFL star. He is always hungry for a goal and courageous in his attack on the ball. Always vocal in the huddle and on the park, a team player who gave the fans plenty this year with his defence busting run. Definitely ready for the step up to U9.

##### → ARCHIE NORMAN (GREYHOUNDS SPIRIT AWARD)

In his first season Archie, transformed into a handy Auskicker who's stature in the team increased each week with his skills and confidence. A happy, quietly confident and focused player who was a pleasure to coach and endeared himself to his teammates.

##### → LYSANDER RAMOS (BACKMAN OF THE YEAR AWARD)

Lysander has to be commended on another fantastic season. A gifted footballer with all the right skills and plenty of heart. Not scared of a bit of contact and able to win the ball all over the park, it was his ever-dependable skills in shutting down the oppositions attack that kept us in a number of matches this season. Lysander will be even better in U9.

##### → ARTHUR SARLOS (FUTURE STAR AWARD)

A reliable and consistent rookie the coach could depend on. Arthur picked up the basics and quickly transformed into a quality player

with a selfless team first approach. If we kept stats for assists, Arthur would have streaked the field with his skilful little gives to the advantage of his team.

##### → JACK SMITH (GOLDEN BOOT AWARD)

Jack is the kind of player a coach can build a team around. He possesses all the skills and a few neat tricks that make him a great young footballer. Jack was creative with the ball in hand, always giving the opposition headaches. His field kicking just as accurate as he was in front of the sticks.

#### TEAM GREYHOUNDS

##### → ARCHIE ALLEN (BEST MIDFIELDER)

Fantastic player with beautiful ball skills. Great turn of speed and an eye for goal, he has a great right foot kick. Archie was one of the most consistent players all year and stood out in every game that he played. He will enjoy the open spaces in 2020.

##### → DOMINIC HARRIS (CLUBMAN OF THE YEAR)

Dom returned from a short hiatus from playing Aussie Rules. Ever present, in the field he showed real growth through the season. His insightful commentary was used both as motivation for the team and an education tool for the coach!

##### → JACK HEBBLEWHITE (MOST COURAGEOUS)

You can coach kids to kick and hand pass but there are some things that are innate. One key element is doggard determination and an aggressive attack on the football. Jack has those attributes. He is a

coaches delight and led the boys into the more physical games with gritted teeth. Thanks for your efforts Jack.

##### → ANTONIO MAIALE (ROOKIE OF THE YEAR)

First-year player, Antonio has a fantastic amount of speed. He learnt very quickly the basics of the game and by the end of the season his skills have improved out of site. Wonderful first year!

##### → MAX MCGILL (BEST FORWARD)

An imposing Hulk of a player, Max has all the skills when given the opportunity. A good mark and booming right boot. He was used most effectively out of the square and had a fantastic final stanza on Gala Day.

##### → ALAN PARKINSON (COACH'S AWARD)

Mr Consistency. Another big improver during the course of the season. Alan brings a massive positive influence to bear. His attack on the footy improved exponentially the longer the season went. Unfortunately for Alan the season ended!

##### → OWEN RICHARD (MOST IMPROVED)

Our other new signing fresh from the draft. Owen was a super addition to the squad and we loved having him on board. Incredibly eager and a very good listener. He put all his lessons into action week in week out. We were a better team with him in the side.

##### → BILLY SARAH (GOLDEN BOOT)

One of our two veteran players. Billy had a wonderful season for the Greyhounds; passing on his knowledge of the game to our new players and leading the way with his performances. Billy loves a shot at goal and when he does, the opposition have to pay the price.

##### → SAMUEL SMITH (MOST VALUABLE PLAYER)

Best season he has played. Regularly kicked goals but most impressive was his manning up in defence and his taking of marks throughout the games. He has practised hard to develop a consistent drop punt which is a thing of beauty. Thanks Sam!

##### → PARIS TANNER-BLACK (BEST WINGMAN)

A huge tank and an ability to run all day. His willingness to gut run was noted by all as he streaked away from opposition players. Paris was a regular contributor to the scoreboard.

with his accurate kick picking out teammates to help move the ball upfield. Very passionate about the game, which is great. Will continue to flourish next year.

**→ LACHLAN LALOR**

A massive year of development for Lachlan in his first season of Aussie Rules, culminating in two goals in the final match of the season on Gala Day. Always keen to get involved, which will only improve with continued development in the game. Hope to see you back next year.

**→ HUGO LOWRY**

A great asset in midfield, taking marks, helping to move the ball up to the forward line, then making tackles and dropping back. A good, if at times exhausting, year for Hugo. Looking forward to more of the same next year.

**→ CHARLES MELDRUM**

Charlie has really enjoyed the introduction to tackling this year, harrying opponents and using his physicality to help the team. He continues to use his speed with ball in hand and is looking to continue to develop nicely next season. Well done Charlie, you have had a terrific season!

**→ SAXON RIGG-SMITH**

Saxon has been the real discovery for the U9's this season, demonstrating natural ability and a grit that has his opponents left in the dust. He is the triple threat of speed, agility and strength and will be devastating the more he plays. Amazing work Saxon!

**→ BENJAMIN WHITE**

Ben never tires and gives 100% during every match, which is testament to his character, cool under pressure, loyal and a true team player. His skills have developed well and his nerves of steel are worthy of "Ironman". A real asset to the team and a pleasure to coach.

**→ SAMUEL WOOD**

A terrific work ethic game after game, consistently contributing to every passage of play, selflessly setting up goals and marks. His raw natural ability makes him a very valuable team member and a very popular member of the Stripes. Brilliant season Sam!

**U9 BLACKS****→ KALLAN CLEGG**

"Cannonball" launched himself like a hail of grape shot from Nelson's ship "Victory" and earned himself →

Unable to restrain ourselves until official training started, pre-season commenced at the end of February with a vicious exercise regime and a frenzy of kicking and hand balling. The Jubilee Park grass eroded under the pressure of unbridled enthusiasm, and late afternoon sun bakers were forced to run for cover from the deluge of newly inflated rubber.

Our gallant Auskick girls who had now departed to all girls footy were replaced by an intake of fresh faces who quickly settled in, and it was soon apparent that the new draftees were no mugs and would soon be dishing it up to opposition near and far. Now 58 strong, training was underway in earnest and excellently attended each week as skills were honed and a new generation of tough tackling Greyhounds was created.

We split into four teams and the 14 rounds of footy was underway. The boys impressed with their adaptation

to the new rules, coping well with the increased physicality and giving a good account of themselves, win or lose, always playing fairly and in a good spirit. While skills were important, it was the bigger stronger teams that gave us the most headaches, able to break through tackles with weight and strength. Two hectic gala days brought the season to a close. Over the six months our kicking, positional play and tactical know how improved considerably, and there were some rough battles and entertaining end to end games along the way.

Six players went to representative football, providing the backbone of a City side victorious in the U9 division. Complemented by the coach on their strong work ethic and excellent behaviour, the boys did the club proud.

I'm very proud of what the group has achieved this year, they are a good bunch of lads who have bonded really well within their teams and beyond. They are all looking more outwardly, making friends and knowing each others names. It's one thing to be skilful players individually, but building a real team atmosphere will see us to success in

**Make the Sherrin your best mate this summer and see you next year!**

the next few years.

Thanks to the coaching team who have given many hours of their time at training, games and of course waking in the wee hours of Saturday morning, the mind racing with match tactics for the day and whether to celebrate with a sausage, or be consoled by a bacon and egg roll when it's all over... parents who have thrown balls at training, and told the kids to quieten down when I've been putting them through one of my lengthy diatribes... those who've carried the stench of fried food around for the day after manning the barbecue, or enjoyed a morning of jovial banter in the canteen... Larry who organised our team photos and footy cards, setting a new benchmark in memorabilia... and those who have kindly shown an interest in my wellbeing after a rough training session, I salute you all.

Congratulations to all our managers on the fantastic organisation which has enabled the coaches to daydream in peace about premierships and concentrate on coiffing their hair to perfection pre-game.

Make the Sherrin your best mate this summer and see you next year!

## UNDER 9s Player profiles

a formidable reputation as a tough tackler and all round hard nut. Continued polishing of his skills will see him don the boots of a consummate all round footballer.

→ **NICOLAS CROSBIE-SMYTH**

“Dark Matter” again excelled this season as the mysterious force that binds everything together on the footy field, in one place, yet seemingly in every other place at the same time... from the big bang in the back pocket to the wall of last scattering in the goal square.

→ **LUKE GARCIA LISICIC**

“Young Skywalker” joined us late in the season, but quickly caught coach Yoda’s eye who commented “much promise the Padawan has, but in hand ball and kicking techniques over the off season he must practice... I sense in this one the force strong it is!”

→ **NATHANIEL HAWKINS**

“The Tesseract”, mercurial custodian of the universe’s greatest power source found the kicking, hand balling and towards the end of the season the prized “four quarter” stone. Once the other stones are discovered a snap of the fingers will render his opponents only half as good as him.

→ **LUKE KELLY**

“The Bushranger” certainly stood and delivered, delighting in using the power of his guns to mug any hapless soul wandering past with something as sought after as the ball. New this season, he quickly settled into the Black gang to terrorise opposition all over Sydney.

→ **MICAH MADZIN-COSTIGAN**

After a promising few months “The Cat” had his season cut short for the second year running when he came a cropper pursuing his back up career as potential stunt double on Little Lunch. Hopefully third time lucky next time round, and a breakout season in the right sense of the word!

→ **MAX MEAGHER**

“The Road Warrior” filled his tank with high octane fuel and set about wreaking post apocalyptic havoc in many a backline. A mid season prang resulted in a few weeks off, but he returned with both barrels blazing, picking himself up after a nasty tackle to smash himself a major.

→ **BLAKE RAMEAR**

“The Doctor”, his finger always on the pulse, was definitely in this year... either dissecting defences with surgical precision or providing a band aid in defence he was always on

call to deal out the prescription for any opposition headache.

→ **JOEL RAMEAR**

“Piano Man” shone in the spotlight at both ends of the ground proving himself an accomplished uptown boy and downtown man with some incredible goals and desperate defending. Narrowly missed out on number one in the best and fairest chart.

→ **ELLIOTT RODGER**

“The Camperdown Panther” really bared his claws this year and enjoyed nothing better than parting opponents like a herd of Wildebeest on the Veldt in his search for the ball. A highly developed sense for the smell of a sausage roll often saw him in a feeding frenzy in the goal square.

→ **JESSE RUMPF**

“The Janitor” used his toolbox to full effect, whether going at it hammer and tongs, holding onto tackles like a vice, drilling the uprights or nailing a handball out of the ruck. This jack of all trades certainly deserves a nice cup of tea and a biscuit after such a great season.

→ **LEWIS SCHOFIELD**

“Little Gary Rohan”, Annandale’s leading exponent of “stacks on”

**U9 BLACKS TEAM AWARDS BEST & FAIREST** Nicolas (Nicky) Crosby-Smyth / **BEST & FAIREST RUNNER-UP** Joel Ramear / **BEST DEFENDER** Liam Seymour / **BEST MIDFIELDER** Blake Ramear / **LEADING GOAL KICKER** Nicolas (Nicky) Crosby-Smyth / **BEST ALL-ROUNDER** Jesse Rumpf / **MOST IMPROVED** Ezra Wauchope / **MOST COURAGEOUS** Lewis Schofield / **PLAYERS PLAYER** Nate Hawkins

**U9S HOUNDS TEAM AWARDS BEST & FAIREST** Owen Fitzpatrick / **BEST & FAIREST RUNNER-UP** Edward (Ted) Towzell / **BEST DEFENDER** Charles (Charlie) Carmody / **BEST MIDFIELDER** Hamish Walker / **LEADING GOAL KICKER** Nick Collins / **BEST ALL-ROUNDER** Luke Sutherland / **MOST IMPROVED** Jimmy McCartney / **MOST COURAGEOUS** Henry Gellin / **PLAYERS PLAYER** Jeremy Webster

was the hard ball get hero this year, regularly seen punching hand balls out from the bottom of a heap. Mercifully his rugged good looks were preserved as he got away injury free from the maelstrom of melees.

→ **LIAM SEYMOUR**

Donald Trump promised us a wall but failed to deliver. “The Wall With Legs” delivered in every department securing plenty of votes in the best and fairest count. Brought our season to a magnificent end with a match winner with twenty seconds left in our final game of Gala Day.

→ **SPENCER STRUTT**

“The Plumber” proved himself adept at fixing leaks then charging like a wounded bull. His taps were of the highest quality, he welded the ruck together, applied the blowtorch in attack and made sure he drained every ounce of energy from himself.

→ **EZRA WAUCHOPE**

“The Flash” sped from end to end so fast his presence was only given away by a whooshing of air as he pounced on the loose ball, and threw himself across the goal face to prevent disaster. At training, his verve and energy was rewarded all round particularly with much improved kicking.

**U9 HOUNDS**

→ **WILLIAM BOWEN**

Billy has concentrated on his kicking this year with some extra skill sessions at training. The extra work has really paid off for him. He continues to be an exciting and popular player who can deliver under pressure and find his way in traffic.

→ **WILLIAM BRISCOE**

Will joined the Hounds as a soccer player and was quick to learn to kick and handball. He is a gun rover who doesn’t mind getting into the packs. Will is good at finding space and kicked a lovely goal for us on gala day.

→ **CHARLES CARMODY**

Charlie plays in front and is our best intercept player. He is a long and strong kick and also good at ground level for a big player. Charlie is a solid over head mark and very hard to match up on with his speed, size and skills.

→ **NICHOLAS COLLINS**

Nick is super competitive one on one and will turn a player inside out to score. He reads the ball well and is a lovely set shot. Nick was impressive under pressure and stood up to get us over the line in a few close games this year.

→ **FRANK COTTON**

Frank is another new Hound that really developed his Aussie Rules skills this year. Frank is a good mark, a lovely kick and plays well at both ends of the ground. He is dangerous in front of goals and takes intercept marks in defence.

→ **OWEN FITZPATRICK**

Owen takes the game on every week without fail and stuns everyone watching with his exquisite skills. Owen can do anything with an Sherrin and delivers it with precision when kicking on the run. He exemplifies the style of footy that we all would like to play.

→ **HENRY GELLIN**

Henry is a hard and brave nut. He has an incredible work ethic, is our best tackler and has found his position as an on baller. Henry is exciting to watch and the opposition’s worst nightmare! He was very good directing traffic as Captain.

→ **JIMMY MCCARTNEY**

Jimmy put in a lot of extra work at training this year and has taken his game to the next level. He uses his size well to bring down and spoil marks. He is reliable with set shots, lays great tackles and clears the packs quickly for a tall player.

## UNDER 9s

Player profiles

### → LEO NORDIO

It took Leo a while to adapt his silky soccer skills to Aussie Rules but by late in the season he was showing us all just how good he is. Play seems to go into slow motion when Leo has the ball. I can't wait to see what he can do next year.

### → QUIN STANTON

Quin is a reliable player who works hard every week and makes good decisions. He is quick, skilful and always sticks to the game plan. His forward pressure tackling was great this year and he found the goals when he had the chance.

### → LUKE SUTHERLAND

Luke is one of our best run and carry players from across half back. He is dangerous with very accurate long range kicks to hit up a player or head for home. Luke did some great talent scouting for the Hounds this year bringing us five amazing new players.

### → EDWARD TOWZELL

Teddy is our fastest runner, and one of our best all round players with an impressive work ethic. He is great overhead, takes the game on and turns his opponents inside out. Teddy understands the game at both ends, is dangerous in front of goals and tough in the pack.

### → HAMISH WALKER

Hamish was one of our new recruits and had a huge impact on the team. He is extremely strong, bursts through the pack and has a booming kick. Hamish can play anywhere but looks great in the centre. He listens to his coach and does whatever is asked of him.

### → JEREMY WEBSTER

Jeremy had a fantastic year putting in some outstanding games when we really needed him. He loves a big occasion and is one of our fastest players. He also made a great captain when it was his turn and is a natural on field leader.

### → ASHTON WEST

Ashton has worked hard to improve his skills this year. He has a good understanding of the game, is willing to get his head over the ball and lay a good tackle. Ashton kicked a goal for us in rd13 and is a great asset to the Hounds.

### U9 WHITES

#### → OMAR BATISHA

What a debut season. The Greyhounds unearthed a contested

## Teddy is our fastest runner, and one of our best all round players

animal in Omar this year, leading the possession count every week. As the season progressed Omar added multiple dimensions to his contested game, with some memorable runs, handballs and kicks. A breakout season awaits.

#### → HARRY BENSCHER

'Clean Hands' Harry had another characteristic season with some spectacular marks. He added another dimension this year with some sharp work around the ground and a competitiveness around the ball. His link ups with other Whites produced some of the most memorable plays of the season.

#### → CHARLIE BLUNDELL

Charlie's back end of the season was as good as any for commitment and physicality. No White gave greater service to the team when bodies needed to be on the line. Watching Charlie's confidence grow in the midfield this year was a coaching highlight.

#### → LOUIE CHRISTIE-DAY

Louie was a real leader in the group, if not by words then certainly by actions. A fantastic season across all positions. Never shirked a responsibility on the field and so often got us moving back in the right direction. Ready to take his game to a new level.

#### → HARPER DALES

Harper came back as a stronger player this year keen for the physicality. Highlights of the season were a couple of great contested marks in the forward line that led to shots at goal. Looking forward to next season Harper.

#### → HARVEY KRAEGER

Our nomination for the Stawell Gift, Harvey just got faster as the season went on. Whether leaving his man in defence or sprinting to goal, Harvey really stepped up this year - always involved in the play. Well done.

#### → LEONARDO LEITL

We were glad to have Leo in our

U9S WHITES TEAM AWARDS **BEST & FAIREST** Louie Christie-Day **BEST & FAIREST RUNNER-UP** Leonardo (Leo) Leitl **BEST DEFENDER** Theodore (Ted) Wakelin **BEST MIDFIELDER** Omar Batisha  
**LEADING GOAL** Ioanni Titmuss **BEST ALL-ROUNDER** Huon Wright **MOST IMPROVED** Harper Dales **MOST COURAGEOUS** Charlie Blundell **PLAYERS PLAYER** Leonardo (Leo) Leitl

mix this year, his strong physicality and marking were a highlight. He is a wholehearted player who gives everything to each game. Leo developed a team first ethos over the season, pulling the team across the line with sheer determination on many occasions. Well done.

#### → OLIVER MAYBURY

Ollie kicked his first Aussie Rules goal in the first game of the season. An early adopter of U9 tackling, Ollie extended his range with some long runs as the season developed. Unofficial U9s bodyguard, Ollie took rivalries seriously this season. Intel is that prep is on the way for 2020.

#### → ADAM NUSSBAUM

Adam got faster as the season progressed and his stints at full forward were highlights of his season, including crucial marks and goals when we needed them with a memorable step around his defender at Five Dock. His Gala Day performances showed what he is capable of.

## 'Rance' was worth the price of admission for his intercept marks alone.

#### → WILLIAM RIANT-DUCKETT

Billy had a big first season of Aussie Rules with the Whites. Blessed with a big boot, he was often deployed as our last line of defence. As the season finished, we uncovered his love of the midfield and some spectacular contested marks. Looking forward to another big one next year.

#### → CALLEN THOMAS

When it mattered, Callen was our man, outmanoeuvring taller opponents for some critical marks and goals. Callen came to the fore in our Gala Days. His final game for the club saw the boys declaring their appreciation - good luck in Melbourne Callen.

#### → IOANNI TITMUSS

This fifty plus game Greyhound veteran continues to work hard on his game, performing consistently,

particularly towards the end of the season. Well served by his Dusty fend, a good understanding of the game, and a skill set that allows him to work from the ground to the air, a goal scoring maestro.

#### → THEODORE WAKELIN

'Rance' was worth the price of admission for his intercept marks alone. In the dying rounds Ted kept us in it with numerous last minute saves and defensive tackling. Always ready for the ruck, Ted was a cornerstone for the 2019 Whites.

#### → HUON WRIGHT

Huon picked up where he left off last season and came back this year with even greater skills. His kicking is a joy to watch and as always he is a joy to coach. So many goals this season is a testament to his evasive skills and accurate kicking.

Report by Cain Sarah

**HEAD COACH** Cain Sarah  
**TEAM COACHES** David Sawkins (Hounds), Merrick Watts (Hounds), David Sharp (Greyhounds), Jeremy Champion (Greyhounds), Keith Tracey (Whites), Jason Upcroft (Whites), Cain Sarah (Greys), Mat Fulton (Greys)  
**MANAGER/S** Steph Williams (Head Manager), Simon Edwards (Greys), Emma Murphy (Greys), Anthony Johnson (Greyhounds), Craig Allchin (Greyhounds), Melinda Ammit (Hounds), Elissa Harman (Hounds)

**MILESTONES 50 GAMES** Will Boronski / Blake Clift / Gabe Larke / Max Allchin / Jasper Champion / Charlie Johnson / Fred Lynn / Oscar Sharp / Oran Gallagher / Hunter Upcroft / Henry Schmidt  
 Charles Fuller / Nicholas Sabey / Maliyan Reynolds

**REPRESENTATIVE PLAYERS** Fergus Tracey / Jasper Champion / Laurence Bennell / Gus Ammit / Seb Mok / Angus Baker Wood  
**GLEBE PERPETUAL AWARD SUSAN PARKER MEMORIAL AUSKICK GRADUATE OF THE YEAR** Tom White

Super versatile and can play any position well. A top season Harry.  
 → **ALEX FULTON**

Alex is a star. Super quick and lifted his aggression to another level this season with his tackling a huge highlight. Loves the goals and a goal celebration. Kicked a bag against Easts but also dishes off plenty to team mates with his quick hands. Another great season Alex.

→ **KAI GUELF**

The recruit of the season! Kai made the move from the Concord Giants in the off season and slotted seamlessly into the team. Speed to burn and a beautiful left foot kick makes Kai a dangerous weapon. Kicked a number of beautiful goals over the season. Well done Kai, you have been a great addition to the club.

→ **GABE LARKE**

Gabe is the quiet achiever and thinker of the group. Often poses a thoughtful or strategic question that has been playing on his mind. Gabe was on fire on the final gala day and left it right until the end to show us what he is truly capable of. A really great season Gabe.

→ **SEB MOK**

Another simply superb season of football by Seb where he continually took his game to another level. Dominated many a game, but it was his ability to bring others into the game that was most pleasing. Extremely unselfish and a deserving winner of the Greys' best and fairest award.

→ **LUCA MUMME**

Luca made the transition from soccer to AFL look easy. Despite being a good 12 months younger than most of the boys and this being his first season of AFL, Luca played some great footy over the season. Extremely courageous with a number of running back with the flight marks. Defensive work on gala day was magnificent.

→ **ARCHIE SARAH**

Archie is Mr Consistent. Quietly goes about his work with a minimum of fuss and is the ultimate defender - plays super tight and lays bone crunching tackle after tackle on opposition players. Rarely concedes a goal and plays very unselfishly, adopting a team first attitude at all times.

