GLEBE GREYHOUNDS JAFC 2020 Yearbook

YOUR 2020 COMMITTEE

Glebe Greyhounds JAFC acknowledges the Gadigal of the Eora nation as the original owners of the land we play on, and acknowledge their elders past, present and emerging. We are proud of the Aboriginal heritage of our area and of the contribution Aboriginal people make to our club and our community.

ounded in 1980 the Glebe Greyhounds Junior Football Club gives children aged five to 17 the chance to play Australian Football.

Our philosophy, every player who wants a game gets a game, means that the club prides itself on ensuring all players are treated equally and that our main priority is a fun, safe and family environment.

We value all players and keep a record, published in our yearbook, of every game played and goal scored by every Glebe player ever.

On field the Greyhounds have a proud history having won 24 Premierships over the last 35 years and consistently played in finals in most ages.

Many of our players have gone on to play at higher levels including the AFL, AFL Reserves, representative football, Sydney Football League, while another went on to become one of the leading punters in American College Football.

The club is one of the largest in Sydney and plays in the famous black and white strip of Collingwood. Our home ground, Jubilee Oval on the shores of Blackwattle Bay, is one of the most beautiful football grounds in Sydney.

The rules are modified for younger players to emphasise the skills of Australian football this means fun, safe and fair games.

All our coaches are fully trained and accredited with the Australian Football League.

ell that was weird. The Glebe committee met in February for the long preseason meeting, a packed agenda with the big issues for the season such as registrations and equipment and sausage girth. It was at this meeting Kirsty raised the issue of COVID-19, what she was hearing from her work and what it would likely mean for us. Queue scoffing around the table, accusations of doomsaying and how it was an overreaction...

On Friday 13th March 35 coaches gathered at the Greyhounds clubhouse for the annual preseason meeting, our 40th anniversary season no less, then by Monday I was emailing the club to let everyone know the season was off. That email was a tough one to send, partly because it meant there would be no footy, but also because Kirsty was right. It provoked a lot of "conversation" around as to the quality of the decision, but what we all thought didn't matter, it was out of our hands, and until further notice there would be no footy.

What happened after that was nothing short of incredible. With strict rules surrounding what and where and how many, coaches started finding creative ways for the players to keep their footy heads on, hopeful the season would be back in some form. There were marking videos from the U11s, zoom fitness from the U16YG, skills tutorials from Chris Barnes, the U14s were doing Sunday morning bay runs and meeting in parks across the inner west in pairs for zoom kicking sessions. Amazing.

The committee had switched to online meetings as we tried to make sense of what was happening. So much planning out the window, so much uncertainty about what the season would hold. When we did finally get the go ahead to start training it required something akin to a military operation with rosters and gates and signs and sanitiser (so much sanitiser) for hands and balls, and all of it in groups of 10. Including the coach! Still, at least we had a roadmap to get back to playing footy. In Victoria everything was shut down, something that has never happened before.

With a new, nine week draw in our hands and a song in our hearts, we were going to get a season of some kind. Hopefully. Maybe. Everything was dependent on everyone doing the right thing, sticking to the rules, a single outbreak of COVID-19 could bring it all crashing down, and worse, what if a member of our Greyhounds family got sick. The stakes were high, but with a lot of work (like seriously, a lot of work) we rallied together to get this thing done.

And so on the weekend of 18th and 19th July, the engines of the Glebe Greyhounds rumbled back to life, the huge new marquee marking the launch of the season. A season of pies and sausage rolls instead of bacon and egg rolls, a season of spectators socially distanced on the other side of the fence, a season of no handshakes or team huddles, no singing or high fives. Tackling was fine though.

Then we finally got to welcome Auskick back in Round 5. Up until On Friday 13th March 35 coaches gathered at the Greyhounds clubhouse for the annual preseason meeting, our 40th anniversary season no less, then by Monday I was emailing the club to let everyone know the season was off.

then it really hadn't felt like we were back to normal, but once the little kids came back with their massive socks bunched around tiny ankles and the highlight of the day was singing the club song, it felt much more real. Those Auskickers, they are the heart of our club.

So after all that, it was all still a week by week proposition, with presidents around Sydney holding their breath each Thursday for comms from the AFL about not just how we would proceed on the weekend, but if we would. So how did the season finish up? Well, as you no doubt know by now, the

WWW.GLEBEJAFC.ORG.AU

4 \ GLEBE JAFC 2020 YEARBOOK

GG2020_00.indb 4

main measure of success for our club is retention. Did the players like it enough to come back? Yes they did. Understandably a few dropped out due to COVID-19 and I'm sure we'll see them back next year, but overwhelmingly, against the odds, almost all our players returned, and from what I saw, had a great season.

As to the other measure of success, the on field stuff? Well, that was also successful. After nine rounds we had 11 teams representing every age group from U11 to U17, girls and boys, Glebe and Alliance make finals, including a full schedule in week one on a pristine Jubilee Oval. Of those teams three made it through to Grand Finals, and while we didn't bring home the premiership chocolates they all played hard and did the club proud. Well done everyone.

So, thank you to all the coaches and managers for your work this year, you have done a lot of heavy lifting to bring the season home and

WWW.GLEBEJAFC.ORG.AU

keep us compliant with the rules. To the canteen volunteers, goal umpires, boundary umpires, runners, water carriers, ground managers, first aid officers, photographers, gas bottle fillers and everyone else who helped this year, thank you.

To the Greyhounds committee who kept the season going, and in particular those members who put their hands up to cover shifts for home games (even when your own child wasn't playing), thank you.

Some extra special thanks from me personally. Shona, your work to keep us COVID-19 compliant with last minute updates to the safety plan, helping at ground set up for home games and missing pilates to walk NSW Health through our safety management plan was unbelievable. Thank you.

Bev, three years ago you championed the idea of locking money away in the event a catastrophe befell the club and we didn't have a season. I agreed it was good governance but couldn't imagine a scenario where that would happen. And here we are. You've done a mighty job keeping the financial position of the club in such a great shape, as well as your work keeping the canteen operating safely, helping on game days and the other thousand things you do, thank you.

Keith, great work getting the footy camp happening this year, thank you.

And finally to Kirsty who is stepping down from the committee this year after more than 10 years as Team Manager, Auskick Coordinator, Volunteer Coordinator, Yearbook wrangler and a host of other gigs, the club is where it is in no small part to you and you leave big shoes to fill. The committee will miss our arguments in the meetings but they'll just have to cope. Thank you.

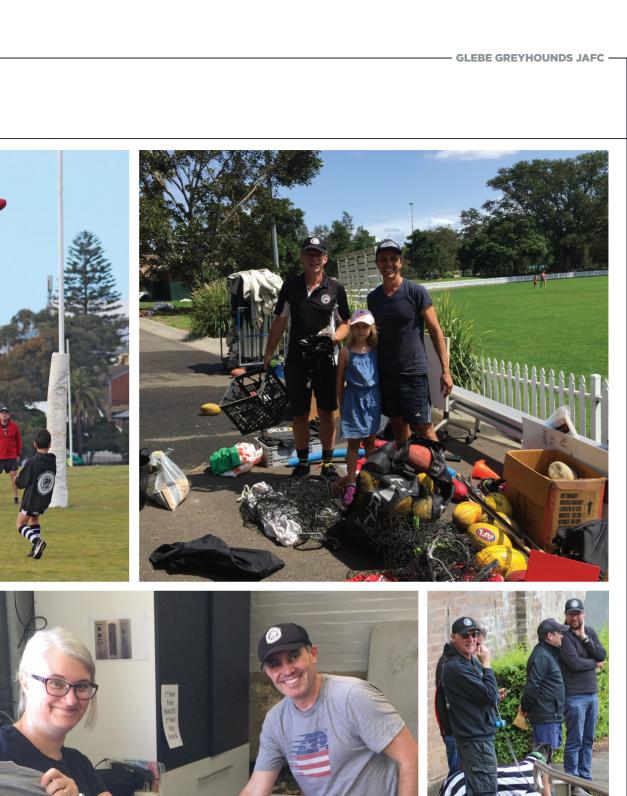

Can't wait to see you all in 2021, for what we hope will be a normal season, whatever that is now.

Carna Greyhounds.

co-ordinating from the legendary Mike Schofield and to be honest my reluctance meant the role was somewhat deconstructed and a total team effort. It takes a village, unless you're Mike. Simon, Kirsty and the executive team you are truly the heart of GGH's and we are all so privileged you continue to uphold and grow such an amazing footy club.

ithout a doubt

it was a pretty

daunting task to

take over Auskick

It may have felt tempting for some to package the 2020 Auskick season into the 'too hard' basket in the face of a serious worldwide pandemic but no way was our group of glorious parent coaches going to let that

compliance officer Shona did not skip a beat and set out the safest protocols to get our 141 registered Auskickers onto the oval as soon as possible. And so it began, finally our first training session of the season.

While parents kept a respectful distance and players were all sanitised to the nines, the kids trained in small groups of 20. In some ways a great way to run training, in more focused coach led skill sessions – and that first glorious run onto the oval and kick of the ball cleared the cobwebs and ignited the passion within our little people's hearts.

Once again, an astounding array of generous mums and dads stepped up to coach and manage our teams, some rookies feeling their way and

very much learning on the job and others veterans from years past.

Introducing the game to the U5s and reminding U6s how the game is played, I could watch these groups all day long. The pure joy of being included even if they're just running around in circles and doing the floss dance at the other end of the oval. Fun, friendships and bonds are literally how you come to love the game. The skills and drills of the U7s matched their enthusiasm and special thanks to Keith for picking up the head coach role from Jason at the 11th hour, another pair of big shoes to fill.

Included in the official AFL roster, U8 Auskickers were thrilled to kick off the season on a bigger and better oval and their skills flourished in 4 quarter games. Their skills were more refined, and many players benefited being another year older and bigger showing us more speed, agility and team cohesiveness. More interested than ever in game strategy, competitiveness (grossly one-sided mental score tallies) and physical awareness, I saw a group with dreams of moving into Junior AFL next year. Even after a short last Auskick season, they're so ready.

The level of organisation surpassed all expectations and it is not lost on the whole group how much care effort and planning every coach in every year group contributed. You're all awesome – and brave. Despite all that craziness, it's a buzz, right? We were a few training sessions in before we fired up the barbie but the kids were in sausage roll heaven and proved footy cards still a valuable commodity. Anyone got Swans #23 to trade?

I had to chuckle at the array of burly dads clumsily keying Powerades and Mars Bars into the till and fumbling to work the EFTPOS machines wearing rubber gloves and face masks (Ahem, Travers). It's all part of it, thank you so much for generously donating your expertise.

Thanks to commitment, tenacity and the community spirit of our footy club (and neighbouring club rivals) we conquered the season that nearly wasn't. Glebe Greyhounds you rock! Who's ready for next year?

UNDER 5s Report by Ollie White

HEAD COACH Ollie White ASSISTANT/TEAM COACHES Brad Smith, Brett Roberts, Karol Foyle, Tony Ly **MANAGER** Meghan Senior

ell that has been an interesting season. I remember the first training session on a balmy Thursday afternoon in March - 4 new coaches, 18 new players trying out AFL for the first time, lots of enthusiastic parents helping out during the training session..... and then lock-down happened and I was really worried that the 2020 season for the U5s would just be that one training session.

Thankfully my worries proved unfounded and we got to have a fresh start in July. We even managed to increase the size of our group during the break to 24 super enthusiastic and energetic players!

For us coaches, it has been a pleasure to see the players grow in confidence, build friendships and gain skills, as well as learning the words to the Glebe Greyhounds club song (and how to sing it at maximum volume). Over the course of our five games against other clubs, everybody figured out enough about the game and how it is played to have fun, get involved and kick a lot of goals. Each week you could see the growth in team work, engagement, skills and understanding.

A big thank you to the other coaches, Brad, Brett, Karol and Tony, for their enthusiasm, patience and skills - I hope you have had as much fun as I have. An ever bigger thank you to Meghan, who as manager has had to supervise the application

of industrial quantities of handsanitiser at training and games and assist on COVID compliance, on top of organising all of us in this topsyturvy year.

To the parents – thank you for vour patience - sitting outside the boundary fence when your little people are running around in the middle, but still need a reassuring hug from time to time (or the water bottle they have forgotten), makes things a good deal harder than usual. Thanks also for your help on canteen and other duties – the club relies on the enthusiasm and willingness of the parents to get involved as much as it does on our kids' participation.

To the players – thank you for your fun, enthusiasm, hard work and willingness to learn - we look forward to seeing you again next year. GO GREYHOUNDS!

GRAY BARTON (BEST KICK)

Gray really grew over the season, becoming more and more confident in his abilities and his interactions with his team mates. He has a good boot on him, as well as being a good runner. He kicked some really good goals. Great effort Gray.

ETHAN CAMPBELL (BEST GOAL)

Ethan was our elusive, dynamic small forward and kicked a few great goals. He always tried hard, showed great teamwork and kicked a fantastic goal at Moore Park, sneaking around defenders

CHARLEE CLOUSTON (MOST IMPROVED PLAYER)

Charlee joined a couple of games into the season, but from her first training session she got stuck in and improved massively in her time with the team. Within a short time, she was an integral part of the team. We look forward to Charlee carrying on her progress next year.

MAEVIS CURRAN (MOST COURAGEOUS)

Maevis joined us part-way through the season and really bolstered our midfield. She was always tough and courageous, gathering the loose ball and hand-passing and kicking to teammates. Setup plenty of goals and scored many herself!

HUGO DALZELL (BEST AND FAIREST)

Versatile and enthusiastic, Hugo played comfortably in each position

WWW.GLEBEJAFC.ORG.AU

14 \ GLEBE JAFC 2020 YEARBOOK

GG2020_00.indb 14

and was a great team player, always happy to share possession. In a short season, Hugo's skills developed each week, especially his improvement with kicking and marking. Congrats on a great season Hugo.

FREDERICK FOYLE (MOST COURAGEOUS)

Willing to put himself between the opposition and the goals, Freddie showed he was able to stop the opposition scoring at all costs, one time even using his head. A future key-position player whose enjoyment of the game was equal to his love of camaraderie.

LACHLAN HAMILTON-JEWELL (MOST DYNAMIC)

Always full of energy and excitement Lachy built upon his kicking and hand passing skills throughout the season. He engaged with all of his teammates and gave 100%.

ISAAC JOHNSTON (BEST RUCK)

Isaac used his height to dominate the ruck contests for our team. Being new to the game, he had to build his confidence throughout the season but was determined to get involved, and when he did he made a big impact for our team. Well done. OSCAR LEIGH (MOST ENTHUSIASTIC)

Oscar was one of our most enthusiastic teammates, always getting stuck-in to every activity at training and during the game, showing great kicking and hand-

WWW.GLEBEJAFC.ORG.AU

passing skills. He played with a big smile on his face and encouraged everyone on the team.

CHET LY (BEST RUNNING PLAYER)

Chet has been a really enthusiastic member of the team, which has really helped his teammates. He has used his speed to make some great runs, with awesome shots on goal. Well done Chet – keep up the good work! LUCY MARTIN (TOUGHEST DEFENDER)

Lucy is a strong runner and has a good kick. Lucy was particularly good in training at Tags and Tails, catching teammates. She brought this to her games as well, being a strong and fearless defender. Well done Lucy – see you next year. AMELIE MCAVINEY (BEST LISTENER)

During games and at training Amelie always gave 100% and her skills and confidence continued to grow as a result. With the ball in her hand, Amelie was at her best when playing in the centre. By season end, Amelie showed she was a natural ball winner who knew where the action was. ALFIE MCCOURT (SPIRIT OF THE GREYHOUNDS)

Alfie has been a joy to coach, with good listening and quick learning. Alfie made great runs during the games and kicked good goals. Alfie has also been a real team player, helping out his teammates in the games and everyone at training. Looking forward to having Alfie in the team next year.

ASTON MCMAHON (MOST GOALS)

Aston had a fantastic year kicking the most goals of our team. He was always attentive, enthusiastic and used his great running and kicking skills to make an impact on the scoreboard every week. One of our most valuable team mates.

JOSEPH PATERSON (MOST DETERMINED)

Whether it was kicking goals or running out from full back, Joe has the determination to change the game in his teammates favour. Joe had a wonderful mini-season and will really improve playing a regular full season. A natural goal-kicker. EDWARD PERINI (MOST BALANCED PLAYER)

Ted had a fantastic year for the Greyhounds, doing a great job wherever he played. In the middle or in the ruck, up forward or down back he brought energy, commitment and enthusiasm and used his kicking, hand-passing and running skills brilliantly.

ELEANOR RICH (MOST DYNAMIC)

Ellie's speed and ball skills were

evident from the first game. Able to gain passion from the ball-up and deliver it to the forwards with precision and flair. Ellie was a delight to coach and will thrive in a regular full season.

SAMUEL ROWELL (BEST ATTACKING PLAYER)

Samuel has been great at training, enthusiastic, polite and a great listener. He has also brought his A game in the matches and tried his best all the time. Samuel had a great run in the forward line, kicking goals. Look forward to more next year.

STELLA ROBERTS (MOST BALANCED PLAYER)

Stella has a great kick and is a good runner. She brought her enthusiasm to each game and helped out others in her team. She slotted seamlessly into defence, midfield and the forward line, with great kicks at goal. Great work Stella.

SAMUEL SENIOR (BEST TRAINER)

Quietly determined and with a willingness to try anything asked of him, Sam was a perfect team player. Sam was also able to create scoring opportunities for the team and enjoyed kicking goals as well. Well done Sam on a great season.

ESTHER SMITH (MOST DETERMINED)

Brought a lot of concentration and commitment to training and game-day, and worked hard for her teammates. Worked on her skills throughout the season and was able to kick a few goals, and set many more up for her teammates.

MATILDA TOOHER (BEST COMMUNICATOR)

Tillie has brought fun with her to the game and to training each week. She is a good communicator, letting her teammates know when she can help and to get the ball to her. She has had strong runs during the game and kicked goals. She will be a force to reckon with as she continues to grow into the game.

NICHOLAS WHITE (MOST CONSISTENT)

Nicky had a wonderful season, no doubt keen to show he could match it with his older brother. With great enthusiasm, Nicky was able to play in any position and was always willing to help his team gain possession and score

VIVIENNE WOTTON (BEST TEAM SPIRIT)

Vivienne has a clear love of the game and her enthusiasm to get stuck-in was second to none. That Vivienne was also very useful with the ball meant she was able to win possession and helped set up multiple scoring opportunities for the entire team.

UNDER 6s Report by Lachlan Radnedge

HEAD COACH Lachlan Radnedge ASSISTANT/TEAM COACHES David Sawkins, Brian Nelson MANAGER Fintan O'Connor

t was great to start the season seeing so many players back in 2020 for another year of footy. After a delayed start due to COVID - it was fantastic to finally get back out training on Jubilee. We didn't know if we had any games yet but that didn't stop us getting a great turn out of 20+ players.

Right from that first training session and the subsequent internal game amongst ourselves, the coaching team could see improvement in physical development and overall skill level.

Once the Auskick fixture came out we were ready to take on the opposition. Players were presented with jerseys and they wore them with pride as they belted out the club song which was awesome to see!

We experienced great success against our opponents and had a lot of fun doing so. The players overall confidence grew over the course of the shortened season and we saw some really impressive team goals which started at the back of the field and were carried forward through numerous sets of hands.

To all our players & parents, thank you for all of your hard work, focus and commitment to turn up each week and help out with the various volunteering duties.

A big thank you to our Team Manager Fintan Peel-O'Connor and our first aid attendant Stephen Duma.

We look forward to seeing you all next season.

16 \ GLEBE JAFC 2020 YEARBOOK

ETHAN BARNES (QUIET ACHIEVER AWARD)

Ethan developed throughout the year and showed great all-round skills which helped the team across the field. Look forward to seeing you again next year!

WILLIAM BUSWELL (BEST LONG KICK)

William has a great pair of hands, good foot speed and a solid kick. He was great all season and will be an asset for the club going forward. Hope to see you again in the U7. ANTON DUMA (MOST IMPROVED PLAYER)

INTON DOMA (MOST IMPROVED PLATER)

Anton's enthusiasm and courage was on show again this year and his skills really developed to another level from the U5 last season. Well done on a terrific season.

HARRY FORDE (MOST DETERMINED PLAYER)

Harry appeared to really be enjoying his footy this year and showed great

improvement in his running and passing game. Shame we never found that tooth lost at training!

VAUGHN GORDON (BEST RUNNING DEFENDER)

Great to see Vaughn back again this year and enjoying his footy. I love your determination and you show big potential as a future Greyhound player.

REMY GRIFFIN (COACH'S AWARD)

Remy had a standout first year both at training and the games. He is a see ball, get ball style of player who will benefit from his experience and if he continues to work hard will develop into a great all round player. Congratulations Remy.

RJ GOMEZ (MOST ATTACKING PLAYER)

Put a ball in RJ's hands and he becomes the most focused player. He's naturally gifted, is a great kick

at goal and with another preseason under his belt will further develop his skills. Well done RJ.

FELIX HAGAN (BEST MARK)

Felix can play all over the ground and has a strong and accurate kick. Combined with his great set of hands this made him a key player during the season.

BLAKE HOLSMAN (ROOKIE OF THE YEAR)

Blake had a stellar first year which saw him develop from a shy contributor into a well balanced, skillful player who demonstrated a passionate desire to get the loose ball, kick a long goal and help his teammates. Super effort Blake.

NOAH LANE (MOST IMPROVED)

Noah's skills developed and he gained more and more confidence throughout the year. Game by

2020 YEARBOOK GLEBE JAFC / 17

game his contribution to the team continued to grow.

LENNOX LEITL (BEST MIDFIELDER)

Strong, aggressive and fast makes Lennie a major ball winner who always has a major impact on the game. Lennie's unselfish distribution to teammates is a key point of his game.

JASPER MCGLASHAN (FASTEST TO THE BALL)

Jasper has speed to burn and knows how and when to use it. A hard and relentless worker he is a great asset to the team. Jasper will make a great fast and smooth wingman.

OLIVER MELLOWS (MOST IMPROVED)

Oliver is a valued player who through hard work consistently improved week on week. He is a great team man who contributed fearsomely demonstrating the Glebe spirit at every game. Well done Oliver.

CHARLIE NELSON (MOST COURAGEOUS)

Charlie has shown himself this year to be a tough, selfless player who often puts his body on the line. This regularly culminated in a goal being saved or scored by us. He has developed a love for the game and is a great teamman.

DECLAN PEEL-O'CONNOR (MOST COURAGEOUS)

Super strong at the breakdown Declan always gets his head over the ball and 9 times out of 10 he comes out with it. In years to come everyone is going to say Joel Selwood played liked Declan.

MAXWELL RADNEDGE (BEST RUNNING PLAYER)

Maxi had an awesome season. He loves game day and shows determination going after the ball and sharing it around the team and scoring goals.

CHARLIE RICHARDSON (BEST MARKER)

WWW.GLEBEJAFC.ORG.AU

Valued team player who got better

every week gaining confidence and experience as the season went on. Great job!

CHARLIE SAWKINS (BEST DEFENDER)

Charlie's skills continued to improve this year. His strength is currently in defence and he can't wait until he can tackle, however, he was also great through the midfield with his hand passing.

OSCAR SCOBIE (MOST DETERMINED)

Oscar arrived at training this season with grit and determination. This was also on show at every game. His intensity around the ground was an asset to the team and he enjoyed the opportunity to kick a few goals when up forward.

NATHAN STONE (MOST IMPROVED)

Nate came back this year stronger and faster. He was focused at both training and during the games which made him a big contributor this season.

JACKSON TEOH (BEST DEFENDER)

In his rookie year Jackson's efforts in defense were simply awesome. He is a fearsome one man defensive wall that no opposition player could penetrate. His improvement around the ground was also a great asset to the team. Well done Jackson.

LUKAS VALENTA (MOST SKILFUL)

Eat, Sleep, AFL, Repeat!!! Luky has AFL running through his veins. Practice makes perfect and it is rare to see Luky without a ball. His skills and determination are beyond his years.

JIMMY VERVERIS (BEST RUCK)

One of our most improved players this season with flashes of brilliance going after the ball in contested situations. Great work this year!

HEAD COACH Keith Tracey/Jason Upcroft ASSISTANT/TEAM COACHES Dave Penpraze, Mick Warren, Paul Madden, Alex White, Will Seabourne, Richard Hirst, Roz Hirst, Matt Tooher MANAGER Kylie Madden

ell what a season! 33 players signed up and we were raring to go! March seems such a long time ago and it's hard to remember that we began pre-season training with a mix of excitement and energy, looking forward to matching our skills and wits against the perennial foes of the Eastern Suburbs.

Alas we were to be denied a season start until August but we acknowledge how lucky we were to get back to training and then to complete 5 games. The club worked tirelessly to work out a COVID plan to keep us all safe and I really thank them for getting us on the park.

On behalf of the whole coaching and management team, I'd really like to thank our awesome group of players. They came to training pumped up and ready to learn smiling with sometimes just a hint of mischief which ensured all of the coaches and kids had a lot of fun whilst working on developing our skills. Thanks to the parents and carers who got the kids to training and games, who played a vital role in making sure we were COVID compliant and were a credit to the club when we travelled. I received compliments from rival coaches on the way we went about our football and our flexibility amongst the changing and challenging rules.

