Founded in 1980 the Glebe Greyhounds Junior Football Club gives children aged five to 17 the chance to play Australian Football.

Our philosophy, every player who wants a game gets a game, means that the club prides itself on ensuring all players are treated equally and that our main priority is a fun, safe and family environment.

We value all players and keep a record, published in our yearbook, of every game played and goal scored by every Glebe player ever.

On field the Greyhounds have a proud history having won 24 Premierships over the last 35 years and consistently played in finals in most ages. Many of our players have gone on to play at higher levels including the AFL, AFL Reserves, representative football, Sydney Football League, while another went on to become one of the leading punters in American College Football.

The club is one of the largest in Sydney and plays in the famous black and white strip of Collingwood. Our home ground, Jubilee Oval on the shores of Blackwattle Bay, is one of the most beautiful football grounds in Sydney.

The rules are modified for younger players to emphasise the skills of Australian football – this means fun, safe and fair games.

All our coaches are fully trained and accredited with the Australian Football League.

This yearbook was designed and produced by: JUICEVISUAL.COM.AU & DIANE ADAIR

Your Committee

Our Club Song

Good old Greyhounds forever
We know how to play the game
Side by side we stick together
For the glory of the Greyhounds name

Hear the barrackers shouting
Come on, show them how we fight
All the premierships are easy
For the mighty black and white

GLEBE GREYHOUNDS J AFC

President's report

Pr

PRESIDENT PETER GOWERS

The 2015 Glebe Greyhounds season will be remembered for a number of important achievements (in no particular order):

- 6 teams making it all the way to the Grand Final. A Club record!
- The provision of a magnificent range of Club merchandise. Thank you Dan H.
- The beginnings of a Greyhounds Youth Girls team. Thank you Jason H.
- The services of our first official Head Coach. Thank you Joe B.
- A record number of registered players – 344. Thank you everyone.
- 2 tremendous AFL holiday footy camps – with no loss of life!
- A record number of Jubilee Oval ground closures – thank you Mother Nature!

Thanks to the tireless efforts of a number of parents, players and volunteers. Jubilee Oval functioned like a well-oiled machine in 2015. When we all work together Glebe JAFC is unstoppable and everyone involved in the Club should be congratulated for their efforts.

ON THE FIELD

As noted above, 2015 witnessed a record number of players wearing the Black & White with 344 players putting their hand up to play for the Greyhounds this season. It is great to see the Club growing. We also appointed our first Head Coach, Joey Britton who did a great job in raising the standard of coaching in the Club. Our Head Coach's efforts were clearly reflected in all our teams' performances this year. Full details of the season enjoyed by all our teams are set out in the very well written team reports contained in later in this Yearbook. Thank you also to our Club Captains for 2015, Henry Lamshed and William Gowers for the contribution they both made to the Club in 2015 and throughout their careers with the Club.

None of the above achievements would have occurred without the effort and dedication of our coaching staff, parents and volunteers. A HUGE thank you to all coaches, assistant coaches, managers, runners, water carriers, boundary umpires, goal umpires, timekeepers, photographers and all others who assisted our teams this year.

OFF THE FIELD

Each year somehow Mr Don Chudleigh continues to increase his commitment and contribution to the Club and it seems his capacity to give is unlimited. A mammoth vote of thanks to Don for his amazing efforts again this year for our Club.

Thank you to all those who assisted with serving behind the counter, cutting rolls, slicing onions, buying supplies and turning sausages. A special thank you to Mr Mark Gibbins for organising our coffee (and oyster) requirements and his team of baristas, Lachlan White (former Club Vice Captain) and Billy Chudleigh!

Thank you also to Peter & Fiona Clarke for their tremendous work in the canteen and particularly the hugely successful "Thursday Night Tucker". Well done to Michael Dunlop for re-instating the Dishlicker – many talked about it Michael but you did it! The contributions of our marvellous sponsors Belle Property Glebe, The Merton Bistro and the Coffee Roasters must also be acknowledged. Your support of our Club is most appreciated and is vital for our continued success. Please support our sponsors who support us.