→ **TOM WHITE**

Where do I start with Tom! The ultimate team player who never lets →

**A**fter a very successful U9 season we were hit with an influx of registrations which were quickly capped at 60, meaning 4 teams of 15 star players. This season (much to the delight of the boys) fitness was a big focus at training. With bigger grounds, being able to run out games became very important. The kids all attacked training with vigour and effort, and you could certainly see fitness levels increase as the season progressed. A crowd favourite was the beep test, which all the boys completed twice over the season. Fitness played a big role, with a number of come from behind wins validating the extra work at training. I am a firm believer that in junior sport if you are fit, you will be well placed to simply out work your opposition. At training, Merrick and I worked really hard with a group of new and developing kids and we saw each one of them make massive inroads and improvement as the season progressed. That was perhaps the most pleasing aspect of the entire season.

All teams had a number of great wins and heartbreaking losses over the season, which for us as coaches is what it is all about. Over the 32 gala

day games I believe we came away with 24 wins, with a number of very narrow losses - so a fantastic result, especially when you consider that we had 4 extremely even teams. At development day, the 6 Glebe players represented the club extremely well running out victors in their age group. Special thanks to Keith and Jeremy for coaching this team.

Perhaps the two main highlights for the season were the State of Origin matches against the Sandy Bay Lions at Jubilee and then the Collendina Cobras down in Geelong. It was fantastic to host Sandy Bay

after travelling down to Hobart in 2018, however it was the game in Geelong that was most exciting and again created some memories for the kids that they will never forget. It's trips like these that make you realise what a special club we are involved with. The fundraising for Rivers Gift was outstanding (raising over \$20,000 between the two clubs), and what a last minute of the game - with Charlie Johnson kicking the winning goal with seconds to spare. We are off to Hobart again in 2020 and will host Collendina.

In closing, I would like to say a sincere thank you to the managers (including head manager Steph) and also to the seven other coaches who were extremely invested, interested and determined to get every ounce of talent out of the kids. We are so lucky to have each one of them helping out at training and coaching on game day. It will be sad to break up the teams after the last 2 years, but it's off to divisions next season and I sincerely hope each and every player returns in U11.

**We are off to Hobart again in 2020 and will host Collendina.**

### U10 GREYS

→ **JACK AHIE-SLATTERY**

A close second to Seb in the best and fairest count. Jack's aggression and in particular his second and third efforts were outstanding. A genuine centre half forward who has strong hands and a booming kick. A superb athlete.

→ **LACHIE BAIRD**

Lachie's first season at the Greyhounds was a memorable one. Rapidly improved as the season progressed and ended up a real contributor with his attack out of defence a real highlight. Plays the game in the right spirit and is a favourite amongst his team mates.

→ **WILL BORONSKI**

Will is an extremely reliable forward and all his skills were on show in the final gala day where he kicked the team's entire score in the first game. Knows where to lead, takes a strong mark, and is a beautiful long kick.

→ **JARVIS CALEO**

One of the most courageous players in the team and a deserving winner of that award. Jarvis is tough, fearless and runs straight at the footy. He also hates to lose! Like Harry, I had to move Jarvis around a few times when we needed a particular player stopped - much to his dismay when

he was a forward - but he always did the job. A great kid to coach.

→ **JEREMY CLARK**

Jeremy played the first half of the season before heading off on an around Australia holiday with his family. A number of photos show Jeremy on dusty footy ovals in the outback honing his skills. I am sure he will come back from the trip ready to attack the under 11s.

→ **BLAKE CLIFT**

Blake was often used as a secret weapon to get under the skin of opposition players. About midway through the season Blake realised that if he started bumping into his opponent, this would distract them. A great tactic! Kicked an important goal early in the season against Maroubra. Possibly his last season of footy as the lucrative tennis circuit appears to be calling him. Won't be the same without Blake, Lynn and Jamie at the club - they have been a huge part of the Greyhounds for many years.

→ **HARRY EDWARDS**

Harry is an all round star. If you need someone to kick a goal you move Harry forward. If you need some tight defence, you move Harry back. You need some fire in the midfield, you move Harry... you get the drift.

## UNDER 10s Player profiles

you down. Every single week Tom delivered and you simply know what you are getting and that is someone who gives his all. In the last gala day Tom took a number of saving marks in defence under huge pressure - as he did all season.

### → LACHIE WILLIAMS

Without doubt the most improved player in the team. Became a tackling machine and kicked a number of important goals throughout the season. Despite his size, never scared of the contest or taking on kids double his size. Loves his footy and is an absolute pleasure to coach.

### UTO GREYHOUNDS

#### → MAX ALLCHIN

Played his milestone 50th game this season and was a very worthy winner of 'Best Defender'. Kicked some crucial game defining goals throughout the season, and often handballed his way out of trouble. Super solid as either the last line of defence or peppering the goals in full forward. Always finished with red cheeks and great hair!

#### → ANGUS BAKER WOOD

Another tremendous season of footy by our smallest man-mountain. Sporting the new headgear, Angus was even tougher at the contest this year. A clear winner of 'Most Courageous', as well as a representative player on a winning team. A true mid-field specialist and an absolute gentleman. Credit to his parents.

#### → JOHN BARRY

Another solid all-rounder performance from John this season. Most comfortable in mid-field, although played an equal share across the ground. A great sense of team-work and a calm level head on his shoulders. It's been a pleasure coaching him over the last two years. Lovely young kid with a bright future ahead.

#### → OISIN (OOSHIE) CANTWELL

One of two super new recruits in his first ever AFL season. Always marked up like a trooper and really owned his role in every game. Worked tirelessly in defence, and connected well with team-mates, via controlled handballs. His confidence blossomed as the season progressed, as he took more marks, bumped at the contest, and won some free kicks.

#### → JASPER CHAMPION

50 games achieved versus our

nemesis, Easts Bulldogs. Well-deserved winner of both the 'Best & Fairest' and 'Leading Goal Kicker' awards. A very solid contributor as one of our representative players that scooped the pool and won the gala day competition. Equally skillful in all positions. Mastered the art of scoring goals off his wrong foot. One of a few Greyhounds that made the Swans Academy starting in 2020.

#### → ORAN GALLAGHER

Size yet again didn't matter, as Oran out-played bigger opponents with his typical niggler, solid marking-up and relentless tackling. Celebrated his 50th game, which had been missed the previous year. Oran has come on tremendously, and this was witnessed by claiming a brilliant well delivered chest mark in the final gala day match. One to watch next year.

#### → TIMOTHY HARRIS

A unanimous recipient of the 'Best all-rounder' award. A joy to watch as he hit the line hard and ran with grit, determination and poise. Sensational clearances when under pressure, and unafraid of breaking tackles and backing himself. Showed his class as he was given more flexibility to play all positions this year. The blue hair proved to be his good luck charm.

#### → ERON JOHNS

Our third new recruit, having stolen him away from soccer to show off his new-found AFL skills. Eron played a valuable role in the team and always tried his hardest. Full of energy and just the right balance of cheeky and on the ball. Learned a lot this year and will improve greatly with practice and focus.

#### → CHARLIE JOHNSON

50 games also ticked off the list, against Easts Bulldogs. No doubt in the coaches minds that Charlie had to receive the 'Players player' award. Super solid and impressive in the mid-field, and hugely improved in communicating with fellow team-mates, and handballing out of trouble, rather than panic-kicking. Master of the fend and the post-goal celebration. Had a stunning run of three goals in successive weeks. Super energetic and polite boy.

#### → ORSON KEELER

Great to have Orson return to the Greyhounds this year. Often quietly going about his business, his best game of the year was against Moore Park Tigers. He was constantly on the move and was unlucky not to score, coming away with a few behinds. A great young player

**UTO GREY TEAM AWARDS BEST & FAIREST** Seb Mok **BEST & FAIREST RUNNER-UP** Jack Ahie-Slattery **BEST DEFENDER** Archie Sarah **BEST MIDFIELDER** Kai Guelfi **LEADING GOAL KICKER** Seb Mok  
**BEST ALL-ROUNDER** Harry Edwards **MOST IMPROVED** Lachie Williams **MOST COURAGEOUS** Jarvis Caleo **PLAYERS PLAYER** Alex Fulton  
**UTO GREYHOUNDS TEAM AWARDS BEST & FAIREST** Jasper Champion **BEST & FAIREST RUNNER-UP** Xavier Quoyle **BEST DEFENDER** Max Allchin **BEST MIDFIELDER** Oscar Sharp  
**LEADING GOAL KICKER** Jasper Champion **BEST ALL-ROUNDER** Tim Harris **MOST IMPROVED** Tom Perrott **MOST COURAGEOUS** Angus Baker Wood **PLAYERS PLAYER** Charlie Johnson

energy was infectious this season and it will serve him well as his game evolves next year. Congrats Ozzie.

### UTO WHITES

#### → LAURENCE BENNELL

It's hard to believe that this was only Laurence's 2nd season of AFL. His skills stand out - great hands, accurate and powerful handballs and a beautiful kick. What really marks him as our B&F though is his engine - he covers every blade of grass on the field - and his athleticism. In 2019 he's developed a deeper game awareness and tactical skills and he is always keen to analyse and improve his and the team's game Well done Laurence on a great season!

#### → JACK COBRCROFT

Jack has built on his first year of AFL in 2018 to become not just the most improved player but a critical player for the team. Effort, commitment and intensity have always been there and Jack has built on his ability to bust tackles and kick long to our forwards. He has developed into a strong contested player and a dominant ruckman (as evidenced by his gala day games) who gives everything each game.

#### → JAMES DOYLE

There is so much to like about how James has developed his game this year. His run has helped the team spring from half back and midfield and he has worked on his tackling technique to make it a great weapon. He has become a good mark and kick for goal, regularly getting on the scoresheet or creating opportunities for others. James has a great combination of toughness at the ball and ability to shake off players that inspires his teammates when the game is on the line.

#### → JOEY EVERETT

Joey's return to the mighty black and white has been marked with some great play. Joey has a relaxed playing style, which is a positive for his team mates when times are tough. He comes alive when the ball is heading his way and has developed good footy skills - he's a good mark and has a handy habit of popping up in the goal square to nick a goal, often when it's most needed. Towards the end of the season Joey built on his training efforts and worked hard to shepherd or directly affect contests leading to goals for team mates. →

who will continue to blossom as a player in the years to come.

#### → FRED LYNN

Congrats on achieving 50 games! Played possibly his best quarter of footy against the Newtown Swans, and was outstanding in the mid-field. He ran like a mad-man and won a huge amount of ball. Always a brick wall in defence. It's been a real treat watching Fred take off this year. His galloping runs always lifted the team and pumped up the energy levels.

#### → FINN MAGUIRE

Another one of our new star recruits. Kicked the very first goal of the season in his first ever AFL game for the mighty Greyhounds. Massively improved awareness around the ground, and unwavering energy and effort up forward, where he successfully played a large portion of the season. Incredible ability to maintain focus, whilst also having the rain-man like ability to tally up the scores with incredible accuracy.

#### → THOMAS PERROTT

Without doubt the 'Most improved' this season. Congrats Tom on a brilliant break-out year! Often positioned himself in the right place in the forward flanks, and took plenty of marks that allowed

him to work on his set-shots.

Effort and commitment greatly improved, shown by his bumping and attacking the ball. Focussed skill sessions gave Tom more confidence, which contributed to him growing significantly as a player this year.

#### → XAVIER QUOYLE

'Best & fairest' runner-up. A master class of a season and an uncanny ability to pull-off the extraordinary. Always in the right place at the right time. Unselfishly and regularly set up goals for our full-forwards. Often single-handedly crushing opponents with a flurry of first quarter goals. Forever defending and stunting the rivals' attack. Regularly bruised and battered, and battling through to the siren. One of a few Greyhounds that made the Swans Academy starting in 2020. A treat to coach.

#### → OSCAR SHARP

50 games celebrated versus Newtown Swans at fortress Jubilee. A stunning break out season saw Oscar scoop the 'Best midfielder' award. Highlights - on fire against Moore Park Tigers (Black), with lightning runs out of the mid-field. This was a stellar game from Oscar, who unselfishly handballed to team mates on the fly. His new-found

## UNDER 10s Player profiles

### → ARCHIE EYIAM-ROWE

Archie is a champion and deservedly backs up with his 2nd award for most courageous player. He is tough, committed and never leaves anything in the tank at the end of each game. He shows great sportsmanship and goes about his work with a smile that belies his sheer physicality. He loves locking down the opposition's best forwards and hunts the ball across our back half, going hard at every contest. He's so easy to coach – listening intently and then enacting the plan with determination!

### → FINN HERRIG

It's never easy to join an established team in a new club but Finn has managed this with a smile and a really positive attitude to his footy. He has skill to burn with ball in hand – great handball skills and can kick goals or to a teammate's advantage with ease. Forward half has been his natural home, and he certainly loves to kick a goal, but his work in midfield and defence is often elite level. His run and endurance add an extra dimension to his game and put him in positions to successfully lead or get to contests to win the ball.

### → OLIVER LLOYD

Oliver is developing into an impressive defender and midfielder with a clear sense of his role and how to excel. He's been growing in confidence in either a man on man role or in covering across halfback. Oliver has developed into a fine handballer with gala day the crowning glory of a season of week to week improvement. He has also really improved his tactical awareness which has helped turn our defenders into a cohesive unit. He trains and practices hard and then carries that effort out onto the field every week.

### → HECTOR MARSDEN

Hector represents the way we want to go about our footy - tough and skilled with a keen sense of sportsmanship. His sheer desire to win and use the ball well inspires his team. He has a great eye for goal and an impressive left boot which gets goals and just as importantly gets his team out of trouble, often through a long accurate kick to a marking midfielder or forward. 'Relentless' is the way an opposition coach described Hector to me this year, and he can play anywhere. He is critical to the team's success and the deserved winner

of 'Midfielder of the Year' as he is seemingly at every contest between the arcs and usually wins them!

### → EMAKHI MUNRO

Emakhi has that rarest of abilities – the ability to find space in a crowd. Once he gets possession, he often seems to make time stand still as he jinks and swerves to get out of trouble, or more often, create or score goals. He is skillful and exuberant with the ball – unpredictable and usually confounding opposition players. He is among the smaller players on the team but the toughest tackler. His tackling this year has just been immense and he will probably go one better in the B&F next year. He's worth the price of admission to every game!

### → DILLON POZNAKS

Dillon's best is simply top drawer. He has great hands and is a wonderful mark. Add this to his accurate kicking and you have a very well rounded player. He is quiet on the field but doesn't lack intensity – preferring to let his tackling and ball use do the talking. His natural home is in midfield and at half back where he can either go man to man or use his speed to get the ball forward. As with last year, Dillon got better and better as the year went on.

### → MALIYAN REYNOLDS

Maliyan gives 100% every game and uses his size to great advantage in the ruck and in a full forward role where his ability to mark or get the ball to ground created many goals this season for both Maliyan and his team. He has soft hands which allow for great marking and handballing around the field, and his booming kick is a great weapon or defensive outlet for the team. Maliyan has a great personality with a semi permanent smile and infectious laugh – lifting the team when we're down. He also leads by example, often coming off the field absolutely spent.

### → HENRY SCHMIDT

Great improvement from Henry this year he's grown in skills, confidence and maturity and was unlucky not to win the award for 'Most Improved'. Henry gets his body into the contest and manages to affect play even when not winning the ball directly. He is appreciated by coaches and teammates for his effort and willingness to perform any role. He was particularly successful when needed to play in the ruck against

much bigger players. Henry has been best on ground several times for pure effort at the contest on the ground or in the ruck. Henry also has worked on his handball skills as evidenced by the handballing out of defence which topped off a successful gala day.

### → FERGUS TRACEY

Fergus' ability to read the game and anticipate the opponent's ball movement has been a great strength – allowing him to position himself to take intercept marks or to contest an inside 50. He has been most successful this year across half back or at fullback, usually on our opponents best forward and marshalling the backline to thwart the forward threat. He loves to deploy the unheralded skills of the game – spoils, shepherds and smothers – to win or prevent his opponent from winning the ball, but also has a very handy, accurate and long kick, and handball skills to get the ball moving forward quickly.

### → HUNTER UPCROFT

What is most noticeable about Hunter this year is his parallel improvement in 2nd and 3rd efforts and his increased physicality throughout the season. His effort levels are massive every week. Not only has he been an essential defender locking down the opposition's forwards, but he is also working well in partnerships to hunt forwards down to force turnovers. He has also developed his tactical awareness with his positioning and support play for exposed teammates. His skill level has improved year on year – he's always been a good kick and skilled handballer – and this season Hunter has been consistently able to put together all parts of his game leading to a very successful season.

### → CHAZ WILLIAMS

2019 has seen Chaz' best footy for

Glebe. Most dangerous playing at full forward or in the pockets, Chaz has been able to occupy and pressure defenders to create space for his forward line and to contest inside 50s to either win the ball or to keep it locked in until help has arrived. This year has also seen Chaz develop his ability to read the game – his positioning and run across the half forward line has really improved and has been a key reason for his success. Chaz loves his footy and in 2019 he has had great focus and determination to succeed.

### UTO HOUNDS

#### → GUS AMMIT

Gus has the ability to play in all positions. He has fast feet, fast hands, and an accurate kick. A quiet achiever but a born leader who leads by example and is completely unselfish.

#### → CHARLIE BRUNNER

Charlie found his niche as a power forward. He has the natural strength and height to dominate the opposition and had several games where he was totally unstoppable.

#### → ETHAN CHENG

It was Ethan's first year of AFL and was the teams' Most Improved player. He showed determination and commitment to get involved during the games and was focused and engaged at training. These attributes will continue to see Ethan improve in the sport.

#### → CHARLES FULLER

You wouldn't pick him on the

street but Charles is a machine in the defensive line. He raised the level again this season tackling with incredible strength and passion. Once Charles put his hands on a player there was no chance they were getting free.

#### → RIO GIBSON

Superfast! Yes, superfast!! Possibly the quickest off the mark in the entire U10 squad. Rio would often come from nowhere to get the loose ball in the midfield or tackle an opposition player that thought they were into space.

#### → JAMES HARMAN

James sees himself as a midfielder and has the engine to back it up. He turns up every week and leaves nothing on the field. He has developed a great step that he uses to get into space and open up the play. James started to use his voice on the field towards the end of the season and was able to lift the team with it.

#### → OLIVER LISTA

One of the key players who binds the Hounds playing group together on and off the field. Being both skillful on the ball and hard at the contest makes Oliver a difficult player to play against. He has a knack for scoring goals when they are needed.

#### → THEO LLOYD

Theo is a natural in front of goal and has a great sense and focus on where the sticks are. The top goal scorer in his first year of AFL last year, he backed it up again leading the team again this year in the goal

## GLEBE GREYHOUNDS J AFC

**U10 WHITES TEAM AWARDS BEST & FAIREST** Laurence Bennell **BEST & FAIREST RUNNER-UP** Emakhi Munro **BEST DEFENDER** Fergus Tracey **BEST MIDFIELDER** Hector Marsden

**BEST ALL-ROUNDER** Gus Ammit **MOST IMPROVED** Ethan Cheng **MOST COURAGEOUS** Charles Fuller **PLAYERS PLAYER** Oliver Lista

tally. Going for 3 out of 3 next year!

### → HEALY RYAN

Healy developed into a true leader this year. His ability to read the game made him the strongest defensive player, often cutting out certain goals. He managed the backline to ensure his teammates were working together. His maturity allowed the coaches to play him in positions that may not have been his first choice but assisted the team.

### → NICHOLAS SABEY

Backing up from hockey most weeks, Nick showed great determination to put effort into every game. The work behind the scenes is often missed, but Nick's fitness has improved greatly, often one of the last standing in the beep test at training. Nick will be missed in AFL next year!

### → TOM SAWKINS

Tom's understanding of the game allows him to position himself where the ball is likely to go, and when he gets it he has an accurate kick that enables him to move the ball the best way forward. He is a skilled player who is starting to enjoy the physical side of the game. Loves playing in the midfield with his teammates.

### → ARIEL STENNARD

Ari continued to develop his skills throughout the year. He is a great team player and highly regarded amongst his teammates. He was often given the role of ruckman and was able to contest and control the ruck with his athletic ability.

### → ARLO TEMPLE

Determined to get the ball when it came forward, and his pressure when the opposition was trying to get the ball out of their half, made Arlo into a key player in the forward pocket position this year. One of the highlights for the coaches was Arlo's goal against the Tigers.

### → TIM WANG

Tim showed great improvement in his second year of AFL. Focused, and with a better understanding of the game, Tim was a great asset to the team in both defence and up front.

### → WOLFE WATTS

Wolfe backed up his breakthrough year last year with another massive step forward. His improvement over the past two years have been remarkable. Strong and determined at the contest, and with his hands cleaner and a more accurate kick, he was one of the big contributors to the team every week.

*Steph has managed this group since under 5s and does it with a minimum of fuss.*

## UNDER 10s YG

Report by Mike Cooney

HEAD COACH Mike Cooney TEAM COACHES David Sharp MANAGER Fiona Watters

**MILESTONES 50 GAMES** Nea Tarrant / Rosie Kerr / Francesca Cooney **REPRESENTATIVE PLAYERS** Lily Watters  
**GLEBE PERPETUAL AWARD SUSAN PARKER MEMORIAL AUSKICK GRADUATE OF THE YEAR** Lily Watters  
**U10 YG BLACKS TEAM AWARDS BEST & FAIREST** Francesca Cooney **BEST & FAIREST RUNNER-UP** Rosie Kerr **BEST DEFENDER** Madeleine Barrett  
**BEST MIDFIELDER** Claude Towzell **LEADING GOAL KICKER** Alannah Tooili **BEST ALL-ROUNDER** Annie Burnicle **MOST IMPROVED** Eleanor Chambers **MOST COURAGEOUS** Talia Legzdins  
**PLAYERS PLAYER** Quinn McTiernan **ROOKIE AWARD** Drew Lloyd

In only the second year that the U10 girls had their own competition and the 5th year that the club has had girls playing footy it's hard to imagine what the place would be like without them.

This season we had 22 eager footballers playing in two teams and it was a lot of fun.

Of those 22 girlhounds, only 8 had played footy before, plus 19 of our U10YG are actually U9's playing up! Week after week these two teams took the field against more experienced, bigger and older players. Credit to the coaches of the other teams; we all understand that this comp is about building a love for footy. We evened up and swapped players to make sure everyone had a positive and competitive experience on field.

What brings us coaches so much satisfaction is how much joy the girls get from playing and the friendships they have made. Even despite the technical "draws" usually being a one-sided affair against us, the girls didn't lose their enthusiasm and backed up week after week. The familiar war cry for the Whites was "we basically won!" before singing the team song with the enthusiasm

of a premiership winning side.

Coaching these girls hasn't all been easy though, they always had so much to talk about at training that it often got in the way of learning to play footy. But learn they did and a fantastic rivalry ensued between the Blacks and White teams.

The Dishlickers Cup did go to the Blacks in both instances, however the game where the two sides met in the final round of the gala day resulted in a 1-point differential which shows just how even the two teams were.

Special thanks goes to our managers Josephine and Fiona who both did a miraculous job of keeping the coaches organised. Dave Sharp who also coached his son Oscar in U10 boys' team, often combined the fitness sessions with the girls adding more competitiveness to the workouts, for the boys that is. Tim as assistant coach was sensational and his help at training has been enormous. Mike L was a regular at training as well and also greatly appreciated. The medical professionals of Kate and Bill were an outstanding help.