Despite the shortened season, the development of the U6 players was impressive. We had a lot of new players and they immediately got to grips with the game and quickly developed skills and a good understanding of the fundamentals. Our returning players welcomed their new teammates and demonstrated they had been practicing hard in the off season.

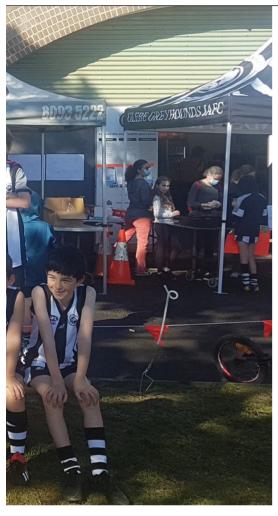

The coaching blueprint for this season was to play a fast handball game with an emphasis on player on player defence and moving the ball quickly downfield to create scoring chances. It was so pleasing to see the players take this onboard and play committed team footy. Every player contributed to team success and we were most impressed with the teamwork in every round. Our players demonstrated their fair play attitude and respected both opposition and Umpires on match day. Above all, the players enjoyed showing off their skills and commitment and even the toughest games couldn't dislodge the smiles on game day.

This year saw the sad departure of Jason Upcroft - our Head Coach since the kids started in U5s. Jay has coached both his son's teams and has been a club stalwart for 7 years. He's a big loss - he embodies the club values, putting your kids first always, and has been a great coach for the Greyhounds. Good luck Jay and thanks for all your efforts!

Finally, I'd like to thank the coaches (Will, Dave, Alex, Paul, Mick, Matt, Richard & Roz) and our awesome Team Manager Kylie Madden for their commitment in a challenging season. You've been a great team and have done an inspiring job making the season fun and successful in developing footy skills.

See you all next year for our last year of Auskick!

20 \ GLEBE JAFC 2020 YEARBOOK

HUGH BRISTOW (BEST TEAM PLAYER)

2019's joint MIP was clearly inspired to practice all off season! His 'furious energy' coupled with his desire to get to the ball has made him dominant across both defence and midfield. He scores goals when he gets forward and is a great team player - taking time to gee up his teammates in the toughest of games.

EVELYN CHEONG (BEST PRESSURE PLAYER AWARD)

2019's other MIP has taken a similar stellar trajectory. Evie has come back from ISO with a great appetite for the contest and with impressive run in defence and midfield. He has stepped up a level this year and is loving his footy. Creates goals from his dynamic handballing and has got amongst the goals himself in 2020!

RILEE CLARKE (SPIRIT OF THE GREYHOUNDS AWARD)

Rilee is a Greyhounds star in the making. We were impressed by a nerveless Rilee arriving for a tough debut game without a single training session under her belt. Her rugby league background has given her a hunger for the ball and with a full preseason under her belt, she'll be tough to beat next season.

ESTHER DOYLE (BEST ROVER AWARD)

Esther's debut season has been a revelation. A great trainer, competitive and eager to learn, she brings her skills, energy and intensity to each game. Esther seems happiest when there is a loose ball or opposition player to chase down and loves contested footy. Tough and committed with an eye for goal -Esther is a great teammate.

CALEB ELLIS (BEST ON-BALLER AWARD)

A great team player who reads the game intently and looks for the best time and place to contribute effectively. Caleb has continued his development through hard work and perseverance at training. His signature agility and pressure defence combined with an added powerful, long kick resulted in numerous goals for his team.

NED FERNIE (JOINT ROOKIE OF YEAR AWARD)

An impressive debut season from Ned. He brings to the game a handy foundation - energy, focus and a desire to work hard for his team. His height assists in the ruck and in contested marks but what really stands out is his desire to learn the game and the speed with which he has picked up footy skills and positioning.

ESTELLE FIELD (FOOTY SMARTS AWARD)

Estelle already impresses as a smart footballer in her debut season. She played her best football in defence - physically blocking near certain goals and handballing out to the midfield. Estelle learnt that as a key defender she can see all of the field and can position herself to best effect. She worked hard at training and has improved exponentially in every game.

2020 YEARBOOK GLEBE JAFC / 21

SOPHIE FINK (GREYHOUNDS COURAGE AWARD)

A first year Greyhound who, after a short preseason where she looked impressive in training, had an injury which prevented her making her debut. Judging from her training performance and courage she will be a great addition when she comes back next year. Good luck with your recovery!

NOAH GUASTELLA (MARK OF THE YEAR)

Noah is an energetic footballer. Some players impress with 60m torps or left boot snaps but Noah's superpower is just using his energy and exceptional skills to contest and win the ball. He was amongst the goals this season and he grabbed 2 spectacular marks which would each have won mark of the season.

TOM HEBBLEWHITE (LEADING GOALKICKER)

Tom covered every blade of grass in every game and at training! His energy, enthusiasm and infectious cheeky grin light up any field he is playing on. Add the skills by hand and foot, his balance and his sheer desire to win the footy, you have a footy champion. Tom grabbed a bag of goals and made many for his teammates.

ARTHUR HIRST (BEST KICK AWARD)

Arthur is fulfilling the potential he showed last season and it's a joy to

watch. He's hard at the ball and loves robbing the opposition through intercepts and smothers. Arthur's contested work and handball skills are excellent but most pleasing is the development of a great long kick resulting in goals for both his teammates and himself.

RYKER HODGES (JOINT ROOKIE OF YEAR AWARD)

It's an impressive feat when a new player joins half way through a shortened season and wins the Player Award at the first attempt. He is a natural AFL player, athletic, focused and energetic around the field. Ryker is most comfortable in the midfield with intercept possessions and great ball use highlights of his game.

BENJAMIN KRAEGEN (BEST ALL ROUNDER AWARD) Benji has continued his impressive

football development in 2020. He is the ultimate all rounder. Massive engine, brave and hard at the ball, fast and agile, a good handballer and a long accurate kick. Although Benji can be lethal in front of goal, he excels at bringing his teammates into the game and bosses a game from the midfield.

HARRY MADDEN (BEST MIDFIELDER AWARD)

The H Bomb had a season where his best was simply awesome. It's a shame we got only 5 games as Harry

was running into Brownlow form. He plays his best in the midfield where he can impact play in either direction. He also kicked some goals and with a full preseason will undoubtedly hit new heights.

MILLIE MARTLEW (COACH'S AWARD)

We may be talking about Millie for a long time at the Greyhounds. An impressive debut year for so many reasons. Millie was determined and committed to learning footy skills and then demonstrating them with ease on game day. She is a great team player, using the ball efficiently or running to support her teammates under pressure.

AMBER MCAVINEY (MOST DETERMINED AWARD)

Players like Amber, who have an absolute need to get to a contested ball, are the most sought after team mates. When Amber is mentioned, the words "never gave up" seem to follow her. Her tenacity and focus have been the stand out parts of her game and provide a great foundation for future development.

EDWARD PARKINSON (BEST IN AND UNDER PLAYER)

Edward embodies the 'train as you play' mentality. He's committed and energetic and whilst he is gaining a great reputation for his physicality and focus across defensive and

WWW.GLEBEJAFC.ORG.AU

22 \ GLEBE JAFC 2020 YEARBOOK

midfield lines, Edward has also got kicking goals in his bag of tricks. Does his best work under pressure and drives his team on when under the pump.

NOAH PENPRAZE (MOST SKILLFUL AWARD)

Always seen with a ball in hand Noah clearly spends a lot of time working on his skills. He always brings his 'A game' and has added some great individual skills including goal scoring banana kicks from the boundary. Most impressive is how he has lifted his physicality and inspired his team with his effort and support. Consistently one of Glebe's best performers.

OLIVER PESCE (QUIET ACHIEVER AWARD)

Every champion team seems to have a player like Oliver. Quietly going about their business but just getting the job done. In his first year he has learnt that pressure footy keeps your opponents off balance and smothers are key in any game. He demoralised many opponents through his defensive efforts and grew into a key midfield player.

HAMISH RICHARD (MOST DETERMINED DEFENDER)

Hamish has continued to train the house down and brings the skills he practices to every game. He developed a knack for finding space and always looks comfortable on the ball. Brings great physical pressure to defence and midfield and uses his long kick to the team's advantage when coming out of our back half.

LOUIS RIDGE (BEST RUNNING DEFENDER AWARD)

Louis looks like a veteran in his debut Greyhounds season. His run and accurate kicking were awesome, particularly in tough games where his determination inspired his teammates. He forms wall-like partnerships with his teammates in defence and shows a great understanding of positioning to either support teammates going forward or prevent goals in defence.

SCARLETT SARAH (MOST IMPROVED AWARD)

Scarlett is focused at training and gains confidence at every session. She works hard to win the footy at the ruck or in loose play. She has developed a handy kick which she used to cap off a great second season with a fantastic goal in the final quarter of the year.

AUDRE SARLOS (BEST SWINGMAN AWARD)

Audre plays with a smile on his face which is discomforting for his opponents as he comes alive when he sees the ball. In defence, he backs himself with his intense pressure and uses his handball skills to move play forward, leading to Greyhound goals. Upfront he is energetic and creates goals through his positioning, tenacity and straight kick.

OSCAR SCOBIE (BEST INSIDE MIDFIELDER)

In his debut season, Oscar looked like a talented athlete who has found the game for him. He is a tough inside midfielder as he is strong, determined and runs all day. He is a 'furious and energetic opponent' but his teammates appreciate his link play and his uncanny ability to read the game in his first season.

HARRY SEABOURNE (MOST AGGRESSIVE PLAYER)

Destined to be a B&F winner somewhere in his hopefully 200 game Greyhounds career. He is a great athlete and uses his speed and aggression to win almost every contest. With the ball he makes great decisions that often end up in goals. His enthusiasm and determination lift his teammates on match day.

JACOB SKOWNO (RISING STAR AWARD)

A debut season for Jacob but you could barely believe it after watching his first game! Jacob trains well, has great skills and is eager to learn. Aside from his athletic prowess, he stands out most for how he brings his teammates

into the game - selflessly passing to allow others to score.

STRATH STEVENSON (TOUGHEST DEFENDER AWARD)

Strath is a quiet achiever who always has a smile on his face. He uses his big frame to achieve stoppages and is ferocious in defence. Strath has a very useful long kick and a steely determination to win the ball. He consolidated his efforts in the last game of the season, scoring a bag of goals.

HUGH THOMPSON (TRUE GRIT AWARD)

Hugh trains the house down every week and sets out every game day to execute his skills perfectly under pressure. He has a 100% all in attitude which inspires his team mates. Strong on the ball, tenacious in defence and always wants to be involved even in the toughest games.

ABIGAIL TOOHER (COACH'S AWARD)

Abi's enthusiasm for footy has hit new heights this season. Her hunt for the ball has resulted in some great performances in defence through great focus, sheer grit and a see ballget ball attitude. She had a standout performance in the last game scoring a great goal at one end and preventing two certain goals at the other.

IDE TRACEY (MOST DYNAMIC PLAYER) Ide's coach in Rd 5 wrote:

"Champion player, champion team mate, champion effort." A natural midfielder she's hard at every ball, fearless in any contest, fast and evasive when running with the ball. Ide enjoyed consistently scoring goals this season and often used her ability to shake a defender and handball to create goal opportunities for the team.

AUSTIN UPCROFT (BEST ATTACKING PLAYER)

Consistently a stand out performer, Austin has all the skills to be hugely successful in any position. He loves scoring goals but plays a team role when needed, bringing other players into the game with his superb long kick and accurate handballs. We'll miss him in U8 but maybe we'll see him at the SCG for his beloved Swans one day!

ALEX WRIGHT (GOAL OF THE YEAR)

Alex has quickly established himself as a key team player and was identified as a 'ball magnet' early in the season. His evasive hard running when in possession and great kick made him just as dangerous in the midfield and upfront. Scored a bucket of goals but a deserved winner of Goal of Year for his Rd 4 'Eddie Betts pocket' effort.

UNDER 8s Report by Jeff Clark

HEAD COACH Jeff Clark ASSISTANT/TEAM COACHES Whites - Warrick Hunter, Phillip Martin Greys - Matt Webster, Adam Carmody Stripes - Stephen Johnson, Steve Divic, Carlene Matkovich Blacks - Jeff Clark MANAGER Mel Boronski

irstly, all U8 players, coaches and parents are incredibly thankful for the amazing efforts of the club in not only getting us back playing this year, but also for the incredible professionalism and organisation of the club. Without footy there would be a big hole in our lives and thankfully we got back on the ground and had a fantastic season!

The transition from U7 to U8 is a big one developmentally for the kids, evidenced by the pre-season the kids had, returning as highly skilled and rapidly growing players. It was also wonderful to see a number of new players join our club who thoroughly enjoyed themselves and look set for long careers at the Greyhounds. A number of those new players were girls, adding to our strong female group.

We would have again loved to be able to train as a large group so the

kids (and parents) could maintain and expand their social group, however, with the teams training separately due to COVID restrictions, the coaches did have the opportunity to really try to fine tune the team's skills and positional play which was a blessing in disguise. As challenging as it is keeping kids focused each week, we could really see the pure enjoyment they were having running around with their mates, which is the best feeling as a coach! The competition between mates this year went up another level and the hunger is evident.

We experienced some wonderful highs throughout the season, most notably the teamwork between players, the sharing of the ball, some hard ball wins, amazing kicks and marks on the run, the electric feeling for our new players of kicking their first goal in Auskick, and the roar of delight from the parents who witnessed these highlights. There were of course plenty of clangers and challenges playing some teams with different philosophies, but I am proud to say we all stuck to our high expectations.

The success of this year would not have been possible without the commitment, comradery and goodwill of an amazing group of volunteers including Carlene Matkovich, Warrick Hunter, Matt Webster, Adam Carmody, Stephen Johnston, Phillip Martin and our amazing Age Group Manager Mel Boronski, and team managers Jen Lista, Sarah McIlveen, Steve Divic and every parent who chipped in when needed volunteering or helping out at training or games. You are an amazing group of people!

We are all looking forward to a full season next year and the kids are hungry to tackle, so look out!

CAELAN ANDERSON (MOST AGGRESSIVE)

Caelen brings his high energy and effort every week, ensuring he is the toughest player to get around. He never gives up and goes in hard for those hard ball wins. Caelan is highly competitive and matches his aggression with a very high skill level. Fantastic season Caelan! **JAIYDEN BARNES (BEST MIDFIELDER)**

The best hunter in the wild

wild Inner West! Eats contested possessions for breakfast. Integral part of the team especially with his positive attitude. Sets a great example for his three brothers to follow. Expecting Jay to step up big time in 2021.

BYRON BARRETT (MOST DETERMINED)

Each week Byron's level of commitment and confidence grew. Culminating in the final game of the season where he fearlessly poached the ground ball in our goal third. Byron was able to turn the game

WWW.GLEBEJAFC.ORG.AU

around by stopping the opposition and feeding the ball to our midfield. A Norm Smith Medal Contender.

LILY BARTON (SPIRIT OF THE GREYHOUNDS)

Lily was new to the team and got straight into it. She thrived in the rough and tumble of a crowded goal square, winning the ball and helping teammates. Lilv found any and all mud puddles on the field and was a reminder that footy is all about friends and fun.

TOM BENSCHER (MOST VALUABLE PLAYER)

Tom is at the top of his game with a defence that a border collie would love to have. He is able to find space around the edge and when the afterburners are put on he can send the Sherrin up the ground. If he works on an accurate drop punt over the summer, he will surely dominate in U9

CALLUM BLAIR (MOST CONSISTENT)

Another player with a bright future. The team stands taller with him

around. A ball magnet. A solid preseason needed to take his skills to another level and become a team leader.

JONAH BOLITHO (COACH'S ADVISER AWARD)

Jonah's analysis and statistical insights during the games proved valuable to his coach. This mathematical approach ultimately resulted in him scoring some sensational goals towards the end of the season. Jonah is cool under pressure and is already thinking two steps ahead allowing him to seize the opportunities and outwit the opposition.

JACK BORONSKI (THE CLUBMAN)

Ever the clubman, Jack has played every game since U5 and is the first to reach the 50 games milestone for this group. With a powerful left boot, he has again been a real asset as the team and plays an expansive game. A strategic and experienced player who can get the job done.

EDWARD BOWEN (BEST OUTSIDE PLAYER)

Ted amazed us this year with his outside run and speed, he is the perfect wingman. As one of the smallest players in the age group Ted is fearless, taking on the biggest, most aggressive opponents, getting under their skin and disrupting their focus! Congratulations Teddy!! OLIVER CARMODY (BEST BALL WINNER)

Ollie had a cracking season. He gave 100% on the field, winning the ball, kicking goals and looking to help his teammates. His dedication was inspirational, especially when helping other teams even up numbers. He is an attacking player that will score many more goals in the years to come.

JEREMY CHENG (COACH'S AWARD)

Jeremy is one of the most well behaved, focused and skilled players and can play any position. He is a delight to coach. He had some impressive kick outs from full back, and leading out from there, which resulted in some slick passages of play. The future's so bright for Jeremy!

XABI CHILDS (MOST DYNAMIC)

Xabi is a dynamic and agile player. He can clear the ball easily, and his ball winning and running skills were the catalyst for attacks up the field. He brings a lot of joy to the game and loves the camaraderie and fun of playing footy.

UNDER 8s Player profiles

ANGUS CHRISTIE (MOST ENIGMATIC)

Angus brings the x-factor to his game. He can lull the other team into a false sense of security before clinically dismantling them and blinding them with his brilliance. A constant ball winner, he links up with teammates, kicks goals and has fun. He balances fun with focus when playing footy and has a big heart.

SABINE CLARK (MOST SPECTACULAR GOALS)

With the bigger bodied boys around this year it was fantastic to see Sabine take them on and really show her size, running speed and competitiveness. Sabine has improved her kicking further and consistently kicked goals throughout the season, with some spectacular efforts! Super season Sabine!

HENRY COLLIER (BEST TRAINER)

As a 2020 rookie Henry started off quiet as he studied the rules of the game but after committing 110% at training, he became a real competitor and asset to the team. Always open for feedback Henry is forever trying to improve his game and take it to the next level by committing to the contest.

AMELINE COVENEY (BEST LINE BREAKER)

When the ball presents itself Ameline knows what to do…charge…and when she hits her stride there is no stopping her determined charge through the opposition. Unlucky not to bag a tonne of goals this season with her pink boots, it wasn't due to a lack of trying.

SOPHIE DALTON (BEST KICK)

Sophie continues to amaze with her advanced skills. She has by far the perfect text book drop punt in the Blacks and rarely misses her target with beautiful direction and weighting. Sophie has very good hands and can mark a ball high and low. What a super year!

ARLO DAVIS (BEST KICK)

Hands down the best kick in the Inner West! A smart, respectful, big hearted team player with skills. A pleasure to coach.

NED DERMODY (MOST SKILFUL)

The hours of lockdown kicking at Petersham Park paid off for Ned this year as he took it to another level. Not to be pigeon holed as a one skill player, Ned has built his armoury of skills with accurate hand passing and very safe catching arms, all good assets to take to U9 footy.

ALESSIO DIVIC (BEST TEAM PLAYER)

Alessio could have challenged for the

26 \ GLEBE JAFC 2020 YEARBOOK

Golden Boot, however, he selflessly gave away many goals to teammates. The protector. The enforcer. Very important player as the team gets older.

ELLIOT GILPIN (RISING STAR)

Elliot seems to have 5 seconds more time than any other player which allows him to get to clear space and make good decisions in the heat of a game. Not content with a bag full of goals, Elliot regularly looks to bring others into the game and has been a great team player this year.

CASSIUS GORDON (COACHES AWARD)

A massive heart on this young fella. Can play as well. Very courageous. Was a fantastic inclusion to the team. His smother in the last game was my highlight play of the year - set up a goal.

CALLAN HAMILTON-JEWELL (MOST IMPROVED)

Callan had a breakout year as a first year player. With a booming kick, tough nut attitude and determination, Callan was in everything. If this was the first year then look out as Callan looks set to be a dominant force in the future! A brilliant year, well done!

LACHLAN HARRINGTON (BEST DEFENDER)

Holy cow his debut game for our team was the stuff of legend! Thank you Lachie for a great first season. Another courageous and big-hearted player. A solid pre-season will set him up for great things in U9.

FLYNN HUNTER (MOST COURAGEOUS)

Flynn is starting to play to his full potential with a fearless approach to contests leaving the opposition running scared. He is reading the roll of the ball well and his darting pick up on the run gives us a good go forward. A true contender for the aerial marksmanship award, Flynn was regularly found soaring.

FELIX JOHNSTON (SPIRIT OF THE GREYHOUNDS)

Handballs like Diesel Williams and can hunt the ball when on his game. Big preseason needed on foot skills.

LOTTIE KALDOR (MOST SPECTACULAR)

Lottie wowed us again this year with her hustle for the ball and with her fashions (were they unicorn socks!?). Lottie was impressive in finding space in the midfield and kept the opposition on their toes with great positional play. Her antics kept us amused, bringing a lot of laughter to training sessions.

LACHLAN KILLINGSWORTH (MOST DETERMINED)

Lachie brought all his energy and passion for footy to the field again this year. Lachie was a key player, and his determination paid off with some great attacking runs and dominant goals. A true sportsman, Lachie often helped make up numbers for the other team, which was always bad news for us!

ELLIOT LISTA (MR DEPENDABLE)

WWW.GLEBEJAFC.ORG.AU

Elliot demonstrated his class and

footy prowess all year, both at training and at games. Elliot brings a lot of positive energy to the field and is an inspiration to his teammates, who often look to him to get them out of a tight spot on the field.

WILSON LIU (ENCOURAGEMENT AWARD)

Another first year player, Wilson showed how much energy and focus he could bring to the game which we quickly tapped into. Wilson had some breakout games with hard running and ball wins with a huge highlight seeing his first goal! Wilson will develop into a super player!

OSKAR MARTIN (ROOKIE OF THE YEAR)

With a heart as big as Phar Lap, Oskar refuses to give up. In his first season you would forgive him for not having the refinement of a 50 gamer. However, when certain skills were needed, Oskar would come back each week with a decisive kick, an accurate handpass and a competitive edge. **COOPER MATKOVICH (MOST COURAGEOUS)** What can I say about our co-captain? You can't teach what he has. The next Dusty Martin. Courage, skill and loves his teammates. The U9 Noosa Nuggets are a lucky team. His father needs to work on his goal umpiring technique.

HENRY MULLUMBY (BEST WINGMAN)

Henry loves space and if he is not finding it doing his trademark "show and go", he is hand passing to someone else so that they can charge down the wing. Henry just gets it which is why you will also find him marking the opposition player who happens to be standing in you know what...space.

BILLY NIU (QUICKEST PLAYER)

Billy is lightning fast, incredibly competitive and rarely beaten in a foot race. Billy's kicking and marking skills have improved significantly. When Billy plays games next year the opposition best watch out - they won't catch him. Well done Billy!

AILBE O'CONNOR (SPIRIT OF THE TEAM AWARD)

It is obvious that Ailbe has done a truck load of kicking in the off season with one of the most technically correct ball drops in the team. At training Ailbe has shown her ability to compete and certainly has a bright future. If she works over the summer break at getting more oomph the ball will be sailing.

COCO PAPADIMITRIOU (RISING STAR)

The most determined player in the team. Coco can achieve anything with AFL. I am calling it early - AFLW player of the future. Kicking, kicking and more kicking over summer to be ready for next year.

JAMES RAITT (MOST RELIABLE PLAYER)

The best sight in Sydney junior AFL is seeing this young man put the ball

ELIAS RICHARDSON (TRUE GRIT AWARD)

There is one word to describe Elias -"Gritty". The ability to play through pain is usually only achieved by professional footballers...and now Elias. With a short season, he was determined to play through with a sore ankle and boy did we need him. A tireless competitor who can turn a game on its head.

ALEXANDER ROBINSON (BEST DEFENDER)

Alex is a real workhorse on the field, and a key part of the team. Alex worked tirelessly and was critical in winning games. A sensational defender, he gives his all and does it

with a smile and cheery attitude - he is a pleasure to have on the team. TIA SCOBIE (MOST DEDICATED)

Best first year player! Amazing persistence. The groundwork of this year will pay dividends next year and into the future. The most gifted allround skilled player in our team.

TYCHO SHAVE (BEST RUNNING DEFENDER)

Tycho is another first year player that I just love for his energy and determination and pure raw talent. Tycho never gives up, he keeps running and working, and as a defender sticks with his opponent. An impressive debutant player who has the world at his feet!

JACK SHEATHER (BEST MARK)

Jack is a balanced player who has great judgement, marking skills and

a superb kicking ability. He reads the game well and can take incredible marks as he only has eyes for the ball. Jack is a courageous athlete ready to step up to U9. Brilliant year Jack!

JAKE STONE (BEST MIDFIELDER)

Jake is a joy to have on the team. His attitude and approach to footy, training and friends is inspiring, and his skills on the field are impressive. Jake saved the day more than once and is the complete package when it comes to being a team focused footy player.

CARTER SWIFT (GOLDEN BOOT)

Carter is a spectacle on the field as a player that regularly goes above and beyond for the team. He has an impressive focus on the field. His talent always shone through and

WWW.GLEBEJAFC.ORG.AU

he regularly received compliments from the other team – both for his approach to the game and for his sheer talent.