The Club could not function without its dedicated and hard working committee and the gratitude of the Club should be extended to Jason Howard, Kirsty Bass-Tracey, Claudia Kearns, Gabrielle Brown, Luke Macdougall, Maxine Bartlett, Don Chudleigh, Joe Britton, Dan Hennessy, Frazer Adam, Jarryd Boyd, Michael Dunlop, Mark Gibbins and Brad Scutella for the time and effort they have put into the Club in 2015. It has been a pleasure working with such hard working, thoughtful and intelligent people. We are again privileged to be the recipients of a fabulous Glebe Greyhounds Yearbook. A great deal of hard work goes into creating this wonderful journal. **A huge thank you to Jamie Lamshed for his amazing effort in producing the last seven years of beautiful yearbooks.** Thank you to this year's yearbook team; Diane Adair (publishing guru), Warwick Moss (statistic guru) and Maxine Bartlett (all round guru) for their tremendous efforts in putting this fantastic publication together.

Farewell to those U17s leaving us. You have made a lasting and positive contribution to the Club. Good luck in all you do and do not forget the lessons you have learned at the Greyhounds.

2016 promises to be another fantastic year at Glebe JAFC and I urge you all to "GET INVOLVED". Go the Greyhounds!

Auskick coordinator's report

COORDINATOR KIRSTY BASS

I think I have the best job in the club. I get to spend Saturday mornings with the most enthusiastic bunch of kids, always happy, smiling and ready to tell me all sorts of interesting footy facts about their favourite teams. My mornings regularly start with "Kirsty did you know..."

We started the year with a bang for our Glebe Greyhounds Jumper Presentation. It was so great to see how excited the kids were waiting for the Swans to arrive. They were super patient and the rousing rendition of the Greyhounds song was amazing. The kids got to meet Harry Cunningham and Jack Hiscox from the Swans. Jack Hiscox started his AFL career as a Glebe Greyhound coming through as an Auskicker. We are so proud as a club to have a Greyhound as a Swan.

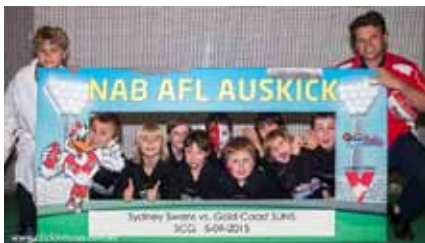

Through the year we had our U8s represent us at the Half-Time Auskick at the SCG during the AFL games. This rite of passage for our U8s is such an important and exciting event for the kids. The year kicked off with the NAB Cup with our kids playing at Drummoyne Oval with the Swans v Fremantle. The kids were lucky enough to also be involved in a pre-game clinic as well with the AFL. We had kids at the Swans v Richmond game at the SCG Friday 26th June and again for Swans v Gold Coast Suns on Saturday the 5th September. It is such a great opportunity, there are free tickets to the game, the kids use the change rooms at the SCG and run onto the SCG at half-time to play an Auskick game against another inner city club. The atmosphere is always electric and the kids and parents love it. Get ready U7s as it is your turn next year!!

Level O training was provided by the AFL once again to induct all our new parents into the world of hand passing and kicking. This annual event is proving to be fantastic in getting our parents ready to be backyard warriors with their kids.

With a home game every 2nd Saturday down at Jubilee the U5s and U6s families were kept very busy with set-up for our Saturday games at 7am. The record we managed this year was 36 minutes for set-up of 5 footy grounds, the BBQ cooking, marquees pitched, goal posts protected, rolls cut and music blaring. I know I am biased but I think we have the best ground and clubhouse around, although the toilets could be a little better!! I'm sure on those sunny mornings, opposition teams arriving at Jubilee for the 8.10am start could not but be jealous of our home ground facilities.

Thank you to all the Auskick coaches and managers who make the kids and parents experience so good. Special mention goes to Mike Schofield our U5 coach this year. U5s is always a baptism by fire and stepping up from the parent body to coach does take courage. Mike did a fantastic job and we look forward to an explosion in U6 numbers next year. Another big thank you to Peter and Fiona Clark for restocking our canteen in the weeks between all our training and games. And as fantastic as ever, our catering manager, Don Chudleigh. Thank you to all the parents and carers who did their shifts on the canteen during the year. I like to think that we are contributing to keeping your minds active with the mental arithmetic needed behind the canteen.

I look forward to another great year and look back on a really happy club of which I am proud to be a part.

Auskick

U5s Coach's report & player profiles

COACH MIKE SCHOFIELD

COACH'S REPORT

Sport has a wonderful effect on children, and there were many times this season when I found it hard to believe that these players running around in pre-school and kindergarten during the week were the same ones running on the field as a cohesive team on a Saturday.

It took us a little while to get there, but in the second half of the season there were some really good and exciting games. Everybody's skill levels improved as time went on, and there were lots of memorable moments as courageous marks were taken from high balls, intelligent use of the handball materialised, looking for and passing to players in space became part of the game, and even a bounce on gala day to top things off!