Special mention must go to Molly. What a superstar. Without an U16YG team for her to play in this season at Glebe Molly devoted her Thursday

evenings to helping with the girls at training and they absolutely loved her. I also would like to thank the parent group for all the volunteering and getting behind their daughters making it a very smooth season.

Congrats to Lily who represented City for the age group at the development day. Lily was also awarded the Susan Parker Memorial Auskick Graduate of the Year, a U10 player who had shown significant development since graduating from the Auskick program.

We sadly say goodbye to India, Chloe and Lily who will move into U12 from for next season. We will retain most of the playing group as they back up for another year into 2020 with a great season's experience. I'm happy to say Sharpie and I will be back to coach again and are already planning our drills. Keep kicking the footy in the off season and go the Greyhounds!

**Week after week these two teams took the field against more experienced, bigger and older players.**

### U10 YG BLACKS

#### → MADELEINE BARRETT

Madeline was on and off the injury list all season with incidents resulting from skiing to falling off a chair and stepping on nails! Dad! She would still turn up to games with bandage to support her team-mates but couldn't resist and would soon be amongst it. Woo-hoo!

#### → CECILIA BRYANT

Plays with a deep amount of passion does Ceecee, always ready to step up to the plate and be accountable in some tough games. Being coachable is a quality that not everyone has and this young lady was a keen listener all season. Keep up the good fight!

#### → ANNIE BURNICLE

Watching Annie blossom this season is one of my highlights from seven seasons of coaching. Wow. Her game all came together at the right time and was in blistering form on the gala day. With this trajectory it's scary to think how good she will be next year.

#### → ELEANOR CHAMBERS

Through the season Eleanor's confidence grew visibly. One remarkable day she somehow stopped 4 attacking players getting a goal when alone at fullback. Unbelievable season Eleanor. Look forward to seeing what you can bring in 2020.

#### → FRANCESCA COONEY

Buddy Frankie is a selfless player always looking to pass the ball on to a girl in a better position. Ran hard to get to contests in usually desperate circumstances. Never leaving the ground just shy of exhaustion. A super effort Frankie, we love it!

#### → ROSIE KERR

We all know Rosie is a star. Her skills are a rare talent. The poise and coordination set her up for many goals this year. When her self-belief catches up with her awesome abilities she will become an almighty force. We look forward to the 2020 season.

#### → TALIA LEGZDINS

Always had a bounce in her step, eager to train and play hard. Like most of the girls Talia was a little taken aback over some of the size of the opposition. Fair enough. She adjusted her playing style as she is smart and produced yet another awesome season.

#### → DREW LLOYD

Drew is new to the great game of Aussie Rules and did so well she has received our Rookie Award. Drew surprised herself with her ability to get in and hold up the inside ball, contesting with often much bigger opposition. You are fearless; ripping season Drew.

## UNDER 10s YG

Player profiles

### → QUINN MCTIERNAN

Quinn had another terrific season with the Greyhounds proving to be an absolute force in defence. Quinn also had the uncanny ability to find herself in space - unmarked - a real quality when in attack, always backing herself in a contest. Love it Quinn!

### → ALANNAH TOOULLI

Alannah has a constant smile on her face until she has the footy in hand then the laser like focus she has is intimidating. A dead set star. Alannah kicked many important goals this season resulting in her being this year's top goal scorer for her team. Her defence is also rock solid. Tremendous year.

### → CLAUDE TOWZELL

What a superb athlete this young lady is. She throws herself into the action with a tireless work rate. She cares for her team-mates and covered many kilometres this season getting to the action to help them out. A real team-first attitude, fantastic year Claude.

### U10 YG WHITES

#### → EVIE GILLIES

The heart and soul of the team spirit. What Evie lacks in size she more than made up for in team spirit and negotiating powers with the coaches. Played with great courage and was never afraid to go in hard at the ruck against girl's twice her size.

#### → XANTHE JOHNSON

Had a fantastic first season of AFL. Was a contender for all of the various awards, and fittingly won the award for best and fairest. Always played with great courage and determination. Season highlight was kicking a great goal and her dad Tim being the goal umpire to award it.

#### → ALICE KAZDA

Won the award for most courageous for being the girl who best demonstrated the Greyhound values. This was best demonstrated by always volunteering to help out the other team if they needed a player. Alice produced 3 players' player performances whilst playing against Glebe for Moore Park.

#### → SOPHIE KAZDA

Fantastic to see Sophie's development over the season. Won the award for best midfielder, but also a contender for Best All-rounder. Never stopped running and competing every

game, regularly getting us out of trouble with her hard running and long kicking game.

#### → INDIA LLOYD

The Wall of India! Our team's defensive weapon of choice. Had a fantastic first season of AFL. Without her a few of our 'draws' would have been more like cricket scores. Selflessly happy to play more in defence than attack. Deserved winner of the players player award.

#### → CHLOE MATTHEWS

The team's quiet achiever. Runner up for most courageous for playing in line with the club values. A real team player and upholder of the rules. Took a couple of great marks late in the season as well as making some great tackles on girls much bigger than her.

#### → OLIVIA MCGAHAN

It was just a joy to have Olivia in the team. Always happy, enthusiastic and a great team player. Played with great courage and commitment. Showed great improvement throughout the season, producing some players' player performance at the back end of the season.

#### → EVANGELINE MUNDAY

Another quiet achiever of the team. Was one of our best forwards all season. Like the rest of the girls always enthusiastic and never afraid to voice her opinion. Played with great commitment and energy. Runner up for most improved.

#### → GRETA SHARP

Loved her first real season of AFL, particularly the social aspect and the post training sausage sandwich. Whilst she talked more than she ran at training, on game day she was fearless in the ruck and loved running hard and straight with the ball.

#### → NEA TARRANT

Our other pillar of strength in defence along with India. Was regularly our last line in defence, courageously putting her body on the line to stop a goal. Also showed great flair in attack kicking a couple of great goals late in the season.

#### → LILY WATTERS

Winner of the best all-rounder award. Happy to play anywhere, and all done with a smile. Never stops running all game, covering all positions. Crowning glory of Lily's season was being picked in the Sydney rep team which won the divisional competition.

# UNDER 11s DIV 1

Report by Matt Smith

**TEAM COACHES** Matt Smith, Cam Christie-Day, Dave Liu  
**MANAGER** Mark Race

## U11 DIV 1

### → NED BENNETT

Ned's back half of the year was amazing. He was working double time in the ruck and on the best forward as centre half back throughout the big games. He did not get a rest but was able to run out the games really well. He dominated the ruck most weeks and we got great service from the middle as a result. Nice Ned!

### → HAMISH BURNICLE

Come finals time we crafted a specific role for the hammer and he performed it beautifully. He gave it his all in the mids to start the quarters and provided the physical presence we needed. As usual he kicked a bunch of goals but it was his marking that stood out. His kamikaze attack on the football and opponents in Q4 of the grand final will never leave me.

### → LIAM BURNICLE

He is tough and no nonsense. He brought some real steel to the team and loves the physical stuff. What I

noticed was how good his skills were as the season progressed. Consistent drop punts, great hands below the knees and excellent passing skills. A team man through and through. Thanks for putting it on the line Liam.

### → SASCHA CHRISTIE-DAY

Rises when the going gets tough. Lifts when most needed. There is no coincidence that Sash had his best games when the stakes were highest or he was playing his mate from school. That is a challenge. Sash will take it on. That is the kind of kid we want and we need. His grand final performance was wonderful.

### → OSCAR CROSBIE-SMYTH

You don't know what you've got 'til it's gone. Oscar's broken finger and absence from the team in the finals highlighted just how good he is. We were simply not nearly as good. He is tough and dynamic. He spreads to the right spaces and marks his man like a hawk. He wins every contest he enters. He will be back next year, but hungrier and that is a real problem for the opposition in 2020.

### → HUNTER GIBSON

Showed us glimpses of his potential in the mids but his real value was up forward crumbing off our key position players, reading the play. In a tight game against Drummoyne he kicked two vital goals to get us into a position to win. The future looks bright for Hunter!

### → HUGO KILBORN

Played his 50th game for the club this season. Had a strong season where he was able to use his trusty left boot to good effect. Stints on the wing and half forward flank suited him best. He was able to read the ball well which led to him kicking a smart goal in the grand final. Good effort.

### → LIAM LENORD

What an athlete this boy is. He runs like the wind, all day. He crunches in defence. Wonderful skills above his head. He kicked the goal of the year. Running at full pace with the flight of the ball, with no regard for his safety, marking it, swerving past two defenders, outrunning a third and slotting a goal on the run. It is a vivid memory I will keep forever. He is at his peak when he is throwing himself into his tackles. You know he is on!

### → TEX LIU

Super consistent player. We relied upon him heavily in the last couple of weeks of the season and he used his amazing energy levels to be

the everywhere man. He has great footy smarts and it was a no brainer to use him in a more complex defensive role, which he performed fantastically for the team. A huge bonus that he is in our group.

### → OLLIE LONGVILLE

It takes a special performance from a fullback to be the talk of the supporter group when your team wins by over 100 points. That is what happened in our preliminary final when Ollie dominated everything that came near him either in the air or at ground level. When we swung him into full forward in Q4 he kicked 3 but gave off 3 more that he could have kicked. What a player!

### → SHEA MILLWARD

Played his best footy in the forward line as a goal sneak. Was able to snag a couple of good goals. A veteran of the club, Shea played an important part in a great season. Unfortunately injured in the third quarter of the grand final putting his body on the line for the club.

### → JAMES MORRISON

James was dependable. It is a highly sought after commodity. We knew whatever job he got, he would do the job with a minimum of fuss. Having not coached James directly before, I did not realise how vocal he is on the field. Good understanding of the game showed with his great season.

### → ABE RACE

Abe's kicking and marking improved out of sight this season and he thoroughly deserves his award. Playing in the ruck mostly, he was able to act as big bodied midfielder winning lots of ground balls. My favourite moment of his year was when in the first game against Maroubra he chased down and crunched one of their speedy wingman. Amazing effort late in the game.

### → CASH ROBINSON

A key position player with strong hands and a great straight kick. Turned up at the beginning of the season fitter than he ever has been and his early season performances showed that. I have received lots of comments from those who witnessed the grand final about how well he played, particularly his first quarter at fullback.

### → LACH RUSSELL

Lach has a wonderful set of skills both with hand and foot. When let off the leash, he can destroy

an opponent. He did it twice this season for a combined haul of ten goals in those games, surging into the forward line and finishing with his laser like kicks. An incredible attacking weapon for us that led to two goals in the grand final. Thanks for everything this year Lach.

### → ZAC SANDLANT

A really good footballer. Another key position player. He dominated the forward line and when played there consistently gave us a real target. He was the leading goalkicker for the season off the back of his physicality and ability in the air. His finishing was always first class. Late season surgery robbed him of a finals appearance and his absence was felt.

### → PAT SMITH

Pat had a great year. He is fast, strong and has great footy smarts. Most proud of his ability to hit teammates with his passes. He had many highlights during the year. His first quarter against Maroubra in Rd3 was a dominating display. Playing with a hard tag against Moore Park and still being best on ground. His last game of the year he had a mountain of the ball and never gave up. Great leadership Pat.

### → LEON TITMUSS

Leon attacks the footy with ruthlessness. He sees it, he goes and gets it, regardless of what is in the way. He is certainly one of our best midfielders. He saved his best performance for the grand final, running himself into the ground, trying to get into everything. He destroyed many teams through the season with that physicality combined with his silky skills. Great season Leon.

### → CHARLIE WOODS

Was used most effectively on the wing for us. He has an incredible engine and can run all day. He had two great matches this year where he stuck to his task all day marking a very good player. That Maroubra boy will look back on the two games and wonder why he did not get a touch. The answer: Charlie Woods! Thanks Charlie.

### → HARRY ZYLMANS

Fantastic work from Harry this year. He continued his improvement from 2018 with real starch in his attack on the footy and discipline in defence. He crunched a lot of tackles this year and was regularly rewarded with free kicks. Thanks for the work this year H.

*There is nothing lacking in this group*

# UNDER 11s DIV 2 - HOUNDS

Report by Sam Jordan

HEAD COACH Sam Jordan TEAM COACH Chris Placencia MANAGER Mark Nordio

MILESTONES 50 GAMES Cormac Johnston / Lucian Coveney

U11 DIV 2 - HOUNDS TEAM AWARDS BEST & FAIREST Ollie Nordio B&F RUNNER-UP Cormac Johnston BEST DEFENDER Finn Swift BEST MIDFIELDER Isaac Placencia LEADING GOAL KICKER Zac Tashtan BEST ALL-ROUNDER Felix Trethewey MOST IMPROVED Alex Christofides MOST COURAGEOUS Henry Jordan PLAYERS PLAYER Aidan Cosgriff and Alex Brown

**W**e started the season with a group chat about what we all wanted to focus on and boy did they focus on their individual goals - every player finished off the season a much better player, well done. The improvement was remarkable. The Hounds had a great season joining the Blacks (Div 2) and the Whites (Div 1) in the finals for the U11 group.

The team showed early grit and determination to start off with two come from behind wins. Smithy's bootcamp had paid off (sorry boys it'll be on again in 2020). Some ups and downs in the season was one way to sum it up, but really it was about growing as individuals and as a team. Our mid season day off at Nielsen Park was fantastic and Chris and I loved getting to see the boys have so much fun together (ably supervised by Denise Brown).

Our match of the season was without doubt against the Blacks at home. We had gone down to them in the mid season so the boys really wanted to even the ledger. They were on fire, always wanted the win and never let up - true Hounds style. A finals appearance the following week against the eventual grand

final winners was a great reward for an excellent season. Well done to all the boys, Chris and I loved coaching you this year. I really look forward to seeing you back at the club next season with plenty of kicks of the footy under your belts over the summer.

Chris Placencia is a footy saint, the season was a lot of fun with him and he made sure the boys were well drilled and ready to rock. Mark Nordio made managing a U11 side

look like it was his full time job. He was so organised and made sure all Chris and I had to do was turn up. We had a brilliant water runner in Luis Placencia and brilliant runners in Luke Briscoe and Stu Cosgriff (good luck with the physio both of you), thank you. Thanks also to the parents for encouraging the boys throughout the season, the send off against Moore Park in our losing semi final was the perfect example. See you all in 2020!

*I really look forward to seeing you back at the club next season with plenty of kicks of the footy under your belts over the summer.*

## U11 DIV 2 - HOUNDS

### → ALEX BRISCOE

Alex played his first season this year and showed his South Australian pedigree. He worked hard throughout the season, both at training and in the games, and is the perfect team player. We noticed the kicking down the hallway at home development. Footy sponge.

### → ALEX BROWN

Don't let Alex's calm and quiet demeanour fool you, Alex is an out and out competitor, through and through. Always putting his hand up for the tough tasks, Alex was the ultimate team player and easy to coach. Big off season for you and look forward to seeing you continue to improve next season. Constant effort.

### → ALEX CHRISTOFIDES

It took me half way through the season to work out that Alex was in his first season of AFL, he was that comfortable at training and during the games. A pleasure to coach, Alex always listened hard, worked on how he could improve and was always one of the first to say thanks. Big 2020 ahead for Alex! Excellent 1%ers.

### → AIDAN COSGRIFF

Aidan knows a lot more about the game than me and this was demonstrated regularly at training, on game day and when I saw him around the school. Always present, always for the team, Aidan is a perfect team member and should be very proud of his season. Aidan never gave up. Mr Statistics.

### → LUCIAN COVENEY

Lucian is another with great footy knowledge (and footy chat). I loved having him beside me during the games always offering his view on the game. The best bit was whatever the instruction he would go out and do his job with everything he had. As a result, Lucian managed to lose two teeth and score one hell of a fat lip during the season. Body was always on the line. Great stuff Lucian. Tough stuff.

### → OLLIE FARRAR

Ollie is the ultimate goal sneak, an absolute gun, hungry for it and always keeping the opposition backmen second guessing. Ollie had an excellent season, well done. See you in 2020. Natural footballer.

### → WILLEM GILROY

Willem is a competitor by nature, always wanting the ball, or the player with the ball! He was one of our best

ground ball winners and loved any chance he could, to sneak up to the forward line and have a crack at goal. A footy ball in the off season for you and plenty of kicks with it. Great year Willem. Mr Potential.

### → CORMAC JOHNSTON

I met Cormac two minutes before our first game of the season. I said, you must be Cormac, where have you been? "Oh, I've been sailing" he said in a typically calm and assured Cormac kinda way. Well Cormac had an absolute blinder that game and throughout the season. He was everywhere for us and such a huge contributor to the team. Cannot wait for 2020! Go to man.

### → HENRY JORDAN

Henry took a little adjusting to having his dad amongst the coaching ranks for the first time, but once he'd sorted that out he had a great second half of the season. A mercurial positional shift by Chris P saw Henry lift his game involvement and help across the side. Shutdown speed is awesome. Second effort king.

### → JOEL KENCHINGTON

Joel, for a big kid, has some very, very silky skills, lovely to watch. Always there and ready to get amongst it, Joel contributed all season. Well done. Once awoken, watch out!

### → AIDAN LANG

Aidan is a fantastic footy player with a real hunger for the ball and a win at the contest. By mid season Aidan was either running hard off one of his ruckmen or trying to sneak a goal when least expected. Great season Aidan, well done. Mr Team.

### → SAM MAYBURY

Sam is perhaps the happiest of all the Hounds, always smiling, always ready to go. His second half of the season was excellent improving and building through the season and always in the fight. Well done Sam, huge effort, one of our best improvers. Happy go lucky.

### → OLLIE NORDIO

Ollie has talent to burn and so much potential, he had a great 2019 season. His left boot must be up there with the best in the age group. Next year's progression should be enormous. Well done Ollie. Camaraderie king!

### → JASPER PATTINSON

Jasper had a terrific season. About a third of the way through the season Jasper clearly worked out he was bigger than most kids and used it to his advantage, winning the ball or

letting attacking opposition players know he was there to stop them. Well done Jasper, awesome to watch. Practical joker.

### → HAMISH PAXTON

Hamish had a great year. A small, deceptive forward, Hamish kicked some great goals with his speed and tenacity to win the ball. A big contributor, Hamish was always in the thick of it and great to watch. Chilled dude.

### → ISAAC PLACENCIA

Isaac was without doubt, one of our best trainers all season. Always wanting to get going, get into contact and compete, he showed the boys how to do it all season. Game day wasn't much different and his competitive spirit will hold him in great stead in footy and in life. Well done Isaac. Mr Bones!

### → FINN SWIFT

Finn has one hell of a motor. He would turn up on Saturday looking like he had just played a game of Rugby (which invariably he had) and then would produce an enormous effort busting through opposition players with ease and sending the ball back down to our forward line. In our semi final we couldn't seem to put a stop on a particular player. Finn did! Mouthguard out prior to talking Finn!

### → ZAC TASHTAN

Zac looked strangely at me when I told him he ran like a gazelle. He has silky skills which were on display most Saturdays and his two freakish goals against the Blacks at home will be remembered by his mum, his dad and me for the rest of our days. Good luck in the off season, 2020 is going to be big for you! Mr Personality.

### → FELIX TRETHEWEY

Felix started the season with a bang against Maroubra, sparking an unlikely win with a couple of great goals. This continued throughout and he was always there, always competing. He has a great footy brain and great skills. I really enjoyed coaching Felix and think next year will be a cracker. A true footballer.

### → MAX WIGNALL

Max played everywhere for the Hounds in 2019 and looks comfortable in every position. A very relaxed and natural footy player his goal from the centre bounce against Newtown was an absolute cracker. Well done Max, plenty of good footy years lie ahead for you. Quiet achiever with fire.

# UNDER 11s DIV 2 - BLACKS

Report by Nick Woodall

HEAD COACH Nick Woodall TEAM COACHES Chris Barnes MANAGER Tony Tarrant

MILESTONES 50 GAMES Maxwell Menzies / Matthew Sugowdz-Madgwick / Wil Tarrant / Rafael Ramos / Elliot Wood / Charlie Woodall

U11 DIV 2-BLACKS TEAM AWARDS BEST & FAIREST Alex Hare B&F RUNNER-UP Tom Killingsworth BEST DEFENDER Orlando Swanson BEST MIDFIELDER Gabe Balkin LEADING GOAL KICKER Luca Gardiner  
BEST ALL-ROUNDER Harrison Bristow MOST IMPROVED Elliot Wood MOST COURAGEOUS Rafael Ramos BEST FIRST YEAR PLAYER Xavier Bush

What a fantastic season from the Blacks. In fact, it was a massive effort from all three U11 teams to play finals. It's a real testament to the calibre of coaches and the huge effort the kids put in all year to get themselves in that position.

The improvement I've seen in the Blacks this season has been a joy to watch and be a part of. As a coach, if you can get improvement out of every player I believe you've done your job and I think we achieved that with the Blacks this year.

Every player has had an impact on this team, which put us in great stead to have the success we did. The resilience they showed during games when the chips were down, was admirable and I couldn't be a prouder coach.

A special mention must go to Chris Barnes (affectionately known as Barsley). He has made my job easy this year and has made me look bloody good. His organisation at training has been second to none. His ability to explain team structures and put it in a language the kids understand was great to watch. Chris is a great motivator and his positivity around the boys has been infectious. You've been a great influence on this team. Thanks mate, I couldn't have

done it without you.

To our manager, Tony Tarrant, you've done an outstanding job this year. Updating Teamstuff, rostering parents for jobs, putting your hand up to do extra jobs if need be, and keeping things in general running order. It's not an easy job and I thank you for it.

To all of our parents for putting your hand up each week and volunteering your time to do the jobs that keep our great game of AFL ticking over. I also thank you for raising such a wonderful bunch of kids. It's a credit to you and they have been a pleasure to coach.

To our little team of champions, the Blacks, what an awesome season you've had. You should all be proud of your efforts this year, and in particular, making it through to the grand final. Most of you were emotional at the end of the game, which tells me you're passionate, it meant something to you, and it wasn't just another game of football - that's fantastic.

Well done boys on a great season!

**To our little team of champions, the Blacks, what an awesome season you've had.**

## U11 DIV 2-BLACKS

### → GABE BALKIN

Gabe impressed us all season with his leadership skills. He is a natural communicator and clever decision maker. His courage in the midfield often resulted in hard ball gets which allowed our outside running mids to find space and opportunity. His efficient and accurate kicking was a real asset to this team. Gabe's standards at training were always elite and he was a sponge for feedback.

### → JACKSON BARNES

Jacko has had a fantastic season. The thing that has impressed me most this season has been Jacko's effort, both at training and during the games. He has really worked hard on getting the little things right. His improved marking was an example of that. He is a keen learner, always attentive and willing to soak up as much information as he can. Jackson played his best footy in defence this year and he should be proud of his achievements. Jacko is a great team player and I really look forward to seeing him progress further next year.

### → HARRISON BRISTOW

Harrison was a calming presence on our team all year. Taking an important mark in defence, or slotting a crucial goal in attack. He even started to show some potential in the ruck, such is his versatility. He must have been very frustrating for opposition coaches as he often sat a kick behind the play, mopping up any attacking foray, and sending Glebe back into the forward 50.