HARVEY TALBOT (MOST SKILLFUL)

To my astonishment, I was informed in the latter parts of the year that Harvey was a first year player. Harvey is a very talented and skillful player who picked up the game immediately and was so good with his competitiveness and toughness that it was astounding! Super year Harvey!

HARRY TAYLOR (MOST COURAGEOUS)

Harry is one of the smallest players but plays like a lion, mixing it with the bigger kids. His kicking and marking improved significantly but it is his courage that stands. Against much bigger opponents Harry showed how courageous he is growing in stature each week! Amazing year Harry! CLANCY TEMPLE (COACHES AWARD)

CLANCY TEMPLE (CUACHES AWARD)

Clancy is a great player to have on the team, he is the guy you can depend on to get the job done. He impresses in defence and with his attacking runs. His smile and personality are infectious, and he can lift the team with his fearless ball winning and ability to score goals.

TOMAS VALENTA (MOST SKILLFUL)

Tomik is a phenomenal footy player. His quiet assuredness, selflessness, and ability to read the game regularly left us stunned. Tomik was often exactly where we needed him to be before we knew he needed to be there. An amazing defensive player with a laser guided goal scoring boot, he is a coach's dream!

LINUS WALTER (MOST DETERMINED DEFENDER)

Linus has such a great attitude and approach to the game. He is a natural, selfless on the field and had some silky-smooth moments during the season. We can't wait to hear how he goes introducing real footy to Germany next year – and Linus, don't listen to your mum, a footy makes a perfect pillow!

CAMERON WEBSTER (BEST RUNNING PLAYER)

Cam had a standout season this year. He has an uncanny ability to win the ball and score goals, leaving the opposition in his dust. His pace around the field was legendary, and his defence was impenetrable. Cam has the qualities of a superstar player, and we can't wait to see him play next year!

ASHER WIJETUNGA (GOLDEN BOOT)

The soul of our team. Has a great combination of spark, strength and the ability to kick a sausage roll. A line leader and a crowd pleaser.

GEORGE WILLSON (MOST VALUABLE PLAYER)

Our fearless leader. A super impressive young man who leads from the front. Always on his game whether defending, kicking goals, or driving the midfield. Sets a great example on discipline.

HENRY WOTTON (MOST IMPROVED)

It was great watching the game click for Henry. A very coachable player whose skills improved out of sight. An enthusiastic teammate with so much upside in years to come.

he jump from Auskick to modified contact can be a tentative step for some, a giant leap of relief for others as "we finally get to tackle!!!" This was made even more of a challenge given our first few weeks we were not allowed to touch each other under COVID restrictions. There is only so much visualisation strategies can do ("see yourself being tackled") as nothing can replace the first time you are wrapped up in a tackle mid-stride. We were so impressed with the way our players stepped up to the challenge of contact and each week took another important step to developing their game. We saw players transition from teddy bear cuddles to ball-and-all tackles on the run, earning free kick after free kick. Despite the shortened season all four teams transitioned from a collection of individual efforts to a series of handball chains, kicks to leads and impressive team defence

("build the WALL!). Whilst our more experienced players were encouraged to take their game to the next level, their leadership and generosity were also crucial in the development of our new players and those growing in their football confidence. This is the hallmark of a strong programme and one that aims to build a team-first mentality. The energy and passion was clear to all on Thursday night training sessions as each team ran their own drills with a central message of fun-first, skills-second and some thumping intra-club scrimmages third.

We saw some awesome milestones from great Glebe clubmen including George Hirst, Noah Butler, Larsen Johnston, Leon Doyle, Patrick Gijselman and Harrison Peart clocking up their 50 games. A huge thank you to the coaches, managers and parents for handling the everchanging COVID restrictions. It was a season we almost did not have, but one I am so glad we did.

U9 (BLACK) Fletcher Barnes

Fletcher's highlight reel for this season would include some of the most spectacular goals I have seen in my life. However the most impressive part of his game was his willingness to bring his teammates into the game using space, time and a bullet-like handball to break open the opposition's defence.

ANGUS CARRICK

Quickly became known as our team's Best Sweeper as he "cleaned up" the opposition's ruck tap with aggression, confidence and skill. His passion and energy at training and on game day were infectious and culminated in a B.O.G for the final game.

WAKKA WAKKA COOK

If there was one player built for the transition into tackle footy it was Wakka. His physical presence around the midfield was the foundation on which we built our success. He was a dominant ruck man, a genuine

MILESTONES 50 GAMES Noah Butler, Harrison Peart, Larsen Johnston, Patrick Gijselman, Leon Doyle

leader on the ground and even snuck forward to kick some superb goals this year.

FRANCESCA DORSCH

Frankie's speed and skill were a deadly combination this season and her improvement from game to game was a revelation. Her marking and field kicking relieved so much pressure on our midfield and set up much of our forward success. Frankie trained and listened with intensity which no doubt was the key to her improvement.

LEO DORSCH

Leo's consistent effort and energy each and every Saturday not only helped him grow into a deadly half-back flanker, but also gave his teammates confidence and opportunities to grow themselves as his accurate kicks and sure-fire handballs brought them into the game. He is a worthy Best and Fairest winner

FINN HARGREAVES

Finn's no-nonsense approach to

WWW.GLEBEJAFC.ORG.AU

training and game day made him such a consistent performer and a huge improver across the season. He can read the play like no one else and his combination of speed and skill especially across the half-back line made him a valuable asset to our team.

JACK HIGGINSON

Jack's enthusiasm at training and on game day was infectious. He learnt a great deal about the team-aspect of AFL in a very short amount of time and as a result he was able to escape congested situations with a clean handball in the most crowded of midfield battles.

FELIXIEE

Felix showed enormous improvement in his skills throughout the year. His marking in particular gave him the time and confidence to develop his field kicking. He did not flinch when tackled and started to understand his role in the team defence more and more as the season progressed.

THOMAS MAGUIRE

Thomas' improvement across the season was a sight to behold. He worked hard on his skills at training and we saw the benefit of this hard work on Saturday as he became a very reliable ruckman and a hardtackling backman. He was a joy to coach as he tried his hardest to apply the lessons from training at every game.

HUNTER PATTERSON

Hunter impressed me with his skill development this year. This was most clearly seen in his marking ability and confidence. With the extra time and space this gave him, we started to see an improvement in his field kicking and overall confidence. HARRISON PEART

Harry's willingness to do whatever the team required and his work ethic at training, turned him into one of our most reliable players this season. He could hold down the vital ruck position with confidence and aggression, as well as play the role of a lock-down defender on the opposition's most dangerous forwards

FINN SENIOR

Finn's toughness in the contest was crucial this year as we transitioned into full contact. He threw himself into the fray time and again and usually emerged with the ball and a head full of steam. He trained the house down each week and took his role in 'building the wall' very seriously. Another great year.

ZIGGY SPACEY

Ziggy showed a genuine willingness to learn the skills and strategies of AFL this season and it should provide a strong foundation on which to build next year. He worked hard and listened well at training and this resulted in a growing confidence on game day to attack the ball. His kicking strength and accuracy improved throughout the season. TOM STRUDWICK

Tom was our best midfielder as he has the perfect combination of pace, aggression and accurate field kicking. He took his defensive role very seriously and most weeks managed to shut down the opposition's strongest players. He reads the play better than anyone his age and his willingness to use his hands brought his teammates into each game.

UNDER 9s Player profiles

U9 (GREY) ALEXANDER ANASTASI

Alex is a coach's dream, attentive and articulate, a player who is constantly trying to improve his game. A speedster suited to the open space on the wing where he can really turn on the jets, run his measure and deliver deep into the forward line. His awareness and skills improved dramatically this season.

NOAH BUTLER

A reliable and consistent footballer who was often relied upon by the coach to play a role for the team. A seasoned veteran, now a member of the 50 games club, his skills and football maturity were evident throughout the season.

SAM COULL

A quick witted, jovial personality who could often bring the team together no matter the score. A team player just as comfortable in close as he was dependable all season in the backline. Sam's got it all, a good footy brain, skills and a team first mentality he is always looking for an offload to a teammates advantage. **REX FISHER**

An amazing footballer with copious amounts of passion and drive. Always hunting the ball and looking for

teammates or goals throughout every game. A skilled and passionate young man who wore his heart on his sleeve all season, with plenty of ability to continue on with his AFL journey. FELIX FITZPATRICK

Tall and strong, Felix has had a huge development throughout the season with both his skills and confidence. His ability to rip the ball out when contested, coupled with his ruckwork to advantage has been a pleasure to watch all season.

RAI PH HORNER

Ralph is always enthusiastic and even better when all that energy is focused on the game. He has the skills and ability and improved out of sight as his confidence grew throughout the season. Loves his time in the ruck. **ALEXANDER MEZRANI**

Our quiet achiever and smiling assassin, Alex has all the skills and his confidence increased each week. By the end of the season he was contributing across all the zones and staying involved right through the game. Alex is fun to coach and loved by his teammates.

ARCHIE NORMAN

One of the biggest improvers this season. Archie seems to have more time than most and consistently

thought through the situation at hand and more often than not, made the right decisions. A well skilled and genuine team player.

ARCHIE PESCE

Archie brings an unmatched physicality to the game, busting opposition tackles and sending the Greys from defence into attack. A courageous and determined player who never lowered his colours. Archie's highlight reel of crunching pack marks and willingness to put his body on the line often made the spectators gasp.

ARTHUR SARLOS

Arthur will make a great coach when his budding footy career comes to an end. His team first approach and voice in our huddles is that of a seasoned veteran. He really developed into a dependable footballer who enjoyed his time in defence. The kind of player that every team needs.

ASTON STEWART

A passionate footy powerhouse who consistently broke games open. A contested possession bull and football magnet who can read the play as well as anyone. Aston is the complete package with a very bright future and a very deserving B&F.

U9 (STRIPES/HOUNDS) Xavier Armstrong

Our gentle big man made significant strides in his football this year. He worked hard at his skills in the long off-season, the improvement was no coincidence and came through hard work and dedication. Nothing made the team and coaches happier than seeing Xavier take the game on with confidence.

REMY BARDWELL

Possessing great running ability and a good reader of the play, when he backed himself Remy was often first to the ball. A very unselfish player, Remy was a pleasure to coach and as his confidence in his skill set increases his athletic attributes will help him to excel.

LEON DOYLE

Leon had another fabulous season. His panther-like agility, leap and speed gave us many of the season's individual highlights. It was a pleasure to see more and more team link up play from Leon as the season progressed, he was at his best rebounding out of the backline and bringing his team mates into the game.

LAWSON FIELD

New to the game Lawson was a pleasure to have on the team this

year, his easy going nature and quick wit were appreciated by all. He was always eager to train, listen and play, and showed us all what perseverance and participation is all about. If he applies himself in the off season we will see a capable and confident player return.

OSCAR FLINT

Another rookie, Oscar "Jeremy McGovern" grew in leaps and bounds as the season progressed. Turning up already possessing a neat drop punt and a natural instinct for a goal little did we know that he would end up turning into a hard running, hard tackling key player who could lead momentum swings in our games.

PATRICK GISJELMAN

As solid as a rock Patrick played his role well week in, week out. He showed some excellent game sense and his season was filled with many highlights, including some nice long drop punt shots for goal. Always willing to put his head where it probably shouldn't go, Patrick was one of our players who embraced the physical contact and never skipped a beat this year.

DARCY HERON

The speed machine of the team Darcy developed his game beautifully this season. He was involved in many more contested situations and became more confident by hand and foot. A real key to our team's more dominant periods in games, it was a great season with a big increase in consistency and confidence.

HAMISH HOWARD

As it turns out Hamish is a natural born tackling machine, he had been hibernating in previous years waiting to be allowed to do his favourite thing. Having a player prepared to defend first and foremost and pop a handball to his nearest teammate was a great asset to the team. A great leap forward in concentration and skill set has Hamish primed for a big 2021.

RORY HOWE

Willing to work hard for the team without reward, Rory followed instructions and positioned himself so that a team mate could get clear. We saw glimpses of the player he will become when he backed himself and competed as hard as he could with confidence, at those times it was clear he understands the game, can read the play and can execute his skills. →

UNDER 9s Player profiles

LARSEN JOHNSON

Another season of electric bursts of skill and goal kicking genius. Larsen oozes talent and footy nous, and when it was channelled at the contest it was a force of nature to behold. As the season progressed so did Larsen's consistency and ability to stay involved in the game for longer and do the harder, team related pressure acts.

HAL MCLENNAN

Our on field general, it was a super season from Hal who is looking at home on every line on the field. He set aside his preference for goalkicking and became a contested ball winning machine. He also assisted with link up play across lines where he could utilise his precise kicking, marking and reading of the play.

ARCHIBALD MILES

Always smiling, asking questions, making suggestions and encouraging his mates, Archie was our elixir of enthusiasm and determination. Time and again during the season he took a hard hit and kept persevering, never wanting to let the side down. His understanding of the game is growing as is his desire to improve, I can see his skill set about to click, exciting times.

U9 (WHITE)

HARRY GENTNER

Harry had an awesome season this year. Harry was always attentive and had a real 'can do' attitude. His attack on the footy was great to watch and he adjusted well to tackling. He provided plenty of run and the improvements in his kicking and handballing were noticeable. A great year Harry!

JACK HEBBLEWHITE

Jack was a fantastic ball winner for us this year and gave us plenty of options in moving the ball forward. He adjusted well to the tackling side of the game and he made the opposition earn every kick. It was a pleasure watching him win the hard ball and his 'take no prisoners' approach earned him the respect of his team mates.

GEORGE HIRST

George had a cracking season. Marking, kicking and tackling were all areas Geroge excelled in. He has impressive foot speed and his ability to take down players twice his size was to be admired. Effort is one of the

34 \ GLEBE JAFC 2020 YEARBOOK

most important attributes a player can have and George would always put in 100%.

JONATHAN LIU

Jonathan only managed a couple of games for us this season, but the games he did play, he put in a great effort. Particularly when it came to the pre-game preparation.....he had this down pat. He showed plenty of speed and proved he had no problem getting his hands on the football. I look forward to seeing what Jonathan can produce next season with more time under his belt.

WILLIAM MOFFAT

For William's first year of football he showed plenty of promise. His handballing and kicking really improved as the season went on and he showed plenty of speed on the field. He was popular among his teammates and always turned up to training with interesting stories to tell. I look forward to seeing big things from William over the next few seasons.

GABRIEL MURTY

Another first year player, Gabe had a cracking season. His tenacity and aggression put fear into the opposition. I think there will be a few opposition players looking over their shoulders next season. Gabe's courage was impressive....he would often run back with the flight of the ball attempting to take marks, having no regard for his own safety. I enjoyed watching Gabe's style of play this season.

WILLEM PAAP

Willem is a very clinical and measured player. He weighs up the best option to benefit the team. His overhead marking and accuracy in front of goal were impressive this year. Willem is a stats man and you can always rely on

ALAN PARKINSON

Alan was a quiet achiever, just went about his business and got the job done. Alan gave great support to his teammates and played his best footy in defence. His kicking really improved this season and he grew in confidence as the year went on. Alan will be a handy little player in future seasons and I look forward to seeing him improve.

OWEN RICHARD

I enjoyed watching the

improvements in almost all facets of Owen's game this year. He really worked on his running game over the season. Owen is a great utility player and did whatever was asked of him. He played his best footy

WWW.GLEBEJAFC.ORG.AU

in the ruck and across half back. Owen's eagerness to improve will put him in good stead next season. BILLY SARAH

Billy was another player who showed plenty of aggression and you would often find him at the bottom of a pack, fighting for the football. His willingness to take on players twice his size was fantastic to watch. Billy looked dangerous in the forward pocket and was a great crumber of the footy. His marking was an area of the game he worked hard on. Well done on a great season Billy! SAMUEL SMITH

Sam was a very consistent player for us this season. He knows how to get his hands on the footy, he's a great mark overhead and his accuracy with the drop punt is very impressive. Sam played his best footy in the midfield, but was also very handy for us up

forward. Well done on a great year Sam! **PARIS TANNER-BLACK**

Paris showed real improvement as the season went on. He had no trouble winning the hard ball at the bottom of a pack. His marking was an area of great improvement throughout the year. Paris was a valuable asset to have in the ruck and showed plenty of dash out of the middle. I look forward to watching him improve even further next season.

FRED WOODALL

Fred's ever reliable booming left foot cleared it out of defence on many occasions. In the midfield his long left kick gave us good penetration into our forward line. Fred took the opposition on this season which improved his confidence. This element of Fred's game often gained us valuable meters. Well done on a consistent season Fred!

fter some great preseason sessions the footy world came crashing down after just one week on Jubilee, and when we finally got back on the park in July we were grateful to get any season at all. All 57 of our players made it back after the break, eager to get back into competition and take on traditional rivals again. The high spot of the campaign came in Rd5 when all 4 of our teams beat the East Sydney Bulldogs for a memorable clean sweep, quite an achievement, and it was great to see the Easts parents getting really upset about something other than the stock market and having their views taken by next door's trees. Pandemic restrictions forced us to train separately in our teams so the need to exit quickly and lack of sausage sizzling meant the group was unable to come together as it had previously, so here are summaries for each of our sides:

BLACKS

Perennially slow out of the blocks, the team made a scratchy start in intraclub and initial games but gradually pulled things together to pick up some big wins, last-gasp victories, agonisingly close losses, and finally an amazing entertaining draw against Drummoyne on the last day of the season. The boys, usually outsized by the opposition, made up for that in spirit, sheer guts and an ever increasing level of skill and organisation.... It wasn't always pretty, but I doubt there was a team who didn't fear us. Scott did a fantastic job taking the reins for a large part of the season, both at games and training, and Paul Rodger assisted without a second thought handling the white board like a seasoned pro.

STRIPES This year the Stripes were forged anew in the fires of the footy factory, a fresh squad pieced together from various greyhound teams and boys new to the club or the game. I was excited to don the coach's bib for my first time and take charge of these future footy stars.

The progress by the boys throughout the year was a joy to behold. The first training session was about learning each other's names and lots of encouragement. The last training session of the year was perfecting our three-man weave and refining our footy brains. We were competitive all year and never got blown off the park. We even managed a couple of great wins. Big thanks to fellow coach Warwick, manager extraordinaire Denise and all the parents for making the year a real success.

HOUNDS The Hounds welcomed four first-time AFL players this year and finished a short but impressive season undefeated (which makes it just one loss for us in two years).

We averaged ten goals a game with a staggering winning percentage of 554%. I put the results down to good talent and hard training, the boys' commitment to the game plan each week and some amazing support from the parent group. This group played a disciplined brand of footy all year and never took a backward step. This is a collegiate, spirited and fun group of kids that I hope to see back at the club next year. Well down Hounds!

WHITES Mighty Whites of Glebe, this ragtag bunch of kids somehow work as a bloody good footy team. Taking all before them this year, they had opposition teams lining up to measure themselves against this mighty team. Well played boys, you made us all so very proud in the manner and spirit in which you played this great game each week.

So that was the season... the groundsman was happy with the oval finishing in pristine condition, and it was also a strong year of growth for the age group as a whole, thanks in no small part to the coaches and managers that had to adapt and step up to the challenges of a difficult 2020 ... great job everybody and see you next year for a tilt at some silverware!

UIO (BLACK) **KALLAN CLEGG**

Struck fear into many an opponent with his strong tackling and beefy bodywork but was able to keep within the rules of the game and avoid getting pinged by the umpire. A great physical presence in the ruck and a bustling, evasive style in the goal square.

NICKY CROSBIE SMYTH

Another outstanding season all over the field means he'll need another monster memory stick to record his highlights. The Blacks top scorer with goals from near and far and spectacular celebrations to match. His high point was a major to see off the Bulldogs with seconds of the game to spare.

LIIKE GARCIA-LISICIC

After joining late on last year, a full season in 2020 saw steady improvement and Luke really hit his stride with two games to go, finding much more of the ball, getting rid of it more effectively and starting to make his tackles stick. The added game experience should set him up well for next year.

NATE HAWKINS

Nate's skills and kicking ability have been on the rise for a few years now and he produced his most consistent season to date. Always finds plenty

of the ball and now uses his many seasons' experience to look for better ways to use it. Plenty to look forward to next year from this one.

I IIKE KELLY

A really solid effort this year with his ability to flick off the fear button and throw himself in after the ball. Scored some cracking goals and was a regular thorn in the opposition defence providing relentless pressure in his search for action in the goal square.

MAX MEAGHER

Max brought his usual positive force to Rd1 with a typically bustling performance setting him up for another great season... but unfortunately it was not to be as a broken wrist sustained on the piste saw him miss the rest of our shortened season.

MICAH MAD7IN-COSTIGAN

Steady improvement after injuryaffected seasons over the last few years. Micah is finding more of the ball and capped a great year with an outstanding mark under pressure and precise bisection of the goal uprights against the Magpies. Keep building on your good work. CHARLIF MFI DRUM

Charlie quickly adapted to life in the Black team and backed up his great attitude in training with some memorable moments and some well taken goals. Brushing up on decision making and getting his kicks away quickly before next season will see him go to another level.

BIAKE RAMFAR

Found plenty of the action and started to develop his footy smarts to make good use of the ball. Always reliable, providing flashes of brilliance and hard tackling during his stints in midfield... an invaluable cog in the Blacks machine with plenty of improvement still to come. IOFI RAMFAR

The hardest and most courageous player on the team. Never scared to put his head over the ball, it wasn't a Blacks game unless Joel bumped his noggin, picked himself up and scored. An excellent midfielder/ small forward, he'll be a top class player with a little fine tuning of his skills

ELLIOTT RODGER

Elliott saw some really promising improvement this time round. Still searching for the X-factor, but his effort can't be faulted and is starting \rightarrow

to pay dividends with some super work in the ruck and more of the ball overall... greatness is not far away! JESSE RUMPEF

The most consistent performer with great all-round skills and a brave attitude to match. Never scared to tackle the opponents' biggest players, he picked himself up, ran out every game and regularly had the goal umpires wafting the flags. When his body fills out Jesse will be devastating.

LEWIS SCHOFIELD

Little Gary Rohan arrived fashionably late in Rd5 and snapped a beauty from distance with his second kick of the game. Worked his way back into form until he found plenty of the ball in the final few games and collected many contested marks with little regard for his safety.

LIAM SEYMOUR

What a year from the seasoned campaigner. Skills all over the oval were off the scale, but as ever his defensive work was top class, his arms seemingly made from elastic as he saved the game on numerous occasions with desperate dives to save certain goals. The next Dane Rampe.

U10 (HOUNDS)

WILLIAM BRISCOE

Really improved his skills this year. He is evasive in traffic, a neat kick and can now run and bounce. Will's handballing has become more accurate and he scored an impressive goal from the forward pocket.

Added to his game this year and now plays forward, back and in the ruck when needed. He is a dominant full forward and has no trouble finding the goals. Nick is a big kick and a good set shot. He stays in the moment when the ball is in dispute.

COOPER FADOUS

A first year Hound who developed some great skills during the short season. He can kick and bounce on the run and take overhead marks. Cooper reads the ball well, weaves his way through traffic and also managed to find the goals in his first year of AFL.

OWEN FITZPATRICK

Has exquisite skills. He understands the game like a footy veteran and has shown natural on-field leadership all season. Owen's ability to run and carry and take players on is simply

amazing for a kid his age. He kicks goals from anywhere on the ground and leaves opposition players and supporters stunned every week.

HENRY GELLIN

As tough as they come and a natural centre player. He is one of the Hounds' fittest players and can run all day. Henry is a tackling machine that always finds the ball. This year he's added good kicking and overheard marking to his footy skills. DREW KARAKAIDOS

Joined the Hounds this year and it's hard to believe he's new to ALF. Drew is almost impossible to beat in the air and a great overhead mark. He is one of our best runners and can play anywhere. He is a lovely kick, finds the goals and is an absolute joy to coach.

HARRY MARLOW

A first-year AFL player with a rugby pedigree. He is strong, lays hard tackles and is extremely competitive. Harry was a fantastic addition to

the Hounds and has proved that he can play equally well in the forward and back lines. His kicking and handballing improved a lot through the short season. Can't wait to see what he does next year.

JIMMY MCCARTNEY

A strong overhead mark who dominated the ruck this year. His ruck taps to running players are impressive and he understands the centre clearance. Jimmy has also shown this year that he can be valuable up forward. His tackling and ground-level play are also good for such a tall player.

JUDE POTTS

Another one of the Hounds' first year recruits. He is tough and dangerous running off the back line. Jude's kicking on the run is solid and he showed us all that he can take an overhead mark. Jude is also a very courageous player and a fierce tackler. LUKE SUTHERLAND

the class and spirit of the team. He is a gifted player that understands the game like someone twice his age. Luke can play in any position and is at his best running off half back. He is a huge kick and turns on a dime to deliver the ball with accuracy.

TED TOWZELL

Our fastest player and reads the ball better than anyone. He turns the opposition inside out every week, is brilliant overhead and never ever gives in. Teddy is almost impossible to match up on. His lovely manners and dedication to the team make him a dream to coach.

HAMISH WALKER

Played most of the year in the centre which suited his strength, fitness and competitiveness. Hamish hunts down the ball wherever it is, finds the goals and lets nothing through when he has a stint in the backline. In his two years with the Hounds Hamish has become one of our most valuable players.

WWW.GLEBEJAFC.ORG.AU

ASHTON WEST

Improved beyond expectations this year. He is a natural defender that can also play in the centre. He had some stunning on-field moments that had the Hounds' parents cheering. Ashton takes strong overhead marks and has developed a good understanding of the game.