We had five late enrolments during the second half of the season, all of whom slotted in really well and performed to a high level for the team. I was so impressed by the enthusiasm of this group. Barring sickness there wasn't much that kept them away from training and Saturday matches, and it was the beaming smiles, willingness to learn and rousing singing that made it a privilege and pleasure to be their coach.

There's some real talent amongst these children, and for those that haven't quite got there yet, enthusiasm already has them half way there. So I hope they all make it back next year a little stronger and with a summer of kicking the footy under their belt, showing the new recruits how it's done.

COACH	Mike Schofield
--------------	----------------

PRESENTATION AWARDS	
Best And Fairest	Callen Thomas
Golden Boot (Top Forward)	Leo Leidl
Clubman of the Year	Evan Wildin
Best Defender	Liam Seymour
Midfield Maestro	Ioanni Titmuss
Most Courageous	Charlie Meldrum
Most Competitive	Nic Crosbie-Smyth
Persistence Award	Hannah Raco
Most Enthusiastic	Sam Evans
Biggest Improver	Sam Goldwater
Fastest Mover	Lewis Schofield
Ever Present Award	Henry Schmidt
Iron Hands Award (Best Mark)	Riley Holland
Most Exciting Player	Nate Gollan
Most Potential	Caelan Cosgriff

CAELAN COSGRIFF

In a consistent season, in which he only missed one match, Caelan had a particularly memorable breakout game against Maroubra Saints in round 5 for which he received the days encouragement award. He was on fire, sharking the ball all over the place, listening well to the coach, kicking on the run in only his second game and getting his first taste of goal-scoring. Looking forward to seeing more of that skill in 2016!

NICOLAS CROSBIE-SMYTH

Duck for cover or risk a thick ear when Nicolas has the ball, as he is without doubt the mightiest kick on the team. Invaluable providing rebound from defence, and a gutsy ball magnet all over the park, he found the goal regularly, particularly in the second half of the season. As well as a strong leg, he also proved to have strong lungs, taking great delight in belting out the club song each week... beware karaoke hosts everywhere!

SAM EVANS

Sam set a fine example on the team, always smiling, he made every match and just about every training. He notched a goal in the first game, then took a bit of a hiatus to feed his glory hunting team mates with scoring chances before going out with a flourish of majors in the last few games. Sam has all the foundations to be a really good player, he loves the game, and six months of steak and chips dinners will see him return bigger and stronger, ready to terrorise the opposition.

SAM GOLDWATER

Another player for whom only illness and travel to exotic locations would get in the way of footy. Sam steadily improved over the season, improving his kicking and all round skills. He did some super work in defence, and shot truly through the uprights with abandon during the second half of the season. Unfortunately we're losing Sam to the land of the long white cloud, and the game they play in heaven... well Dunedin anyway. Looking forward to seeing you score the first drop goal with an AFL torpedo from your own goal line during the rugby world cup 2027.

LEONARDO LEITL

It took only a few minutes of game one for Leo to boot a brace of goals and begin a tally that would secure him the honour of top scorer for the season. Despite missing a few games, he consistently kept the goal umpire busy when he was on field. He is no Tony Lockett style "bag of sand" however, and like his favourite player Dustin Martin, showed great skill and fighting instinct all over the ground. Like any young gun giving his all, his stamina occasionally gave out, nothing that a few laps of the oval and a high octane pre season won't sort out though.

HANNAH RACO

Hannah carried the banner as our only girl on the team, and what a great job she did, playing every game except gala day when she was out of town, and only missing one training due to illness. Working hard on her skills, her improvement peaked in a drama filled incident against Western Suburbs. Winning the ball a few metres out from goal she was ready to notch her first major, and executed a fantastic kick, but in the wrong direction. That's happened to the very best players on the odd occasion, you are definitely going to be kicking goals next season.

HENRY SCHMIDT

Henry was another player who earned his sausage sizzle by showing up to every game and training barring illness. The intensive training regime began to pay dividends as he found more of the ball and the goals as the season progressed. If he doesn't make it professionally in the game, I can see him adopting a Dennis Cometti type role on TV one day – he loves a chat during the game and can crack a joke. In the meantime I prescribe an extra sausage sizzle per week and look forward to seeing a bulked up Henry showing us who the boss is when we run around again next year.