### → XAVIER BUSH

Xavier made his impact in the very first game, in his very first season, kicking three goals on debut.

From there he went from strength to strength. He was attentive and enthusiastic at training no matter the conditions or the drill. He supported his teammates and tackled ferociously. To see Xavier out on the wing, ball in hand, was a sight that struck fear into opponents and joy into Greyhounds everywhere.

### → WILLIAM DUFFY

I've enjoyed watching Will progress this year. Will always put in a fantastic effort at training and follows instruction well. Will's ability to apply pressure to the contest was a great attribute he worked hard on developing as the season went on. A quiet achiever who has the makings of a really good footballer. He was a great

asset to our team this year and I look forward to further improvement in coming seasons. Well done Will!

### → LUCA GARDINER

Luca proved to be a real goal sneak this season, often putting them through from difficult angles. Luca's really worked on his accuracy both in front of goal and finding a target. The most pleasing area of improvement has been Luca's running game and his second and third efforts. His efficiency in getting a handball away in heavy traffic often created more scoring opportunities for the team. An enjoyable season to watch.

### → OSCAR GOUGE

Oscar is a kid who brings a light hearted approach to the team. He enjoys his time at training and is well liked by the team. Oscar was great for us in defence this year. He did a good job manning up on opposition players, his run was excellent and he is a great team player. Oscar's marking was another area of noticeable improvement.

### → ALEX HARE

Alex shows all the hallmarks of the Glebe 'team-first' mentality. He worked hard at training, encouraged others and listened to instructions. His impact on games was multifaceted as he was equally impressive on the ball, applying tackling pressure in defence, or peppering the goals. His boundless energy and love of the game made him a joy to coach.

### → TRISTAN HOLMES

Tristan is a very coachable kid. He is another kid who soaks it all in and listens well to instruction. When given a task to perform, he goes out and does it to the best of his ability. Tristan's kicking and marking improved a great deal this season. For a little guy, there were some gutsy performances throughout the year. Tristan is a real team player and is a great little footballer.

### → TOM KILLINGSWORTH

Tom's presence of mind, thumping kick and football IQ were all massive reasons this team was successful this year. He was solid across all positions and worked hard to be a two-way runner. Often first to the ball, Tom earned plenty of contested possessions which gave his teammates space and time to burst into attack.

### → MAXWELL MENZIES

Maxwell wasn't scared to put his body on the line in order to benefit the team. Maxwell's speed often

saw him getting to the contests first, laying a great foundation to win the ball. Maxwell really worked hard on his marking this season. A great improvement in this area of his game. Sometimes you see Maxwell frustrated when things aren't going right, which tells me he's passionate and wants to do better, both individually and for his team. Something to be admired.

### → RUKI MERLIN

Ruki's improvement this season was enormous. He grew in confidence with each passing week, built on a fantastic work ethic at training and a courageous approach to winning the ball. His kicking has improved out of sight and his positioning on the wing highlighted his speed and gut-running ability. Ruki was a joy to coach.

### → CHANDLER RAMEAR

Chandler was a ferocious trainer. He held the standard for physical contested-style footy and made those around him lift their intensity. His quick snap across his body made him a deadly forward pocket but this skill was also valuable in the midfield where he could clear the congestion and provide some space for our outside mids. He never backed away from a contest and worked hard on his skills.

### → RAFAEL RAMOS

Rafael's presence in the forward line was a game breaker in the first half of the season. He threw himself into the contest and was often able to come away with a contested mark or a quick shot on goal. Raf's courage in the back half of the season was an inspiration, playing through sickness and injury. We were also impressed with his ability to read the play, sitting a kick and a half behind the pack understanding how and when to cut off the oppositions attack. Both skills made him a very valuable player this season.

### → HUGH SINCLAIR

I coached Hugh last year and his improvement from last year to this year has been fantastic. The two big areas of improvement have been his aggression and hunger for the football. He has really worked on his speed and often puts himself in good field position to give the team greater opportunity in clearing the ball. His hand passing has been another noticeable area of improvement. Well done on a great season Hugh!

### → MATTHEW SUGOWDZ-MADGWICK

Matthew was a great utility player for us this year. He played in a number of different roles and did a good job when given specific tasks. Matt's kicking and marking really improved toward the back half of the year as did his running. There were a couple of games in the middle of the year where Matt blew the opposition out of the water with his commitment and attack on the football. I look forward to seeing him produce this type of footy next season.

### → ORLANDO SWANSON

Orlando has had an awesome year. His consistency week in week out has been second to none. He has played a great tagging role for us this year and did a fantastic job shutting down good opposition players. There wasn't too much more Orlando could have done in the grand final.... it was as close to a complete performance as you'll see. To back himself like he did, run around the man on the mark and kick a goal from the boundary line was amazing to watch. Congratulations on a great season.

### → WIL TARRANT

It was terrific to see Wil start to use his enormous physical presence to effect in the latter stages of the season. When he threw himself into the ruck there were few opponents who could match his strength. I was particularly impressed with the development of his kicking especially the accuracy of this drop punt. With a focus on adding this physicality to his defence, Wil could become a genuine weapon on the field.

### → ELLIOT WOOD

Elliot had a very solid season. He played very consistent football, particularly in the back half of the year. Elliot is a player who is competent in most positions and very dependable when we're in the trenches. His marking and kicking have been fantastic all year. Elliot is a very coachable kid and I look forward to watching him master his craft over the coming seasons.

### → CHARLIE WOODALL

Charlie's improvement this year was a delight to behold. His last few games saw a huge leap in confidence and with this came an equally impressive lift in marking ability, distance on his kicks and general attack on the ball. In our semi-final win against Maroubra his mark under considerable pressure in the back pocket saved a certain goal.

**UNDER 12s  
DIV 1**

Report by Tom Gilpin

**HEAD COACH** Tom Gilpin **ASSISTANT COACH** Matt Saggars **MANAGER** Ben Tam **RUNNER** Nick & Jenny Rumpff**MILESTONES 50 GAMES** Finn Dermody / Hugo Guastella / Charlie Gilpin / Joel Lewis / Oliver Chaplin / Keaton Saggars **100 GAMES** Will Nichols**REPRESENTATIVE PLAYERS** Charlie Gilpin / Harry Keeping / Hugo Guastella**U12 DIV 1 TEAM AWARDS BEST AND FAIREST** Harry Keeping **RUNNER UP BEST & FAIREST** Keaton Saggars **BEST DEFENDER** Will Nichols **BEST ALL ROUNDER** Robbie Lloyd **MOST COURAGEOUS** Hugo Guastella **BEST MIDFIELDER** Connor Shields **MOST IMPROVED** William Brothers **LEADING GOAL KICKER** Keaton Saggars

**P**re-season started with a bunch of new faces joining the group and nearly all of the 2018 player crop returning with beaming smiles. The coaching group set about grading the two teams through trial games and a healthy balance of skills and fitness work to kick off the year. The U12 group was flush with parents willing to lend a hand which generated a great pre-season vibe for the group and with 44 players available the coaches had a tough time grading the two teams.

With the grading finalised the U12 Black Div1 team set about developing three key core fundamentals for the year. Keeping our 'structure' during matchday, focusing on a 'team' first approach and maintaining 'resilience' throughout the year. These were the pillars of our strategy in 2019 which we knew was going to be a significant challenge in the top division.

Learning to play to a defined structure with specific roles

and responsibilities was a huge development step for all boys. Holding position, guarding dangerous space or spreading from contests the boys had great opportunities to rotate positions as well as see the positive effects of sticking to a team structure and the negative results when we fell away from it.

AFL is a contact sport and learning to put your body into the contest for the team is a big step for a lot of boys. The physical intensity of Div1 is challenging however we had some standout efforts by some boys putting themselves on the line for the team in a true team first approach. Our sole win during the season was a brutal away encounter against Balgowlah where our boys stood tall.

If attendance at matchday and training is a measure of how resilient the team was during the season, then we passed with flying colours. Even during school holidays and cold July training sessions on Fed Reserve our

team turned up to learn each week. It was a real credit to the boys who could have fallen away during the season but regularly we would have 19 of 22 at training and everyone available game day. Equally resilient was the application of the players at training, their development over the year was clearly visible to the coaching group by years end.

This group are a pleasure to coach. They listen, care for each other and are to be admired for their passion in a tough season. A lot of credit goes to the Greyhound parents who have clearly instilled an enthusiastic, hardworking and respectful ethic into these kids that makes coaching them such a breeze.

Thank you to Matt, Nick, Jenny, and Ben Shields who helped immensely in keeping a sensational atmosphere around the group during the season. Thank you to Ben Tam who managed the team and parents brilliantly in his first year at the club, everything ran very smoothly.

*we would have 19 of 22 at training and everyone available game day*

**U12 DIV 1****→ GEORGE BROOKER**

George was an important player in our forward structure given his athletic ability. His speed across the ground exposed many backlines this year as no one could catch George when the ball was between him and the goals. George like most of the players worked hard to compete in Div1 which was a much faster and physical style of game than 2018. George had his fair share of knocks and bruises but kept competing and training hard always willing to smile and get back into the contest. He should be proud of his progression in 2019.

**→ WILLIAM BROTHERS**

William was new to the Greyhounds in 2019 but took little time to impact both the contest and the players around him. Playing forward and in the ruck William took time to understand his role, the game style and his importance to the team structure. Once he grasped these requirements the improvement was

significant. His marking, leading and contested ball work became a feature toward the end of the year. A wonderful year of development and a joy for the coaches to see Will apply himself and get the results of his work. With extra effort in his fitness it will allow him to play more time in the ruck and help the team further.

**→ CAELUM BROTHERS**

Caelum joined his twin brother at the Greyhounds in 2019 and like William was a popular member of the team. Caelum struggled early in the season with the pace of the game and physicality but as the season wore on, he began to develop his confidence to the point that the last game saw him side stepping opponents in the forward line. Caelum never complained, always applied himself 100% and spoke up when he had questions. A great year of development for Caelum.

**→ OLIVER CHAPLIN**

Oliver competed nearly all year in the midfield for the Greyhounds matched

against quality players. Ollie used all his 50+ game experience to try to negate opponents while trying to win the ball himself. A strong runner, Ollie improved as his knowledge of the team structure developed. The defensive side of his game improved, however his hand passing in congestion stood out as a major development area. Ollie created strong overlap by releasing players around him with clever hand passes and always followed up with the second effort. A pleasure to coach.

**→ ZACHARY COULL**

Zac brought sensational ferocity to the team in 2019. His attack on the ball and the contest lifted the players around him and caused the opposition to tread carefully. Zac played in many roles across the ground always putting his body on the line for the team. Zac was unlucky again this year to sustain injuries both with the Greyhounds and at school. His absence was noticeable when unavailable. Despite missing games Zac still topped the tackle count at seasons end, a great effort from a real leader of the team. Zac is a pleasure to coach always listening and trying to improve.

**→ FINN DERMODY**

Finn had a fantastic year in 2019 reaching his 50 game milestone and was very unlucky not to win the most improved award. Finn's quiet off field demeanor changes once across the line, rarely beaten and always up for the contest, especially when he could clamp a big tackle on his opponent. Finn has developed well as a reliable defender always clearing the ball wide and supporting his backline mates. Finn's marking and kicking also improved markedly from 2018 through practice and dedication. Finn is a great team man, a pleasure to coach and has a long successful football career ahead of him.

**→ CHARLIE GILPIN**

Charlie had a strong preseason and a brilliant start to the year dominating early games a highlight being his 9 mark game against Balgowlah. As the season wore on Charlie had to work harder to find the ball as he adapted to different positions and roles. Missing games through injury did not help his confidence but to his credit he stuck at it to have some strong late season games. Charlie is a pleasure to coach, especially the way he handles being the coach's son. Always upbeat →

## UNDER 12s DIV 1 Player profiles

and willing to compete his kicking and marking skills have developed significantly this year. He should be pleased to reach 50 games this year and with the leadership he's shown within the team.

### → GABRIEL GILTINAN

Gabe had a fantastic preseason coming into the year fit, energised and smiling as usual. Gabe didn't get the time and space this year to cut opposition teams up with his running ability like we had planned. On the occasions he was able to get free on the outside his run, carry and kicking propelled the Greyhounds deep into attack. Gabe often had to do the inside midfield grunt work that took real courage with his slighter frame, but he stuck at it and should wear the bumps and bruises with pride. Gabe has all the athletic ability to be a high quality footballer for a long time, and as he grows he'll be able to more confidently throw himself into the contest and run opponents off their feet.

### → HUGO GUASTELLA

Hugo had a fantastic year in 2019 and thoroughly deserves the 'Most Courageous' award for 2019. Not only did he pass his 50 game milestone but he was chosen in the winning Sydney City Representative team. Hugo was the barometer for our team in 2019. When he played well and put physical pressure on the opposition our team lifted. A wonderful player that could turn a game for the Greyhounds with his sheer willingness to force the ball forward and put his body where most wouldn't. Hugo should be very pleased with his development this year despite the team not winning many games. His team first approach and resilience shone through as top shelf characteristics.

### → LEO HOENIG

Leo is a player every coach loves to have in the team. Always listening, eager to learn and improve. Leo is happy to play anywhere he is asked, often against bigger opponents. Leo never shirked a contest this season. Often willing to play through soreness and injury Leo is a team first player who has developed his skills to another level this year and his marking and work around the stoppages has been impressive. Leo should be very happy with another top year personally at the highest level.

### → BENNY HUNT

Benny had a bruising year in the midfield, the crash and bash of Div1 not always allowing him the time and space he enjoys to dazzle us with his speed and beautiful kicking. Benny displayed all the resilience the coaches were looking for as the most likely player to make a second, third or fourth attempt to follow up and win the ball. Benny's skills developed markedly in 2019 as did his defensive understanding taking accountability of his opposition player when we didn't have the ball. Benny should be pleased with another strong year of development.

### → HARRY KEEPING

Harry had an exceptional year for the Greyhounds in 2019. Working across half back his ability to read the play and intercept mark was brilliant. He never stopped giving 100% effort to every contest and thoroughly deserves his 'Best & Fairest' award. He should also be congratulated for his role as full back for the winning City Representative team. Harry's attack on the ball is first class often lifting the team with courageous efforts. Harry is a pleasure to coach his passion for the game is infectious across the group. Despite the lack of wins this season Harry should be very pleased with his dominant year and ongoing development.

### → WILL KILLEN

Will was starved of forward line opportunities in 2019 as the

Greyhounds battled out most games in the back half. Will slowly adjusted to the team structure of pushing up to the ball and leading toward the contest providing a target and contesting to hold the ball in the forward line. Will is a silky player who kicked important goals for us through the year, often creating some magic in the forward pocket and snapping the unthinkable. His skills developed noticeably in 2019 especially his marking and sure hands at ground level.

### → JOEL LEWIS

Joel passed his 50-game milestone in 2019 and was one of the only players to play every game this season. His experience and durability in defence was a highlight for the team. Joel developed strongly in 2019 putting physical pressure on his opponents, learning to use his strength to spoil and began to take important intercept marks in the backline. A pleasure to coach Joel is always happy to take on a challenge and persist until the final siren. Joel should be happy with another strong year of development that will hold him in good standing in the coming years.

### → ROBBIE LLOYD

Robbie had a fantastic year in 2019. He improved each week in almost any position the coaches put him in. The development in Robbie's overhead marking and kicking was noticeable as the season wore on, rarely beaten

in defence Robbie was an important player in the backline always seeming to have more time than other players to dispose of the ball. Robbie had some tough days in defence when the ball was coming in repeatedly and relentlessly. Robbie never dropped his head and always remained a team player. Robbie is a pleasure to coach, has a great work ethic and should be pleased with his 'Best All Rounder Award'.

### → WILL NICHOLS

Will Nichols passed the magical 100 game milestone this year and he and his teammates celebrated in style. Will played a heroic year of football at full back leading the defence against strong teams that peppered the goal front. Rarely beaten one on one Will really developed his defensive game by attaching the ball, keeping it in front of himself and never giving up. Will reads the play exceptionally well and his telescopic arms make him a potential dominant footballer in the years to come. Will is a pleasure to coach always putting the team first and the epitome of resilience. Congratulations to Will for another great year, winning 'Best Defender' (again) and developing his game to the next level.

### → JACKSON RUMPF

Jackson had a strong year playing in almost every position on the ground. Jacko is a very popular team mate who always brings his enthusiasm

and willingness to learn to training and game day. A pleasure to coach, he showed excellent versatility and resilience in adapting to roles that the team needed. Jackson did some tough jobs on quality forwards in Div1 and always tried his best to spoil, tackle and restrict his opponent. 2019 really developed Jackson's defensive game and both his hand and foot skills improved greatly from the start of the year.

### → KEATON SAGGERS

Keaton had a fantastic year in 2019 as the workhorse of the team and only just missed winning the Best & Fairest award. As a coach you could not ask more of Keaton, always competing against multiple defenders, throwing his body in and winning the ball, his resilience and team first attitude were the benchmark of the team. Mr 'Fix-it' Keaton was thrown all over the ground to help the team. Even battered and bruised he never complained and always gave 100%. A really impressive year playing on the oppositions best players and developing his game accordingly. Congratulations on a standout season.

### → CONNOR SHIELDS

Connor was a new arrival in the preseason and became a popular team member immediately, especially with the midfielders that enjoyed his precision ruck taps to advantage at the stoppages. Connor developed

## GLEBE GREYHOUNDS J AFC

markedly as his understanding of the game plan evolved and his fitness improved during the season. Connor is unstoppable in the midfield when he hunts the ball and supports his teammates at ground level. He was our most consistent contributor in the middle all year with his taps and follow up work. Connors marking around the ground really developed as the year progressed as did his influence on the game.

### → ALEX TAM

Alex also was a popular new member of the team in 2019 bringing blistering speed and dash across half back and through the midfield. Alex developed his game significantly getting stronger in the contest and providing a running option when he took the game on. Alex didn't get as much open space as he would of liked this season but when he did his second and third efforts generated great link up football for the team. Alex marking and ground ball skills really developed under the pressure of Div1 football this year and will pay dividends in 2020. Well done on a solid year at the Greyhounds.

### → ZACHARY THAI

Zac returned to the club in 2019 and introduced himself to the coaching group in preseason as a 'tackling machine'. We were impressed! Possessing amazing speed his defensive pressure in the forward line to run down opponents from behind was important for the team in locking the ball into our half. The speed and physicality of Div1 took some adjustment for Zac but he applied himself at every training and in every game right to the final siren. Zac should be proud of the development achieved in his football in 2019.

### → OTIS VAN DER STAP

Otis was also new to the Greyhounds in 2019 and really impressed the coaches in preseason with his skills and running ability, especially having not played much AFL prior. Otis worked hard with limited opportunities in the forward line this year. Often playing deep forward his attack on the contest was important for the team in locking the ball in our forward zone. Otis learned a lot in a tough competition this year and will be a better player for the experience. Congratulations on a solid year where the resilience to keep at it was most impressive.

HEAD COACHES Tim Wild, Sam Winter ASSISTANT COACHES/TRAINING Dugald Morrow, Anthony Fickler MANAGERS Barbara Taylor, Alison Ryan

MILESTONES 50 GAMES Hugh Gibbons / Ned Larke / Lucas Kung  
GLEBE PERPETUAL AWARD DROUDIS AWARD FOR DETERMINATION AND COURAGE Jackson Townley

**U**12 Whites narrowly missed the finals despite finishing tied for 4th with the Cronulla Sharks and who we came out on top of in a close tussle in the final round.

That day we had our full roster of 22 players, testament to the Whites commitment through the season and sportsmanship with all players having to take turns to play for the opposition most weeks. The final round match showcased the development of the boys skills, teamwork and attitude with the boys marking overhead, winning contested marks, leading hard into space and passing decisively to each other.

Week in week out the boys learned to respond to the increased physicality of U12 footy having been fairly squared up by some of the bigger teams early in the season.

Through the course of the season the concentration and intensity over all four quarters improved and most

impressively for themselves and the club, the boys continued to play hard and fair when games were well out of reach.

Standout contributions rotated through the rounds with the boys growing in self-confidence and their accountability to each other. Some of just a few of the season's magical moments to savour:

- Oscar's 10 goal haul in Rd11
- Rory winning the 'claret cup'
- Sam's powerful runs and snaps
- Hugh forever defending despite a flag to the eye
- Shaking off and stepping up to Heathcote's firm tackling
- Our weekly captains leading from the front
- Remy's ball winning intensity every week
- Old fashion footy in 'sideways' rain at Jubilee in Rd8
- Ned and Hugh breaking through their 50 game banner
- Aston's BOG performance with

gritty defense against Penshurst Panthers

- Joseph's long range goals in Rd13 against the Moore Park Tigers

Thank you to Barbara and Alison for their tireless team management that kept us on track all season and to all the parents for supporting the club, matchday responsibilities and getting their boys to training and matches on time.

Finally, thank you to the boys for their passion, focus and putting their bodies on the line each week for each other. Hope to see everyone next season.

*Week in week out the boys learned to respond to the increased physicality of U12 footy having been fairly squared up by some of the bigger teams early in the season*

#### U12 DIV 3

##### → FELIX ANCHER

With his can do attitude, mild mannered nature, but fierce determination, Felix was again a joy to coach. Felix is a deserved winner of the Best all-rounder award, having played practically every position on the ground with aplomb, including all key positions.

##### → TOM BORONSKI

A stalwart defender, Tom would have to win the "Golden Fist" award for the Whites. Tom loves to play up back and relishes shutting down his opponent, with strong shepherding and spoiling, and fantastic second efforts and run out of the backline.

##### → JASPER (GUS) CULSHAW

In his first season of AFL Gus hit the ground running playing mainly on the wing. Committed to the ball and his man, Gus was a pleasure to coach and it was great to see him taking a strong contested mark in the last round in front of the vocal Greyhound's crowd.

##### → ASTON DALES

Aston thoroughly deserved the Most Improved Player Award. Aston possesses all the skills though it was through the season as his confidence grew that his well rounded game really came together culminating with a BOG performance at centre half back against an unusually strong Penshurst Panthers side.

##### → TOM EVANS

Tom had an explosive season with "Rioli-like" impact in offense. His roving and evasive running changed the momentum of many a game and the hounds look forward to his further growth and impact next season. Always a great team man, a highlight came in Rd5 against the Miranda Bombers when he gave off a handball in front of goal for a teammate to kick the goal because he'd already kicked a bag himself - a true gentleman!

##### → OSCAR FICKLER

Oscar quickly slotted into the spearhead full forward position for

the Whites this season, and carried out his role with precision goal kicking and some excellent marking and loose ball gets. Rd11 saw Oscar receive the nickname "Pluggger" after his stand-out bag of 10 against the Swans.

##### → HUGH GIBBONS

Early in the season Hugh was given the crucial role of full back and he didn't want to give it back! Hugh clearly loved his footy this season and really developed his game and his ability to read the play. Hugh played a stand-out game against the top team in Heathcote, when he battled hard all day and didn't want to come off despite receiving a nasty injury to the back.