U10 (STRIPES)

HARRY BROWN

'Hazard' grew in confidence with some dashing runs and headover-the-ball ground-ball gets that left us wanting more! Never to be underestimated, Harry continually looked dangerous and I've got him pegged for a break-out season in 2021.

BILLY BOWEN

King of the fist pump and the 'Billy stretch', Billy brought the fun along with the effort. I love Bill's heart on his sleeve approach - especially the big marks that brought a big grin and

a fist pump to the fans. We saw great growth this year in both Billy's footy brain and footy skills.

CHARLIE CARMODY

A tall and gallant footballer, Charlie patrolled the open spaces of the inner west, intercept marking at will and surging the ball into attack with great skill. A natural backman who performed just as well when sent into the ruck or the forward line.

LIAM DALTON

A player with potential from whom we started to see a more consistent performance as the season progressed. To be noted is the goal of the year contender from Liam, a blinding run down the wing with a precision drop punt from the pocket that sailed perfectly through the big sticks. Liam definitely can play! SAM EVANS

Sam's season started with a bag of goals, ended with a bag of goals and there were many goals in between. He has a hunger to score and spent many games feasting in the forward line. A wonderful small forward who has all the tricks: speed, skill and the ability to score.

ALEX FENNESSY

A footy weapon of great impact. Alex used a lethal left boot in attack and a devastating tackle in defence. He has a great pair of hands in marking the ball or taking down the opponent. Alex's magnet can sit in any position on the team board, he will relish any task and dominate all comers.

ROHAN HUNTER

A key cog in the Stripes engine room. Rohan sees the ball and gets the ball. He tackles hard, shows great courage and often left opponents dazed in his dust as he dashed away. Can run, can kick, can mark and like The Terminator, just. keeps. Coming. Tough and talented - a great footy combo.

SAXON RIGG-SMITH

Saxon led by example all year, charging into contests with little selfregard and always giving 110%. Has a passion and intensity coaches love and skills to back it up. Every week Saxon would deliver excellent footy without taking a backward step, encouraging others to follow. ANDERS STOLLER

tackling. Can both clunk a mark overhead and crumb a ground ball. Can even rap Alphabet Aerobics by Blackalicious. Great season Tall Timbers!

HIRO TAKAHASHI-ZHONG

Hiro came to us mid-way through the season to fill our one vacant spot. Having never played the game before, Hiro took to it like a duck to water once we outlined the basics (kick it through the big sticks!), making some good cameos in the back half of the year.

EZRA WAUCHOPE

Towards the end of the season Ezra seemed to remember that he is the fastest kid on the team. Rather than handballing off quickly we started to see some devastating runs, sending the ball into dangerous attacking territory. "More!" we cried from the sidelines. Ezra has a beautiful toolbox of skills and is growing in confidence to use them.

JEREMY WEBSTER

A sharp, smart and speedy contributor. Jeremy is a great user of the footy both by foot and hand. He lurked one out around the ruck using some wily footy smarts and was fantastic in attack. I loved watching Jeremy grow in courage throughout the season.

BEN WHITE

A true competitor who grew this year in his ability to get his hands both on the ball and around his opponent. His effort could never be faulted and his courage is to be admired. Always cool, always playing his part, a true team player.

SAM WOOD

Had a stand out year and was always in the thick of the action. Big marks, big kicks and even bigger tackles. Sam seemed to be everywhere at once and had the knack of reading the play and getting to the drop of the ball. A strong all-rounder who consistently delivers.

U10 (WHITE) Omar Batisha

One of our second-year returning students took his game to another level, improving his skills base which allowed him to kick his first AFL goal this season. Keep learning and your name will be on the score sheet again next year Omar.

HARRY BENSCHER

Word on the street is that he spent the off-season training "Dusty", and when you see the two of them play you can see similarities. He just loves to bring the ball out of traffic, rolling out the back and kicking high and long. Great game development this year Harry.

CHARLIE BLUNDELL

Returned to the paddock with such an improved skill set and desire to mix it with the boys. Launched into the season with a great goal in the early rounds and continued to get stronger as the season progressed. Well done and keep going Charlie. LOUIE CHRISTIE-DAY

When not hosting his own on-field talk show with weekly interviews of all players, could be seen mixing it in the pack. Gained confidence as the season progressed to realise that he could play this game. Well done Oliver.

ADAM NUSSBAUM

Speed to burn and the ability to find the ball at the bottom of the pack made this kid a danger in front of goal. A true team player who continued to work hard through the season developing his game. Keep it up Adam.

BILLY RIANT-DUCKETT

Was ruled out for the first half of the season but made his presence felt on his return. A true team player who only in his second year of top-flight

footy found a position for himself in the midfield. Expecting big things next year Billy.

IOANNI TITMUSS

Plays with a style and flare with bucket loads of talent. Reads the game well and is always looking to move the ball quickly. Matured this year into a real team leader, encouraging and guiding the team around the park. Fantastic season Ioanni.

TED WAKELIN

Our Colossus returned this year with a booming kick and a desire to run the ball at every opportunity. Brought the crowd to its feet with some crunching tackles and breathtaking marks but still his old man remained a quiet spectator. Keep it going Ted.

HUON WRIGHT

Opened the season with 4 majors and continued to become the Whites' leading goal scorer for the year. Moves beautifully across the ground, possesses the smoothest of kicks and is developing a good sense for the game. Well done Huon.

COACHES Mike Cooney and David Sharp MANAGERS Elissa Harman, Tony Tarrant

he world was turned upside down right when we should have been starting the 2020 footy season. Everything was put on hold and we entered the "Great Lock Down". When the world did re-emerge we finally made it back to Jubilee Oval mid July. Entering those white picket gates became a sanctuary from what was happening in the rest of the world. That hour and a half on a Thursday night was just in time to break the insanity that was taking hold. In a time of unprecedented uncertainty in many of our lifetime's everything was brought back to normal. Footy made everything all right again. The simplicity of kids running free, competing and having a giggle with their mates. Such simple pleasures that were stripped for months had been brought back to life. The great joy of being a coach was amplified this year by having this outlet and for which we the coaches and managers have much gratitude. Thank you, the parents of players for bringing your girls down to the club and getting behind the season that was a huge success. Creating this outlet for your daughters has created memories and friendships that reach beyond those

of the unfortunate circumstances that have dominated.

This might I add was only made possible by some outstanding work by the clubs committee and a large portion of that from our very own Shona Tarrant, (wife of Tony manager of the whites), mother of Nea and enemy of dog walkers entering the field of play.

Let's not get carried away too much with the warm and fuzzy because we certainly cracked on and tremendous progress was made despite the much shortened season. With a great mix of true U9 and veteran U10 girls and with a number of rookies, both teams gelled working as a unit. The focus on moving the ball forward and running hard into space is now part of their DNA. The two internal clashes were played with such ferocity and skill level that would have matched a grand final intensity.

A big thank you firstly to our Duke of Edinburgh candidate Zara Kilborn from the U16 team who was always at training showing the girls the pathway and who's help we could not have managed without. Keith Tracey was targeted as the succession plan for the U10 girls 2021 season with his infectious enthusiasm it will be a brilliant coup, he has been an outstanding coach this year.

The managers of Tony Tarrant and Elissa Harmon have been so efficiently organised and orchestrated a smooth and seamless season that should have been anything but. Both of you are superb at what you do, David and I are so appreciative of all that you have done. And of course, David Sharp I thank you for two great seasons of working alongside you in this age group that has been an absolute joy.

To all the players, thank you from everyone, you are the stars of the show and your resilience and grit this season has brought much joy to us parents right when we needed it. See you all again in 2021.

Madeleine returned for another season of U10 with the extra year doing wonders for her skills and confidence. In prior seasons having a preference for defence, Madeleine attacked the footy this year seeing her best games in the midfield taking on a seniority role within the group. Another superb year.

FRANCESCA COONEY

This girl only knows to give 100% and never lets her teammates down. Shares the footy almost to a fault. Frankie took care of the younger generation bringing them into the game and passing down the Glebe hard running style of play. A very impressive year for Francesca. LILY HARMAN

Being cool is the most important thing in footy according to this young lady. You are cool Lily, especially when you are kicking all those goals. Another aspect of Lily's game is her lightning speed. There are many natural instincts that Lily does possess, I look forward to hearing of her success in future seasons.

GRACE IVISON

I don't think there was a bigger smile at training than Grace's. Whilst she did very much enjoy the great game

WWW.GLEBEJAFC.ORG.AU

of Aussie Rules I believe that being out there with her buddies gave her so much joy. And right you are Grace, that's 90 percent of it. Grace is a natural sportsperson that will dominate in 2021.

ZOE LANE

Hard to believe that Zoe had never played Aussie Rules until this year. A keen student of the game she listened to her coaches intently and trained very well. Rewards came in a clinch match that came down to the boot of Zoe and she did not disappoint her supporters. You are a brilliant footballer Zoe.

OLIVIA MCGAHAN

If you ever saw "that" tackle by George Gregan that saved the Wallabies the 1996 Bledisloe Cup, Olivia made several of those tackles this year. Olivia had clearly worked hard in the pre-season with her skill levels entering the elite category. This culminated in a fantastic season and well-deserved accolades, congrats. JULIETTE ROSS

Another player with oodles of talent and ability. She has grasped the concepts of the game and has what we call, footy smarts. Loves playing with her friends and scheming ways to foil the coach trying to separate the gang. Young for the age group \rightarrow

Claude is a gifted athlete that can run all day. She works hard and uses her pace to her advantage. Another player that assumed a leadership role this year setting the standard high at training. So much talent, the future is bright for Claude I'm sure in anything she decides to put her mind too.

OONA TRACEY

The longer the season went the better Oona got. A crowd favourite, she built a cult following throughout the season with her ability to perform miracles under pressure. As her belief grew, the cheer squad blossomed. The tremendous potential we knew was there shone through. We believe in Oona.

U10YG (WHITE)

EVIE GILLIES

Unfortunately a pre season injury robbed the Whites of one of their star players. Evie was still able to have an impact on the season leading the team song with extreme passion at both the local derby games. AYI A GII MORF

An exciting debut season for Ayla. She grew in both skill and confidence each game, playing well above her size. Unfortunately missed the last few games due to injury.

FRANCESCA HAGAN

Another debut for the Greyhounds who had a solid year. Was close on a number of occasions to kicking her debut goal. Loved playing in defence, defusing opposition attacking raids, often when well outnumbered **XANTHE JOHNSON**

A cracking second season of AFL for Xanthe. Owned the midfield for the Whites. Showed great speed and skill in open play. Always played hard and with dogged determination. MINA MCGLASHAN

Another debutant in the all girls

team. Got better and better every game. Season highlight was against The Tigers where she picked up a Handball in the midfield and made a great clearance to our forwards. I FNIKA MCMAHON

Took the mark of the year against Wests which probably shocked her more than the coaches. Grew in confidence each game, particularly in defence and at the ruck. Extremely good with her 6 times table and score keeping.

GRETA SHARP

Grets had another great season. Absolutely loves the ruck and running hard. Kicked a number of goals. Her best game of the season was against Moore Park where she went toe to toe all game with Moore Park's best player.

IIINIPER SHAVE

An unbelievable first season. Juni was absolutely fearless in defence, putting her body on the line and attacking the ball hard every game. Kicked a couple of goals throughout the season. Forged a great combination with Nea.

NEA TARRANT

Nea had a strong season and made both the midfield and the backline her own. Her best game of the season was the home game against the Tigers where she dominated the ruck and had 4 or 5 goal assists.

CHARIOTTE TEGART

Another of our debutants. Charlotte grew in skill and confidence with every game. She finished the season with a flurry of goals. The highlight being in the last game when she took a great mark and then slotted the goal with a wall of opposition players in front of her

ALANNAH TOOULI

A mid season inclusion to the Whites, who made an immediate impact. Alannah had a cracking season, running hard all game, tackling anything that moved and kicking goals. Also developed as a great team player which is a fantastic quality.

UNDER 11s DIV 1 Report by Cain Sarah

HEAD COACH Cain Sarah ASSISTANT/TEAM COACH David Sawkins MANAGER Jen Lista and Elissa Harman

he boys attended preseason training in January full of hope and excited at the prospect of playing Div 1 footy. After a few tough fitness sessions and some even tougher decisions at the selection table, a squad of 20 players was formed to represent Glebe for the 2020 season in the under 11 Division 1 pool. We managed to sneak in a pre-season game against Newtown before COVID hit in earnest. We were rusty but showed promise. A solid 4 goal victory against the previously formidable (and graded) Easts in a second practice match had us hopeful of a very positive season. Our main aim was to really develop the boys as footballers and teach them the intricacies of the game. Our focus was on team footy and looking to retain the ball as opposed to simply booting it down the middle at every opportunity. We tried to develop a team first attitude and for each of the boys to play unselfishly and in accordance with the team rules.

We started out the season in reasonable form with a solid win against Concord. We played fairly poorly against Moore Park and just scraped home due to a reasonable final quarter. We lost to Maroubra, beat Easts by 1 point, comfortably defeated Newtown and Concord and in the final round of the year lost to Drummoyne with seconds remaining on the clock. That game meant we finished third on the ladder and were set to play Drummoyne again in the semifinal the following week.

From where we started the season to the brand of footy the boys were playing at the end of the season was unrecognisable. During the year we felt like at times we were taking 2 steps back and 1 forward whereas at the end of the season we were making big strides forward. Our ball use was exceptional, eyes were lifted, handballs put team-mates in better positions, we were ferocious in our forward pressure, there was running to space, second efforts, shepherding and all the things coaches love to see.

I don't want to dwell on the final too much (for fear of requiring further counselling) but the boys played incredibly well. We led by 17 points at ³/₄ time but with the aid of a strong wind, Drummoyne got over the line in the dying stages to steal the game by 1 point. It was heartbreaking because I felt it wasn't the right result - we outplayed them but I reiterated to the boys after the game, that's how sport goes sometimes and that the result would build resilience. I am not sure they believed me as the boys were pretty shattered but Dave and I could not have been prouder of their efforts on the day and also during the entire season. They represented the Greyhounds jumper with spirit and determination every week and we thoroughly enjoyed coaching them. Onwards and upwards for season 2021.

JACK AHIE-SLATTERY

I have coached Jack since the under 5s and his development has been phenomenal. He is the "enforcer" in the team. The one I go to when we need some aggression and he never lets me down. Plays hard, tough but fair footy and is born to be a centre half forward. Top season Jack.

ANGUS BAKER WOOD

What Angus lacks in height he makes up for in determination. A quiet achiever, he never shirks away from a contest, often against opponents double his size. Played some great footy in defence where he repelled many an opposition foray forward. Also very versatile meaning he could be used anywhere on the ground.

LAURENCE BENNELL

From the moment he joined the club I have been looking forward to coaching Laurence. Must have grown about a foot in the off season. Extremely coachable and an absolute joy to watch play the

is impossible to stop. Can't wait to watch him progress as a player over the coming seasons.

JARVIS CALEO

Jarvis got better and better the longer the season progressed and played an excellent game in the semi-final where his decisionmaking and hardness at the ball were on show. Is very reliable, unselfish and always puts the team first.

JASPER CHAMPION

Jasper was another who worked into the season extremely well. Probably the strongest mark in the team he really stamped his authority on a number of games late in the season, particularly against Drummovne in the week before the final. Has beautiful skills and a great ability to bring others into the game.

HARRY EDWARDS

Harry was having a fantastic season which was cruelly cut short by a broken collarbone at training. We definitely missed his pace and skill over the remainder of the season but in true Harry style, he came to every game, assisted Dave and I and supported the boys which was fantastic to see.

ALEX FUILTON

Alex is like a pitbull. After the Maroubra game where we were outmuscled, we worked on ripping the footy in a pack situation and no one does it better than Alex. Very

fast player who is a danger around goals. Had an excellent game in the semi-final. Expecting big things in 2021.

KAI GUFI FI

Kai had a very solid season. When he gets the ball in space, he is off and running and before you know it, the ball is in our forward line. Super quick outside player with a great left foot kick. Snagged a couple of great goals over the season.

JAMES HARMAN

James was one of two team captains voted by his peers and there could not have been a better choice. Epitomises what it means to be a captain. James is vocal, extremely unselfish, hard at the ball and the ultimate team player. One of our best and most consistent midfielders over the season.

TIM HARRIS

Tim is a quiet achiever. Doesn't say a lot but lets his footy do the talking. Another super quick player who has a big boot on him. Was a sight to behold seeing Tim in full flight on a wing bounding away from opponents. Very reliable player. **FINN HERRIG**

Finn is super quick, super skilful and a real asset to the team. Late in the season he really worked on his decision-making with the result being hitting teammates time and time again. Ended up playing great footy in defence and on countless occasions, beating 2 or more opposition players. Great season Finn.

OLIVER LISTA

Oliver is another enforcer. Extremely tough player who is very hard at the footy. Great skills and a real knack around goals. One of the better marks in the team and as the season progressed, his use of the footy improved out of sight. THEO LLOYD

Theo was an absolute star all season. Can be used anywhere on the ground but is best when in defence. Has an uncanny ability to read the play and in a split second commits to a decision which is rarely wrong. Is a great overhead mark, an elite runner and a pleasure to coach. HECTOR MARSDEN

Hector had a fantastic season. Went from kicking 3 goals one game to being our best defensive player in the next. Extremely versatile and an "all rounder". Hector is aggressive,

has incredible pace and a beautiful kick. Thought he was our best player in the semi-final which capped off a sensational 2020 season.

SEB MOK

Seb was the other co-captain and, like James, did everything right over the entire season. Is super competitive, refuses to ever give up and wills himself to contest after contest. Had a fantastic semi-final despite copping a hard knock early in the game but played through in clear discomfort. I wouldn't expect anything less.

XAVIER QUOYLE

An absolute superstar. I often sit back in awe at what Xavier is capable of doing on a footy field. Can play in any position but is best when he is left to roam free and just doing his thing. Kicked 3 goals in a quarter against Drummoyne but had many other highlights throughout the season and thoroughly deserved winning the best and fairest award. HFALY RYAN

Healy received the coaches award this season for never missing a training session and doing exactly what we asked of him time and time again. Was brilliant in the ruck and his second and third efforts were inspiring. Probably the most coachable player in the team and has a thirst for learning the game. **ARCHIE SARAH**

Archie started the season in fine form kicking goals in each of the first two practice matches and then Rd1. Could be swung between defence and attack and was dangerous around goals. Missed a couple of games late in the year due to awaiting COVID test results but enjoyed a solid season.

TOM SAWKINS

Another who worked into the season well and grew in confidence. Kicked a number of goals at critical stages against Moore Park and also kicked a composed set shot in the semi-final after taking a nice mark. Has elite skills and pace to burn.

FERGUS TRACEY

Ferg had an awesome season. He was our go-to kick out from full back where he always used the ball well. But he was also able to be moved forwards where he was dangerous as evidenced by his six season goals. Never shies away from a contest and one of the best contested marks in the team.

HEAD COACH Merrick Watts ASSISTANT/TEAM COACH Anthony Johnson MANAGER Amanda Pattison & Melissa Boronski

short and challenging season with exponential results. That's a good summary of how the boys finished season 2020. The approach was not to let 2020 be a season "write off" with little or no progress simply because of adversity. A strong focus on development as a team as well as for individuals was employed from the first training session and followed until the end of the year. The result was amazing individual development as the boys grew in confidence and love for the game. This was pleasingly universal. The team spirit and club values solidified in the lads too. Selflessness, camaraderie, sportsmanship, honesty, humility enjoyment, selfconfidence, bravery and pride. These traits are just as important as skills in the game of AFL.

From a game perspective we saw the development of "chain of play". Boys deliberately kicking to teammates who would then mark and continue the ball movement forward to another teammate. This is important for two reasons, obviously that's how you score goals but more importantly it draws more Greyhound players into the game offering more exposure to the football. The fact we

had pretty much every kid kick a goal this year is remarkable, several their first in their career is a highlight for the coaches and the club.

The big takeaways from the season are simple but were priorities from the beginning.

- Personal development through building confidence in their skills and their physical presence.

- Play as a team, play for the team. Both of these objectives were achieved and offer a very good platform for season 2021. The Glebe Greyhounds is an excellent football club and its number 1 priority is for kids to enjoy their football enough to return the next season. We hope to see every single Div 2 player return in 2021 to pick up where they left off.

Thanks to our managers, club president, head coach, support staff and parents for the support and opportunity to develop young AFL fans. Well done to all the boys, it has been an honour to be a part of their season.

Touch of "white line fever" which I love! Luca grew in confidence over the season and as a result his skills were able to reflect his desire. Key forward in the making. WILL BORONSKI

Took some marks at the end of the season that showed how much his confidence and application to the game have increased.

OISIN CANTWELL

Another massive improver this year. Different player to the start. Is eager to be in a contest and as his skills improve so does his impact. Appeared to really enjoy footy this vear. Good signs here.

ETHAN CHENG

One of the most improved players. A very different looking player over a few months. Is showing some real ability. Season 2021 will be huge for Ethan.

JOSHUA CRONIN

Progressed quickly in the short season largely through an increased work rate around the ground. Ran from one contest to the next and applied pressure to the opposition. Skills coming along nicely. IAMES DOVIE

Very good in pressure situations, particularly in front of goal. Very effective when engrossed in a contest. **ARCHIE EYIAM-ROWE**

An excellent pupil and a great player. Starting to move into pivotal ball movement positions. Uses his speed well and covers a lot of ground. Only going to get better and better.

Electrifying pace out of a contest. Is beginning to read the ball from the tap-outs better, giving himself even more opportunity.

CHARLIE JOHNSON

Booming kick at either end of the field. Some early signs of a positional forward player coming through. FRED LYNN

Grew in confidence and skill as well as focus on game day. Fred's determination to contest players of all sizes was invaluable.

EMAKHI MUNRO

Who doesn't like watching this kid play footy? He's at the beginning of a career highlights reel to be played on TV in years to come. His growth this season was fitting into that "chain of play" and making super smart decisions to get the ball cleanly to teammates. 2021- look out!

SAMUEL PESCE

Really changed gears in the last few games. His confidence affected his marking and his marking affected his confidence. Took some real definitive clutch marks in games when we needed him to. His enthusiasm has always been there but his growth as an individual is offering a better player to his teammates, which given his positive attitude would please him no end. A great end to 2020 and a great start to 2021

BUWARRA REYNOLDS

Building into something very special. His determination, pace and attack on the ball have single-handedly changed the momentum of the game to our advantage. Star in the making. MALIYAN REYNOLDS

Has the force and the ability to impact the game on another level but Maliyan's growth this season was his composure. He began to find the "best option" not just the "first option". His ruck work to teammates was first class.

DAN SHAWCROSS

Dan's first season saw him in hyperdevelopment mode. By end of season Dan was in contest after contest and importantly making the right decisions with ball in hand. Season 2021 will be massive for Dan, so much potential.

HUNTER UPCROFT

His enthusiasm grew over the season and it was infectious to all around him. Played some great footy and kicked an incredible goal in a tough game.

WOI FF WATTS

Brought more presence to this season with greater fitness and desire to cover more ground. Loves his teammates.

IDER 11s Report by David Sharp

he season of Green Shoots... A tough but rewarding season for the mighty U11 Div 3 team this year. Whilst on the wrong end of the scoreboard for much of the season, the team collectively, and each boy individually, had their moments of brilliance throughout the season.

It needs to be acknowledged that we faced a tough challenge with nearly all of the other teams being short on actual Div 3 players and supplementing this with either Div 1 or Div 2 players. The 2 games where this wasn't the case (against Drummoyne and Concord) we were really competitive and unlucky not to come away with the win.

Our playing group of 19 included 5 debutants, all of whom had stellar seasons. This was highlighted with Rupert and Jack winning the Best and Fairest and runners up awards respectively.

The team definitely led the competition in the areas of pre-game energy and excitement and postmatch ice cream consumption.

The season highlights:

- Welcoming 5 debutants to the Greyhounds and all 5 having fantastic seasons

- Every boy's skills improving throughout the season

- Every boy turning up each game and trying their hardest for the entire game

- The fun, enjoyment and friendship the boys took away from the season (the Glebe Way)

- Not getting deterred when we suffered a heavy loss... which I believe is an important life lesson.

Thanks to all of the parents for their enthusiasm, support and postmatch counselling.

I hope all boys will be back again next season, and it can be a more even competition.

JACK CLEARY

A great debut season for Jack. Covered all bases, be it the last line of defence, full forward or ruckman. Fittingly was runner up to Rupert for Best and Fairest. JOEY EVERITT

Joey started every game modestly but brought it home strongly in the 2nd half. Highlight game was against Drummoyne where he kicked a fantastic goal.

UNDER 12s DIV 1 Report by Matt Smith

he squad had a few new faces at the start of the year in the playing and coaching group. We started early, we had a lot of work to do on our fitness and with an intention to play with a bit more fun and freedom. Shaun and Troy came on board and had great insights and were the instigators of us wanting to play more attractive footy. We are all very grateful for the way they dived in and helped. I know the boys were enjoying the new voices.

We have to say a huge thank you to Mark again for managing the team, which actually required him changing his work arrangements to suit the needs of the team. Judith Crosbie saw the hand grenade that is the role of ground manager and dived on it. We thank you for taking on that role and observing your son bleed regularly without being able to help! Thanks to Brent Zylmans for putting up with my messages as runner. They weren't always coherent!