LEWIS SCHOFIELD

Lewis started the season brightly using his lightning pace and fancy footwork to great effect, and was frequently observed booting the Sherrin in the cramped confines of the garden well into darkness. After a mid season junket to England, jetlag and illness meant a damp Jubilee Park didn't quite hold the allure of Legoland and other pricey tourist attractions. A lean spell followed, but by season's end he was showing glimpses of good form again. I expect Lewis, also known as "Little Gary Rohan" to burst back onto the turf next year with unstoppable vigour.

CALLEN THOMAS

Callen is most definitely a morning person and knows exactly when to apply his excellent footballing skills. Like a wily veteran, he had a knack for avoiding afternoon training sessions and saving his best for early Saturday morning games. He was always ready for action, lighting up the dingy post dawn with a big smile and attacking the ball with gusto in the pre-match warm up. His enthusiasm showed on the field as he performed consistently all over the ground, finding plenty of the ball, and his fair share of goals. A position of head motivation coach could be created just for Callen next year.

EVAN WILDIN

Another player with a great attendance record and work ethic, Evan used some terrific skills to make the most of his game time. First on his menu was a big hunger for the ball, followed by a main course of goals, and he rarely deserted his team mates, always close at hand to dish out assists. Narrowly missing out on being top scorer, he certainly had a season to be very proud of, and I'm looking forward to seeing his skills improve even further in the future. You set a fine example Evan and thoroughly deserve the best clubman award.

CHARLIE MELDRUM

Charlie joined us in round six wearing one of his trademark beanies on a soggy Concord Oval, and promptly banged a couple of goals through, a trend that continued more often than not in each subsequent round. One of the few players I didn't knock over or trample at some point while blundering around, he did come unstuck on a number of occasions when keenly scrapping for the ball, but despite picking up these knocks always made it back into the game. Had he started earlier he may have donned the top scorer crown.

LIAM SEYMOUR

Liam had his first game in round ten and cemented himself in the line up rapidly. A prolific goal scorer and all round competitor, I was particularly impressed by his defensive work. There weren't many marks, but he produced two of the best, willingly putting himself under a couple of real rainmakers. He popped up regularly on the last line of defence, gathering the ball well and getting us out of trouble on numerous occasions. Defenders with flair add a valuable dimension to the game, keep it up Liam!

RILEY HOLLAND

Riley made his debut in round eleven, quickly laying down his hand of aces by turning in a brilliant first game and two goals to win the encouragement award on his first outing. Tough at the ball, Riley had one of the highlights of gala day courageously standing under a high ball, eyes only on the prize to take a marvellous grab. Riley proved himself very capable, and a strong and accurate marksman in front of goal. I expect him to really shine over a full season next year.

IOANNI TITMUSS

Round thirteen saw Ioanni join as the latest recruit to the under 5's, and yet again a new addition made a great impression. Where had these kids been all season! Ioanni only had time to make four appearances, but showed himself to be a very intelligent footballer with a big kick and excellent vision, aware of what was going on around him, and adept at finding his team mates in space. He was an integral part in some of our best passages of play towards the end of the season and I can see him becoming one of our best six year olds.

NATE GOLLAN

Nate was our last arrival, scraping into the mix in the final round. His first few kicks at training were a bit wayward, but after a few pointers he cottoned on very quickly showing what an excellent listener he is. At gala day he started getting a fair bit of the ball and put his quickly developing skills to good use as he booted his first goal in a match. Hopefully the brief taste of footy was enough to catch the bug and we welcome you for a full season next year.

U6s

Coach's report & player profiles

COACH CAIN SARAH

COACH'S REPORT

It is difficult to know where to start when trying to convey what a fantastic season the under 6s had in 2015. Week in week out we had the largest number of kids which often resulted in lending players to opposition teams or Jack running his now famous (but brutal) intra club matches pitting mate against mate. Quite a few of the under 5s from 2014 returned however there were over 25 debutants all of whom showed amazing improvement as the season progressed.

Each week we tried to get the kids focussed on 1 to 2 things we wanted to see improved and they did this without question. By the end of the season kids that initially could barely kick a footy were kicking drop punts lace out to forwards, taking contested marks and running bounces and generally showing all the attributes and skills of Australia Rules football. Often at training I would tell the kids to get stuck in and not to be afraid to knock someone over (fairly of course) which resulted in the them playing on Saturdays with true grit and determination. So I would like to say a massive thank you to all the kids for turning up each week, giving it your best and really doing the Glebe Greyhounds proud. I sincerely hope each one of you got something out of the year and that you return next year as an under 7 and continue the journey to what I can guarantee will be success and achievement down the track.