##### → RORY HARE

Rory is the "Joel Selwood" key in and under player of the U12 Whites - proving himself to be an invaluable midfielder always scrapping for the ball, determined to win the clearance. He really showed his metal when he →

Player profiles

U12 DIV 3 TEAM AWARDS **BEST & FAIREST** Kyna Wild **BEST & FAIREST RUNNER-UP** Sam Walker **BEST DEFENDER** Hugh Gibbons **BEST MIDFIELDER** Remy Morrow **LEADING GOAL KICKER** Oscar Fickler  
**BEST ALL-ROUNDER** Felix Ancher **MOST IMPROVED** Aston Dales **MOST COURAGEOUS** Ned Larke **PLAYER'S PLAYER** Kyna Wild

left the ground in Rd13 with claret streaming from his head requiring 4 stitches, but was completely unphased.

→ **JOSEPH HARRIS**

Again Joseph carried out a key role as one of the two main ruckmen for the Whites, and he did it with Brodie Grundy-esque skills, displaying fantastic hard ball gets and was incredibly valuable up forward with his accurate boot in front of goal.

→ **ALEXANDER (SANDY) JONES**

A new-comer to the club this season, Sandy's friendly demeanor made him a popular team man, and he slotted easily into the team. Sandy worked hard and did everything that was asked of him, and was invaluable with his great pace running out of half back, on the wing and in the forward pocket.

→ **JASPER JONES**

For his first season in AFL Jasper was a really valuable contributor. Though it took a few rounds to find his rhythm, Jasper found his calling in the backline and soon became our enforcer, with some of the toughest tackles in the team.

→ **LUCAS KUNG**

Lucas, a leading goal kicker this season, played an integral role in the

forward line. Despite being heavily tagged, Lucas is able to take the mark or shrug the tackle and kick true in front of goal. Lucas had some stand out games, including in Rd5 against the Bombers when he shared a bag of goals with Tom Evans, and one as our match winner in a one point nail-biter against the Bulldogs in Rd2.

→ **NED LARKE**

Ned was a worthy recipient of the Most Courageous Player Award. As one of our starting ruckmen, his tireless running and never say die commitment saw Ned thwarting the opposition's attack with strong defensive marking and energetic tackling all season.

→ **LOUIS LUSTY**

Louis was again a great contributor, playing varied positions across the ground, but showing great pace in breaking lines and running the ball out of defence. When he pushes the accelerator, Louis has speed to burn and he chases down the opposition with fierce determination.

→ **THEO MCGRATH**

Another new addition to the club this year, Theo brought some fantastic tackling ability and aggression from his rugby-playing days. And though he had to work hard to turn his rugby

kick into a drop punt, he did that well and loved contributing with a goal late in the season.

→ **LEVON MORDUE**

With his wily left boot, Levon held down the "Eddie Betts pocket" up forward and was a great contributor with a fantastic happy go lucky attitude and was always willing to learn.

→ **REMY MORROW**

A deserved winner of the Best Midfielder, Remy dominated the midfield with his strength, aggression, speed, ability to break a tackle and silky ball skills. When he puts his mind to it Remy has a hell of a lot to offer, and on many occasions in 2019 Remy played match winning performances.

→ **LACHLAN MURPHY**

Lachlan was always sharp in the forward pocket, had his best game of the year in the last round leading and marking strongly all game and most encouragingly kicking big drop punts with accuracy. The improvement in his kicking has significantly benefited his total game close to goal.

→ **JACKSON TOWNLEY**

Jackson is a sensational team player and gives his all every game, happily

playing both back and forward, and demonstrating his accurate kicking with a handful of goals. Jackson is a keen listener, always wanting to learn and improve, and is a pleasure to coach.

→ **SAM WALKER**

Sam was a massive addition to the Hounds this year after coming across from Drummoyne. With a huge engine that kept him running and running all day, Sam never had an off day - testament to this was his award for Runner-up in the Best & Fairest.

→ **KYNA WILD**

A sign of his dominance this season, Kyna picked up both the Best and Fairest and the Players Player awards. Despite being one of the tallest in the team, Kyna is one of the most athletic, and with a great overhead mark, and long kick, Kyna was always reliable across all areas of the ground.

→ **ZAC WINTER**

Zac had an impactful season as a senior member of the backline. His overhead mark and kicking really improved through the season allowing him to confidently run the ball out of defence and deliver with accuracy to his midfield week in week out.

**T**hank you for the opportunity to coach again this year and I can honestly say for 97.7% of the season I thoroughly enjoyed it. We had a great bunch of girls and a great bunch of parents. I'd like to thank all the parents that helped out at training in particular as it is a challenge to satisfy the broad skill and interest levels of our team with first-year players learning how to kick, up to quite experienced and more skilled 4th year players.

Primarily, I hope the girls had fun and hope they return next year whether it be with the U12s or U14s, also I hope they improved as footballers and got something out of the year from a footballing perspective.

Another challenge for the team was the hangover from being the victims of our own success with a huge increase in girls this year and although we went from 1 team to 2 in the U12YG there was still a large bench most weeks. I thank the parents for their patience and understanding and I really did try and make it as fair as possible throughout the season to provide everyone the same game time and to experience the different positions.

Thankyou Dan Walsh and the Walsh family for their tireless efforts to bring everything and everyone together and help create a very welcoming and organised environment. Thank you also to Andy Walsh who filled in coaching for 2 games and for your wise counsel as a fellow parent, football enthusiast and runner. Thank you also to Adrian Wauchope for your help again this season at training and game day and Pete Sayer as our ground manager extraordinaire.

The season highlights for the team clearly include the Dishlicker cup victory over the arch rival White Glebe team. This was a great test for the girls late in the season to see if they had improved and if they were up for the challenge, and they certainly were. The girls really cracked in to win the footy, tackled hard, listened to instructions to

counter some of the White's better players and when they won the footy they ran and linked up beautifully. The other game of note was the home win against the Newtown Swans the week after they knocked us off at Alan Davidson oval. The girls bounced back amazingly well after the disappointment of the week before to account for the Swans easily with a really great attack on the footy.

Thanks again girls and parents for a great year, you really are a great bunch of people and pleasure to be involved with. Good luck to the girls who will be moving on next year and hopefully into the U14s, you will be missed and I hope to see the rest of you next year, for what promises to be a really competitive and now experienced group of girls. If you get a chance to grab a footy over Summer go for a kick because it's the hours at home where the skills really develop.

## U12YG-BLACK

### → MARGOT BASS-TRACY

An absolute pleasure to have in the team and such a great attitude to training and games and would just get on with the job with a minimum of fuss but always a smile. Margot is growing in confidence with her football and has really developed her skills and enjoying the contest.

### → AVA CAMPBELL

Ava had a great first year of football. She is a natural runner and athlete and has become our half back rebound specialist tearing down the wings, with opposition resorting to all sorts of tactics to stop her. Ava is a burst of sunshine in the group and always quick to laugh at herself and with her teammates.

### → MARGARET COONEY

Maggie is our marquee player with all the skills and fitness to match. But even the silkiest footballers need to work through challenges and with Maggie it was the much bigger bodies this year but once she adjusted to the new normal, she carved it up, especially in her 50th game at home.

### → ISABELLA CIRILLO-REED

Izzy is the quiet determined achiever. You know she's going to tear it up when she brings out her very determined facial expressions as she battles for the ball and rips it out of the pack and goes for one of her trade-mark runs.

### → FRANKIE IVESON

It was Frankie's first year of football and I loved her awesome attitude and tenacity at the ball. A super girl

to coach and improved a lot over the season taking marks and getting more distance on her kicks.

### → MOLLY JOHNSON

Molly was our tower of strength this year and she was our first pick to start in the ruck each week and she came up against some big units. Considering that this is Molly's first year of football she did an awesome job and became our physicality barometer with some path clearing runs, strong tackles and contesting everything.

### → ISABELLA KILLEN

Izzy has a confidence that belies her years. She was never shy to provide advice about where she thought I should put her in the rotations or a training exercise that wasn't running as smoothly as intended.

### → GABRIELLA MATTHEWS

Gab continues to grow in confidence with her football and hunting the ball and looking for a contest. Gab is another quiet achiever and a great girl to have in the team that actually listens to me on more occasions than most. Thanks Gab.

### → MOLLY MCGAHAN

A very welcome addition in the mid-season draught. She is a cheeky influence on the group and doesn't mind a contest and never short of laugh, feedback or advice. Loves getting in and under and doing the dirty work for the outside runners.

### → AMADEA RUBJE

Amadea is a very popular member of the team and loves the social aspect of the football, but Amadea I think may have surprised herself what she did in those last few games of the season. When she puts her mind to it she can mix it up with the best of them.

### → YASMIN SAYER

An awesome competitor and positive force of nature around the team. It's amazing the impact Yas has had on every game she played this year for a first-year player and it's a reflection of her athleticism and real desire to compete and have a crack.

### → SOPHIA STEVENSON

Sophia's quiet nature and demeanour were a real blessing amongst this group of confident young outspoken women, although I suspect when she was hanging out the back of the lines at training she wasn't always listening to my words of wisdom. Sophia's confidence grew through the season and when she was up for

the contest she could win the footy with the best of them.

### → LENI WAKELIN

Leni probably doesn't get the coaches accolades as much as she deserves. She quietly goes about her work, taking the big marks and rarely gets beaten in a one on one, in the air and on the ground and loves a sausage roll. Sorry Leni, as much as I am your biggest critic, I am also your biggest fan and love the way you go about your footy / life.

### → AMELIA WALKER

An absolute delight to coach, always enjoys herself and has a real crack at the ball and in the tackle. A natural on-baller with an uncanny capacity to read it off the hands making her a real asset to the team.

### → FRANCES WALSH

Frank has had yet another great year and pretty much dominates most games when rotations allow with pace to burn, great skills and above all a massive desire to compete and kick goals. Not one to stagnate, Frank has improved her already good kicking and has grown as a competitor dealing with the disappointments that the game throws at us on occasions.

### → LUELLA WALSH

Lulu is an absolute pleasure to have around and is always quick to smile in pretty much any football situation. Lulu is a natural footballer, a real competitor and one of the team's best overhead marks.

### → OLIVIA WAUCHOPE

What an athlete! Grew again as a footballer this year and could absolutely tear up a game with her devastating runs and broke her individual season record for metres gained. Olivia is an awesome girl to have around and a pleasure to coach.

### → NAOMI WEBB

What a first year of football! Naomi is a natural athlete and has great skills for a first-year player but most importantly Naomi is a serious competitor and was relentless at the contest and no one escaped the Naomi "deathgrip".

### → ADELENA WRIGHT

A first-year player with speed to burn. When she found her groove and the ball she could open up a game with her devastating runs carrying the ball but equally important running down opponents when they thought they were in space. →

**W**e were fortunate to start the season with huge interest in girls wanting to play AFL. We started training earlier too and the girls responded well with our opt in Sunday sessions being well attended. What continues to amaze me is the passion and enthusiasm the girls show. Especially as many are only in their first few seasons of playing AFL.

We played competitive football across the season and for many of our games we were able to dominate opposition teams for 2 to 3 quarters. Even with stronger teams, we often controlled much of the game but just fell short of scoring more goals. The games we won, we played with a heightened state of confidence and were able to connect passages of play with girls finding space to kick to each other and run confidently with the ball.

Our training focussed on ball handling skills and building the confidence of the girls to handball, tackle and mark. It was awesome to see girls develop this skill and the confidence it gave them to participate in the game. Improvements over the season in marking the ball or getting a hand or hands on the ball during

games was fantastic to see. It was also great to see girls "footy" brain start to click in, things like thinking about where the ball is going to land and where they can position themselves to get to the ball. AFL is a physically confronting sport and it's great to see how each girl has developed her own assertive game day presence. Every girl had a go this year. Some Sundays can be a bit harder than others, but at some point this year each girl had a cracker of a game!

Try and get plenty of ball time, including having hands on the ball in the backyard, practicing bouncing walking to the park and kicking and marking in the off season to build on confidence and skills.

A big thanks to Brook for his work with Managing the team and getting us ready each week. Damon was a great support as the team

runner. His football brain and help coordinating the girls on match day was awesome. Thanks also to Melitza for her work as Ground Manager. Coordination of home games went seamlessly. Ros, thank you too for your help with first aid duties. You jumped straight onto it at the start of the season! Also, thanks to everyone who helped with the canteen, bbq and oranges as well as helping out at training when you could. Glebe is an awesome club to be a part of and we all have different availability and capacity to help out, but every little bit helps and it's a fantastic way to stay engaged. Special thanks also to Matt W and Dan Walsh for their support and ideas with the teams this year. It's great to get insights and feedback on running training and shaping the team. Don't forget to register for next year.

*It was awesome to see girls develop this skill and the confidence it gave them*

## U12YG-WHITE

### → TAHARA ADAMS

Tahara had a great season. She is such an exciting player to watch with brilliant flashing runs and a real dogged determination to chase down players. She also starred in our inter club match against U12YG Blacks. Tahara will be a powerhouse at the club for years to come.

### → EMILY BARRETT

Emily was a delightful girl to coach playing in her first year of AFL. The tentative steps she took in game 1 to the growing confidence across the season, making her presence felt in packs by being physically present, was awesome to watch. Look forward to seeing her play next year.

### → SCARLETT-ROSE BUTLER

Scarlett plays with a real determination and she applied herself so well at training and during the game. It was great to see her confidence grow over the season. Her focus on developing her ball handling skills has been awesome. She has developed into a dependable, passionate footy player.

### → ELOISE FENNESSY

Eloise was a joy to watch this year. She played with such intensity, showing a real hunger for chasing the ball and opposition players

down. She tackled players relentlessly and showed a great competitiveness for engaging opposition players 1 on 1 to gain possession of the ball.

### → SHULA FRIEDMAN

It was awesome to have Shula join the Greyhounds this year. She made a solid contribution to the team dynamic with her positive and friendly attitude. She is an exciting player to watch and took to the physicality of AFL with ease. Her return next season will see her build on a great first year.

### → MAXINE HAWKINS

Maxine was so exciting to watch this year. Her chasing of the ball and delving into packs was great to see. Her running and ball handling skills have really developed over the season. She is also gaining a keen sense of reading the play and positioning herself in open space to gain possession.

### → JESSICA JOHNSON

Jess made a great contribution in her first year of AFL. She adapted really quickly and developed strong marking and ball handling skills. She was a great fit into the team. She matured quite rapidly across the season and it was awesome to watch her growth in confidence.

### → MAYA KELLY

Maya was so consistent this year and plays with fearlessness. She puts her whole body into the contest and is relentless in her pursuit of the ball. She is determined and can play all day. She is inspirational to her teammates and shows the way in terms of playing with courage.

### → RORY MACDOUGALL

Rory dominated the ruck contest throughout the season. She set the team up on many occasions with her strong centre performances. Rory showed a great commitment to the team by spending a lot of her time playing in the centre this year. She will be one to watch in 2020.

### → MILLIE MOSS

Millie plays with real purpose and determination and has developed a strong game sense. She has an amazing poise and balance when kicking the ball and her accuracy has been spot on. It will be great to see her continued evolution as an AFL player in season four next year.

### → LILIANNAH PEART

It was great to watch Lili play with heightened confidence this year.

Her ball handling skills shone and her kicking accuracy was awesome, with her being the equal highest goal kicker this year. She would position herself well to take a mark and her running and kicking was great to watch.

### → RIVER REID

River is ever dependable, especially so in those do or die moment games. She is a formidable opponent and was able to be relied on to prop up the backline or clear out the centre bounce. She is an exciting player to watch and will be awesome in 2020.

### → ZOE SEIVER

Zoe plays with real courage against girls twice her size. She was another player who grew in confidence across the season. A highlight for me was the last game of the season where Zoe was in numerous ball breakdowns, getting in and fighting for the ball. Another one to watch in 2020.

### → EMILY SPAZIANI

Emily came out firing this season. She has definitely arrived on the AFL stage and is building a dominant profile. She plays with determination and conviction and her ball handling skills have really evolved. Building on her intensity and devotion to getting the ball will see great things happen next season.

### → SOFIA SPRANGE

Sophia was one of our key roving players, adept at getting in amongst ball breakdowns and gaining possession from often taller opposition girls to get the ball out for Glebe. She was part of the power play trio of Maxi and Ella and it was great to see them encouraging each other on.

### → EDIE STAFFORD

Edie is a dream to coach having a great attitude and being an awesome teammate. She is really maturing into a strong AFL player. She has developed great ball skills and took some great marks. Her kicking has improved significantly over the season and she is growing into a critical player for Glebe.

### → ELLA UTUMAPU

Ella is such an exciting player to watch play AFL. She has incredible balance and poise when running with the ball. She is really quick to spring out of packs and is fearless in chasing girls twice her size down. She has a big personality and takes it onto the field. →

Last season was always going to be a tough act to follow. Partly because the extraordinary success of winning a Premiership undefeated in Div 1 was so special, but also because we were now the benchmark and the opposition were coming. We laid out the plan for the year with three simple words. SPEED. ATTACK. RESILIENCE. We were going to play fast, we were going to kick goals, but most importantly, the boys needed to be prepared to be challenged, to be behind and even lose games, and to be able to dig in and keep fighting to play our footy, our way, for not just a game, but for the whole season.

There were hurdles this year. We lost games against good opposition and against teams we should have beaten. We had injuries, illness and suspensions. In fact we didn't get a full team on the park until the preliminary final. We welcomed new players into the group and tried players in new positions. Of all the wins we had this year, extending our

depth by finding new roles for the boys was probably the biggest. This year we had 15 players who rotated through the midfield, and in the semi final against Canada Bay we had 11 goal kickers. That flexibility will be invaluable in the next few years.

While it's easy to focus on the result of a grand final as determining whether a season has been successful or not, the burning emptiness of the loss will ebb in time, but the residual ache of unfinished business will remain. The twists and turns of the season viewed in hindsight tell a much bigger story than the result of a single game. The coaches are enormously proud of these boys, this band of brothers that have played in three consecutive Div 1 grand finals. They have defined themselves by the brutal effort they bring on the field and relentless laughter and chatter off it. They should wear their runner up medals with pride, not because they are satisfied, but because they earned the right to play in the grand final in the toughest competition in

***This year we had 15 players who rotated through the midfield***

Sydney, and those little metal discs will serve as a reminder why they're doing it all again.

A season this long and demanding can only happen with help, and there are so many people to say thank you to. Christian, thank you for managing again this year. I'm sure this was the third time you said you're stepping down, but it's been fun again. Greg, Dan K and Dave, thanks for sporting the pink bib and running during the games. James, Dan O, Will and Chris, thanks for goal umpiring and running water. Elle for first aid and Amanda for ground managing, thank you. And all the parents for getting the kids to training and games and sharing rides and taking photos and bringing fruit and doing BBQ and canteen, thank you.

Season 2020 promises to be a cracker. We have unfinished business.

Carna Greyhounds.

**U13 DIV 1****→ NICK ANDREATCHIO**

Another year, another amazing season from Nick. In this championship team he continues to set the standard for winning the ball inside and out. Nick was able to successfully spend some time at full forward during games where he was able to add to his prolific scoreboard tally. Another great season Nick, congratulations.

**→ LUCAS ARDAGNA**

Lucas cemented a permanent position in Div 1 this year and showed why he is so well regarded by teammates and coaches. His ruck work is excellent, however it's his work on the ground and overhead that really make him so important to the team. A great season capped off with a spot in the City Rep team and All Star honours. Well done Lucas.

**→ CHARLIE BASS-TRACY**

Chaz defined himself as the complete role player this year, whether in defence or playing on the wing. He was able to create a contest, keep his opponent accountable and win the ball while finding a team member to get the pass out to. His game against Canada Bay in the elimination final was enormous with a number of quality marks and clever switching of the play. Great job Chaz, well done.

**→ ARCHIE CHRISTIE-DAY**

Another cracker of a season from Arch. He continued to play an integral role on ball and rotated into the forward line where his extraordinary ability to find space and not panic under pressure saw him kick a whopping 43 goals for the season. Another excellent season Archie, congratulations.

**→ LUCA COONEY**

Luca was another of the players who played both midfield and forward where his running and silky skills came to the fore. Luca is the king of the cheeky one-two handball and would often use it to get out of trouble and get an important forward entry. Well done Luca.

**→ NICK EDWARDS**

This year Nick reinvented himself from defensive stalwart to dashing wingman, and maintained his reputation as Mr Consistency. Nick rotated seamlessly between the two positions and used his big tank to provide plenty of run both ways. In the final against Canada Bay he scored his first goal for the season. Outstanding again Nick, good work.

**→ RUPERT GILLIES**

Rupert made a return to the team this →

# UNDER 13s DIV 1

Player profiles

year and instantly made an impact with his elite running and ability to hit the scoreboard. Rupert kicked 12 goals this year, including one four goal haul against Kellyville in round 3. A great season Rupert, it was great to have you back.

→ **NELSON HARRIS**

Nelson was able to rotate from defence to the wing this year where he used his elite running to set off down the ground, wind in his hair, taking a bounce or two before kicking to a target. What he did really well though was always presenting as a target in the centre of the ground for the switch in play. Great work Nelson.

→ **WILL KENNY**

Will had found some form as a lead up forward when disaster struck in the form of a broken arm in Round 7 against Manly. To his credit Will still came to training and ran water, and made a triumphant return to the team in time for finals. He continues to be a creative forward and possesses fantastic running ability. Thanks Will, a valuable season.

→ **ALEC LONGVILLE**

The Sheriff once again led by example every game this year - as a general in defence and a beast on ball. Alec does not know how to take a backward step, and does not accept a game is over. Ever. He tackles, smothers, is elite in the contest and I pity the opposition player who has the ball when he's coming. Great work Alec.

→ **GERARD MADRILL**

Gezza was new to the Greyhounds this season having moved from Darwin, but he was instantly embraced by the team and found himself a place with the forwards and in defence when needed. Gerard showed his strong league background getting involved in the contests and laying tackles. Welcome aboard Gezza, a great rookie season.

→ **ARLO MEREWETHER**

Some of the most exciting moments from the season were when Arlo sniffed a race to the ball with an opposition player or when he was being chased and hit the afterburners and was gone. So good. Arlo's running made him a valuable addition to the on ball rotations, but it's his ability to win the contested ball, as evidenced in the Grand Final that really make him a good player. Arlo played in the City Rep team. Congratulations Arlo.

→ **OLI O'CALLAGHAN**

Oli is a player who only knows one way, to fearlessly tackle, take over head marks, back into packs, give multiple efforts, then get up and do it all again. Tough doesn't do Oli justice. This year he moved between defence and on ball where he gave the mids some extra grunt, and he always has good comments in the breaks and game review at training. Thanks Oli, another great season.

→ **ROWAN O'CONNOR**

Rowan moved around a lot this year, full forward, half forward, half back, on ball, he did it all. Rowan has a good tank, but it's his contested work and physicality, which is all fair and above board, where he really shines. Rowan is often sent to the biggest forward or best defender to make sure there are no easy possessions, and he makes sure they earn every one. Rowan played in the City Rep team. Awesome work Rowan.