Covid hit! As soon as we were able, we had training up and running again in June, Saturdays and Sundays. Fitness was going well, but more than anything, the boys were enjoying the drills and being together. It was hard to tell where we would sit in the pecking order with a new comp with Div 1 teams from all over Sydney.

To say that beating Maroubra in Rd1 by 12 goals was good is a slight understatement. The way we played was so much fun to watch.

We rolled along through the year and came to Rd7 v the other undefeated team, Manly, and had a great team win.

Into the finals with a last round loss to Balgowlah and we faced them in sudden death. In the worst weather any Glebe team has ever played in, the free-flowing footy was out, and grit and determination were in. We got it done to meet Manly in the GF.

Unfortunately, we were off in the biggest game of the year and Manly played well. It was a disappointing end to the season, and the whole group, coaches included, knew we could have done better. It is definitely something to reach the GF, there were 10 other teams wishing they had got there.

However, it was a season like no other. I always knew we had the best

group of blokes in the comp. We then learned during the early part of the season that we had some of the most committed. Then we knew we had a team of absolute ANZACs who you wanted in the trenches with you.

I have no doubt that the kids will come back from this bigger, stronger and committed to giving it another crack.

Special thanks to all the parents who let us start so early and maintained the rage during the lockdown. Also, thanks for letting me be involved with your boys. They are all very special to me.

NED BENNETT

Ned overcame a knee injury to become one of the best ruckmen in the comp. Sharing the role, Ned showed his selflessness. Most pleasingly, Ned developed his skills throughout the season and started to

show that real steel sits beneath the cheeriest kid in the squad. **SASCHA CHRISTIE-DAY**

ASCHA CHRISTIE-DAT

Sash is one of the big improvers of the year. His courage is never in question, but this year he bought into our new game plan and was regularly the spare man in defence. He was attentive and looked to attack from deep. His 100th game for the club was a highlight for the group, capped with a beautiful drop punt goal.

OSCAR CROSBIE SMYTH

Our skipper, our leader. Selected for his hard-nosed approach to the game, he did not let us down. In many ways, the most selfless of all, as he gave up his attacking instincts to be the defensive mid. However, he knew when to lift and his goal against Balgowlah in the SF was a big moment. Thanks for everything Oscar.

Has an incredible ability to run, and once we were able to harness this mustang, away we went. His confidence blossomed with Shaun and Troy guiding him. His overhead marking and tackling were his trademark this year, along with his ability to break the lines with his run. Great season Liam.

TEX LIU

Had a disjointed season with a knee injury and we were not sure if he was going to play at all. Came into the team late and started to gather steam as we headed into the finals. He left the best to last as he was a unanimous best-on-ground on GF day. Brave and secure down back, he showed great composure. Thanks Tex.

UKA LOASBY

Also new to the club, Luka worked his way into the team and became an important component for us. A physical player by nature, he showed his new teammates his courage over the ball and in the tackle. A big improver as the season went on, showing a great willingness to learn and be part of the team. Thanks Luka.

OLIVER LONGVILLE

At this age, nobody wants to be fullback. Ollie got the job because we knew he was strong and brave, with a good boot. This year he excelled in the position and showed real pace to beat opponents to the ball. He was never beaten one-on-one. Never. The future is bright for the team with him as the foundation stone of the team's spine.

ABE RACE

Another huge improver. Shaun locked him in at CHF. It was exciting for Abe and he learned how hard the spot was but was selfless at all times. He never shirked and took it by the horns and had a wonderful year. A big physical presence, he will continue to develop and be an outstanding marking target for us. **CASH ROBINSON**

Played CHB and showed what can be achieved when you back yourself. So many intercept marks. He launched us forward from deep and learned how to play the role really well. He got better and better as the season

went on and was awarded the Coaches Award for his efforts. Good on you Cash.

LACHLAN RUSSELL

Silky skills and a big tank means Lach is one of the best weapons in the comp. Played an attacking role from the wing and regularly hit the scoreboard. His first game of the year against Maroubra was a beauty and set up the year. Thanks for a great season Lach.

ZAC SANDLANT

Missed a couple of games with injury and was missed from FF each time. Still was our leading goalkicker, averaging nearly two a game. He has a good footy brain and led superbly all year. His marking improved and he showed us how good he is at ground level. There is a big future ahead for

this one. PATRICK SMITH

A veteran of the club, Pat put in another great year. Predominantly played in midfield and was often seen exploding away from the contest. His defensive efforts this year were noticed but he was still a regular scorer of goals. Continued on from last year with his ability to hit passes. A highlight of the season was his five-goal effort against Forest.

LEON TITMUSS

The off season was good for Leon, he returned bigger, more confident and very fit. An outstanding year was capped with B&F and thoroughly deserved. He dominated as a big midfielder with pace and a long right boot. His season was full of highlights, but his second half against Manly in Rd7 was hard to go past, capped with a 45m goal on the run! What a year.

CHARLIE WOODS

Has to be right up there for biggest improver. He worked hard on his kicking and marking. Nobody knows the extras he put in, but it showed. His season highlight had to be the winning goal against Balgowlah from 20m in torrential rain at Jubilee to get us into the GF. Thanks Charlie. HARRY ZYIMANS

We are thrilled that Harry won players' player. He is dedicated and brave and puts himself in harm's way when others fear to do so. Makes smart decisions when defending, knows when to leave his man and contest. His skills are improving and the team has recognised all he has done for them with their votes.

he Div 2 team in 2020 was made up of members of three different teams from the previous season as well as a new rookie. With a pre-season that started back in February for many, the Covid pause meant we didn't really get to gel as a team until the season started in June.

Not to use an age-old footy cliché, but this side genuinely improved each week as the season rolled on. The bounce didn't always go our way, but we were lucky enough to represent the club in a semi-final against eventual premiers Ramsgate (who we kept to their three lowest scores of the season). The boys all showed tremendous fight through each game and throughout the season, and all should be very proud of a fantastic season.

HARRISON BRISTOW

Co-captain. Captain fitness, Harrison showed he can consistently deliver at both training and on game day. A great leader of the team, Harrison was a big part of our excellent defensive line. We look forward to an even bigger season in 2021.

XAVIER BUSH

Xavier is a very talented footballer who reads the game well from centre half forward. He was a consistent goal scorer through the season and always put in a huge effort. Well done Xavier. A gun CHF who was always dominant. OLIVER FARRAR

Here is one competitor. I'm convinced Ollie is the poster child for "it's not the size of the dog in the fight, it's the size of the fight in the

dog." Ollie gave his all, week in and week out, and we look forward to seeing him give even more next season. Great listener.

LUCA GARDINER

Luca achieved the massive milestone of 100 games for the club. Well done Luca. Always there, always contributing, Luca is the ultimate clubman. Sneaky forward flanker with tonnes of potential. Great season.

HUNTER GIBSON

Hunter had a great season, particularly in the second half where he helped sharpen up our attack, always presenting as a threat to the opposition from the half forward flank. Great season Hunter. Our best trainer who was a real pleasure to have in the team, looking forward to 2021.

It was Marlo's debut AFL season this year. He is a naturally gifted athlete and quickly adapted to the game. He played predominantly in our strong backline and displayed some great footy skills throughout. Loved feedback.

CORMAC JOHNSTON

Cormac is a natural footballer, always dependable, always contributing. Playing predominantly centre half back, Cormac is an expert at turning defence into attack. Another brilliant season, well done. A footballer.

HENRY JORDAN

Henry found his position in 2020 at half back flank. His ability to leave his man to repel an attack was second to none. Kicking in the off season and plenty of fitness will set him up for an even bigger season in 2021. Most Improved.

TOM KILLINGSWORTH

Tom played full forward and fullback for us and was always in the action. Most memorable game was the semifinal where he saved a number of certain goals with a masterful display. Huge effort Tom. The next Stephen Silvagni.

AIDAN LANG

Aidan had another fantastic season for the Greyhounds, whether in the centres or in the goal square. Fast and full of second efforts, Aidan was always in the thick of it. Great ability to read the play. Well done Aidan.

SHEA MILLWARD

Shea utilised his pace in the midfield to ensure the team was always in the contest. The highlight of the season was him laying multiple ball-winning tackles on much bigger opposition in our game against

Wests. Impressive. Excellent sweeper in defence. Most Courageous.

JAMES MORRISON

James was typically in everything and we utilised his skills and competitive nature throughout the season. If he wasn't dominating in the centre, he was trying to kick goals or flatten the opposition's biggest players. Brilliant season.

ISAAC PLACENCIA

Isaac worked hard in the pre-season and definitely improved in his game awareness and play around the ball. Can play anywhere and still one of the best kicks in the team. Great effort Isaac.

CHANDLER RAMEAR

Chandler burst into the season in Rd1 and was involved in everything, including kicking a goal. Was a great contributor and always hard at the ball and big on his second efforts. Great in play with excellent disposals. Fantastic to coach, great vear.

FINLAY SWIFT

Finn worked really hard on his handballing and drop punts over the year to huge effect. Great effort. Always willing, Finn is a great team player always looking for a way to get involved.

FELIX TRETHEWEY

Felix was our other co-captain and in true style led by his team-focused actions. Alternating between fullback and full forward, his most memorable game was against Wests, which included a three-goal haul. Thanks Felix, awesome season.

MAX WIGNALL

Max made the ruck his own this season and was always up for it. It was not only at the reset where he contributed, with the team regularly aided by his trusty boot. Well done on a great season. Excellent effort in learning your craft.

ELLIOT WOOD

Elliot started the season recovering from a broken toe but you wouldn't have known it. Dominating around the park most weekends, competing hard in every play, Elliot was always there to put in. Brilliant season. Super sponge with the ability to deliver.

'm so proud of what this team has achieved this year. In what has been a difficult year, the boys showed plenty of resilience. Chris and I challenged them a bit more this season by getting them to think about team structures and they responded well. We were restricted with training time as several sessions were cancelled due to the weather, so to play as well as they did, with not a lot of time together, is testament to their character.

The last game of the year against Easts was one of the proudest moments I've had as a coach. To come back from where we were and keep them scoreless in the second half was a fantastic effort.

I look forward to seeing them grow in confidence and improve even further next season. A fantastic season guys!

A special thanks to Chris Barnes for his awesome support as assistant coach and to Craig Paxton for keeping us up to date and on track as our team manager.

JACKSON BARNES

Jacko had a brilliant season this year. I've coached Jacko over the past couple of seasons and this year he really grew in confidence. His aggression on the ball was fantastic, his marking and handballing were areas of profound improvement. Jacko really dominated the ruck for us, particularly in the last four or five games of the season. Always attentive, always reliable. Great stuff Jacko.

ALEXANDER BRISCOE

AB rarely had a bad game. He provided plenty of run out of the middle, was strong in defence and when the chips were down, he stood up. AB was a great utility player for us and when you set him a task, the job would get done. His tackling and pressure around the footy was fantastic and would often win the hard ball. Well done AB.

ALEXANDER BROWN

The final five games of the season saw Alex become a confident and aggressive defender with a strong attack on the ball and a deadly clearing kick when under pressure. This transitioned into an ability to contribute in the midfield where he showed a great balance of ballwinning skills and a team-first defensive mindset. There are great signs of what's to come for a player willing to work this hard.

REAGAN BURNS

There is no doubt that if we had Reagan all season he would have become a deadly defender and a dominating midfield sweeper. His confidence grew from week to week, along with his skills. The final game of the season was his absolute best. Tackle-busting runs and thumping kicks are his trademark and we cannot wait to see how he continues to develop next year.

ALEXANDER CHRISTOFIDES

Alex played consistent footy for us all year. He had a really strong running game and showed no hesitation in taking on the opposition. Alex had a strong marking game and he thrived on winning pressure football. His attack on the footy was aggressive and I particularly liked seeing him in

open space with the ball. Well done on an awesome season Alex. HARI FY CHUGG

Harley was an incredibly versatile player for us this season. He held down midfield minutes as both a handy ruckman and an aggressive sweeper. He looked dangerous in front of goal as a forward, and provided a strong clearing kick out of trouble when in defence. He was one of our best field kickers and confident in a pack mark.

LUCIAN COVENEY

Lucian's Rd6 game vs Maroubra was a revelation. Time and again he attacked the ball with confidence and skill. It was the turning point of his season. From this point on we saw a much more aggressive tackler, a more capable distributor of the ball and an overall contributor to our team-first defensive approach.

JOEL KENCHINGTON

Joel proved to be a very reliable and coachable player. He was a valuable addition in the ruck this season. He also proved to be a great target for us up forward. His reliability with his

drop punt and marking were great attributes and he should be proud of his season

OLIVER | FONESSA

Oli's passion and enthusiasm at training and on game day was infectious. For a little kid, he had a big heart. He was keen to learn and really worked hard to improve his skills. Oli played his best footy on the wing and wasn't afraid to take on bigger and more imposing players. There was always a thank-you after training and after the games. A pleasure to coach.

SAMIIFI MAYBURY

Sam was a very coachable young man with a desire to learn the skills and strategies of Aussie rules. He played with a growing confidence and willingness to attack the contest on game day, and showed a commitment to his skill development at training. His drop punt and marking skills were vastly improved as a result. RIIKI MERI IN

As our specialist wingman, Ruki loved the open space and the freedom to use his pace. That said, in our

final game of the season we saw how deadly he could be as a crumbing forward and goal sneak. His work in the final quarter was the key to our scoreboard pressure that almost pulled off the comeback of the year. Ruki is a wonderfully coachable young man with a big heart.

JASPER PATTINSON

Jasper really came to life in the last few games of the season. He was always a player I knew could have a real impact, as I'd seen last season. Once Jasper's confidence grew and he saw more of the football, he really showed the aggression and skills I knew he had. I look forward to seeing big things from Jasper next season. HAMISH PAXTON

The ever-reliable Hamish rarely had a bad game and his effort was always second to none. Hamish is aggressive, has great skills and a never-give-up attitude. Hamish should be proud of the season he's had this year. HUGH SINCLAIR

I've coached Hugh for the past three years and had seen glimpses of a very capable footballer. This season, it took Hugh a while to find his confidence, but after a quiet chat before the last two games of the year, Hugh really cut loose and played as well as anyone in the team. The last game he kicked three fantastic goals and proved he has what it takes to be a valuable contributor to any team. Awesome job Hugh.

CHARLES STENSTROM

Charles should be so proud of his improvement this season. He grew in confidence from week to week and this was most evident in his attack on the ball in congested situations and his confident and competent marking under pressure. He was a vital piece in the amazing defensive effort in our final game, keeping Easts scoreless in the second half to give our team the best chance of a win.

CHARLIE WOODALL

Charlie's season turned the corner in Rd6 vs Maroubra as he became a human wrecking ball with this attack on the ball. This confidence then continued to grow week by week as he transformed into our best defensive midfielder and our most prolific goal kicker. The strength of his drop punt relieved pressure when in defence and put the opposition under extreme pressure when in attack.

020 - What a year. The best of times and the worst of times. After the delayed start to the season for the thing that shall not be named we were advised the week before the first game by the AFL that U12YG will be split in divisions. This miscommunication may also be due to the management (me predominantly) potentially missing earlier AFL correspondence during the lock down. Glebe in the true spirit of fairness and integrity had attempted to split the teams down the middle before being aware of the divisionalisation and decided in our wisdom we would continue this honourable policy instead of making wholesale changes in the last week before the first delayed game. 3 minutes into our first game against a very strong Div1 Bulldogs team comprising 7 academy kids I was regretting our honourable decision but we stayed the course for the entire season.

Report by Matt Wakelin

I am very proud of our girls and the way they approached every game in the knowledge they were going to face the strongest team that the opposition club could field. Our Div1 team had the full cross section of experience and abilities with

some first year players right up to a couple of our most talented seasoned campaigners so it was a challenge to train and to communicate on game day to this broad audience.

The girls turned up with a smile on their face (mostly) and just happy to be hanging out with their mates giving it a red hot go (mostly). It has been my absolute pleasure to coach this group of girls (mostly) and although we haven't had any wins this year we played in the right spirit and the way junior kids football should be played, hard (mostly) fair (always) and having fun with their friends (mostly - except when we played the Bulldogs). Although we didn't have any wins, we had numerous close losses and I believe the girls improved throughout the season and they turned up to training every week with a smile on their face and completely ignored me for an hour and a half (mostly).

It has been an absolute pleasure to coach this group of girls and they are a credit to their parents who I've had the good fortune to be associated with for most of them for 3 years. The parents put up with my constant shouting of instructions and encouragement (mostly) and are always there to step up to volunteer for everything that needs to be done. Special thanks to Dan Walsh the manager extraordinaire, Adrian Wauchope for his tireless runner efforts and company through the heavy losses and Phil Walker for his assistance most weeks at training and support for my at times over zealous expectations of 12 year old girls to committing to the contest and sticking that god damn tackle. Biggest thanks of course are to the girls, thanks for a fun year, I hope you enjoyed yourself and perhaps even improved and we hope to see you back next year.

MARGOT BASS-TRACY

A breakout year for Margot, she always had the skills and looked the part but in 2020 she realised footy is largely about the hunger to compete and win the one on one's and she was the go to person for a lock down role in defence.

MARGARET COONEY

The skills, the speed and the fitness, Maggie has got it all and a brilliant person. Maggie had some absolute blinders this year and would tear the game apart and the next challenge for Maggie is to do it every week as all the greats do.

CAMRYN FITZPATRICK

Well done Camryn for your first year of footy and welcome to the club. A natural footballer, a great kick and a lovely human – 3 very important life attributes.

MAXINE HAWKINS

The quickest hand to foot speed in the AFL, Maxi will have 3 players hanging off of her while running at full speed and still manage to get the kick away. Love your work.

A natural athlete and natural footballer with the most natural overhead marking technique I've ever seen for a first-year player, unless she was making it up, although from her handballing in the early games I don't think she was. Well done Ivy.

ELIZABETH JONES

Well done Lizzie on your first year at Glebe. Quick and agile and has all the skills and was a great influence on the group with her quick smile and great attitude.

MOLLY MCGAHAN

You can give Molly any job and she will more than fill that role with her hunt for the pill and the enjoyment of the contest. Well done Molly and hopefully you can talk your Dad into coming up to U14 next year.

GABRIELLA MATTHEWS

Gabriella is not one to leap into a contest without a little conversation and consideration but this year she embraced "the first thing is invariably the right thing in football" and her quick hands were something to behold.

EDIE STAFFORD

Edie was Justin Westhoff for us this year, the unsung utility of the team forward, back or put her in the ruck she was always ready to do her bit. Thanks Edie for being our Hoff.

MEG THUESEN

Well done Meg on a great first year of AFL. She's fast and she's strong and is a natural competitor and she started to influence the games more and more with great contests and pressure. See you next year.

LENI BELLE WAKELIN

Leni is a big game player and after a slow start she started to find some form and take some

AMELIA WALKER

The smiling assassin - lovely kid but a serious competitor. Amelia almost single handedly kept us in the Bulldogs game with her will to compete and tackle pressure. It's a pleasure to have her in our team. FRANCES WAISH

Frank the enigma – she wears her heart on her sleeve but yet you just don't quite know what she's

thinking? Confusing I know. At her best when she's given some space and not too far from goal, reach for the stars Frank.

OLIVIA WAUCHOPE

Olivia is a natural athlete and created some serious rebound off half back this year but what has impressed me most is her physicality and her tackling, bringing down girls twice her size with sheer determination and will to compete.

HEAD COACH Anastasia Gong MANAGER Blair Lennon

ery early one Sunday morning in July, the U12YG Whites came together. The team was a mix of U12YG from 2019, U10YG who had moved up to the older age group and brand new recruits who had never played a game of footy before. Very quickly the team started to form as the girls got to know each other, their game skills and decision making developed, and they had an amazing season of footy!

The season focus was: skills, friendships and teamwork. At training, friendship seemed to be the highlight, but with each game their skills improved and fantastic teamwork shone through. Each game, the girls put in 100% commitment and determination, fearlessly taking on any opponent. As the season progressed, the team got to know each other's strengths, helped each other and grew in confidence.

The culmination was the semifinal where, although they lost, they could hold their heads high. They fought until the final siren, shepherding, passing, kicking and just "going for it" when the opportunity was there, to put on an impressive display of how far they had come individually and as a team.

Mava shows hunger for the ball. She sticks to her opponent while being ready to attack at any time. She has all round great skills and steps up to play any position on the field. Took some impressive marks with confidence during the season, which is especially commendable for a new player. HARPER REID

Harper is an enthusiastic player who can dodge and out-run the pack. She courageously takes on any player and is always looking for the ball. She is a great team player, who will pass the ball and shepherd at every opportunity. A great footy thinker, who analyses the opposition and the play.

AMADEA RUBJE

Amadea has impressive Handball skills and is another player who took some great marks during the season. She is a solid and dependable defender, saving many goals and clearing the ball. A great player in any position.

SOFIA SPRANGE

Sofia is consistently looking for the ball and keeping up with the play. She selflessly assists her teammates, her shepherding skills stopping many opposition tackles. She found her niche in the forwards - scoring and assisting in some great goals during the season.

ELLA UTUMAPU

Ella is fast, fearless and ferocious, and will attack any ball or opponent who comes her way. She consistently is able to get the ball out of the pack, and make ground, with drive and determination.

I IIFI I A WAI SH

season that ended in a heartbreaking five-point preliminary final defeat to the eventual premiers was one of huge progress and a great foundation for next year. The development of our players, their confidence and game style in a short season is something they should be proud of. The character of this team was shown when they recovered from an 11-goal loss to the Northern Lights six weeks before the finals and a deflating 20-point loss to them two weeks prior to finals. Coming back from 24 points down at half time to lose the final by five points (ball in our goal square as the siren went) was an inspiring and courageous effort.

Looking back, pre-season was a blast before COVID hit, with all the boys getting some quality fitness and skills sessions at Camperdown Oval. The highlight was the work with the 15 meter 'Serpent' battle rope, running it around the oval as a team in the summer heat then finishing with a tug-of-war battle each session. A bunch of new players joined the pre-season training and were welcomed with open arms by the old guard, and by March it looked like the U13 group was possibly going to field three teams (up from two in 2019).

Post-lockdown, the group was thrilled just to be back preparing for the shortened season with the hope of playing finals. Despite losing key players to injury in the early rounds, the group began to make strides as a team. Players were able to settle into consistent positions on the ground and learn their role. As that evolved, so did huge steps in confidence, trust in each other and communication. The ball movement began to flow and so did the wins.

Making finals was a huge thrill for a team who won only once last year. This team wasn't content in just making up the numbers. They took the fight to the Northern Lights, and were seconds away from snatching an amazing victory against a very good side. The resilience of this team and the disappointment felt post-match are two wonderful ingredients to drive the season in 2021, which most of us wish could start immediately. We love coaching this group.

Thank you to Matt Saggers, whose structured warm-up, stretching and fitness regime helped us avoid any soft-tissue injuries. Every week Matt brings such enthusiasm and energy (plus banner making) to the whole group, making it so enjoyable to be part of. Also thank you to Nick Rumpff for his running and

communication skills with the boys, and Matt Lewis in a difficult year for team managers but who handled everything so brilliantly. Thank you to Matt Smith and the U12 boys who played up and starred when we were short. Special mention to Jenny Richardson who took amazing photos each week, and lastly thank you to the parents who volunteered and most importantly supported the boys this year. Bring on 2021.

Unfortunately, Will was struck down with appendicitis mid-season, which kept him to only four games, but his return for finals was a real boost to the team, giving Connor impactful support in the ruck.

ZACHARY COULL

After completing some sort of eightweek COVID boot camp with his father, Zac turned up to the season restart as fit as anyone. His physical approach makes the players around him walk taller and helps the team lock the ball in our forward 50. Zac avoided major injury this season, which saw his skills and awareness improve greatly.

FINN DAUPHINEE

Finn joined the Greyhounds in 2020 and had an immediate impact on the team. His size, speed and marking ability caught the coaches' eye from the first training session. Well done to talent scout Matt Saggers for getting Finn down to training. Finn had a sensational year as our leading goal kicker 17 goals).

FINN DERMODY

Finn built on an outstanding 2019 with an even better 2020. Finn was a rock across half back for the U13s and never lost a one-on-one contest. He also did some heroic tagging roles in the midfield, running all day and nullifying opponents. Finn is a great team man, a pleasure to coach.

CHARLIF GILPIN

Charlie was voted captain by his peers and worked hard to win the contested ball for his teammates, ran all day and rarely wasted a possession. Charlie's fitness and overhead marking was a standout this year and he should be pleased with a really consistent season in 2020.

I FO HOFNIG

Leo, as he does every year, turned up keen to play and eager to progress in 2020. While occasionally hampered by knee issues, Leo played through the pain to be an important contributor for the team. Leo reads the ball really well and is all set for a big 2021.

BENJAMIN HUNT

With the introduction of some new players in 2020, Benny could spend more time on the wing rather than in the centre. This, combined with the larger ground size in U13s, saw Benny have his best year since U10s. He grew in

confidence with each game, contesting harder and harder each week.