Special thanks to each of the parents who helped out at training when they were thrown a footy and told to stand at the top of a line and handpass the ball to a leading 6 year old or the recording of goals, cooking of snags on the BBQ, bringing oranges and generally ensuring the games and training ran efficiently.

And finally, a huge thank you to Jack Finsterer and Nick Cummins who helped coach the teams. Both these guys are a wealth of football knowledge but most importantly are fantastic with the kids and know exactly what is involved with running a junior team. They are already signed up for next year.

COACH	Cain Sarah
TEAM COACHES	Jack Finsterer Nick Cummins
TEAM MANAGER	Stephanie Williams

Joint Best Defender	Zac Shanasy
Joint Leading Goal Kicker	Fergus Tracey
Best On Field Tactician	Chaz Williams
Goal of the Year	Lachlan Williams
Best Second Efforts	Aiden Wills

JACK AHIE SLATTERY

The most determined 6 year old you are ever likely to see. Chased down everything and has a real knack for brining team mates into the game. Also very close to best and fairest.

GUS AMMITT

A true star. His improvement had to be seen to be believed. Can do it all. By season's end he was taking contested marks, running bounces, kicking to team mates and slamming through more than the odd goal.

MAGNUS BARR

Like his name suggests, a huge talent and player of the future. Also an extremely devoted trainer.

HARRISON BRODERICK

Unfortunately lost to the USA, Harry is a gun. He will be a star of the future, no doubt. His only possible undoing is the fact he supports the pies.

ASTON CLARK-HOLLY

Again, a huge improver. Probably the best and most consistent trainer of the group.

BLAKE CLIFT

Improved his concentration out of sight with his best game coming late in the season against Easts where he was everywhere, showing what he is capable of.

WILL CUMMINS

Like the Dogs that he follows, the big issue was holding Will back from wanting to tear opposition teams apart. Super aggressive and hard at the ball – traits that will hold him in good stead in later years. Gave a lot of drive from the midfield also kicking more than his fair share of goals.

GEORGE CURRIE

Just pipped by Gus for best and fairest. George is an excellent player with very good natural ability and a terrific understanding of the game.

MICHAEL DONNELLAN

Once we figured out how to pronounce his name (MEE HAUL), we were able to give Michael the accolades he deserved. A true gun and one of the most improved over the season.

AUGIE DOOLEY

A completely focussed team player. Apparently after receiving the player of the week award, called friends and relatives in England, Sri Lanka and Ireland spreading the good news.

MAX FINSTERER

Most creative – Boomer like (according to his Dad) is his spellbinding footwork. I would have said more like Cotchin buy anyway a minor detail.

CHARLES FULLER

Possibly the easiest kid to coach in the group. Very energetic and enthusiastic and his development over the season was fantastic. Very unselfish, often playing for opposition sides when required.

ALEX FULTON

A complete player who knows how to win his own ball. Very good at brining others into the game and celebrates a goal like no other. Loves it.

ORAN GALLAGHER

A brilliant in and under player, always doing the 1 per centers which his team mates loved.

JAMES GREEN

Probably equal most improved. Gave the team a lot of dash out of the midfield setting up goal after goal.

CHRISTIAN HERFST

Lost to Abu Dhabi mid season, Christian's reliable marking and kicking out of defence were sorely missed. Will hopefully return in a season or two.

MAXWELL HOBSON

Now the improvement in this kid had to be seen to be believed. He had never picked up a footy until the first training session where probably 20% of balls connected with boot. By the end of the season, he was a terrific running back flanker picking up possessions at will and using the ball with skill and precision.

HUNTER JOHNSTONE

Very determined and someone who is very easy to coach. I don't think he missed a training session or game. He is someone who you can see will be a player of the future.

LUCA JONES

A natural forward with a real eye for half chance which he then converts. Makes the most of every opportunity.

GABE LARKE

Completely reliable, a joy to coach and to watch play. Also one to keep an eye on in the future.

HECTOR MARSDEN

Booming left boot and Pat Cash style head band. With those attributes, will certainly attract the attention of the umpires and poll well come Brownlow time.

SEBASTIAN MOK

Without doubt one of the best defenders in the team. He was resolute and rarely gave up a goal all year. Also provided a lot of run out of defence.

EMAKHI MUNRO

A supremely talented player. Whilst small in size, he gives away nothing in determination. His left boot is a joy to watch.