→ **LOUIS QUAYLE**

Louis has been playing well as a forward for a few years, but this year he took the full forward role by the scruff of the neck. He was able to make himself a quality leading and marking forward out of the goal square. A special mention on his first quarter in the final against Canada Bay where he kicked two in a row after leading and taking clean marks in the hot spot. Great work Louis.

→ **RAPH QUOYLE**

Having played the lock down full back role for much of last year, Raph relished the opportunity to get up forward where he played at times as a lead up marking forward and as a defensive forward. Raph has an instinctive knowledge of when to play an opponent tight and when to run off him, something that is very valuable. Great season Raph, well done.

→ **CHARLIE ROBERTS**

Charlie had a strong season rotating between the forwards, mids and defence this year. He has a physical presence around the contests and is a natural competitor and an elite runner. Charlie is a skilled player, with a particular ability to influence marking in contests making him very valuable to the team. A great season Charlie.

→ **FELIX RUGGE-PRICE**

Felix had an unlucky start to the season injuring his finger and missing the first three rounds. On his return to the team he had an immediate impact as first ruck dropping into defence to play half back. Felix is a fierce competitor and a strong leader on the field, a role he filled well on Grand Final day. Good job FRP.

→ **TOBY RYAN**

Tobes came into the team this year to help provide a tall marking option in defence, and boy did he do that. As the season went on Toby got better and better and could be relied on to out mark practically any opponent. His affable nature and relaxed attitude don't tell the full story of his competitive nature and he was very valuable to the team this year. Awesome job Toby.

→ **LUCA SMITH**

Luca is another of those courageous players that bring so much to the team. He played on the wing, defence, forward and on ball throughout the season. Some of the best moments of the year were watching Luca fearlessly bring down an opposition player twice his size, or beat a couple to jag a goal in the pocket. Great work Luca.

→ **BILL SMITH**

Another great year for Bobba, especially in defence where he can always be relied on to win every contest he is involved in. Bill was given opportunities to play on ball where he was always influential with hard running and physicality, and up forward where he presented as a genuine option chiming in for 11 goals. Good work Bobba.

**W**hat starts as a witch's hat and ends as a battering ram... the U13 Div 3s that's what.

After a fair pre season, new faces were introduced and a new coaching panel assembled for the U13 Div 3s. We really didn't know what to expect at the start of the season. The main goal was to instil a team first play your role attitude. It is fair to say that the first game of the season against Moore Park at our adopted home of Glover St was defining for all the wrong reasons. We had work to do.

The opening rounds were tough for the lads, up against some reasonable Div 3 and Div 2 standard teams.

Heavy defeats were the early going, but we couldn't fault the effort. An unbalanced draw saw us play Cronulla 4 times and Moore Park and Newtown 3 times each, with other teams only sighted once. One advantage of this was that early on we got to see the standard we needed to

aspire to.

Cronulla quickly became our barometer. Although we ended the season without a victory over the Sharks, the gap between our first game and last was marked. Second game against Cronulla was a cricket score, the last game in round 14 we succumbed to a narrower 44-2 loss. A fifteen goal turnaround from first

game to last is a testament to the lads efforts, increased tackling pressure and focus - really well done.

Three wins against the hapless Newtown gave us some sunshine. All in all the improvement from the first game to last was significant, both in effort, skill and attitude. Well done lads on a great season. I couldn't be prouder of the collective improvement in the playing group and the buy in to the team first mantra. What started as witches hats ended with all teams knowing that when you play the hounds, you are in for a challenge.

Special thanks go to Adam Daniels, Brad James and Mat Fulton for helping with coaching, rotations, tactics and my sanity. Big thanks to Belinda Davies and Frank Curcio and a huge massive thanks to our unflappable manager extraordinaire Cathy Cooper. You all literally kept me sane and I would not have got through the season without your help, guidance and friendship. →

**LEADING GOAL KICKER** James Fulton **BEST ALL-ROUNDER** Tom Hillard **MOST IMPROVED** Max Herron **MOST COURAGEOUS** Parker Stevenson **PLAYERS PLAYER** Kenneth Morton

**U13 DIV 3****→ ADAM COOPER**

If you judge a season by the smile on a player's face after a game, then Adam and by definition the Greyhounds Div 3s, had a cracker. First to training, first to the ground on game day, ever committed team man. Thanks Adam for setting the standard the team aspired to. Great season.

**→ CHARLES CURCIO**

Diminutive, unassuming, but underestimated at your peril. Playing forward or on the wing, Charles was a great contributor to the team this year. Charles helped set the standard for work rate and tackling pressure. Great season Charles.

**→ HENRY DANIELS**

Having not coached Henry previously he started the season as an unknown and quickly became one of the most reliable, skilled and committed members of the team. Henry formed a terrific partnership in the backline with Aaron. The generals ensured no attack took us lightly and no goal was easily scored. Fabulous season Henry, well done.

**→ JAKE DONALDSON**

Unfortunately injury and concussion cut short Jake's season, but when he was on the field Jake was a great

contributor. One effort stands out for me - when Jake, taking on a quicker and more skilled opponent, chased him down with several gut busting efforts to make a contest. Well done Jake on the season, and hopefully next year injury free you can get another crack at it.

**→ JAKE DOPIERALA**

After a shaky start, Jake grew into the season, embraced the team first culture and showed the way with his 'never take a back step' attitude. Laid some fierce tackles (at training and on game day) and proved a great barometer to the effort and pressure needed to be competitive against the best teams. Well done Jake.

**→ ETHAN FADEL**

Picture two people: one mild mannered, reserved and quiet; the other tenacious, fierce and vocal. These two people are Ethan in the beginning and Ethan at the end. Another player unknown at the beginning of the season, Ethan joined the greyhounds with limited AFL experience, but quickly proved to be one of the best tacklers, organisers and pressure players both in defence and attack. Well done Ethan on a wonderful first season.

**→ GRIFFIN FERRARA**

Mr Half Back, possessing a booming

penetrating kick and great marking skills, Griffin was our Luke Hodge. Ever keen to sneak forward and bag a snag or two, Griffin's best work was off half back this season, and with Aaron, Henry and Ethan formed a formidable and miserly defensive quartet. Congratulations on another great season Griff.

**→ JAMES FULTON**

Why they invented footy boots when you can kick 5 goals in the wet in sneakers is one of life's great mysteries. James is the puzzle and the answer. On the half forward line or deeper in attack, James proved a headache for the opposition defence all season. No more so than in his match winning efforts in the rain against Newtown - booting 5 "snags" to be best on ground. Thanks James for another terrific committed team effort this season.

**→ ZACH GRANT**

At training and on game day, Zach was always eager to learn and improve. A late hamstring injury cut his season short, but Zach was a great team contributor and much liked member of the squad. Well done Zach.

**→ MAX HERRON**

Mr Team, Mr Excitement, Mr Shutdown. Max was my go to guy

when we needed to close down damaging opposition. Often playing on significantly bigger opponents, Max reliably and without fear tagged, harassed and basically annoyed the bejesus out of them. A fantastic team inspiring player who can be relied upon week in and week out, at training and on game day. Great work this year Max.

**→ TOM HILLARD**

Skilled, quick, tenacious and talented, Tom has been a Greyhound stalwart for many seasons. Season 2019 would prove to be another terrific one for Tom as he navigated both the midfield and wing. Rarely beaten one on one, Tom's bursts down the Jubilee sideline with opposition trailing is the stuff of legends. Well done Tom on a fine season.

**→ AARON HOENIG**

What do Dane Rampe, Reece Shaw and Alex Rance have in common? They are organised, vocal and skilled - the backbone of the team, the baseline, the rock. This is Aaron to a T. Ever the team man, he played with the confidence of a seasoned campaigner. Against big or small Aaron never let the scoreboard or circumstances dictate his effort. Reads the play like a good book and

**→ JASPER REUCASSEL**

Injury unfortunately cruelled Jasper's season from early on. The games he did play he contributed well in the halfback and midfield.

**→ TOM ROBERTS**

Possessing lightning speed, evasive skills and dash, Tom was electric off half back and forward with ball in hand. The simple message to Tom was to get the ball and run with it (don't forget to bounce it as well). Broke many a line and created scoring opportunities with his dare and flare. Well done Tom on another fine season.

**→ JAMES SCHMIDT**

James' silky smooth talents and lightning pace, mixed with his footy nous, made him a stand-out in the midfield and off half back this season. He was clearly best on ground on several occasions. Injury disrupted what was otherwise another outstanding season. Well done James.

**→ LINUS STAFFORD**

Mr Go-To in the ruck, Linus single handedly played a significant part of the season as the sole ruckman and did so with honours. Against bigger, more seasoned opponents Linus held his own and ran many opposition ruckmen a merry dance around the ground. Well done Linus on a fabulous season.

**→ PARKER STEVENSON**

Some teams' have sinew, some muscle, but not all have a soul. Parker is the soul of the Greyhounds U13s. Often outsized, out run but never out played, Parker's commitment to the team, the club and his mates is culture shifting and inspiring. Fabulous season Parker.

**→ LUCA TRENT**

Luca is a versatile player who can fill a ruck role, forward or play a specialist tagger role on a bigger opponent. Luca played all of these team first roles with commitment and energy. Thanks for a great season Luca.

**→ VELAYUS WYNN**

If Tom H is Joel Selwood, then Velayus is Patrick Dangerfield. A deserved winner of our best and fairest this season, Velayus went from strength to strength. Able to play all over the ground, be it midfield, wing or forward, wherever the ball was, Velayus was too. Reads the play like a seasoned pro, impacts the contest and inspires his team mates. Congratulations V on a fantastic season.

# UNDER 14s DIV 1-ALLIANCE

Report by Paul Jarvis & Dean Cleary

HEAD COACHES Paul Jarvis, Dean Cleary **MANAGER** Marc Foley

**MILESTONES** 50 GAMES Brodie Williams / Felix Hochuli / Declan Fitzpatrick **100 GAMES** Max Rider **150 GAMES** Darcy Dessent **100 GOALS** Max Rider  
**AFL SYDNEY JUNIORS UNDER 14 REP CARNIVAL TEAM 2019** Declan Fitzpatrick **AFL SYDNEY JUNIORS UNDER 14 DIV 1 2ND BEST & FAIREST 2019** Brodie Williams **UMPIRES** Jazper Alewood  
**GLEBE PERPETUAL AWARD BOB CLARK GOLDEN BOOT TROPHY** Brodie Williams

The 2019 season saw the third and largest iteration of the "Alliance" team structure between Glebe Greyhounds and the Newtown Swans. Pre-season commenced with 60+ players registering, comprised of a conglomerate of returning players from both clubs as well as a number of new faces. It quickly dawned on the coaching and management group that in order to be successful this year, we had to quickly meld the players into a single team and create an environment of "trust" with the players by building a culture and playing style that the players would understand and align too. No small task when the coaching group themselves are meeting half the players for the first time. The coaching group set about grading the 60+ players into three teams through trial games, football craft and skill assessment's. The intent of the Alliance is to ensure we create an environment that is positive, inclusive

and have players playing in the appropriate division for their ability. This, as you could imagine, was a very challenging exercise to undertake with the size of the playing group we had.

With grading completed, and players allocated teams across three divisions, the U14 Div1 team commenced building friendships and a team based on three core principles;

Support your teammate through your actions and accountabilities. We are a team.

Play and understand your role.

Be resilient and focused. Don't allow the negative moments to define your game.

These three points, quickly provided a canvas for the players to work with, and gell into the successful team they became. With each player understanding what it meant to be a "Bloodhound", and each player applying themselves to the best of their capabilities.

This culminated with a season of 11

wins and 3 loses and not dropping lower than 2nd on the ladder at any point during the home and away season, and by becoming the 2019 U14 premiers, defeating Manly, 4-7-31 to 7-7-49, a team who had not lost a game for the previous two seasons.

This group are a pleasure to coach. They listen and apply instruction, care for each other and are to be admired for their passion in an extraordinary season.

I would like to say a sincere thank you to team manager Marc Foley and Team Runner BJ Dessent who through their investment, interest and determination allowed us to get every ounce of talent out of our playing group. We are so lucky to have both of them communicating, cajoling, helping out at training and on game day. Finally a huge thank you to the parent group, who without your commitment, enthusiasm and support, we would not have achieved the success we did.

*This group are a pleasure to coach. They care for each other and are to be admired for their passion*

#### U14 DIV 1-ALLIANCE TEAM AWARDS

##### → JAZ ALEWOOD

Another of the big improvers this year, Jaz developed into a very accomplished player. Maybe lacking some confidence at the start, he put his head down and became a rock, particularly in defence, as the season wore on. His marking was a particular area of improvement that helped push the team to a higher level.

##### → TOM CAMPBELL

Tom really grew into the team, particularly in defence. He showed what a quality player he is when he put in a telling performance in our first real test of the season against Kellyville, all the way back in round 4. His performance that day set the foundation for a win that day and for the team's roll through the season. His season was cruelly cut short by a wrist fracture just before the finals.

##### → BEN CHAMPION

Ben is a very elegant and stylish player. He kicked some remarkable

goals this season with what seemed like consummate ease. A no fuss kid and not a big talker on the field, Ben generally let his footy do the talking.

##### → CAIDEN CLEARY

This year's Best & fairest, Caiden, as he has in the past, carried a hefty workload when it came to his running and tackling. He plays the game harder than most, putting his body on the line each week. The team, especially the midfield, operates at a higher level with him there.

##### → BEN D'AGOSTINO

Ben had a disjointed season due to his injury woes, but he was there every week to spur the boys on. When he took the field, he showed his value in his play, particularly with the goals he scored, no more so than the 2 vital ones he scored in the preliminary final.

##### → DARCY DESSENT

Started the year with the haircut of the season! Darcy, although not one of the bigger players, was not

intimidated. A no nonsense kid who does all the fundamentals exceptionally well, he attacks the ball with no little bravery to keep his team on the front foot, which proved so important in those tight games.

##### → GIOVANNI DOUZIECH

'Gio' ends up as one of the biggest improvers this season. From Paris, via Italy, Saudi Arabia and Perth, Giovanni was an unknown quantity at the beginning but he showed a huge appetite to learn and improve. This showed in the quality of his play as the season progressed. Was a key part of the team's defence with his reading of the game and the quality of his play.

##### → MAMADOU FAYE

Mo had a stellar year. He was super keen to be around his team mates at training and on game day. He seemed to thrive in the more competitive environment of the alliance team. Mo was a constant target in the forward line for our mids and he rarely disappointed taking some memorable marks and ending the season with a hatful of goals.

##### → DECLAN FITZPATRICK

One of the enforcers in the team, Declan's tackles can be heard from the sidelines. For a kid of few words, Declan plays with a brutal intensity. He runs hard, tackles hard and plays with no mean amount of skill, as seen by a goal of the season contender in our first finals game.

##### → CIAN FOLEY

Like a good wine, Cian gets better with age. One of the most coachable kids on the team, he soaks in the information he gets at training and the lessons he learns in games.

Technically very good, Cian was a →

## UNDER 14s DIV 1-ALLIANCE

Player profiles

U14 DIV 1-ALLIANCE TEAM AWARDS **BEST & FAIREST** Caiden Cleary **B&F RUNNER-UP** Brodie Williams **LEADING GOAL KICKER** Brodie Williams **BEST DEFENDER** Joe Shawcross  
**COACHES AWARD** Giovanni Douzich

lynchpin in midfield with his tireless running and hand passing. He also proved his value with his prolific goal scoring when going forward.

→ **MURPHY FOX**

Murphy brought his excellent technical ability to the table to give the Bloodhounds team that extra bit of class. Throughout his playing career he has been a great link player, allowing the team to transfer from defence into attack. He uses the ball intelligently, giving those around him the confidence to play their own game.

→ **JACK HARRIS**

Maybe it's small man syndrome but this Tommy Redonikas like figure was not for standing down. Jack plays exceptionally hard against more physically imposing players, who themselves ended up being wary of him by the end of many games. He

is a good ball distributor and put his head, probably where he should not sometimes, but it was this bulldog attitude that gave the team much of its steel.

→ **NED HAWKINS**

Ned brought his high energy and technical excellence to our team this year. He is a great mark taker and runs hard with the ball in hand. He has a good eye for goal when storming forward from midfield and contributed handsomely in this regard. Ned is a team player who empties the tank each time he is on the field. What more can you ask.

→ **FELIX HOCHULI**

With a cultured left boot, Felix was a key component of the team's defence this year. He showed his prowess in the air, cutting short many opposition attacks throughout the season. Again, not the biggest talker

on the field, he just let his play do it for him.

→ **JACK JARVIS**

Very often the heartbeat of the team, Jack sets the example for his team mates to follow. He talks to and encourages his team to make sure standards are kept up. In the tight games he invariably stepped up and grabbed the game by the scruff of the neck to drag his team over the line, no more so than in our final 2 games.

→ **CORMAC MACKENZIE**

One of the div 2 cohort who also played multiple games for div 1, Cormac provided invaluable support and physical clout to the team throughout the season. His tackling is the stuff of legend and he played a valuable role in defence.

→ **ALEK GIOTOPOULOS MOORE**

Alek is a powerful player whose physical strength and ariel prowess

were a telling factor in games this season. He has a great attitude when playing and training and his commitment was never found wanting during the season. His mid season sojourn to Greece seemed to invigorate him, resulting in a storming finish to the season.

→ **LOUIS PORTER-ORCHARD**

Louis was a colossus in midfield this year. Exceptionally rangy, he gave our team the much needed height at ruck and throw in time, giving the midfielders the possession they needed to boss games. Louis, is also a powerful runner with the ball in hand and he instigated many an attack with this game play.

→ **MAX RIDER**

Max was one of the players who bought in to the Alliance straight away. He thrived in the increased competition and intensity, and took

huge joy from the team's success. Max was another of the midfield cohort who loved attacking, as was shown by the bounty of goals he scored throughout the year.

→ **JOE SHAWCROSS**

Playing through pain, jetlag and opponents trying to intimidate him during the season, Joe is about as durable and tigerish as you get. A brave, agile and skillful player, Joe was one of the standouts this year. He looked like he loved playing for this team and it showed in the high standard that he consistently achieved throughout the year.

→ **TOM SZENDROI**

In full flight with his golden locks flowing behind, Tom was a sight to behold this season. Another of the Div 2 boys who made a valuable contribution to their Div 1 counterparts, none more so than

during the Grand Final where he played some great football, particularly in his support for the mids and forwards.

→ **PADDY THOMAS**

Paddy played up from Div 2 on a number of occasions during the year, qualifying him to play Div 1 finals. He is excellent in defence, particularly under the high ball and was a real positive for our team, particularly towards the back end of the season when several players were injured.

→ **BRODIE WILLIAMS**

The Bloodhounds most decorated player. Brodie's athleticism, particularly in tackling and taking marks, is phenomenal. He is arguably the league's foremost target man in the forward line. Brodie was div 1's most prolific goal scorer this season. His goal celebrations aren't bad.

U14 DIV 2-ALLIANCE TEAM AWARDS BEST & FAIREST Tom Connors-Le B&F RUNNER-UP Paddy Thomas BEST DEFENDER Peter Charlton LEADING GOAL SCORER Tom Connors-Le COACHES AWARD Luca Mark

The first season for the freshly-merged Bloodhounds U14 Div 2 side was all about forging a team, finding our strengths and developing that instinct with and for each other's style of play.

The core squad of around 16 was topped up each week by the Div 1 and 3 boys (a huge thanks to our regulars, who often played two games a day. We've included those who played 5 or more games with Div 2 below).

Our first game in Maroubra left the still-summer-sleepy and underprepared side initially shocked, but the boys regathered quickly from five goals down, showing fight that would bond them over winter as they continued to improve and find their rhythm.

It was a season of mixed fortunes, moments of both individual and team brilliance peppered occasionally with inexplicable disarray - a reminder that training nights are more than a chat and giggle, and discipline brings reward.

The highlights were many and the lowlight will remain unmentioned, but thanks to all the parents and kids who provided support on that difficult Sunday morning and subsequently during the judiciary process. Jaedon's late season return reminded us how valuable he is to the side. And Will Garwood surviving dad jokes without groaning as he

lay on a hot oval with a broken leg is testament to his extraordinary toughness. Bounce back better than ever Will! You rock.

The highlight, of course, was playing a small part in the evolution of these charming, individual, irascible and very, very fine young men. Once the whistle blows they transform. Smalls, such as Sean, Jonas and Luca are suddenly 10-foot tall. Paddy, Felix and Peter build backline walls a US President would envy. The incessant 1% moments of the Toms, Wills, Wil, Zack, Luca, Arthur, Elias and Dylan always impress and inspire. There was Jaz, our forward hotspot, Cormac, our Mr Fixit, Archie, our fierce offloader, Peter and Jaedon, our pillar stones.

Our thrilling 1-point finals loss was a reminder of how the boys never give up and can match it with the best. On a good day, we are the best.

Thanks to all of them for making 2019 so entertaining and teaching us a few things as coaches along the way too. And also to their parents, especially those putting their hands up to volunteer.

Huge thanks especially to our patient and committed manager Mark Seiver, who often doubled as home game tongmaster, plus the mercurial Buzz 'boundary rider' Mackenzie, for their relentless efforts in keeping the show on the road. We hope to see you all again in 2020.

*training nights are more than a chat and giggle, and discipline brings reward*

#### U14 DIV 2-ALLIANCE

##### → JAZPER ALEWOOD

The Buddy of our forward pocket, giving the mids a target they could trust. Along with goal of the year, Jaz landed 10 goals from just 5 games as Golden Boot runner up. Most impressively, his running game has really stepped up and his sunny style made him a welcome addition.

##### → WILLIAM BRINE

Will made Daley Thompson look unambitious in his selection of sports this year. As he bounced around the field following the latest whims of the coaches with grace and relentless commitment, it wasn't until finals

that he found his place banging through some brilliant goals.

##### → PETER CHARLTON

"You are Peter, and on this rock we will build my Div 2," said someone even older than the coaches. And so it came to pass. Pete's confidence surged this season. His natural, measured leadership, midfield dominance and long-range kicking made him a cornerstone of the side.

##### → TOM CONNORS-LE

In the air, on the ground or around the boys, Tom brought his calm, committed and charismatic self to every single moment, lifting everyone with shining leadership. He also led by example, topping the goal scoring in 2019, as well as deservedly earning Best & Fairest from us all. Congrats Tom.

##### → WILL GARWOOD

Will was once again dominating as ruckman in late season when he sustained a leg break. His pain threshold proved he's a true Kangaroos supporter. We missed Will dearly at finals. His tough, no nonsense approach, combined with speed and agility, made him an invaluable go-to player.

##### → JACK GOODWIN

A man of many talents and even more words, Jack's brief return to AFL for 5 games was a reminder he bristles with natural ability amid a showman's love for how the game is played. The side's Stan Lee, Jack made plenty of memorable cameos in every match.

##### → FELIX HOCHULI

Felix's style of play brings poetry to footy fields, as well as a winning edge to Div 2. He played 9 games, but his effort was more like 15's worth as he consistently ran the ball from one end of the field to the other, crunched opposition players in tackles and gave the Bloodhounds momentum and inspiration.