HARRY KEEPING

Harry had a fantastic pre-season and was hitting some form when he broke his toe in a soccer mishap. Harry courageously returned for the final, having his pins removed from his toe a week earlier. His teammates were ecstatic. Harry attended every game while injured and did running duties to stay involved. A real insight into his fantastic character and commitment. WILLIAM KILLEN

Will was much more attacking in 2020 as his confidence grew from week to week. Due to an early injury, Will played the final up on the wing and was outstanding. His contested marks, kicking and tackling were first class. His disappointment after the final loss was evident and we hope he carries that desire to go a step further next year.

JOEL LEWIS

Joel improved more than any other player in 2020. Joel's ability to win the ball in the contest, break tackles, get the ball to a teammate and apply protection was elite. Joel stood up for his teammates and played hard Greyhound football. Joel should be really proud of his season in 2020 and is one of the main reasons why the team improved so much.

ROBERTILOYD

In 2020 Robbie was able to settle across half back next to his good mate Jacko and from there built an impressive season of football. Always playing tight on his player, Robbie was rarely beaten and his ability to clear the ball from the backline with effective disposal was a big reason for the team's improvement in 2020. EDISON LOW

Eddie came to us in the pre-season and made an impression immediately, so much so the playing group voted him vice-captain after only a few months of training. Eddie has very smooth skills and reads the play like a 30-year veteran. His leadership during the game was another main reason why the team improved so much in 2020

REMY MORROW

Remy moved from Div 3 to Div 2 in 2020, bringing his strong attack on the ball and tackling skills. Playing mostly in the midfield and wing position, Remy put in some really solid games, helping the team pressure the opposition and cause turnovers. Remy

has a great foundation to build on in 2021

WILLIAM NICHOLS

Will had another sensational year at the Greyhounds in 2020. His effort at fullback on much larger opponents was simply heroic, always contesting and defending relentlessly. This season saw him have a much more settled backline around him that helped all the defenders support each other and work as a cohesive unit. FYNN ROCHE

Fynn is fast, fit and tackles like a freight train (rugby influence). Fynn created multiple turnovers from his contested effort, which gave us stoppage leverage in most games. Fynn really showed the way for other players to attack the contest and the ball, and was one of the main reasons why the team improved so much in that area. IACKSON RUMPER

Jacko transformed as a player in 2020. His skills, reading of the play and support for his teammates was elite. Settling across half back this year allowed him to develop confidence in his role. Often mismatched against a larger opponent, Jacko defended hard, providing poise and polish across half back, gliding through tacklers to rebound out of the backline with accurate kicks.

KEATON SAGGERS

Finally, with the introduction of some new key position players in 2020, Keaton was able to move to a more realistic position as a half forward. Keaton is an awesome competitor and when the ball hits the ground is a master at extracting it and swinging on to his trusty left foot. His overhead marking improved significantly during the season as a key element to his game. CONNOR SHIELDS

Connor put in a lion-hearted season in 2020. With his ruck partner going down to injury early in the season, Connor was forced to carry the ruck load solo in most games. He had some dominant performances in ruck and as his fitness improved during the season that domination was more regular. KYNA WILD

Kyna moved from Div 3 to Div 2 in 2020 off the back of a great pre-season where he worked hard to improve his game. Improvement was evident when he was thrust into the backline during the final because of a height mismatch and had his best game of the year, taking some towering marks and clearing the ball to the wing.

HEAD COACH Sam Winter ASSISTANT/TEAM COACHES Leon Walker, Tim Wild, Anthony Fickler MANAGER Sam Culshaw, Alison Ryan

he U13s got off to a great start to the year with a strong pre-season that stood them in good stead for the competition ahead, with a highlight being Matt's "doubleheaded serpent" rope which the boys carried on laps of the oval and used for tug-of-war.

Unfortunately with the break, much of the early hard work was lost, but the team still worked hard on the training track after the break. Without the re-grading this year, there were a couple of really strong teams who dominated the competition, making it tough for others.

But it was a great test for the boys' resilience and an important life lesson in not being deterred when suffering a heavy loss - none more so than the really wet and cold day we went down to the top side, Ramsgate, on their paddock, which was completely under water.

While it was a tough season, there were lots of positive takeaways, and the boys' games all developed well.

We also welcomed a number of new players to the team in Cooper, Caelum, George, Alex, Lucas and Reilly. This was a great numbers boost which hopefully will continue

next season.

Huge thanks to Leon, Tim and Anthony for all their hard work on the training track and at games, as well as to Sam and Alison for their tireless team management that kept us on track. Thanks also to all the parents for their support, and helping out with matchday duties – especially to Lucy for all the boundary umpiring.

Finally, thank you to the boys for their passion, focus and putting their bodies on the line each week for each other. Hopefully they'll all be back next season.

COOPER BARNETT

In his first year of AFL, Cooper's game developed in leaps and bounds through the season. Cooper became a really valuable contributor and his kicking improved massively, to the point that he was a regular goal kicker up forward.

THOMAS BORONSKI

Tom had another great season in the backline, with strong shepherding and spoiling, and fantastic second efforts and runs out of half back. GEORGE BROOKER

George was a huge addition to the Whites this year. He was a regular thorn in the opposition defence, providing relentless pressure in his search for action up forward. With his strong overhead marks and huge boot, George quickly cemented himself as our go-to player at centre half forward.

CAELUM BROTHERS

Caelum starred in both the forward line and the midfield with his strength, aggression, speed, ability to break a tackle and silky ball skills. When he puts his mind to it, Caelum has a hell of a lot to offer, and on many occasions in 2020 he was one of our best players.

JASPER CULSHAW

position on the wing, and loved the

freedom to run. With some Ronaldoesque soccer skills, Gus made good use of the newfound ability to soccer off the ground this year.

ASTON DALES

Aston really found his home on the Whites half-back line this year. Often given licence to roam as the loose man in defence, Aston played the role superbly with a fantastic attitude and a lovely temperament.

TOM EVANS

Always a great team man, Tom is quick to share a laugh and is great for team morale and camaraderie. Tom also has the ability to really influence games with his hard running in the guts, and great goal-kicking ability up forward.

OSCAR FICKLER

Oscar again played much of the season in his favourite position at full forward. Oscar has worked hard on kicking accuracy and this paid off whenever he was near goal. Though there was less of the ball up forward this year, Oscar was always hunting it down when the ball came in.

HUGH GIBBONS

A stalwart defender, Hugh is another of our backline generals, sharing the full back role with Ned. Hugh displays a fantastic attitude, working

WWW.GLEBEJAFC.ORG.AU

hard on the training track and never giving up on game day. REILIY GRIFFIN

In his first year for the club, Reilly slotted in to the backline and played with great gusto, with strong tackling, shepherding and spoiling. **RORY HARE**

Again Rory was a key to our midfield, with his in and under play and winning plenty of hard-ball gets. Rory plays a fantastic brand of footy – always working hard, putting his body on the line and running all day. JOSEPH HARRIS

What a standout season for Joseph! His rucking this year was nothing short of phenomenal. Even against the toughest teams in the competition, Jo won the majority of ruck contests and barely rested off the ball. Reminiscent of Nic Naitanui, with strong overhead marking and a lovely kick for goal, Jo did the coaches proud and is a highly deserving winner of our B&F.

ALEXANDER JONES

Sandy's skills and ball kicking have really improved in his second year with the club. He always finds plenty of the ball and has really improved his disposal. Sandy's friendly demeanor again made him a popular team man and a pleasure to coach. JASPER JONES

In only his second season, Jasper had a standout year. Jasper became our tackling machine and an enforcer in defence. Always putting his body on the line and to do the job that's given to him, Jasper is a deserving winner of the Coaches Award.

Lucas has been a valuable contributor for the club for a number of years now. After playing some great footy early in the season, Lucas decided to take some time out. The coaches all hope that he returns next year as he's a huge asset to the club with great

run in the middle and awesome goalkicking ability. NFDIARKE

With Joseph taking on most of the ruck work this year, Ned spent a lot of time back in his familiar position of full back. Ned was our backline general - always great at reading the play and directing the troops. With his can-do attitude, mild-mannered nature, but fierce determination, Ned was again a joy to coach.

Louis was a regular thorn in the

opposition attack with relentless pressure in defence, as well as some serious pace when he pushed the accelerator. Louis also relished the opportunities he was given on the wing and up forward, where he could run with greater freedom.

LEVON MORDUE

With his wily left boot, Levon again played some great footy in the forward line. With a fantastic happygo-lucky attitude, he's a great team man, and gave the coaches a bit of a chuckle early in the season when we turned to our bench in the first quarter to see Levon devouring a pie – the food of champions!

LACHLAN MURPHY

Lachy was again a great contributor to the Whites, playing varied positions across the ground, demonstrating solid defence but also a great kick for goal. Lachy's kicking has really improved again this season.

ALEXANDER TAM

Alex rejoined the Whites late in the season and what a huge addition he was to the team, giving his all every game. Alex was super versatile, playing mainly in the middle but also providing great options up forward with his strong marking. Always a keen listener, wanting to learn and improve, we hope he returns next vear.

LUCAS VELOZ

2020 was Lucas's first season at the Greyhounds and what a way to start his career at the club, picking up runner-up for B&F. Lucas dominated the midfield with his speed, silky ball skills and in-and-under play. Super keen and always eager to be among the action, it was a pleasure to welcome Lucas to the club, and also to see him get some well-deserved game time in the Div 2 team.

SAMUEL WALKER

Sam is as tough as they come and a natural centre player with a huge engine. He is one of our fittest players and can run all day. With his never-give-in determination, and enthusiastic attitude and leadership, Sam is a deserving winner of the Players' Player award.

ZACHARY WINTER

This year Zac was released from his traditional position in the backline and given licence to run on the wing, which he relished. His kicking and ball getting ability really improved through the season.

HEAD COACH Simon Tracy ASSISTANT COACHES Cam Day, Paul Andreacchio MANAGER Christian Rugge-Price

he story of a footy team can only be told in hindsight. Each season is a chapter that unfolds incrementally through the preseason meetings, training sessions, injuries, the result of a game, hell the result of a single contest, but the full story can only be told once it's all said and done. The story of this team is already a ripper, players who have played together since Auskick, three Div 1 Grand Finals in a row, a Premiership in an undefeated season, but it's not finished, the final chapters are yet to be written and while we don't understand how season 2020 fits into the overall varn, it might be significant for a bunch of reasons

Having lost the Grand Final in 2019 there was agreement amongst the players and coaches we needed to change things, to be different to stay competitive. Paul joined Simon and Cam in the coaching group, a new game plan that would see players in new positions, and positions played in new ways was developed. We welcomed two new players into the group, Harry and Nick (Haz and Nicky D), and for the first time a leadership group of Nick A and Archie as captains and Alec and Felix as vice captains. We looked different, it felt different, we were excited to hit the training track and start to put it into practice. Then we were hit with COVID restrictions and everything stopped.

The boys didn't just accept it and

rallied with Sunday morning bay run sessions, Tuesday night Zoom fitness sessions and on Saturday mornings players were paired up and hit the park together for a Zoom skills session. One day we had 16 players at seven parks around the inner west logging in for the session. Amazing.

With the season restart announced we lost Nick A with a broken collar bone in a practice match prior to round 1. To say Nick was a big loss for the season is an understatement, the coaches and players needed to regroup and reassess.

The season didn't start according to plan, we made the inaugural trip to Ingleburn, the new kids in the harbour comp, in torrential rain with no bench and got, ahem, towelled up. The crunch point came when we lost to Manly in round 3 with a score line that flattered us. The coaches turned to the leadership group for answers, and a quick 15 minute zoom meeting went for an hour and their thoughts poured out. There was a feeling amongst the group they knew they were better than this, that it may not have been an ideal start to the season but it could restart from now

Changes were made, magnets spun, and they worked, but it was the boys who put it all together, learning how to play positions, listening to the coaches, captains leading on-field, and the effort across the whole team lifted. We lost Charlie R to a cruel injury (not at footy), but the will of the team drove an incredible mid-season resurgence that saw us storm home to beat Easts and Ingleburn at Jubilee. We didn't sneak into the finals unfortunately, leaving the teams in the top four mightily relieved, but nine rounds was just not quite enough games for us.

Thank you to Christian for managing again this year, as organised and professional as ever. To Dan K, Greg and Dave thank you for running, thanks Amanda for ground managing every week at Jubilee, thanks Brad, Dan O and Nick A for running boundary and James for goal umpiring every week, even in the rain at Ingleburn. And to all the parents who did their canteen duty, thank you. It's great to have had the opportunity to get to know each other better selling pies for 90 minutes.

And finally to the players, the story of 2020 may not have been what we planned for, but you should be enormously proud of yourselves. From a season shrouded in uncertainty and adversity, you showed yourselves to be men of great character and resilience. You came from a long way back to adapt and rise to meet the challenge, all because you wanted to be better. The coaches have been so impressed with you all as a group, not just because you play great footy, but because you are all such good people and such great mates. Nick A and Charlie R come into a better team in 2021, and that's all down to you. Carna Greyhounds.

Nick earned selection as one of our captains, but his season was cut short with a broken collar bone before it began during a practice match, but that didn't stop him coming to every game, running the boundary, leading the pre-game warm up and taking drills at training. His insights from the sidelines helped turn the season around. We'll welcome him back with open arms in 2021.

LUCAS ARDAGNA

In 2020 we saw a new side to Lucas, the animal, and we liked it. With a strong preseason under his belt he teamed with Toby in the ruck and moved to full forward where he was able to use his strength and height to become a marking option. However it was his new found desire to chase and shepherd, and lay devastating tackles that saw the animal released. Keep going Lucas, it was great.

CHARLIE BASS-TRACY

Chaz always put the team first, consistently giving 100% at training and playing his best footy when he was attacking the ball and playing his role for the team, whether that was halving contests in defence,

WWW.GLEBEJAFC.ORG.AU

pressuring opposition on the wing, or even making a cameo in the forward line towards the end of the season. Chaz loves playing in the team and is always looking to improve. Great season Chaz.

ARCHIE CHRISTIE-DAY

Silky skills, a ball magnet, booming kick, averaged almost two goals a game, a leader on and off the field, Archie is the player every club wants. Luckily he plays for Glebe. Arch made his stamp on 2020 with a B&F winning performance, picking up the Goal Kicking Award as well. Smart, humble and well liked by his teammates, Arch has had another great season.

LUCA COONEY

Luca played most of the season across half back and into the midfield. His silky skills, in particular his pinpoint kicking and quick hands out of congestion were important as usual, but as the season wore on he lifted to be integral in linking defence to attack as he moved to half back to on ball. Fantastic season Luca.

Nicky D was a new recruit from another club in 2020 and impressed

coaches early with his effortless skills and as a great runner. He played most of the season in defence and pushing up to the wing where he won the ball and used his tank running into space. Welcome to the Greyhounds Nick, congratulations on your first season. NICK EDWARDS

Mr Consistent, #1 Switch, Nick

Positive D, the coaches really need to settle on a nickname for, err... Nick. In a short season with a new game plan and disrupted preparation he was a revelation. During the match review of the first Ingleburn game there were examples of every player not doing what they were supposed to, not being where they were supposed to be, except Nick, just shots of him running off half back, playing in front, kicking the ball inboard to a teammate. Great work Nick.

RUPERT GILLIES

Rupert has always been a good runner with a big tank, and this year he got the chance to use it on-ball where he combined his pace with grunt. He tackled like a mad man, then followed up with second and third efforts, then chimed in for some handy goals when he went forward as well. Great job Rupert.

NELSON HARRIS

Nelson settled on the wing this season, and swung back into defence when required. He remains one of the best runners, not just in the team but the competition, and there are few better sights that Nelly in space, taking a bounce with the wind in his latest do as he sets off down the wing. Totally a drip season Nelson.

WILL KENNY

Following the disastrous Manly game, Will sent a message to the coaches saying he wanted to play down back. Will felt that we missed too many marks, and he's pretty good at marking so he wanted to have a go. Sure, have ago, it can't possibly be worse. Well, not only was it not worse, it was a revelation. Will spent the rest of the season in career best form spoiling forward entries, monstering opponents and even kicking goals. Amazing Will, well done on your best season so far.

ALEC LONGVILLE

Alec started the season in his usual role of terrifying opposition forwards and bringing much needed grunt to the midfield, but as a leader in the team he set the standard for physical effort on the field and setting the

example at training. A late season request to play forward gave him some opportunities to learn a new position and back up the talk at training. Awesome season Alec.

HARRY MCCARTHY

Harry joined the Greyhounds as an off season recruit, and from his first training run we knew he could play, and he became handy up forward and as an option to play on ball, but more importantly he fit seamlessly in with the boys, never missing a Sunday morning bay run or the Zoom training sessions. His reputation in the team was cemented after speaking poetically to the group at training about a memorable off the ball incident. Welcome aboard Haz. ARIO MERFWETHER

We talk a lot about players' running ability, and then there is Arlo. Every now and again we get to see Arlo win the ball and accelerate away or race an opponent to the ball, and it's fantastic. Arlo played between midfield and defence this year and improved every week, partly because he is competitive, but mostly because he wants to get better, he asks for advice and listens. Well played Arlo.

OLI O'CALLAGHAN

Oli has been a stalwart of the midfield for a number of season where he has been the poster boy for second and third efforts, tackling pressure and a great overhead mark, but this year he was moved to play as a defensive forward and use his powers to keep the ball in the attacking zone and kick some goals along the way. His mark in the final game against Ingleburn was nothing short of spectacular.

ROWAN O'CONNOR

When the chips were down this year, and the team needed someone to lift, it was usually Rowan. He was important in defence, but became a regular playing on ball where his running and physical pressure was awesome. Rowan is another player who is always looking to improve and listens to the coaches. We talked a lot about team culture this year, and Rowan is the embodiment of how we play. Fantastic work Rowan.

There were a number of times during the year the coaches asked for something extra from the players, and when the team needed it, Louis was ready. Take the St Ives game for example, a tough contest but Louis was rock solid in defence taking four marks before kicking a couple of goals when he was moved forward. Well played Louis.

CHARLIE ROBERTS

Charlie started the season in great form, setting the standard against Easts, playing in defence and rotating to play on ball. Always a strong competitor, he was badly missed when his season was cut short by a serious school sport injury, but he still got along to games and helped the coaches from the box. Can't wait to have you back out there Charlie.

FELIX RUGGE-PRICE

2020 will mark the season when Felix made his stamp on the game. Always a quality player, this year Felix took his game to a new level, freed from the ruck to play the ball and forward and made an impact with strong marking, gut running and as a physical presence at the contest. Felix earned runner up B&F in the Harbour for U14-1, as well as runner up B&F for the team and shared winner of the players player, well deserved rewards for a fantastic season.

TOBY RYAN

Tobes' laconic demeanour is deceiving, and he turned up at preseason training a monster. He looked six foot, was smashing the bay run and clunking overhead marks from anywhere. He was given ruck duties with Lucas, played a crucial role in defence. and every week got better and better. Well done Tobes. BILL SMITH

In 2019 Bill won the club Defender of the Year Award for the Greyhounds. In 2020 he was moved to play centre half forward. Makes perfect sense. Bill learnt to play the position perfectly, not just taking extraordinary marks dragging the ball down with his fingertips and kicking important goals, but his positioning and willingness to run to right spots was fantastic and reflected in sharing the players player award as nominated by his teammates.

LUCA SMITH

Luca was another player who took his game to new heights as he developed into a wing specialist in 2020, using his run and tackling pressure to advantage, however it was his outstanding positioning that was so important to him owning the spot. He may have also picked up a handy few centimetres which didn't go astray.

his year was U14 Div 2's first as an Alliance team. We had a BBQ for the kids and drinks for the parents to meet and come together as one team after our first training night. We think that set a great tone early.

Despite the COVID interruptions and restrictions we think the boys continued to gel as a team through the shortened season. We hope that a key take away this year is the 3 P's the importance of playing as a team to Praise, Protect and Pick-up your teammates. To have confidence that your teammates would fly the flag and have your back.

After losing the first game, we got our season back on track with 3 straight wins against Maroubra, Manly and Mossman. The 1 point win over Mossman was particularly memorable as without a scoreboard, no one was entirely sure who had won the game when the siren went.

Importantly the lads improved through the course of the year, at times playing some scintillating footy. We were very proud of them and it was encouraging for the coaches to hear parents comment at season-end on the progression of the boys skills and teamwork throughout the year.

A big shout out to our assistant coach Andrew who did the running on game day and was always there to lend a hand on training nights. A more positive influence on the kids you could not find.

We can't thank Richard, our Team Manager enough. He is super organized taking things to the next level in our pre-season & with COVID, and as coaches I think we have found a new friend for life.

We look forward to seeing the lads and parents back for the Bloodhounds next year.

MAX ANDERSON

Hard as nails. He doesn't know any other way than to put his head over the ball. An in and under player that also regularly takes strong overhead marks. As fierce a competitor as they come. A vocal part of our team. IACK BAKER

JB is a workhorse at centre half forward. A fierce competitor never shirking a contest. Often competing in the air against 2 defenders, he never loses his feet and regularly crumbed his own contest. Has electric speed for a big man and often showed the opposition a clean pair of heels. SAM BATTEN

A welcome addition to the club. He has super speed and agility and demonstrates great composure when he has the ball. He played mainly on the ball as well as stints in the backline demonstrating his versatility. Silky Skills! IOF BYRNE

A fantastic club man and team player. The consummate professional always willing to put his body on the line. Aaron was a super reliable defender, accountable and strong at the contest...a real competitor who always gives 100%. Took some great marks under pressure.

JUSTIN LANE

Justin took on a new role this year playing as our centreman and was tearing things up until an unfortunate incident saw him miss a chunk of the year. Courage personified, it was great to see him back for the last game. Was regularly at training even when injured. OSCAR LYNN

Dusty Martin lookalike and strong at the contest. A team first player, willing to play whatever role needed for the team. He played forward, defense and on ball at times. When forward he took some strong marks, no fumbling when he gets his hands to the ball.

JAMES FULTON

Brings energy to the team, always using his voice, always up and about. Brings a bit of x factor at times. A great team man. Had a few niggling

He has a great football IQ and is a student of the game. Has great goal sense and an uncanny knack to find space in the forward line. An enthusiastic team mate with great presence with his voice to encourage his team mates – "Come on Boys" is his catch cry.

ATTICUS MCSHANE

Atti showed some exciting signs in the pre-season that he was in for a big year. Unfortunately circumstances

WWW.GLEBEJAFC.ORG.AU

curtailed his year from getting off the ground, but we look forward to seeing that pace and ability to find the goals next year.

SAM O'DRISCOLL

The Big O shot up to be the tallest in the team and took on rucking duties this year. He regularly dominated hit outs and continued to build chemistry with the midfield group as the year progressed, leading to some great centre clearances.

LUIS PLACENCIA

Was a key part of our defense. A pretty laid back character, but on the footy field he has great presence with his voice to help organise our defence. Reads the play well and relishes a contest. Not afraid to back himself in and read the play better than his opponent.

SAM RODGERS

Great to get the big fella back after a delayed start. Plays with presence up forward and loves a contest in the air, or to show his agility to crumb

his own work and kick a goal! Often pulls something out when the team needs it most.

JAMES SCHMIDT

James had a fantastic year, playing mostly up forward. A very smart footballer with great poise and balance. A great finisher with very polished skills. Not afraid to win the hard ball and regularly found a teammate. **OTTO STOLTENBERG**

Otto had a breakout year playing on ball. His ability to read the contest is second to none. He is hard at the ball, is a one touch player, and had an uncanny knack of getting forward to kick a goal. He undoubtedly would have won goal of the year.

FLYNN WADE SCHNEIDERS

HEAD COACHES Nick Martin, Mark Rowley ASSISTANT COACH Michael Carvosso MANAGER Carolyn Nas Jones

f anyone is seeking a reason why Glebe and Newtown form Alliance teams, then I present this year's U14 Div-3 Bloodhound side.

Just 12 months ago, Glebe and Newtown finished second to bottom and bottom of the table respectively, with both enduring multiple 'mercy rule' occasions. However, as a combined group in 2020, a new lease of life was discovered resulting in the boys remaining in the top 4 all season and hence making the semi-finals!

Much will no doubt be said about the disruptive nature of this season due to Covid, however, for the Div 3 team they took this in their stride and 2020 became focused on discovering new teammates, playing new roles, getting to enjoy the winning feeling, and most of all – having fun. The speed at which the two clubs became Bloodhounds is a credit to all.

The season started briskly with a win on the road over Cronulla with the team displaying great ball movement from defense to goal. Our accuracy in front of goals proved the winning edge, as was our ability to tackle hard and turn the ball over. The early win did highlight one area needing improvement – singing the combined team songs!

Another highlight for the season was a nail biting, come from behind, 3-point victory over Heathcote at Heathcote Oval. On a windy day the Hawks jumped to a 24-point advantage by quarter time kicking with the wind. However, the Bloodhounds used the wind to advantage in the 2nd and 3rd quarters whilst restricting the Hawks to just 2-points for the rest of the match to seal the victory.

The best example of how much the team improved over the season was demonstrated against Easts, the competition's eventual runner up. In round 3 we were quickly 'mercy ruled', and as a group we resolved to become a harder tackling and stronger contested ball team. In round 8, our new resolve paid dividends and we were within 4 points at three quarter time, going down by just 11 points at the game's end. The biggest compliment on the day came from an East player who remarked that the Bloodhounds had become a different team.

The boys' effort and intent during the semi-final was exemplary, up against an undefeated side whose average winning margin across the season was 10 goals plus. Despite the magnitude of the task, the Bloodhounds tackled fiercely, chased tirelessly, and hit packs courageously. The boys played right to the final siren, and whilst losing on the scoreboard, their spirit won the hearts of all those who watched.