THOMAS PERROTT

Most generous always dishing off, brilliant off half back and came into his own when the song was sung late in the year with some great manoeuvres in the middle of the huddle.

MALIYAN REYNOLDS

A dominating presence that strikes fear into opposition sides. Maliyan too was a terrific and enthusiastic trainer and combined very well with his brother Bawurra.

BAWURRA REYNOLDS

Came into the side late in the piece after fielding offers from numerous clubs before settling on the Greyhounds. An extremely skilful player.

NICHOLAS ROCHE

Nicholas took a total of 178 running bounces before realising he had done all he could do in under 6 footy so jumped on a plane and relocated to the UK where he is weaving his magic on the soccer field. A naturally talented and pure footballer.

ARCHIE SARAH

Had another terrific and consistent year playing his best footy up forward kicking the equal most number of goals for the year. Enjoyed defending hard and on occasions executed a couple of magnificent smotherers.

ZAC SHANASY

A tough and rugged player who feared no one. Loved the in and under stuff and dishing it out to his teammates into space. A real Glenn Archer type.

FERGUS TRACEY

Fergus was also one who improved out of sight. He kicked the equal most number of goals for the year and was generally dominant in every game he played. He too will be one to watch in the future.

CHAZ WILLIAMS

A true on field tactician often bamboozling opposition sides with his throwing of the ball to himself before running off and delivering to a team mate.

LACHLAN WILLIAMS

Goal of the year. Literally flew through the air evading defender after defender to slam it through the big sticks. The smile remained on his face for the remainder of the game.

AIDEN WILLIS

An emerging talent, always giving and going and following up, traits that coaches love to see.

U7s Coach's report & player profiles

COACH MATT SMITH

Season 2015 for the under 7s was full of highs. We had a surge of registrations, we got a new coach for the Greys and had a big influx of girls improve our ranks!

It was great to see most if not all of the Greys return and this year they were led by the effervescent and ever enthusiastic coaching of Mike Cooney. A big thanks to Mike who had the double burden of coaching an under 9s team.

Chris Placencia played a huge role in the development of the kids and this year most of the improvement in the training sessions was down to him. Chris really put in and the Blacks were a really powerful group with him showing the way.

However with the greatest of respect to Chris and Mike, Janelle held the group together with her wonderful organising skills and pragmatism. If Joel's retirement threats are real then the club will suffer a major loss!!

The most amazing part of the year was the staggering improvement of the kids. Whatever level they were respectively at from the season commencement, they all improved as the season progressed. Congratulations to all of them. They did this in spite of me just yelling. Thanks kids, you made my year.

Best Defender	Felix Paszkiewicz
Best Allrounder	Felix Trethewey
Best Runner	Gabriel Liem
Super Boot	Henry Jordan
Best Forward	James Morrison
Best Rookie	Margaret Cooney
Natural Talent	Oliver Milton
Perpetual Motion	Oscar Crosbie Smyth
Best on Baller	Shea Millward
Best Midfield	Thomas Killingsworth

CHARLIE MORRISON

Charlie was having another strong season when he took a mid season break to freshen up for the end of year assault. The results were immediately obvious. His displays up forward were sensational and he was able to wreak havoc with opposition defences. His goal tally ballooned and the distance on his kick was huge.

LIAM BURNICLE

Liam was the obvious choice for this award. He has always had a beautiful clean set of hands and he has now added a spring heeled leap to his range allowing for spectacular grabs. Along with his marking he has continued with his all round running game. His pressure acts have been impressive on the defensive side and gave himself the tagging role in the team. Stellar year Liam.

FIN SWIFT

Fin was a huge contributor all over the ground and started the season with a bang with a goal scoring performance against Drummoyn. As the season developed though, it was clear he was becoming an important key position defender for us with some gritty defensive efforts against the opposition big forwards. With an appetite for hard work he prevented many scoring opportunities.

JACKSON BARNES

New to the club this year Jackson was soon to impress with his ability to get hands on the ball in the centre and use his handball to great effect. The use of the handball cleared the ball from the centre to players in space and helped set up many scores. The development of his distribution skills has the selectors licking their lips for next year.

NED BENNETT

Last year Ned was best Back but has improved his all round game and he his tap work artistry in the centre saw him clinch this award. The role was one he enjoyed and he accepted the added responsibility with real relish. His best performance was the gala day when he used the vast expanses of the larger field to his advantage and ran into space all day.