##### → ARTHUR HOWARD-WHITE

Dubbed 'The Archer' for his arrow-like attack on the ball and quiver of tricks, Arthur's flashes down the wing and through the centres were a sight to behold, although his fearlessness was diminished by injuries. Charging into the ruck, his ability to change momentum thrilled us all.

##### → WIL HURLSTON

Spinning, surging and smashing, Wil's commitment is as unquestioned as his hardness and can only ever be matched by his

magical theories. Edward de Bono could learn a thing or two from this outstandingly talented young man, and Wil may also choose to learn to just "KICK IT"!

##### → CORMAC MACKENZIE

Mr Reliable. When the team had a mid-match problem, Macca's the player who sorted it, from the backline to ruck and forward. An old-school utility, oozing quiet seniority and dominance in a contest, he never failed to get the job done. Thanks for all your advice and inspiration Macca.

##### → LUCA MARK

Luca is the mouse who roared, a small high forward who turns ferocious when holding the footy. A confidence player, Luca's impact on games kept escalating through the season until he became a vital part of team strategy - the problem solver in difficult moments. Just awesome.

##### → LUCA MORROW

What was that flash? Yes, that's Luca again. Shooting past and wangling the ball to bomb another one forward. The side's quietest achiever, Luca let his footy do the talking, with a Superman-like transformation to midfield tough nut, relentless runner and dogged tagger.

##### → SEAN NEWTON

The Bachar Houli of our backline, Sean reads the play with innate genius. Also gifted with an indomitable spirit, his cheeky grin was only bested by a deft step and bombs out of the back-est of backlines if not zipping past flummoxed opposition players with the ball towards the square.

##### → ELIAS NUNLEY-BROWN

A fierce competitor, 'Ely' epitomised the old school ethic of running in straight lines, providing relentless drive forward, as well as follow through. Elias played across the field throughout the year illustrating his versatility and willingness to do whatever it takes.

##### → JONAS O'CONNOR

Never, ever afraid to take on the contest, Jonas's fierce attack on the footy, regardless of the opponent, is his hallmark, repeatedly demonstrating the adage: it's not the size of the dog in the fight. His long backline runs down the wing were sublime, his massive heart and love for 'da bois' embraced by all.

##### → ZACK SEIVER

They seek him here, they seek him

there, they seek Zack every-bloody-where. This stealthy Mr One-Percenter had more fingers in goals than Jack Horner did in pies. Did we mention Pies? A fierce, dogged competitor, Zacky, you champ, more importantly, you brought fun to our games.

##### → DYLAN SHIELDS

A sharp goal sneak with a menacing tackle, Dylan has the class of a thoroughbred and the style of a movie star, landing six goals in 2019 to be the side's third highest scorer. Sleek and surreptitious, he could arise anywhere, at anytime, and to the dismay of opponents, he often did.

##### → MAX SPENCER-TIGHE

A few early season cameos showed Max's prime goal sense and unflappable nature were trademarks of his five games. Always bringing others into the game as a true team player, everyone loves having Max on their side.

##### → JAEDON STENHOUSE

If courage was wealth, Jaedon would be King Croesus. Fleet of foot and with a football brain to match, Jaedon has great game sense and is a natural and tough midfielder who quickly turns defence into attack. He's also a fine young man whose easy smile lifts all our hearts.

##### → TOM SZENDROI

"You are the universe in ecstatic motion" may be a quote from Rumi, but 'Schmittty' lived it this season. The boundless joy to Tom's golden locks dashing through midfield in another drive forward brought tears to old parental eyes as he found new confidence and his zen place.

##### → PATRICK THOMAS

Paddy's hard, hard, hard rain fell on opponents across the dry Sydney basin. Part giraffe, part bulldog, his flights above the pack for a mark, along with his raking left foot, relentless chase and command of defensive structure always filled us with confidence. Another great season Paddy!

##### → ARCHIE THOMSEN

A delayed start due to theatre rehearsals didn't diminish Archie's wry humour and quirky asides, matching his forays forward, along with asserting his strength, tough tackling and long accurate kicks at both ruck and wing. Archie always moves the ball quickly as a superb team player.

Ever reliable, Myles was too often poached by the Div 2 team, wanting his footy skills and determination.

→ **MAX VAN DER MERWE**

Had a light-bulb moment in 2019 when he realised he could run and impact the game! Given his big engine, this made him a handful down the back where his run was invaluable throughout the season.

→ **NOVAK POLLARD**

Despite always being among the smallest on the field, he is the first in at the bottom of packs, seeking to farm the ball out to others. Found his place as a rebounding backman. Captain courageous!!!!

→ **LOUIS QUARELLO**

Fast, feisty and nimble!! Great midfielder. Louis is a human dynamo. Running hard all game and ready and willing to take on all comers.

→ **PETER RICE**

An impressive year at full forward, with excellent reading of the incoming forward thrusts, ensuring he was among our leading goal kickers. Used his body well in marking contests, often getting the better of larger defenders.

→ **MATTHEW SCOLYER**

Another strong year using his big engine to get to contests across the entire ground. His year was interrupted by a broken wrist, but returned late in the year to help our finals campaign with his raking runs along the wing.

→ **MAX SPENCER-TIGHE**

Played right across the field. Excellent in defence, inspiring in the forwards and a powerhouse in the centres. We will never forget the run from the Fullback to the Full forward, gained immediate possession then kicked a goal. Truly memorable.

→ **MAX TOSI**

Athletic and lightning fast midfielder who threw himself into all contests with little regard for personal safety. Whilst he improved his skills during the year, his marking came to the elite level as the season wore on, as he repelled the opposition and propelled us forward.

→ **ALISTAIR WOODS**

An amazing first year of AFL, often breaking open games with his electric speed that no-one could match. Improving kicking and marking skills as the year wore on saw him make important contributions to a number of tight games.

**2** 018 saw the merging of Glebe and Newtown, forming the Glebe Bloodhounds in Div 3.

The merger expanded across all U14 Divisions in 2019, so it took a while for everyone to gel but, once that happened, there was no holding the boys. The 100% return of our 2018 players, along with some great new additions to the team, saw some fantastic development of all players. A solid pre-season saw the boys excited and motivated to improve their fitness and polish up on their skills. We had some excellent wins, balanced with some hard fought loses, in a very even competition. Our efforts resulted in wins against all comers, except one team who ultimately won the premiership.

From the coaching and management point of view, watching our boys improve in skill and confidence fills us with great pride. Digging deep when the going got tough, putting in the effort no matter what. If we are ten goals in front or ten behind, the effort and determination does not stop. This

determination was perhaps best shown in a hard fought loss mid-winter, when injuries had depleted the team and we had a long away trek, in a game that was the turning point for the season and started our successful drive to the finals. Our finals campaign saw us reprising last year's elimination final against Northern Lights in the upper reaches of Hornsby. As with last year's game, it was a tight encounter but the Lights ran away with the win. We were delighted with the growth and development of a great bunch of boys and look forward to fostering the next phase of their football development in 2020.

*Digging deep when the going got tough, putting in the effort no matter what.*

U14 DIV 3-ALLIANCE

→ **JERRY AH-YEK**

Another tireless year of work in the ruck for the team, dominant in the ruck contests and integral to the team by farming the ball out to his fellow mid-fielders. Also a powerful tackler and protector of the ball carrier.

→ **ADAM DALEY**

A quiet but relentless achiever, usually in defence, where his courage in getting underneath high balls and spoiling opposition forward thrusts was second to none. Always looks to share the ball with team-mates and tackles well.

→ **RORY DAVIS**

Another solid season from one of our very versatile players. Always trying his best in defence and attack. Some memorable tackles and hard running is the hallmark of Rory's game and makes him one of our popular players

→ **PATRICK GALLAGHER**

Moved between key defensive and forward positions during the year, applying strong tackling pressure in both roles, always looking for team mates with his disposals, with a great running goal against Canada Bay.

→ **CURTIS GUENETTE**

Curtis's agility, determination and skills made him the complete package for playing in the midfield and forwards. Mr. Consistent, Curtis is the type of player who can be relied upon. Hard running from the centre or defending, Curtis always put in 100%.

→ **OLIVER HERSHMAN**

A great season for Oliver. His rugby skills of running hard and solid defence were greatly appreciated by all his team mates. Oliver made the midfield his position. Solid defence and attack. His rugby style kicking ensured he delivered the ball into our half.

→ **SAM HOWARD**

One of our best and most reliable forwards. Sam's natural position is inside the forward 50, but was just as effective all over the ground.

→ **ARCHIE JONES-SINCLAIR**

An invaluable lanky defender, with an amazing ability to break away from packs and launch forward thrusts. Also provided great back up in the ruck, and always willing to take on any role.

→ **BILL JORDAN**

This was Bill's season. Our most improved player. The wing was his domain. Moving the ball into the forward line or putting up some excellent defence

→ **ALEXANDER LAWES**

One of our most improved players. Alex had a great season. His confidence growing with each game. Alex showed excellent skill development taking critical marks during the second half of the season.

→ **GABE LEE**

A recent convert from the round ball game, Gabe played the game as if he started playing when he was three. Natural athleticism, determination and great ball skills, Gabe was a great and valuable addition to the Bloodhounds.

→ **OWEN LLOYD-SHEPHERD**

A quiet achiever. Owen was always up to the task and always tried his best. Ever reliable, Owen had a great season and a valuable player who contributed throughout the season.

→ **MYLES MALONE**

Great athleticism and football skills made Myles the perfect wing player.

**W**hat a sensational year for the Girl hounds!! An awesome group of girls came together at the start of the season, plenty of rookies, new and returning players stepped up to take on Division One. You all bonded as a team and displayed a magical team spirit that makes Glebe unique. It was going to be a tough season as we stepped up to Division One but in true Greyhound style you took on the challenge and your consolidation as a team displayed some awesome footy week after week. We pushed the top of the table with close matches, some wins, some losses but it was tough and inspirational to watch.

On behalf of all the coaching staff, our team manager and parents, we are extremely proud of what the girls achieved in only their first year of playing football together as a team and taking on Division One.

Our girls represented our club with fun, respect and came together regardless of age or experience and formed a tight group of stars in the making! As the year progressed the girl continued to demonstrate incredible team spirit, commitment to each other and they grew, allowing formations of backlines, midfield and forward lines to stabilise allowing for positive structures to see them play great footy week after week.

*An awesome group of girls came together at the start of the season, plenty of rookies, new and returning players*

**U14YG DIV 1**

→ SYLVIE BICKNELL

A super season! Either as a ruck, or dropping to the back lines or pushing up forward just kept demonstrating your skills around the ground week after week. Your impact on the rest of the team was so positive and inspiring. A real talent for the game of footy!

→ ELYSE BURKE

Superb season this year! You really stepped up this year! Your play around the ground either as a wing or a defender showed courage, great read of the play and always being first to the ball allowed your skills to develop strongly. Wowers you have some awesome footy ahead of you! Well done on achieving 50 games this year.

→ MAYA GROSSER

Dominated in the backs again this year! Your skills were consistently on →

display each week and your defensive strategies assisted your teammates time after time clearing the ball from attack to allow your teammates to drive the ball to attack. A great run in the forwards showed your ability to hit targets or score. You just keep getting better each year – can't wait for next year!

→ **ZARA KILBORN**

Your leadership again was on display each week and it is brilliant to see you shine and direct your teammates. Your sense of team either playing in the forwards or backs allowed your skill set all over the ground to shine in kicking goals or defending with strong tackles and your strength to turn the game around with strong attacks is sensational to watch – keep it up Zara you have more great footy ahead of you! Well done on achieving 50 games this year.

→ **MATISSE LIU**

A big asset for our team! So quick in the mids to drive the ball to our attack, your swift clearances and ability to read the play either to attack or shutdown play from the opposition is incredible to watch. Your time in the forwards proved positive with goals or direct kicks to forwards was on cue. Your ability to duck and weave the bigger players on the other side again demonstrated what a great player you are!!

→ **CHARLOTTE MAGUIRE**

Your confidence and ability grew from the start of the season. You played well in the forwards, mids and backs. And some almighty tackling. Great run in the ruck. Kicking your first AFL goal was sensational!

→ **REMY MAGUIRE**

Your first season playing AFL you showed great ball skills, marking, tackling, kicking goals and a great team player! Your ability to clear the packs, side stepping the opposition and go for runs to our forwards, incredible. Your growth and confidence each week is absolutely brilliant to watch! We can't wait to see your skills develop further next year as you have a great career ahead in footy.

→ **MADISON MOK**

What a great first year of AFL! Your tackling, roving and team plays were solid, what a great team asset. A fantastic team player and leader! Your spirit for playing footy is just brilliant to see each week. Your no fear approach allowed you week after

week to grow your game of footy. Keep it up Madi!

→ **SUSANNAH PAGET**

Your first year of playing AFL and your confidence grew each week! Your ability to adapt around the ground was sensational. Your courage in the defence zone was brilliant, your run in the rucks was great, leading in the forwards to space for marks was really great to watch, kicking your first AFL goal was a blast! You certainly proved your footy skills in your first year – can't wait until next year!

→ **LILY RACE**

What a sensational year for you this year! Your presence really shone this year, your team spirit, encouragement and leadership really was effortless for you! You proved a machine for us in the mids. Your overhead and chest marks were awesome, tough tackling, goals and ability to grow each week was exceptional! Can't wait to see your footy develop further next year!

→ **MELODY SCHOFIELD**

Your confidence just kept growing each week! The ability to back yourself and throw yourself in amongst the play was great. Stepping up to get to the ball first in the backs was brilliant along with turning over the ball to assist in our attacks! Your run in the mids or centre demonstrated courage, tough tackling and quick clearances to team mates was brilliant. Your run in the forwards allowed your teammates to score or score yourself! Great season Mel!

→ **LILY STONE**

The ability to back yourself and throw yourself in amongst the play was great. Stepping up to get to the ball first in the backs was brilliant, leading to space and driving the ball forward from the mids time after time was impressive. Ability to read the play, shutdown play or create attacking play comes easy for you! Great season this year!

→ **MADISON STONE**

Your strength, courage and no fear was on display each week. The ability to back yourself, throw yourself in amongst the play was great, your quick turnovers of the ball to teammates in space was spot on! Stepping up to get to the ball first in the backs, mids and forwards demonstrated your ability to play footy – It was brilliant to watch! Great Season!

→ **LOLA WAKELIN**

Your strength and confidence just kept growing and growing each week! The ability to back yourself and throw yourself in amongst the play was great. Stepping up to get to the ball first in the backs was brilliant along with turning over the ball to assist in our attacks! Your ruck work was spot on as you tapped directly to teammates on the lead a really strong season for you Lola!

→ **EMMA WALSH**

You really stepped up this year and your talent each week was incredible to watch! From strong marking, tough tackles, breaks from the packs to follow through with attack of dodging the opposition, bouncing the footy on the run to complete goals was inspirational for your team. Your swift play of kicking to leads, clearing the ball in whilst in the defence zone to your teammates was incredible! Well done on achieving 50 games this year.

→ **TAITUM WATTS**

Your first season playing AFL was brilliant! You just kept getting better and better each week. Your no fear approach to the ball was superb as you won possession of the footy and cleared to team mates to drive to attack was brilliant. Getting first to the ball and shutting down play from your opposition was strong. Your runs into space to drive the ball down the ground to team mates was spot on! Can't wait to see your skills develop next year!

→ **EMILY WEBB**

Great year of footy for your first year of playing! Great run in the ruck this year! Each week your ability to tap and place the ball was on cue for your teammates. Your strength on the wing, in defense or forward allowed you to create space to run, bounce and kick out of defence or in the forwards ability to kick to leads in attack or kicking goals yourself. You consistently turned over the play to our advantage, tough tackling and long kicks shown throughout the year! Sensational season for your first!

→ **LORIEN WONG**

Wow what a brilliant year! Your reading of the play, instinct and all round game of footy is empowering to watch. Strong in the backs, fast in the mids and goal kicking is a talent you delivered each week. Can't wait to see your skills develop further next year! Brilliant year Lorien!

**W**ho in their right mind would volunteer to coach a bunch of adolescent girls? The tears, the tantrums - but, to be honest, that was pretty much just me! While we had our challenges through the season, we had some great highlights, learnt a lot (especially the coach) and, hopefully, have had enough fun to get everyone back next year. So, how did Season 2019 shape up for the U14YG D2 Girlhounds?

As seems to be the perpetual nice problem we have at Glebe, the club was again extraordinarily successful with recruiting girls to footy. What this meant to our team was that we had a nice big squad of 20 players to work with, but more than half the team were completely new to the game. Straight up, we had the challenge of having to balance teaching the skills and basics of the game to most of the team while extending the “veterans”.

Our first game of the season against Canada Bay at Maroubra can best be referred to as a “learning experience”, wherein the main lesson was just how good a YG footy team could be! Unfortunately Canada Bay were supposed to have been in D1, however were mis-graded and delivered a good old fashioned shellacking to the unsuspecting Girlhounds - a rather rude welcome to footy for the new players!

The Girlhounds rose up from that opening shock and, while we were on the wrong side of the mercy rule in almost half our games, they kept spirits high, never gave up and improved week on week to finish the season with fantastic run of performances in their last 4 games.

Special thanks also to all the parents for their positive support throughout the season - looking forward to seeing you all again next year!

---

---

*we learnt a lot and, hopefully, have had enough fun to get everyone back next year.*

#### U14YG DIV 2

##### → XANTHE BIRD

I was told that Xanthe only came into the team as a favour to her friend who had told her that we needed extra players. Well, you would never have guessed it from the level of commitment that she showed both in training and game in her first season of footy. Going from strength to strength through the season, she showed that she was versatile, athletic and determined, with her amazing growth as a footy player.

##### → ELORA BURN

Elora is one of the youngest players in the team, and could have played in a lower age group this year, but chose to challenge herself and play up for the second year in a row. It was great to see her confidence and skills continue to grow through the season, in particular her efforts across the centre in some of our toughest games. She's setting herself up well for a really strong future in footy. →

## UNDER 14s YG DIV 2

Player profiles

### → FRANCES DOYLE

Being new to footy, and new to team sport, was no handicap for Frances as she took on the game, and anyone between her and the ball, head on. Her individual efforts in winning the ball all over the ground created many opportunities for us, but her development as a supportive, team player was a real highlight. Frances' consistent strong performances saw her win our Best and Fairest award and tie as the Player's Player.

### → ARABELLA FENNESSY

Bella worked hard all year in her first season, showed she was adaptable and more than capable in whatever role we threw at her. In particular, she really impressed with her marking, which does not always come naturally to new players, and snagged a couple of goals through the season, including one in our win against Maroubra.

### → LUCINDA LYNN

Fast and focused first-timer - Lucinda quickly showed her strength as a transition player, working end-to-end with the flow of the ball, and her versatility, playing in every position through the year. Worked hard on her skills all season and reaped the rewards with a couple of very nice goals and our Best Midfielder award.

### → ELISHA MATTHEWS

It only took one game for us to find the right slot for Elisha, setting her up at centre half back where she took a leading role as the apex of our defensive line, intercepting and turning back any run up the centre from the opposition. Like many in the team, Elisha showed her best in some of our toughest games, with particular highlights against Easts where she pulled in some strong defensive marks and huge clearing kicks.

### → FREYA MCKENDRY

Notching up her 50th game this season, Freya qualified as a real veteran, and that experience showed on the field. Playing at full-back for us, her tough and desperate defence kept us out of trouble so many times. As the last line of defence, she was also our first line of attack with mighty kicking getting the ball down to our forwards. A hard-earned, and well-deserved Best Defender award for Freya.

### → LARA MILLWARD

In her 3rd season of footy, Lara clearly found her natural home on

the backline this year where she had her strongest and most consistent season yet. Tearing the ball out of the breakdowns to clear the ball, fierce tackling and great support for her teammates across the defensive line each week saw Lara earn our runner-up Best and Fairest.

### → ISABELLE MILNE

Issy's a player you just love having on-ball - she reads the play incredibly well, creating exciting opportunities and clearances out of congestion. Her instincts, however, tend to always lead her back to defence where her terrific game sense and fearless determination to throw herself into the path of the opposition and not let the ball past earned her our Most Courageous award.

### → AOIFE MOORE

Another of our debutantes, Aoife was a late addition to the squad, signing up and joining training in the last week before the season started, so more than anyone she was really learning on the fly. Right from the start she was fast, fearless and fierce with her tackling and, as her understanding of the game developed through the season, was not shy to have a go and take opportunities as they arose. Unlucky

### SOME HIGHLIGHTS:

A mid-season win against Maroubra in a close fought game lifted confidence going into the back half of the season.

Keeping Penshurst, who had thrashed everyone all season, to under 50 points, achieving our goal for the game - "no mercy rule!"

Taking it right up to Easts in our last home game, best team game of the season (to that point)

Our last game of the year against Maroubra, a fantastic team effort in a really close game, going down by only 5 points, but having the ball in our forward line for the dying minutes (my nerves are still jangling!). The Girlhounds were so revved up after the game, belting out the happiest, loudest rendition of the club song we'd heard all year!!

not to score a major with a cheeky snap over the shoulder against Easts, but still put a score on the board.

### → KATIE PAXTON

Katie continued to grow as a player through this season, performing most strongly out of the centre and starting to take opportunities when they came her way (as evidenced by a great snap at goal out of the pack against Maroubra). Her parochial loyalty as an Inner Westy shone through as Katie played all her very best games against any team from east of Anzac Parade, in particular Easts where she was amongst the best on ground each time we came up against them.

### → BILLIE PALMER

Tall, strong and determined, Billie was a natural in the ruck and was happy to use her muscle to give herself, and the team, best chance to get first touch of the footy. Another of our first-timers, she also showed that we could run her in just about any position, and she would perform.

### → CHARLIE ROBINSON

When we're putting together these profiles, we like to think of the highlights for our players, and one thing I can say for Charlie is "Penshurst Panthers". Not saying there was anything wrong

with the rest of her debut season, Charlie worked hard at training and improved every game, but she absolutely gave us her best against the toughest team in our league, running and tackling hard, winning and clearing the ball and showing that she really is going to be a player to contend with in the future.

### → ZOE SINCLAIR

Zoe had a bit of a quiet start to the season and then missed a few games due to a big family holiday. Clearly she'd been distracted by the impending break because, on her return, she turned it on! Scoring career first goal against Easts and really making her presence felt all over the field, particularly ruck and forward line, she was a changed player.

### → LUCY THOMSEN

I love having Lulu on the forward line with her awesome left boot and tenacity around the loose ball. Unfortunately though, for most of our games, it was pretty quiet on the forward line, so Lulu rotated through the midfield where she also shone as a determined rover. Thankfully we had some more balanced games where she could really show her strength, earning our Golden Boot as leading goalkicker, including a mighty bag of

3 in the final game of the season.

### → ISABELLA VINCENT DELGADO

A great first season for Bella, enthusiastic and eager to learn, she also proved ferocious on field with hard tackling, determined chasing and great game sense. Another player that we were happy to try in any position, she gave it a red-hot go all over the field. We can't wait to see what Bella can bring to the team next season.

### → ANABEL WATSON

Unfortunately for Anabel, she had a delayed start to her debut season due to copping a concussion at netball (nasty dangerous game), and understandably had a tentative first few games once she was able to join the squad. However, once she got going, her confidence grew week on week and we got to see what a great athlete she is, working hard off the wing and joining the ruck rotation where her super springs saw her winning most of her hit outs.