As always, the support we received over the season was fantastic, with special mention going to Carolyn, our team manager, and Michael for his assistance at training. Lastly, to the parent group we say thanks for their willingness to pitch in, and also for their building voice from the boundary line as we look forward to this growing even louder next season.

JAY ANDREW

Jay continued his solid development as a key forward, not only taking contested marks but also getting contested possessions once the ball came to ground.

NICO BURCHAM

Nico continued to develop as a winger, providing great dash and ability to win the contested ball. **WILL CARVOSSO**

WILL CARVUSSU

Will took on arguably the hardest position to play being center half forward. He presented each week and used his long raking kick to full advantage, either scoring goals or getting the ball deep into the forwards.

OSCAR CIECHANOWICZ

One of the great improvers this season, especially with his willingness to attack the ball and make a contest as demonstrated to fine effect in the semi-final.

D'ARCY COOPER AYRES

Another good season from D'Arcy playing both in the ruck and also forward. His confidence grew during

WWW.GLEBEJAFC.ORG.AU

the season particularly with his ability to help the midfielder get clear of the packs.

CHARLES CURCIO

One of the great improvers this season, Charles' confidence grew quickly as he learnt to use his speed and skill to distribute the ball, resulting in him being amongst our best players in the semi-final. Most pleasing was his ability to show the same application whether as a mid, forward or back.

HENRY DANIELS

Being chosen by his peers as captain for the semi-final was testament to Henry's fine season and his capacity to lead by example with courageous football. He developed his game over the season with ability to play mids, wing and in the backline, becoming a true utility player.

JAKE DOPIERALA

Jake had a breakout game against the Sharks becoming a regular goal kicker as a small forward and captained the side that defeated the Hawks in a memorable away victory.

MAX DUNN

Max continued to develop as an AFL player and his willingness to make a contest and then distribute the ball with a quick and accurate hand ball was a delight to watch.

ODIN FARRY

Odin continued to develop his game moving from defense to the forward line. His ability to gather and distribute the ground ball with a quick handball was always impressive.

ZACH GRANT

A solid season from Zach who cemented his position on the half back flank by getting all the basics right. He became a great organiser of the backline during games, making sure the match ups were right and forwards were marked.

CHARLIE HEANEY-BREEN

Enthusiastic at both training and on game day, Chaz continued to develop as a winger showing a great combination of pace and endurance. MAX HERRON

Max led the way all season for hard tackling and second efforts, earning the admiration of teammates, coaches, and spectators alike. Starting in the back line, Max soon progressed to the midfield to dominate the contested ball gets. **TOM HILLARD**

A worthy winner of this year's best and fairest award. Tom was a mainstay for our midfield and he used his skills with hand and foot with great impact through the middle of the ground and going forward to score goals. Whilst not big in stature, Tom's confidence rapidly grew to become a strong contested ball player.

JOSHUA JAMES

Solid and consistent year from Joshua and he developed a dependable swing player with the ability to play back, forward or on the wing often with little notice and no fuss.

RUFUS LANE-HUMPHRIES

With a change of position to the last line of defence, Rufus began to excel, becoming one of the team's most reliable members showing a fantastic ability to read the ball in flight and taking critical intercept marks. **REMY MARESCH**

Mercurial at times with his skill and run through the center, he was regularly involved in quick transition of the ball from the back lines into attack. \rightarrow

JACK MARTIN

Another solid season on the last line of defense providing long reliable kickouts and intercept marks. Jack's strong and accurate kicking saw him move to the forwards by season's end. TOBY MOSSMAN

Toby's first season playing AFL and he looked right at home from the first bounce. He quickly impressed and as a result was regularly selected to play up for the Div-2 side.

JAMES NAS JONES

Another solid year from James as he continues to become one of the team's most reliable players - either on the wing, in the center or putting his hand up to mark the opposition's best running mid.

RAPHAEL QUOYLE

Raph was a popular choice for this year's player's-player. He showed

great skill as a forward as well as in defense, with a beautiful kick that always found a target or the goals. JASPER REUCASSEL

The team's chief motivator at the quarter breaks, Jasper showed great skill as a small forward and as the season progressed developed a much stronger desire for the contested ball. LEVI ROWLEY

Levi was a game day specialist and made the center half back position his own. His ability to make a contest and then drive the ball forward with a long kick made him an essential part of the team's defense all year. LINUS STAFFORD

A season cut short by injury. Linus showed great flare and dash in the opening games and we look forward to seeing more of this next year. Despite his injury he showed

continued team spirit by being a regular spectator to support the team.

PARKER STEVENSON

A season interrupted by injury. Parker returned late in the season to have a big impact in the midfield using his silky skills to transition the ball from defense to attack.

LUCA TRENT

This year's big improver and a deserved runner up in best a fairest award. Luca took on an enormous workload as our main ruck over the entire season, but it was his second and third efforts after the tap (including his famous toe poke) that set him apart.

DOM YARWOOD

Another solid season from Dom where he took on many roles as a forward, a back and in the ruck.

HEAD COACH Ian Millward ASSISTANT/TEAM COACHES Adrian Wauchope MANAGER Janneke Bird

020 - we start the year with fires and floods, get hit with a plague and end up looking like we'll have a famine of footy. While we were hoping for a 40th anniversary year of biblical proportions, I don't think any of that was what we had in mind!

But, the (COVID) waves parted, and through some kind of miracle we managed to get a great 7 games into season 2020.

Reflecting on the year, our training and our games, it was a season of incremental, but meaningful improvement. Somehow we pulled the team together under constrained and limited training, and played some bloody good footy! One thought I have had post season, was how where we ended up with our performance in games and at training in the last few weeks of the season, is ideally where we would have liked to have been at the start of the season – fully prepped and firing.

Maybe we should think of 2020 as our 2021 pre-season.

Some highlights for me from the

season:

Everyone shone, not necessarily every week, but everyone on the team had more than one standout game. As a result, picking our best and fairest each week was a really difficult job, and we had a great spread of votes across the team.

The constant positivity from the players, no matter what the outcome of the game was. It's great when they are calling out the good moments themselves, not dwelling on results.

Our one, rather convincing, win against Wests. This was not just about the win, but the fact that things we had talked about and worked on at training, came together. The girls stuck to the game plan and got the result.

The incremental improvements week on week, both at an individual level and as a cohesive team. It would have been great to have a few more weeks of playing to see what we could have done

Huge thanks to all those who helped make the season possible, and easier for me. To Janneke for taking on the managerial duties again and doing such an amazing job. Adrian for all his assistance in training , warm up and on the sidelines and to all the parents for helping out with their assigned duties and their support through the year. \rightarrow

XANTHE BIRD

We saw huge growth in Xanthe this year, bringing great physicality into her game, dishing out solid bumps and tough tackling, as well as continuing to improve all her skills. We were confident to play her in any position and knew she'd bring her best. This was never demonstrated better than in our last game of the year when we slipped her to full back and she gave a standout, best-on-ground performance.

FRANCES DOYLE

She might be small, but she packs a wallop! Frances had a great 2nd season, continuing her tough tackling and fierce attack on the ball, leaving a few sore heads in her wake. But what was more pleasing to see was the effort she put into her skills on the back of the team's kicking clinic. Her focus and determination will definitely see her continue to grow as a player in the years ahead.

MAYA GROSSER

Someone has to own the goal square and Maya has made it her own. Whether at full back or full forward, it was great to see Maya showing adaptability, intuition and initiative in both positions. We are confident Maya is going to bring even more to her game in coming seasons.

MATISSE LIU

Our most experienced player, with even more games under her belt than many boys the same age, Matisse is just a great player to watch. Everything seems effortless for her as she wins contested balls, delivers sharp passes and sails the ball between the sticks. Matisse's strong, accurate kicking saw her share this year's Golden Boot for our team.

LUCINDA LYNN

Strong, fast and a great athlete, we saw Lucinda's confidence grow in proportion to her ability this year. Backing herself with long runs, including a few bounces, is a great thing to see in a player in only her second season. Amongst a number of stand-out games in the season, her most memorable was a great showing as captain in our win against Wests.

REMY MAGUIRE

Remy's a natural, multi-skilled athlete, whose read of the game,

focus and fitness see her making an impact all over the field in every game she plays. Her outstanding contributions saw her take out both the Best and Fairest as well as fabulous recognition from her team-mates as their Player's Player for 2020.

LARA MILLWARD

After a couple of years welded to the back line, Lara was happy to try a few different positions in this very different year. She's worked hard on her skills, which showed in her marking and kicking, and continued her tough tackling and fierce fighting form from past seasons.

MADELINE MOK

Maddy hit her second season hard, right from the first game. While it took many of the team a few games to warm up and really hit their stride, Maddy leapt out of the blocks with really strong defensive play, smart positioning and fierce determination right from the outset.

RIVER REID

River's a skilled, experienced player who is typically strong across the midfield and forward line. This year, in one of our toughest games, she quietly asked

"can I have a run on the backline?" Sure, what harm can it do? Plenty - to the opposition!! River really pulled out all the stops, tackling hard, winning the ball out of packs and great clearing with a mighty boot putting the ball out to space for our midfields. Her strong attacking skills saw her sharing the Golden Boot for most goals kicked and stunning defensive performances saw River take out our runner-up Best and Fairest. YASMIN SAYER

You would never guess it's only Yas' second season when you see the way she attacks the game. Fierce and fearless, there's nothing she loves more than being in the thick of the action and would happily run on-ball all day if we let her!

MELODY SCHOFIELD

Melody had another rock solid season this year. Four years of experience under her belt shows with her read of the play, understanding of the game, and great skills. She's a great team player, helping provide a solid base to the cohort and massive support on the field.

who might be one of the quiet ones, still getting the feel for the game, suddenly gets it. In Rd4, it happened for Bella, something clicked and suddenly, she was a new player! The rest of that game, and the rest of the season, her skills and reading of the play took a huge step up and her level of improvement from the start of the season was just stratospheric. Combining that with her great team attitude, I have awarded the Coaches Trophy to Bella his year and can't wait to see what she has for us next year.

TAITUM WATTS

Tait brings a great level of fun and infectious enthusiasm to the team dynamic. In only her second season, she has really worked hard on her skills which, combined with her athleticism, translated into great on-field performances in every game.

HEAD COACH Matt Peart MANAGER Kellie Pearce

hat a season for youth girls U14 football this season. Considering games

were looking less likely at the start of the season, we ended up having a great year. The girls had a great attitude this year. As much as it can be a challenge in keeping girls focused and tempering some of the social aspects of training, the group gelled together really well. They are a super competitive bunch and I found that things at training settled down really quickly if drills involved groups competing against each other. It's also great to see a lot of the girls now with a few AFL seasons under their belt. Skill development is always a constant, and we have room for improvement but to see the girls kicking and marking to each other and creating strings of play during games has been fantastic. Being able to play girls in a position also makes a big difference, and to actually train for a game plan was great. I spoke with the girls at one stage about the creating a sisterhood within the

team and the importance of looking out for each other during the game. They looked at me like i was a bit odd though but i'm hoping it helped create some unity within the group.

Lots of thanks to all the parents and your help to make this year happen. Every little bit helps so thank you and thank you for the coaches gift. Kellie Pearce was fantastic as team manager this year. Thanks for all of your work coordinating the girls and making sure we had enough players each week. We also had a number of girls from other teams play with us this year. Emily Webb was great, Xanthe and Lucinda were ever dependable. We were also lucky to have girls step up from U12. Thank you to Eloise Fennessy, Adelena Wright and Frankie Walsh. Big congratulations to Frankie Walsh for getting third place in the overall best & fairest awards for our U14 division as voted by the umpires. All the more impressive given she only played 6 games. I look forward to seeing you all back next vear!

TAHARA ADAMS

Tahara is one of the most exciting players to watch in our team. Her season this year was the best in my mind. She has become a really entertaining footy player to watch. She landed well into the forward pocket position but was also as effective roving or on the wing. Was super brave after dislocating her finger and really funny afterwards on the green whistle. 2021 will be her season.

ISABELLA CIRILLO-REED

It was great to have Isabella playing in U14YG this year. She is dangerously competitive, with a laser focus for reading the game and pre-empting where the ball may drop. Isabella has a keen and growing football brain that should know no bounds. Her season was cruelly interrupted by injury and my hope is that the pre-season is spent harping on what could have been and what will be in 2021 with Isabella's AFL playing journey.

Bella. She was a quiet, unassuming girl at training but come game day, she is a massive personality. She is a tenacious, competitive player and not afraid to physically involve herself in a contest to get the ball. A well deserved runner up to the best & fairest award. Look forward to Bella practicing her kicking lots over the summer and having another cracker year in 2021.

MOLLY JOHNSON

This was my first year coaching Molly and wow, how exciting is she to watch. We had such a powerful forward line that Molly was a critical part of. That cracker she played against Newtown still stands out, if only for the consecutive behinds. Molly then unselfishly swapped out to the back line for her teammates to get involved in the action. Keep on kicking over the summer!

MAYA KELLY

I've coached Maya for the last 4 seasons and it has been great to see her grow into an amazing athlete. She is one of the hardest workers on the team, giving her all each week. Maya's ball get rate and dedication to winning possession and moving it forward was a key difference for us this year. It's really impressive to watch how she works herself into contests. She is ever dependable. Looking forward to Maya's critical role in 2021.

FREYA MCKENDRY

We were really lucky to have Freya come and join our team during the season. She is a formidable opponent and owned the role of full back with uber competitiveness. Freya has an awesome attitude to training and game day and she is a great teammate. She can be quite unassuming, but when she plays full back she is like a General owning a battlefield. Her safe hands led us well this year. Coaches award this season for courage, respect & humility.

RORY MACDOUGALL

I've had the privilege of coaching Rory for the last 4 years. Her presence on the ground is a powerful force for our team. She intimidates our opposition and she forces herself into hard contested play. She proved her mettle playing in defence, forming part of our safe hands strategy. Her consistency when playing in the ruck was really impressive also. Rory's kicking has improved markedly over this time and I think she could be

equally as effective down the forward line. Looking forward to her return in 2021.

I haven't coached Issy for a year or so and it was great to be her coach again this year. Issy has a great energy about her, She is a good teammate and friend. She helps create a great dynamic in the team. Issy is a really exciting player to watch and she filled into the back flank position really well this season. She helped make up our back line fortress this year too, I appreciated Issy's openness to playing the "surge" role off the centre bounce this season and look forward to her playing in 2021. **BILIE PALMER**

Billie was a great addition to the team, joining us early in season from Div1. Billie has great mobility out of the centre and has a knack for getting the ball out of packs. She created lots of momentum during games and took on an informal leadership role which was very much appreciated. Her enthusiasm at training was memorable, maybe one day next season we will get a training session with the boys team to benchmark YG capability!

LILIANNAH PEART

This was my 4th year coaching Lili and I think it was her best season yet. Lili has a real knack for making opportunities out of packs happen near the goals and she helped make up an exciting forward pack this year. I have been really impressed with the way in which she lifted her intensity during games. The benefit of having now played a season in a regular position means that 2021 becomes a consolidation season for Liliannah. **CHARLIE ROBINSON**

This was my first season coaching Charlie. She was a great addition to the team, being a formidable opponent in our backline. I really appreciated Charlie's responsiveness to instructions at training and during games. Her physical game and ferociousness at times, wrestling the ball off opponents was great to watch. She wasn't afraid to get in the faces of opposition players and challenge them for who wants the ball more. Well done Charlie and see you next year!

EMILY SPAZIANI

This was my 4th year coaching Emily. It has been awesome watching Her grow into the football player she is today. I love how she plays in defence. Conscientious, but in the same respect willing and able to take on a 1 on 1 contest and win. Emily was our safe pair of hands in the back line and ferociously competitive. Whilst we did try and set Emily up to score a goal with one of our games, I'm sure there will be plenty of opportunities next season to try again.

LUCY THOMSEN

I hadn't coached Lulu for a season so it was great to see her in the team this year. Big stand out for me was the confidence Lulu is showing playing AFL. She can be quite a cunning ball get player, asserting herself in packs and scoring a cheeky goal. Her tenacity was a critical part of our dominant forward line this year. Top goal kicker for the year is testament to this. Also, loved the combative banter when Archie was the team runner. NADMI WEBB

Naomi had a cracker of a season with us, made more impressive by often playing with the U16 side most weekends as well. She was ever dependable, working out of the centre and creating heaps of opportunities into the forward line. She helped fire the team up and created a palpable energy that consumed everyone. She is very deserving of this year's Best & Fairest and Players' Player award.

fter the Premiership winning success of 2019, 2020 started with a number of trials and challenges. Players leaving the team to focus on other pursuits, injuries and significant losses in the first two rounds left both the playing and coaching group scratching their collective heads.

However, this is a playing group that will not be held back. A group that is a pleasure to coach and that have a real "team" ethos in the way they execute the game plan, whilst at the same time supporting and showing genuine care for each other.

The season could be best described as a season of "if onlys"...

- We didn't have the number of injuries we had

- We could have executed slightly better at times

- We showed slightly more composure at clutch moments

But "if onlys" do not get you to a grand final. And a grand final is what

we achieved, with the playing group changing from an "if only" to a "we can" group of players.

Two first up losses were quickly followed by seven on the trot wins. A tight win in the semi final, then onto the grand final against Manly, who we had played in the grand final the previous year.

Manly had shown that desire will always outplay skill, having won both their last game of the home and away season, and their semi final by 1 point.

Unfortunately, this was not to be our year, losing the grand final by four points. However, a season that started out with "if onlys" definitely finished with "we cans". Not only did "we can" but "we did".

On behalf of Paul and myself, I would like to thank the players for being a wonderful group of young men, their parents and carers for your continued belief and to Marc for his ongoing focus on getting a team on the park, week in / week out.

JAZPER ALEWOOD

Bravery personified. Played much of the season with a sore ankle but this never prevented Jaz from playing with a zeal and commitment that is admired throughout the team. Played and excelled in a backline that dominated its opponents all season.

BEN CHAMPION

Ben had an excellent season in the forwards. His leading, marking and goal kicking were first class all season, turning Ben into one of our primary target men. What more can you ask of a forward? A golden boot contender for sure!

CAIDEN CLEARY

Broke his ankle in a pre-season 'friendly' and was then back playing after 5 weeks! Caiden leads by example, playing hard and fast, on and off the football field! Brings his personality to bear during every game, inevitably overwhelming the opposition by his desire to be first to every contest.

BEN D'AGOSTINO

Ben played through the pain barrier all season to help out his team. Was given a different role this year, in the backs, which turned out to be a prudent move, as Ben marshalled the backline well. This was no more evident than in the grand final where his marking kept his team in the game. He also bagged a couple of important goals to make it a cliffhanger of a last 4 minutes.

DARCY DESSENT

Darcy goes about his business with minimum fuss. Reads the game very well from the backline and like his old man, doesn't shirk the physical stuff, sinking the shoulder in on an overzealous opponent when required. Is fond of a weekend on the slopes down south but otherwise has been ever present in this dominant backline

GIOVANNI DOUZIECH

'Gio' has become a premium full back since he joined the club 2 years ago. His kicking and reading of the game has improved out of sight. He is our Mr Reliable, never more so than in our finals game versus Kellyville, when in the final 5 minutes he defended heroically against a larger opponent when it looked like the team could get overrun.

MAMADOU FAYE

Mo is the quintessential team player. Loves being around the team and competing. As well as his prowess in front of goal, Mo has shown other strings to his bow, no more so than his physicality when he stopped a Cronulla player dead in his tracks with a WWE like takedown!

DECLAN FITZPATRICK

Declan has had a blinding year. Runs hard, tackles hard and generally hits every contest like he's trying to break a door down. Switched to the wing this year and has really flourished in this position. One of this year's stand outs.

CIAN FOLEY

Cian showed his versatility this year by playing in both the mids and at half back. He is very good technically and combined with his athletic ability, Cian showed what an important cog he is in the team wheel. As Vice Captain he enjoyed delivering some flowery language to gee up the team before the throw in! Get that left boot working and even MORE girls might turn up to watch!

JACK HARRIS

'Harro' doesn't mind getting down and dirty when the occasion requires. Jack is a true team player and is selfless in how, when asked, he will sacrifice his own game to nullify a dangerous player, a role at which he excels at. NFD HAWKINS

As Team Captain, Ned leads from the front. Always demanding the ball to get himself into every game and inflicting his and our game on to the opposition, usually to great effect. Good hands, good kick and good game craft. Ned is our Best & Fairest for 2020! Great job.

FELIX HOCHULI

Like Declan, Felix has also switched from the back to wing this year. This new role has given him the freedom to use his pace more and to let that left peg loose on the opposition, even to the extent of bagging some important goals during the season. SAMUEL JACKSON

Samuel had knee problems during the year but always put in 100%, none more so than in the grand final, where his vastly improved kicking brought us a critical goal in the third quarter. Samuel has a great engine and good footy skills and was a valuable addition to the team this year.

JACK JARVIS

Jack has moved from his role last year as a target man in the forwards to the mids where he plays inside as a ball winner. With his quick hands and good game craft, he has been at the beginning and indeed the end of many a move that has led to scores. A brave and enthusiastic team player, Jack has had a good season.

CORMAC MACKENZIE

Cormac built very well into the season. When coming back into the team in Rd7, he showed what a good player he is. Played very intelligently and with no little skill in a gun backline over the last few weeks of the season

LOUIS PORTER-ORCHARD

One of the more influential players this season, Louis has played a pivotal role in the ruck, being our primary ball winner at restarts. This role tends to mask the fact that Louis is a skilful and athletic player who has bagged his fair share of goals. Like young Foley, he is attracting the fairer sex to the game!

MAX RIDER

Max has a high level of technical proficiency. He has excellent hands and a beautiful kick, one that he has used to great effect this season

to set our midfield into motion. He demands high standards of his team mates, looking to lift the team's performance level all the time.

JAKE ROBERTS

Jake joined the team this year as he transitions to life from Como to Sydney. A human wrecking ball, Jake has added much needed grunt to the team. He has played predominantly in the forwards as a target man where his excellent hands and goal scoring ability have lifted the team to new heights.

JOSEPH SHAWCROSS

Joseph has had a stellar season. Uses his speed to great effect when either cutting off an opposition move or when bursting up field. A true team player who looks to bring his team mates into the game, Joe is another member of this team's awesome defence.

BRODI WILLIAMS

Once again, another prolific season in front of goal for Brodi. Missed the first few games of the season but has built well into the season and had a stormer of a finals game against Kellyville where he bagged a hat full of goals when they were much needed. Another contender for the golden boot.

t was inevitable: the scent of liniment always reminded one of the fate of unrequited love",

almost said Gabriel Garcia Marquez, now remodeled for the time of Covid. And so it was, the legendary U15 Div 2s braved the modern plague and took the field in 2020.

This was not a time for magical realism, yet the love was strong amongst the boys, almost as strong as the smell of Lynx definitely an evolution from the year prior. Hair was big and throughout the year, it seemed contagious, as at our final training, one was heard to remark, "it's like swimming through a school of salty mullets".

The traditional slow start, native of the teams of the inner west, saw us thumped in the first game and a long season seemed inevitable. Yet the careful and expert coaching, and, if one was somewhat more truthful, the passion and commitment of the lads, under the passionate leadership of their elected leader, Tom C-L, they turned that long corner very promptly.

Traditional rivals and reigning premiers Wests were next up. On approach, they looked very confident. Smug even. The rain teemed in...and the Bloodhounds stood up. And delivered playing the kind of hard, straight ahead footy that became our brand.

The back line was like a trampoline throughout the year, seemingly bouncing back anything that approached. Our mids were the swoop squad, and our forwards so quick they made Pagan's paddock

look like a Newtown front yard. It was a season of many highlights and quite a few fantastic wins, and hard-fought losses. Huge thanks to the boys, especially those who played across the divisions and often laced up several times in the one day. Massive thanks especially too to Patrick "thirsty' Fox and his inimitable muse Rebecca, who he courageously sent in as a sub when he knew things would get tough! Hope to see you all back next year

was the straight ahead ruckman come backman that did not trifle with bending, just run straight at it and smash that leather forward, with any available appendage. A delight to behold and to coach. **ARTHUR HOWARD-WHITE**

Wing, forward or in the mids, 'The Archer', titled for his arrow-like attack on the nut, improved out of sight this year. Although he ended up with more points than a pinwheel, that elusive goal must be the magnetic pull that drags him back for what promises to be a massive vear in 2021.

WIL HURLSTON

Perfecting the double-roll in the vertical, 'Willo' is the wildman who cannot be tackled. His commitment on the footy and obverse view of almost any situation, render him a delight and

a riddle, wrapped in an enigma. Love you Willo!

LUCA MARK

A careful student of the game, Luca overcame too many darned injuries, to stamp his place as our very own Barry Cable, the fastest and most creative hands in the team. Always looking to bring his teammates into the game, Luca is a joy to coach and a valued member of our team. Top notch Luca. LUCA MOROW

Forward, back, wing, ruck, whatever the position, Morrow is your man. Innate ability to read the footy and can win it in the air or on the ground. Covers the ground like a blanket and a great contributor every single week.

carving up the middle or slotting them through the middle, Jack had all the skills that matter. Despite a nasty injury, Jack stuck around and shared plenty of his football nous. You're a true champion Jack! SEAN NEWTON

The force of an object is equal to its mass times its acceleration and Seanie in action is testament to his famous relative. The fickle bounce of the oval ball is like braille to a blind man for our beloved backman. A joy and a delight, just hold off on the torpies!