PAT SMITH

Pat kicked most goals this year and justly receives this award. He has developed a lot this year and had career highlight game down at Maroubra. However, the best part of his game is willingness to work hard and get his hands on the ball as often as he can. The most pleasing thing to see is his efforts to share the ball, it is a team game and he gets it.

TEX LIU

No competition here. For a complete disregard for his own safety in smothering the ball and launching himself into contests, he has no peer at this age group. He averages 2 smothers a game. His technique is pure, body and hands being used beautifully. He uses his head around the ground and often finds himself all alone in the goal square. Footy and book smarts!

STANLEY MORRISON

Stan must get sick of me saying this. He has a beautiful left foot. He always surprises opponents with the length and accuracy of his kicking. He also benefited from a mid season freshen up and although I do not have the statistical data to back it up, I think Stan added length to his kick after a sojourn to Greece. Perhaps next year we all go?

HAMISH BURNICLE

A natural sportsman, we are blessed that Hamish elected to play Aussie Rules for Glebe. He is fast and gets plenty of the ball. His kicking improved out of sight and I think the camp did him a world of good. Hamish is damaging on the scoreboard and provides rebound from defence to provide a great all round game.

PHOEBE PACE

Week in week out Phoebe turns up and puts in for the Greyhounds. She has kept the work up in training and her skills are blossoming. The bounce of the ball did not necessarily go her way but she really developed an appetite for the action as the season went on. She provided one of the highlights of gala day with her work in the centre.

MIA WILLIS

Mia came to the club this year and initially formed a two-pronged attack with Phoebe. However, in one game when she was separated from Phoebe she had her year highlight and kicked a brace of goals. She has really embraced the club and her infectious smile is a great addition for us. A big off season will see her rewriting records next year.

LACHLAN RUNDELL

Lachlan surprised all with his persistence to become an AFL player. He developed a towering kick & started to follow the ball & play throughout the whole of games. Lachlan seemed to really enjoy his footy this year. He is a real versatile player who again shone in the ruck.

JACK TURNBULL

Jack only managed a few games this season, which I am sure, didn't sit well with Jack, as he loves his footy. Whenever present he did his best & fought hard for his possession which is what all coaches want to see. Looking forward to seeing Jack back next year, as I am sure it will be his break out year. A very reliable tall defender with some great footy skills, who is not afraid to put his body on the line.

JOEL KENCHINGTON

Joel reached 50 games this year & excelled when milestone reached as he looked to have his mojo back. Joel presented really strongly up forward this year & was a multiple goal scorer on numerous occasions. He also looked to have picked up a couple of extra yards in pace this year, which made him so much harder for opposition teams to match on. Joel is an excellent trainer always listening to the coaching staff.

SASCHA CHRISTIE-DAY

Sascha had an enormous year and was in the top echelon of players in each match. He always put his body on the line & head over the ball. His fearless plays were rewarded with some great contested marks. Sascha showed plenty of dash to escape his opposite number & then kick on the run at full flight. He always looked to offload to better-positioned teammates. A great team player.

LUCA GARDINER

Another year of great improvement for Luca. When on he was able to carry the football forward from the centre to the forward with some real pace & deliver with precision. Down back he chased hard & restricted his man well. I feel next year will be his breakout year; I have a feeling Luca will be a star in 2016.

RUKI MERLIN

Ruki had a good year & probably didn't play as many games as he would off liked. He contributed well & displayed improved kicking skills. The best thing Ruki does is find the ball, fights hard for it, picks the ball up swiftly, zooms downfield with it & unloads the footy with thought & precision, his disposal ability, second to none. His sleek handballs are his best weapon. Looking forward to Ruki playing next year.

ISAAC PLACENCIA

Isaac surprised all with his improvement to catch the ball & ability to focus on playing the ball & not the player. He brought his developing league game to Auskick & learnt that tackle free enabled him to barge through & dribble the ball through the goals. Always first to help out his team mates.

JACK MAIDEN

Jack improved so much this year, his kick outs with his trusty left boot a credit to all that practice. He was never flustered down back & always thought about where he was kicking, this enabling plenty of swift movements down field, which were a credit to Jack. Can only get better with his determination.

CASH ROBINSON

Cash had another stellar year, always in the top three players every game. A real footballer with great skills Cash's game went to another level this year with his ability to read the game & always position himself where the ball was heading & then been able to set up his team mates with some great passing. A real star in the making.