### → ELLE WAUCHOPE

As quiet achievers go, they don't come much quieter, or achieve anywhere near as much as Elle. She has an engine that just won't quit, would happily run on-ball all day, is determined, unselfish, focused and fearless. Elle's efforts across

the entire ground earned her our Best All-Rounder award but even more importantly she is also clearly admired and respected by her teammates as she tied in the voting for our inaugural Player's Player award.

### → CHARLOTTE WONG

Being one of the youngest and smallest players on the team was never an issue for Charlotte, who fearlessly took on anyone between her and the ball. Unfortunately, due to martial arts commitments, she missed half the season, so I do not think we got to see all that Charlotte has to offer, but hopefully we'll get to see more of her next season. One special highlight - as captain in our only winning game, Charlotte crucially won the toss and set us up for victory!

### → GEORGIA WRIGLEY

Georgia impressed right from the start with her attitude, eagerness to learn, athleticism and willingness to have a go. Nothing demonstrated the latter two points better than her mighty sprinting chase down ¾ of the field at Moore Park to successfully cut off what looked like an unstoppable run into attack. Georgia has everything she needs to grow into a great player in coming years, and we're looking forward to seeing that happen.

**REPRESENTATIVE PLAYERS** Oscar Bosnjakovic / Peter Judge / Samuel Jackson / James Kenny / Daemon Lakatos / Harvey Lynn / Noah Mitchell / Lucas Newman / Jack Rath / Samuel Scutella

**W**hat a cracker of a season. To win a Premiership against the odds was unbelievable. On top of that we had 10 players named in the City Representative team, together with Noah Mitchell being second runner up in the AFL Junior Best and Fairest Award. Not a bad season of footy by any means.

We played 15 rounds of football, lost four games; two against Pennant Hills and two against Moore Park Tigers. But we won the game that matters most, the Grand Final. This was the season that we learned a lot about ourselves. Number one, the more we trained at the back end of the season the better we got. We went from training once a week to twice a week as we hit the semi-finals. I reckon our skill level increased by 20%, especially with our intensity around the ball, hitting targets, clean hands, decision making and game sense.

Number two, we learned a lot from our losses. After our first loss

to Pennant Hills by mercy rule it made me realise we had to make some positional changes. We did and we improved. Further losses made us realise we have to continuously make changes so that we became less predictable. Losing games all of a sudden became very important. We learned to analyse why and how we lost and discussed it at training the following week. We were able to learn from it and get better. Thirdly, we peaked at exactly the right time. In the second semi final the boys came out and hammered Moore Park. We blew them off the park and we never looked back.

Going into the grand final against Pennant Hills we had good form and the boys were fearless. Pennant Hills had beaten us twice and we have beaten them twice. It was always going to be a tough battle. This was a decider in more ways than one. Once again we made changes, not so much because we wanted to but because we had to. We had five players going into the game with the flu. Under normal

**We went from training once a week to twice a week as we hit the semi-finals. I reckon our skill level increased by 20%**

circumstances they probably would have rested up....but not today.

We got off to a bit of a nervous start, dropping easy marks, not kicking straight and Penno getting the rub of the free kicks (again). By quarter time we were down 21 - 7. Second quarter, we improved our composure and discipline. By half time we were down by a goal and we were back in the game. Going into the third quarter the boys really turned it on and played their best footy of the season. Plenty of 'hard ball' gets, marks going to hand and better goal kicking saw us up by 12 points. Notwithstanding we were ahead, I didn't want the boys to 'switch off' and think we had the game won. The last quarter instruction was to go back out and win that quarter. And we did - by a point.

Big thank you to Matt, Dan, Cameron and my very patient Manager Kerrie for putting up with me and the rest of the parent group for helping out and entrusting your boys to me.

## U15 DIV 2-ALLIANCE

### → BEN BASKIN

Ben played in both the backline and forwards. Safe as houses in defence, head over the ball footballer who is always looking at options, uses his body well, great team player who knows how to shepherd, feed the ball back and clear the goal-line. Played a few games up in the forwards and kicked goals as well as numerous goal assists. Well done Ben.

### → OSCAR BOSNAJAKOVIC

Great season from a great player. Is a true backline player who saved the day with his brilliant contested overhead marks and backline clearing kicks. Played at CHB in the semi final series, ensured the backs kept their structure and was dominant with his hard running breaking tackles and clearing kicks into the forward line.

### → LUKE COSTELLO

First season player who improved week in week out. A pleasure to coach as he always followed instructions and showed plenty of

commitment. Played in the ruck and dominated, reliable in the forward line and kicked a brilliant goal against Pennant Hills earlier in the year and strong in defence. Great first season Luke.

### → MAX HAMRA

Another one of our strong backline defenders. Ultra reliable, gets down low to the ground, unafraid of getting bumped always having a crack. Understands our defensive structures and plays and can always be relied upon to clear the ball down the flanks in a tight situation. A smart backline player who never lets you down.

### → FINN HARTLEY-WHITNEY

One of our team stalwarts who unfortunately copped a bad head knock this year and could only play four games due to concussion. Showed plenty of team spirit by turning up at training and games to cheer the boys on and provide plenty of encouragement and support.

### → SAMUEL JACKSON

Runner Up Best and Fairest and

always knows how to find space. An outside running player who likes to run wide down the wing with ball in hand and deliver to the forward line. Has great game sense and positional play and always 'pops up' as the extra man in attack. City Representative player as well.

### → PETER JUDGE

Another one of our backline defenders who is a pest to all forward structures. Disables forward attacks with a strong overhead mark or intercepting fist. Looks great in full flight in the air and is quick to disable incoming attacking options. Cool under pressure and knows how to find support players.

### → TADGH KELLY

One of three co-captains who runs all day. Our spiritual leader who always contributes verbally as well as with his actions. Fearless in the air when competing for the ball which was on full display in the grand final when colliding heavily with an opposition player, got back up and kept going. An inspirational player. →

# UNDER 15s DIV 2-ALLIANCE

Player profiles

## → JAMES KENNY

Another fearless player who does not let up. Took the 'Mark of the Year' in the grand final, running backwards jumping in the air and colliding heavily with an opposition player. Delivers good quality football week in week out. Capable of playing anywhere on the field and is the ideal player to coach.

## → DAEMON LAKATOS

Has developed an outstanding overhead contested mark. Looks great running in full flight with the ball down the wing and has proven he is just as good in the backline as he is in the forward line. Possesses an accurate kick at goal and always hits his targets. Versatile player which makes my coaching job easier.

## → CULLEN LUM

Great to see one of our team favourites back this year. We put out the call for help and Cullen came to our rescue. A beast in the ruck and when competing for the ball shows no mercy to opposition players. Doesn't take a backward step, always backs his mates and runs himself into the ground. The sort of player you want by your side.

## → HARVEY LYNN

I love his enthusiasm for the ball, leads out hard and is improving with his timing. Possesses an elegant and 'easy to watch' around the body left foot kick. Kicked a timely goal in the grand final which got us on the path to victory. Starting to use his frame a lot more and will be hard to stop moving forward.

## → NOAH MITCHELL

What a great season, Co-captain, City Representative player, Runner Up best and fairest in Sydney Harbour AFL Juniors, team best and fairest winner and went home with a team premiership. Can it get any better for this super star player? Great overhead mark, highly competitive, kicked a bag of goals, plays anywhere on the field. Need I say anymore.

## → LUCAS NEWMAN

An absolute gun player. One of the most naturally gifted and talented players I have seen. Follows instructions beautifully. Played up front this year and kicked 30 goals, runs with ease past players, has a great fend and swerve. Played in the ruck in the grand final and totally dominated across the field and kicked three goals. A pleasure to coach.

## → GABRIEL QUOYLE

Our super sub forward goal sneak who can sniff out a goal from anywhere. Unable to play for a few games mid-way through the season but came back more determined than ever. Kicked a neat after the siren goal against Moore Park in the semi finals but the icing on the cake was kicking two much needed goals in the grand final.

## → JACK RATH

Another one of our versatile players who goes in hard. Played forward, mids and backs and always delivered. Given the job of 'tagging' opposition players and did a great job. Sacrificed his own game for the good of the team. Clean hands, great tackler and kicked the 'sealing' goal from a set shot kick in the grand final.

## → SAMUEL SCUTELLA

Another one of our hard inspirational players who never gave an inch. Tackled hard, competed hard and was a constant target by opposition teams. Our General in the mid-field who organised our rucks and calls and took control. Swept across as a defensive midfielder to clean up when required and chipped in with some great goals.

## → DOM SHAPIRO

Played as both an attacking winger and defensive winger this year. Ultra-reliable player who stymied many attacking raids, then turned defence into attack down the wing. Always had his head over the ball, used his size well to clean out the rucks and

left his mark on opposition players in defence.

## → DAMIAN SUMNER

First year player who tried hard. Mainly played up in the forward line and occasionally on the wing where he could use his pace. Only played seven games but left his mark on the team. Good luck Damian.

## → MAX TROUGHTON

Another one of our defensive heroes in the backline who thwarted many attacks. You can always rely on Max to get his fist to the ball, or get his head over the ball and to put his body on the line. A truly unrelenting defensive player who is a gleaming example of how players should defend. A truly great team player and a pleasure to coach.

## → CHRIS WOLCZAK

Another one of our versatile players who could play anywhere. Spent most of the season in the ruck winning clean ball and as an 'on-baller' as well. Has great physical strength, cleaned opposition players out of rucks with a single focus for the ball. Played in the backline in the grand final and totally dominated.

## → LUKA VAN STOM

Goal kicking champion who played up front in the forward line. Used his size well to steam roll over some very unfortunate opposition players. Has an excellent lead and a real passion to get the ball. Missed the first few games of the season but made a massive difference up front and created many attacking options.

L a dada dada.  
The Mongrel Duck team from somewhere near Camperdown started the year like all others, shambolically. Yet another Alliance (of age groups this time) meant that introductions were made, training schedules were organised, officials delegated, and pre-season training scheduled. As all of this was done within 3 or 4 weeks of the season starting, pre-season didn't amount to much. A couple of trial games and we were away.

The season on the field was a real mixed bag. We had some brilliant wins and some disappointing narrow losses. The Ducks found it hard to get any consistency going and team availabilities due to injury and other commitments meant that the team changed greatly from week to week. A group of lads that are 15, 16 and 17 certainly have a lot going on in their lives! This was reflected on the training track where numbers fluctuated due to injury, work, school and other sporting commitments. We kept battling on and it was felt that if we could keep in the mix and get a bit of continuity later in the season we still had a good chance to give the finals a shake.

Unfortunately the curse of injury

hit hard at the back end of the year. This meant that the hoped for consistency at years end never happened. We narrowly missed the finals and finished 5th. Inevitably we will look back on the on-field season with a touch of "what might have been".

Football teams are about much more than results though. Off field the boys had a great year. Being a young man today certainly comes with a large range of challenges and the way the group rallied around and supported one another means that friendships have been made that will last long into the future. We have players that have now finished their junior footballing careers and I am sure they will look back at their last year with the Ducks as being an entertaining one. We hope you all continue on with your footy and will keep an eye on your progress both on and off the field. On behalf of all at both clubs - thanks for your service. And if you can - get down next year and get around the 2020 U17s.

A community club takes an enormous amount of effort. As players and coaches we don't see a lot of the work that goes into it, but on behalf of the players - thanks.

To the Ducks volunteers who

contribute outside the immediate team environment by umpiring, watering, canteening, bbqing, chauffeuring, nursing and empathising, on behalf of the players - thanks.

And a few personal ones to those who were on the track and the bench with me and the team:

- Bev - If the Ducks were to have a president, vice president, secretary and committee, Bev would have all of these roles. Instead she just gets the manager title. Don't know how you do it and thanks for putting up with me. Ta.

- Shane - This year a lot of those who I've had as assistants over the last couple of years moved on due to other commitments. When Shane saw me floundering he stepped up and brought something new. Cheers.

- Steve - Another who saw me struggling at training as the sole "adult" and stepped up to always be there. Reckons he knows nothing about footy coaching but the players and I know better. Cheers

- Luke - a passionate runner. First to volunteer for the role and first to give the running part away to any injured Duck who could run and just stick with the passion. Thanks for the support.

**A group of lads that are 15, 16 and 17 certainly have a lot going on in their lives!**

- George - Stepped up to assistant coach when she saw me facing the coaching armies of the opposition alone. Kept an eye on player groups in the huddles to keep things positive and made sure I got player rotations less wrong. Ta.

- The group. With all the champions they liked to send us, you kept your end up. You are an inspiring group of young men. I'm proud to call you mates. Thanks for the support.

#### U17 DIV 2-ALLIANCE

##### → JESSE BADER

Vice Captain. Inspirational aggressive ball winning centreman. Genuinely loves the game and loves the camaraderie of being in a team. Makes footy fun for all around him and plays the game with great spirit. Another who has played out his junior career. Thanks for all you've contributed. Cheers.

##### → GABE BASS-TRACY

A cruel year for Gabe. Was playing his best game of the year and looked to have found his role in the team as a forward/ruck when he suffered an injury that kept him out for a big chunk of the season. Was finding his way back late in the year and then we ran out of games. Gabe has played out

his junior footy days. Good luck, see you around and thanks.

##### → KAI CHOWDHURY

A great midfield ball winner but probably a better outside running wingman. Huge contributor who was badly missed at training and games due to injury and some unnatural commitment to something called the HSC. Another leaving the junior ranks. Thanks from all, see you around.

##### → AIDEN CONNOLLY

Torn between footy and boxing early season, but once he committed a big team contributor. Learnt early season to keep the aggression at the footy and became a straight line running, no nonsense backman. Hard as a cats head.

##### → COOPER DREW

Coop played in the hardest position on the team - coaches son. Generally hard endurance running wingman but stepped up to play forward when injuries decimated the Ducks forward stocks. Played well enough there to probably win any most improved award if the coach had decided to give one out.

##### → JOE DYSTER

I've always thought of Joe as a lockdown centre half back but showed through the year he has

the ability and willingness to play anywhere on the ground - except full forward (well probably has the willingness). Unfortunately missed games and training to other commitments which showed how badly he was missed.

##### → CHARLIE EYIAM-ROWE

Fastest Duck over 50m. When he is on his pace and aggression make him a damaging half back, centreman and winger. Great team man, always has a story. If you upset any of Charlie's family or mates he is ready to take on the world for them - and will win. Proven.

##### → RILEY FITZROY

Consistent. It can be overlooked how good a player Riley is because his standard becomes expected. When the ball goes into our backline and we are outnumbered a panicked bench can be settled by the words "Riley's there". We all know he will win the contest and turn the panic into opportunity. It would be missed by those outside the team how hard and ruthless Riley is and the influence his actions have to steady the group. A frustrating season for Riley for a few reasons, but still a bloody good one. Runner up B&F.

##### → LACHLAN HARMER

Harmer. Known by last name due to a surplus of Lachlans. Classy wing/forward outside player who can run, carry and deliver the footy with great skill. Unfortunately another who never got a great run at it due to commitments outside of footy.

##### → DASH HIBBERD

Found on ball a tougher ask against the bigger bodies of U17s so used his skill and pace to become an outside running winger and high forward. Highly skilled and really quick. A link man in many Duck forward entries. Badly missed when he went down injured for a couple of weeks.

##### → DYLAN HOWARD

Tried around the ground early season and settled in to being an attacking intercept marking half back. Showed his class on the field. Was around the votes and all the other individual awards and is the unlucky one to miss out. Dylan has finished his junior football career. Good luck, we will all keep an eye on your senior career and thanks.

##### → OSCAR LANE-HUMPHRIES

Another speedy wingman who also plays forward and back. Had commitments that kept him from →

## UNDER 17s DIV 2

Player profiles

training regularly but showed on game days he can really play. Valued team man. Hope you get a better run at it next year to give the potential a chance.

### → JOE MANNING

Joe came into the team this year after many years of not playing footy. Played forward with the role of competing and locking the ball in. A valuable team man who became admired both for his support of his teammates and his willingness to engage them all in seeking help to become a better footballer. A great first year with the Ducks.

### → ZAK MARTIN

Captain. Played Centre Half Forward and through the middle. Loves the game. Loves his teammates like brothers. Plays like a bull. Trains hard. Would play footy all day everyday if he could. Well led.

### → FINN MCKENDRY

Vice Captain. A rock. Missed a couple of games early season due to other sporting commitments and showed

later in the year what we really had missed. Tough uncompromising centremen or lockdown key position back.

### → TOM MINNETT

Greeny often slips under the radar which is the way he likes it. Hard tackling left foot midfielder who also plays the role of defensive forward goal sneak. Another Duck who suffered injury and was badly missed in some late season games.

### → WILL O'BRIEN

Vice Captain. A tough year for Will because he was often used to fill the voids left by the unfortunate run of injuries the ducks had this year, but took on each role admirably. Probably played mostly across half back but genuinely played every position on the ground except ruck this year. Always a solid contributor on game day and on the track.

### → MAX O'CONNOR

A true footballer's footballer. Head over the ball centerman who can't seem to do enough for his

teammates. Prolific ball winner, doesn't miss training, doesn't miss a contest, wears the knocks, treats all with respect, supports his teammates and encourages. B&F.

### → AARON (REX) QUAIL

Captain. Wholehearted contributor who embraced the role of leading the Ducks. Certainly learnt a lot about trying to lead and unify a range of different personalities! Did it by keeping at it. Well respected by his teammates, his coaches and the whole extended Duck crew. Another to leave junior footy behind this year. Thanks skipper.

### → ASHTON ROBINSON

I've never had much to do with Ashton before this season. I've missed out. Heart and soul player who was the first to put up his hand to fill the ruckman job we have never really had anyone for. Played against bigger, heavier and older opponent's every week. Always at the games giving his all, always at training. Loves his team. Deserved winner of coaches award.

### → OSCAR SACHS

Played senior footy for the majority of the season with Sydney Uni U19s. Came and helped out on a few occasions when injuries decimated the Ducks flock and enjoyed the opportunity to represent his junior footy clubs. All the best Oscar - and thanks.

### → REUBEN SACHS

A very good backman. Moved to full forward when injury meant the Ducks lost a lot of goalkicking forward targets. Became a very good forward. A tough gig to learn full forward which meant Reubs had some stand out games and some quieter ones - which goes with the position. Given another season in the key position I don't doubt he will be kicking bags regularly.

### → BILLY TOBIN

Vice Captain. Tried in various spots early season but found his way back to his favoured fullback role. Big factor in unifying this years Duck group with his voice, humour and

encouragement? Rarely beaten. One of the group who has played their last junior footy game. We will all keep an eye on the senior career Billy, and keep in touch. On behalf of all Ducks and those at the clubs - thanks. Best defender.

### → LACHLAN WALSH

Walshy. A true white line footballer. Nicest guy you'd meet on this side of the boundary. Aggressive, competitive beast on the field with an undeniable team first attitude. Hard nosed ball winning midfield/winger/backman. Another that missed big games with injury and was badly missed.

### → LOUIS WILSON

Restricted to way too few games this year by injury and other commitments. Classy player who I think can play anywhere, but he thinks should play deep forward. A true footballer who plays with a team first attitude and was clearly devastated he was unable to contribute more. After the last couple of years you deserve a good run at it Lou.

## 2019 RECIPIENTS

JUNIOR FOOTBALLER  
OF THE YEAR (U17 OR U16)

→ Awarded to a senior player (U16s or U17s) who has demonstrated excellence in skill and sportsmanship throughout the year or over several seasons, and whose performances have brought most credit upon the player and the club.

**WINNER** Dylan Howard

WRIGHT-CHANTRILL  
AUSKICK RISING STAR  
AWARD

→ Awarded to an U8s player who has demonstrated excellence in skill and commitment and displaying most potential in Auskick over several seasons.

**WINNER** Leon Doyle

## CLUB ROOKIE OF THE YEAR

→ Awarded to the player who, in his/her first year of playing club AFL, is judged to be the most skilled or displaying the most potential.

**WINNER** Emily Webb

## SPIRIT OF THE CLUB AWARD

→ Awarded to the player or former player whose selflessness of spirit and generosity of nature furthers both the club and the code.

**WINNER** Rex Quail

MICHAEL MCNAMARA  
MEMORIAL CLUBMAN  
OF THE YEAR

→ Awarded to the person, who, through sportsmanship, service, innovation and concern for the club and its ideals, has contributed the most over one or more seasons. Michael McNamara played for Glebe in the 1980s, captaining the U15s in 1985.

**WINNER** Cain Sarah and Mike Schofield

BOB CLARK MEMORIAL  
GOLDEN BOOT TROPHY

→ Awarded to the season's leading goal kicker and named in memory of Bob Clark, who played for Balmain Tigers. Awarded to an U13s - U17s player.

**WINNER** Brodie Williams

TERRY WATSON MEMORIAL  
GOLDEN BACK TROPHY

→ Awarded to the most distinguished back-line player for the club. In memory of Terry Watson, who coached in the early 1990s and father of former players Andrew (91 games) and Dylan (121 games).

**WINNER** Bill Smith

DROUDIS AWARD FOR  
DETERMINATION AND  
COURAGE

→ Donated by the Droudis family to honour the most determined and courageous player during the season.

Paul Droudis played 100 games for Glebe and then played for the Balmain Tigers, represented Australia in the international Cerebral Palsy Games, and in 2000 received an award from the Prime Minister.

**WINNER** Jackson Townley

SUSAN PARKER MEMORIAL  
AUSKICK GRADUATE OF THE  
YEAR

→ Awarded to 1 boy and 1 girl U10s player who had shown significant development since graduating from the Auskick program.

Susan Parker was club registrar 1999-2002, wife of Robert Parker (Auskick coach 1996-80) and mother of Mark (142 games) and Michael (236 games).

**WINNERS** Tom White and Lily Watters

## BELLE OF THE BALL

→ Awarded to a Youth Girl player displaying demonstrated excellence in skill and commitment to the Greyhounds. Belle Property Sponsored award.

**WINNER** Emma Walsh

BRITTON FAMILY COACHES  
AWARD

→ This award acknowledges excellence in coaching at Glebe and is open to Glebe coaches who demonstrate alignment to club values and goals, promotes a positive and inclusive team culture, is focussed on player development over winning and actively seeks to improve themselves as a coach. The award is named in honour of David Britton, President 2001 - 2006 and coach from 2000 - 2002, and Joseph Britton, Player Life Member with 245 games from 1998 to 2008, 250 career goals, three Golden Boots, six B&Fs, coach from 2008 to 2015 and Premiership coach U13 in 2009 and U16 in 2012.

**WINNER** Brad Scutella

## THE GLEBE FAMILY CUP

→ Awarded to the family who has made a significant contribution to the club during the season.

**WINNER** Susie Mulveney and David Liu

## 2020 CLUB CAPTAINS

→ Awarded to the U16s or U17s players who by their commitment, contribution, example, effort, skill and sportsmanship over a number of seasons are judged to be worthy leaders and role models for all players in the Club.

**WINNERS** Finn McKendry, Molly Walsh, Ashton Robinson