ELIAS NUNLEY-BROWN

If you look up "hard nut" in the Macquarie dictionary, there is likely a picture of this young man. "Ely' makes a macadamia look like a marshmallow. Neither the size of the job nor the mass of the brute

If courage were wealth, J-Dog would be King Croesus. Fleet of foot and with a footy brain to match, Jonas was a key spring in the trampoline of our defence, loved to take on the tackle and in turn to tackle the biggest dogs they set against him. Great season J. DYLAN SHIFLDS

Able to hit a moving target lace-out from 45, the smiling assassin could always be relied upon to win a hard footy in the contest and bring one of his teammates into the game. With the class of a Spring thoroughbred and dash of Errol Flynn, Dylan was our very own Scott Pendelbury.

TOM SZENDROI

The boundless joy of seeing Tom's golden locks dash through the midfield brought tears to many a Bloodhound's bloodshot eye. Never one to be constrained by time, no one was ever sure when Tom would arrive, and when he did, he would oft depart just as mysteriously. Thank you Tommy, you're a wonderful young man. PATRICK THOMAS

If courage is grace under pressure, Paddy is courage personified. Unflappable across the backline, a dead eye when sent forward and a greatly respected presence around the boys, Paddy is a joy to have in the team - and how in heaven does he run at full speed bent asunder whilst picking up the pill?

HEAD COACH Martin Gallagher ASSISTANT/TEAM COACHES Jason Howard, Andrew Sinclair MANAGER Suzzanne Matkowski

rom the ashes of a season that appeared dusted before it even started, the U15 Div 3 Bloodhounds rose phoenix-like to have a great year. Attendance at training was excellent, helped by our strong collaboration with the Div 2 team, and the skills of the team developed accordingly. Most pleasing from a coaching perspective was the development of the boys in better understanding their game and how they could contribute to the team, maintaining their intensity for the entire game and their neversay-die attitude. This is something that opposition teams regularly commented on. The weather-gods were kind, so all 9 games went ahead without weather disruption, and most were tightly contested, resulting in 4 victories. Perhaps the best win was over the Northern Lights on a warm and windy day, against a side that we'd never beaten on the high plains of Hornsby. The boys quickly realised their advantage and established a good lead, but then had to defend against a last quarter fightback. Their exhaustion at the

end was illustrated by the amount of coaxing it took to get a team-song out of them!

I'd like to thank all those who contributed during the season, especially Jason Howard who shared the coaching duties with me, Suzzanne Matkowski who was a fantastically organised team manager and all the parents who picked up various jobs during the year. I'd also like to thank the Div 2 crew (Tim O'Connor, David Mark and Patrick Fox) whose collaboration really helped make this a great season for us. Massive thanks to all the Div 2 players who helped out and played for the Div 3 team and welcomed our players when they played in Div 2.

We look forward to 2021, in the hope that it might be a little less challenging than 2020.

(Many of the boys were 'beneficiaries' of lockdown locks, or what commonly became known as the Covid mullet. Each player has been given a Covid Hair Rating (CHR) with the fabulous Paddy Thomas from Div 2 as the reference point with an 11 out of 10).

KIP BUI JONES

First time Bloodhound but we loved his speed around the ground. Just when you thoughy the opposition would chase down a ball in space, Kip came from nowhere and beat everyone to the ball. CHR - 7/10 ADAM DALEY

No matter where he played, Adam always kept the opposition under pressure, and got stronger in the air as the season wore on. Highlight of the season was his mark and quick distribution that led to an end to end goal against Moore Park. CHR - 4/10 JAKE EVANS

op of the Town for the U16YG Greyhounds this year - Winning all rounds, then the semi-final alas falling short in the Grand Final. A super effort from a great team.

A bizarre year, due to Covid-19 having a huge impact on the start of the season, did not deter this team to train via zoom sessions to build their team spirit and fitness. Whilst somewhat awkward at the start of our sessions - we had girls on balconies, lounge rooms, backyards - it cleared the path to when we had our first training session at Jubilee with the team coming together to commence 2020. The team was fierce from Rd1 and just kept pushing themselves individually to mould together as a team with a straight winning streak until Grand Final day.

On behalf of all the coaching staff, our team manager and parents, we

are extremely proud of what the girls achieved this year.

Our girls represented our club with respect, determination, great team spirit and had fun doing so. Our team assisted with players from U12YG and U14YG playing up to assist when our numbers were short. A big thanks to the girls that assisted us with our journey to the Grand Final. Grand Final day saw our team represented with a bunch of sisters playing together which was pretty special, big thanks to Lily and Madison Stone, Frances, Emma and Molly Walsh, Emily and Naomi Webb - what an experience for you and your parents watching. Our team is a tight group of stars in the making and as the year progressed this team grew, allowing formations of backlines, midfield and forward lines allowing for positive structures which resulted in great footy week after week.

ELYSE BURKE

A very talented footy player who showed fantastic athleticism throughout the season. A sturdy backline player or mid player and outstanding breaks for runs down the ground. When the ball was in your zone you, time after time, committed yourself and hardly missed redirecting the ball to our attacking zones. Elyse you have really grown over the years as a brilliant footballer, can't wait to see the next few years. JASMIN GRAHAM

Wowsers – first year of footy and it all appeared so effortless for you. Your contribution to the team including team spirit, leadership and not to mention your enthusiasm for learning the game of footy was incredible. You quickly perfected the game of footy demonstrating week after week your ability to tackle, ruck, and flash runs from the pack leading to sensational goals. You dominated in your first year super effort.

ZARA KILBORN

Had a strong run in the later part of the season with great leading to space, holding your ground and converting goals. Your assistance to direct your fellow forwards to convert via on plays was fantastic. Your ability to kick from the 50 grew over the season as you plugged some pretty unbelievable goals. Your continuous team encouragement is absolutely gold. ELISHA MATTHEWS

Your determination to play footy was awesome this year. Your confidence really was on show in the later part of the season and you really concreted your position in the forwards, your efforts and consistent team plays assisted with the conversions of goals. **TILDA MEGGITT**

You have had a sensational first year playing in the back line and

forwards. Attacking the ball in front of players was perfect. Your hunger for winning the ball in the forwards was consistent, then showing your ability to assist with goal scoring for teammates and kick goals yourself was fabulous, converting plenty of goals for the team. Great year in footy with a great career ahead.

AOIFE MOORE

Your confidence and ability grew from the start of the season. You played well in the forwards, mids and backs and had some great runs on the wings, brilliantly tackling to shut down the play forward from the other team. You are a player I can put anywhere, and you leave your mark. I look forward to next year and seeing where we can take your game.

More than your impressive footy skills you have been such a positive member of our team, thanks for your enthusiasm.

ZOE O'LOUGHLIN

Your confidence grew each week as a player, your ability to take the overhead marks or interfere to spoil marks was perfect. Your run in the backs saw you stop the opposition from pushing forward with attacks. Your run in the middle saw you use your height to advantage to tap to our players. In the forwards always assisting with plenty of scoring opportunities. Can't wait for next Zoe. SUSANNAH PAGET

Your footy skills just grew this year and it was fantastic. Your tough tackling, shutting down play, leading to space, sensational marks around the ground were spot on. Whether you played in the backs or up forward each week you always bought 100% to the game and the goals that has concreted your capabilities as being a fantastic player was the best.

KATIE PAXTON

You manage to get in and clear the ball to your teammates and you did this really well in your run in the backs and in the forwards. Your confidence did grow with the season and it's a shame you missed the last few weeks – next year.

LILY RACE

You came out the gates on fire. Your footy skills have been incredible this year. Playing in the centre, you cleared the ball, tackled hard, lead to space and had some brilliant marks. Your clearances from the packs with runs up the ground were seriously great. Your continuous attacking to have shots at goal was awesome. You seriously had a super year and your leadership throughout the season was perfect.

LILY STONE

You just keep giving 100% to footy and this year displayed that via your ability to take on whatever came your way. You tackled great, your fantastic marks and take-offs to space to then back up with kicking goals was brilliant. You showed no fear each week and you took some pretty hard knocks this year. A real talent for the game of footy, you are a natural.

EMMA WALSH

Another great season Emma. Great run in the backline this year and your tackling and marking was amazing. Sensational breakouts of the packs, bouncing and long runs allowed shots for goal. Your overhead and chest marks were awesome, and you always deliver with tough tackling, goals and an ability to keep at 110% each week is just unbelievable. Your reading of the ball is really super to watch, and your footy skills are seriously unbelievable. Your leadership throughout the year is so positive.

MOLLY WALSH

A sturdy run this year for our Club Captain – your confidence, reading the play, backing yourself no matter what position you play is brilliant. Your ability and no fear of engaging in the play and coming off with the ball

is awesome. Your tackling is superior as we watched time after time you shutting down the opposition attacks. A really strong year for you. I have observed that the whole team spirit is always lifted when you are playing, that demonstrates the special person and player you are. We will miss you next year.

ANABEL WATSON

Tough in the backs, consistently turning over the play to our advantage, tough tackling, long kicks shown throughout the year. A run in the forwards allowed you to settle and assist with plenty of scoring shots. A really great year Anabel – can't wait for next year.

EMILY WEBB

A great season for footy. Your second year in and your dominance in the ruck was awesome. You continually directed the play via the centres allowing quick clearances to our forwards which opened up so many scoring opportunities. Your confidence grew each week backing yourself to clear the ball from the pack, you have had fast strong runs to bring about scoring opportunities for you and your teammates. A really strong year Emily – bring on next year.

his was always going to be an interesting season. Two teams coming together, 35 players, new players joining our Alliance, old players coming back mid-season, Covid 19, School activities, Academy games, injuries, Sydney Uni U19s, splitting players between Div 2 and Div 3 (JV with CBC), and occasionally playing a game of footy with your mates in a nine game season. What could possibly go wrong?

We had a large number of players turn up for our pre-season training, then when it was announced we had two trial games, the boys came out of the woodwork. With 35 registered players our goal was to ensure all players got a game.

DIVISION TWO

Got off to a great start at the beginning of the season with a nail biting win over Easts at Trumper

WWW.GLEBEJAFC.ORG.AU

Park. In desperation towards the end of the game, Easts flooded up the ground and compressed our backline however we were able to nullify by getting the ball over the top to Damo in the forward line who bagged 5 goals to get us home. Ironically, this was a tactic which would end our season a couple of months later.

During the course of the season we had a number of players injured and unavailable so we had to swap players between our Div 2 and Div 3 teams which meant both teams were playing with minimum numbers, but at the same time it gave players some pretty good exposure.

We had a strong win against Bangor and we were entertained by the running skills of Riley and Oscar LH and presented a goal scoring opportunity for Oscar B. Our next game against Pennant Hills in the wet resulted in a narrow loss which brought the boys back down to earth.

The following week we headed further west to Kellyville which saw Zak kick a bag of goals and Raouli cop a bloody nose and concussion. Back home at Jubilee we had a good win against Canada Bay with strong games from Max and Samuel.

The boys finished the Home and Away season well with strong wins over Mosman Willoughby and Forrest with great games from Dash, Harry and Reuben. To finish off we wrapped up the Minor Premiership with a win over Penshurst at ADO with good games from Tom, Will and George.

Unfortunately we were unable to take our season any further with a disappointing loss to Easts a week later, who this time succeeded with their flooding strategy on the much smaller Jubilee oval which prevented the boys from getting the ball to our forward line in the later stages of the game.

UNDER 17s DIV 2&3 ALLIANCE Report by Rob Drew

Big thanks to our U17s in their last season with Glebe and Newtown. You have represented your respective Club's well and you should be proud of your achievements in your junior footy career. Also thanks to Rob for your commitment and to Dan, Shane and Matt for your work on the sideline, running, warm-ups and training. Also, thanks to Kerrie for managing the boys, weekly team announcements and endless emails keeping our mums and dads informed including your great work with the Div 3 team.

DIVISION THREE

It should also be noted that our Div 3 played bravely this year. Due to the number of players we had, we formed a joint venture with Canada Bay Cannons who also provided a contingent of players so that we could form an extra team to ensure all our boys got a game. A big thank you to all of those boys for backing up week in week out and doing your best.

Success on the footy field this year was limited however, our Div 3 Coaches, Jack Gardiner and Matt William Jensen were impressed with the commitment of our players. Despite playing against teams that should have been in a higher grade our boys did their clubs proud with their effort and commitment. Despite being on the negative end of some pretty hefty scores, the boys kept on backing up week after week. Brave resilience from a brave bunch of boys who should be highly commended.

Our boys were able to finish the season on a positive note. In our last game they trekked down to Heathcote for a much deserved win which brought smiles all round, high fives and the team song. Well done to all our Div 3 boys, in particular Peter and Luke who put in week after week, as well as Finn, Ben Baskin, Ben Cook, Raoul, James, Greeny, Ashton, Cooper, Dom, Max T and Max H, George, Tom, Dash, Will, Harvey, Lachie and Tadgh. Your club and team spirit is greatly appreciated.

A big thank you goes out to our two Coaches, Matt and Jack. First year coaches who did an outstanding job, teaching the boys footy, pumping them up before the game, providing excellent advice and tuition and your genuine commitment to the team. Congratulations on a great job.

One of our long serving Glebe players with over 100 games. Played well in Div 3 this year, always strong and reliable, always plays with his head over the ball, knows how to clean up and look for the safe option down the line when under the pump. Had his season cut short as a result of a shoulder injury. Ben's defensive efforts were sorely missed, as well as his team spirit both on the field and at training. Recover well Ben. **GEORGE BOYD**

George was a first year player within the Glebe/Newtown Alliance. Copped a couple of injuries at the beginning of the season which slowed his progress. Eventually started back in Div 3 then quickly progressed to be a reliable Div 2 player. Dominant contested marking ability, straight and accurate kick and highly effective in the forward line. Welcome George.

OSCAR BOSNJAKOVIC

Another strong season from one of our most reliable backline players. Possess an accurate and booming 50m kick out which took backline pressure away. Strong in defence and saved many goals. Suffered a fractured thumb in the Forest game, came back on and played through the discomfort. Sorely missed in our last game against Easts.

BENJAMIN COOK

Ben was a first year Glebe/Newtown Alliance player who fitted straight into the team. Demonstrated tremendous versatility by being able to play both back and forward and adapted well to any position. Possesses an accurate left foot kick and able to read the play well and knows where to position himself. Good first season with the Alliance Ben.

LUKE COSTELLOE

Arrived at our U15 Alliance team last year and quickly became a team favourite. This year it was no different. Played the season in our Div 3 team and even though the boys were a bit short on wins, Luke always had a crack and started coming into his own. JOE DYSTER

Joe played a couple of games to help out with numbers in our Div 3 team this year. School activities and injuries hampered his ability to get onto the field however when he was able to do so he put in a big performance as reflected in the Best and Fairest votes. Imagine how good he could be if he could fit in a full season. Thanks Joe.

COOPER DREW

Demonstrated excellent team spirit by helping out in Div 3 when required and putting in a big effort all round. A versatile player who is able to play on the wing and hold up one side of the field, as well as playing as a key target forward presenting as another option up front. Expectations are always high when you are the son of one of the Coach's notwithstanding he always went in hard. One of our 'retiring' U17s who has been with Newtown for many years. Well done Coop and good luck moving forward. RILEY FITZROY

One of our U17 players who has chalked up over 150 games with Glebe. Only played a handful of games for us this year due to injury and Swans Academy commitments but nevertheless always good to see him tearing through the opposition. Electrifying pace, strong accurate kick, able to play inside or outside. What more do you want? Thanks Riley. RADIII GAIFA

Made a brave comeback this year after sitting out last season with a knee injury. A real Coach's dream player. You give him a job to do and he just does it, no matter what. Hard at the ball and has no fear. Able to play anywhere but prefers to play on the ball where he is 'ruthlessly aggressive' against opposition teams. Great to have you back Raoul. MAX HAMRA

One of our small backline players with excellent defensive skills and with plenty of 'smarts' when under

the pump. Knows how to maintain composure and look for support options and make smart decisions under pressure rather than just kicking the ball away. Has a defensive mindset which is a gift that most players don't have. Great positional sense which adds to his versatility, can also play on the wing, maintains his position, discipline and structure. Well done Max.

TOM HAGAN

Good to see you back Tom. Re-joined the team part way through the year and fitted in like a hand in a glove. A strong and effective backline player with good positional skills, massively high ball drop but accurate kick. Cool under pressure and displayed excellent temperament when under the pump. DASH HIBBERD

Just like a good wine he got better as the season progressed. Perfectly suited on the wing with pace to burn and fitness to run all day. Knows how to read the play, possesses a dominant overhead mark, always contests for the ball and looks great in full flight with ball in hand. Easy to coach and a great team player who loves his footy. Also a strong advocate for his team, displays excellent leadership skills.

PETER JUDGE

The best player and best defensive player in our Div 3 team this year. Winner of the Best and Fairest award and deservedly so. Div 3 had a tough year which meant our backline was always under the pump, however Peter always held up true and strong, held the backline together and thwarted many attacking options. A courageous player who led by example and inspiration. A very humble player who plays down his skill and contribution. A true leader. TADGH KFILY

Only managed a couple of games in Div 3 this year but certainly made his mark. A naturally gifted left footer who can run all day with a massive motor and outstanding fitness. Always goes in hard and leaves nothing in the tank. Our Div 3 Coaches were always impressed with his efforts and hardness for the ball. Hope to see you back again next year Tadgh for another crack.

and able to play in virtually any position. Played a smart role towards the end of the season as a 'crumber' in the forward line, followed instructions and always made the most of his opportunities and bagged a couple of goals. Smart footballer and a great kid to coach.

OSCAR LANE-HUMPHRIES

One of our fast running CHB line players who brought great delight when in full flight running across the backline and down the wing. Played on the ball from time to time and was not adverse to cleaning up opposition players who had the misfortune of getting in his way. One of our aggressive and hard running U17s players who will be missed next year. DAEMON LAKATOS

Damo was back up in the forward line this year and brought the 'flair' back into forward line footy. His overhead marking was superb, set shots at goal reliable and showed great improvement with his forward pressure. Kicked a cracking five goals in our first game of the season and was fearless in the air with contested possessions. One of our 'go to' forwards who was ultra-reliable. Well done Damo.

GLEBE GREYHOUNDS JAFC

Still turned up for training and to support the boys on game day. Played a grand total of four games and came back just in time for our semi final challenge. You can't keep a classy player like Lucas down. He will be back bigger, better and more potent than ever next year. WILL O'BRIEN

One of our talented U17 players who would play footy seven days a week if he could. Has been a loyal Newtown player over many years with over 170 games under his belt. A solid and safe backline player with a strong overhead mark, knows how to read the ball when drifting in and plenty of smarts when scrapping at the ball and punching it over the sideline. MAX O'CONNOR

Our U17 Best and Fairest ball magnet. Has perfected the ability to get the ball with a low centre of gravity, run wide or look inside, find support and hit targets up front or out wide coming through the middle. And just so that you know that this is no fluke, he does it again at the next ruck. A great team player who sets up others and creates many goal assists.

JACK RATH

Mainly played in the backline this year, though such a versatile player he is able to play anywhere which makes a Coach's job so much easier. Possesses a strong and accurate kick who hits targets regularly, goes in hard for the ball and always looks around for options. Played up forward from time to time across the CHF line and set up plenty of goal assists for our leading forwards. HARRISON REID

A first year Glebe/Newtown Alliance player who had a cracker of a season and fitted nicely in with the team. A totally focused player who has one objective: 'Get the ball'. And he did

that many times over, taking out anyone who got in his way without fear or favour. Played well at CHB, in the Ruck and On the Ball. Harry is such a good player, he would play well no matter where you put him. ASHTON ROBINSON

One of our favourite Ruckmen. A retiring U17s player who plays with plenty of heart and commitment to the team. Filled in as Captain in the absence of Zak and did so with plenty of enthusiasm. Rested up front during games and kicked a couple of goals as well as giving off a number of goal assists. Even played in the backline occasionally. A great Glebe clubman who oozes team spirit and will be a great asset in senior football. **REUBEN SACHS**

A naturally gifted player who moves seamlessly across the backline with the talent to take intercept and pack marks to thwart forward attacks. Reuben is like having an Insurance Policy in your back pocket. As a coach, you always knew you were safe when you had Reuben on the field. A smart footballer who also played in the Ruck and won many contests and cleaned up his own scraps. An U17s player who will be sorely missed.

SAMIIFI SCIITFI I A

Established a great rapport with Max and Ashton in the midfield and dominated possession in many games. Able to play as both an inside and outside player and wrapped up opponents in heavy tackles. Talented with the ball and kicked a few goals on the run and from set shots, as well as set up many goal assists. A brave and talented midfield player who always gives his all. DOMINIC SHAPIRO

A great clubman who helped out in both Div 2 and Div 3 throughout the

season. A talented player with plenty of pace across the wing, understands how to read the game, play to a structure, positional sense, and is confident to run the ball and switch across the backline. A player who is calm under pressure and always puts in a second and third effort.

MAX TROUGHTON

You can never have enough left footers in your team. A versatile player who mainly played in the backline but was also capable on the wing and in the forward line. Showed plenty of team spirit by helping out in Div 2 and Div 3. Has very good awareness and game smarts. Knows when to compress up to the forward line, swoop on the loose ball and take a shot at goal or hit a leading target.

LACHLAN WALSH

One of our retiring U 17s players who will be sorely missed. With over 10 years of playing experience and over 130 club games under his belt it will be sad to see him go. One of our Club Captains who has served Glebe well. Hampered by injury and school commitments this minimised his ability to get on the field, however he made himself available when his team needed him. Lachie will always be remembered for his 'hardness' for the ball, never say die attitude, team and club lovalty.

CHRISTOPHER WOLCZAK

A quiet achiever, ultra reliable who turns up week in week out and just gets the job done without too much fanfare. Mainly a backline player this year, calm attitude when under the pump, clear and steady decision maker displays great composure. A safe set of hands in the backline, as well as a good 'scrapper' across the ground. His ability to read the play has improved significantly, not uncommon to see him switch the ball across the backline to take advantage of space.

LOUIS WILSON

Unfortunately Louis didn't make it onto the field this year due to other commitments however, he was able to attend some of our training sessions and games and showed great support for the boys. Another one of our 'retiring' U17s players who displayed great team spirit and many years of service. Started with Newtown U7s in 2010 and a Swans Academy player, he will be sorely missed. Good luck Louis.

LIFE MEMBER

very few years a committee member retires, and they leave such a great legacy that they receive the highest Club honour – a Life Membership.

At the end of this season, Kirsty Bass will be officially stepping down from our Committee after over 13 years of outstanding service to the Club. If you don't know Kirsty personally, you will definitely have seen her over the

years running Jumper Presentations, Presentation Day, managing teams, organising Managers & Ground Managers training, sorting out merchandise, helping in the canteen and when it is quiet you may have found her sweeping the cage.

It is hard to put into exact words everything Kirsty does. As in every other area of her life, Kirsty gives 100% and doesn't ask for any accolades. In fact, it has only been as I got to know Kirsty in the last few years that I think her contribution to the Club is a bit like an iceberg - we only see the tip. Many more hours are spent at nights and behind the scenes preparing mudmaps for the games, coordinating Coaches & Managers, preparing the volunteer rosters for the canteen, answering 100s of emails and generally helping anywhere that is needed. And then, at the end of the season when everyone else can relax, Kirsty spends countless hours on the Yearbook taking great lengths to make sure no player has been missed.

Kirsty's time as Auskick Coordinator has helped pave the way for the success the club has today, with the club experiencing great growth during her time. In 2016 Kirsty received the award for NSW/ACT AFL Auskick Coordinator of the Year and the following year 2017 Auskick Coordinator of the Year for the City Harbour Region in recognition of her great efforts.

Mike Schofield has worked with Kirsty over the years and says Kirsty is "a talented marksman, the "recruitment sniper". The increasing number of volunteers at the club is testament to her ability to spot a good target and draw them into the network, and her help and encouragement have been invaluable, she's always been there answering emails and giving advice."

He also suggests that one her most important roles has been keeping our President in check. "Rumour had it there were plans to turn our vertical black stripes to horizontal blue ones and flood Thursday evenings with gourmet sausages, but she has steered Simon from potential deranged dictator to loveable hipster."

As Susie Mulveney stated "what is Glebe Greyhounds without Kirsty Bass. She has been the backbone of this club for so many years. Kudos to Kirsty for her keenness, know-how, kindness and kinetic energy she brings to the club year after year, be it team manager, Auskick Coordinator extraordinaire, volunteer coordinator and the amazing yearbook she produces capturing all player efforts and memories. She is ever knowledgeable about every aspect of the club. Not to mention her beautiful beaming smile we are all greeted with. She is balanced, beloved, bright, bubbly always trying to better the club and volunteers so we can all benefit."

Kirsty, you will leave behind shoes that will need several people to fill but you truly deserve to take some time for yourself and your family and know you have had such a great impact on the Club and the community. You will be sorely missed but we know we will still see you around the grounds but hopefully now watching game with a coffee in your hand.

It has been an honour to work alongside you and to say thankyou on behalf of the Committee and the Glebe Greyhounds community.