HARRY ZYLMANS

Harry was another who really improved as a footballer. His ability to find the ball is awesome. His overall skills improved & his ability to time his run with a bouncing ball coming in his direction electrifying. Always one to go a million miles an hour and used his pace to the teams advantage. Harry became a real goal sneak as the season progressed.

ABE RACE

Abe's offseason development was there for all to see from the first game to his last. His positioning in general play a credit to his football smarts. Abe was always looking for ball with some excellent leads & with his height really stood up in defence. His ability to listen & follow instruction made him such a valuable asset for the Blacks. His commitment to improvement was a real highlight of the year. Great second season Abe! Keep up the extra's, improvement will continue.

HUNTER GIBSON

Hunter's first year was phenomenal. He was always hard & fast at the ball, a player who always had eyes for the ball only & put his body on the line, a real inside player. He always has a footy in his hand willing to practice as often as he can. He has developed a great drop punt in his first year, which is a credit to his commitment to mastering all facets of the game. I can't wait to see him next year!

OWEN LA BROOY

Owen was a late comer to the season & showed great determination to get the ball. Possess some quality football skills & is a real trier. Always willing to do the hard yards & is able to kick goals when going forward. Looking forward to a full season next year.

LEON TITMUSS

Leon was a real late comer to the Greyhounds, spotted at the local park playing with a round ball with a Sydney Swans jersey on. I am sure he will be a real gem in years to come. With his height & football skills, Leon will command a key position. He has a great mark & is a solid kick. A good trainer he will have a great 2016, a future Ruck/rover.

AIDAN COSGRIFF

Aidan's progress this year has been like watching the opening of a beautiful flower. We have had glimpses of his natural raw ability & the development is no fluke by his sheer hard work at training. Finishing up the season nicely kicking two goals in the last game. We look forward to see what skills he will sharpen for next year's season. Keep working hard Aidan.

EDIE STAFFORD

Edie is a fantastic student of the game always listening attentively absorbing as much information as she can to improve her play. Her enthusiasm is infectious, always at training or game day with a big smile on her face, eager to get involved. It's been an absolute pleasure having Edie on our team this year. Keep coming back.

GABRIEL LIEM

Gabe can run like the wind & all day it would appear. He learnt to use his pace shifting into space on the wings & easily losing his opponents on the chase. Gabe is a team player backing up to use this gift in defence as well. What a wonderful season Gabe has had improving every game, can't wait to see what he has install in the under 8s.

HENRY JORDAN

He wasn't kicking like Buddy all year but in the later part of the season we saw the power of Henry's boot & the potential he has. The hand passing skills also leapt in accuracy over the season & we know he will continue to get better next year. Henry enjoys the social aspect of footy, which is fantastic to see. We look forward to seeing Henry in 2016.

FELIX TRETHEWEY

Felix's season was one that gathered momentum. The longer the season the went the better he played. There were many outstanding moments for Felix & we could not list them all here. He was able to kick a number of goals in the back end of the season & with some solid off season training we predict a big 2016 for Felix.

JAMES MORRISON

James is a natural with instinct that can't be coached. The kicking & hand passing skills are great but for me his stand out was the aversion running/running straight past would be defenders with a big grin on his face. James gels well with his teammates bringing out the best in everyone. Awesome season James can't wait to see your progression in the new year.

MARGARET COONEY

Maggie started her first game of AFL with two goals. Her pace was noted & she was fearless getting after the ball & trying to rip the ball out of the ruck. Sadly her year was cut short through injury, trampoline not footy related. We hope that Maggie brings her athleticism back to Jubilee next year.

OLIVER MILTON

Oliver always has a huge smile on his face & looks like he is having the time of his life. His skills are amazing especially plucking the ball from the air taking miraculous marks. He kicked many goals this season & we predict many more to come. Ollie, great season, keep practising during the summer & see you next winter.

OSCAR CROSBIE SMYTH

Oscar covered more of the ground this year than Daniel Hannebery. Impressive as his skills & his capacity to run are, where he really progressed this year was in his leadership. More than once his awareness to help out a team mate & give them a lift when they needed showed great maturity & the signs of true leader. A huge year for Oscar.

SHEA MILWARD

Shea had no qualms about getting his head over the footy & taking the ball from the deck & looking to make swift disposals. He has pace & spatial awareness to avoid defenders along with accurate kicks/hand passes saw him feeding his team mates with clean ball. What an amazing year Shea, looking forward to another next year.

THOMAS KILLINGSWORTH

Tom learnt so much this year about the tactics & positional play. His skills were always there but he learnt to play smart & communicate with his team mates & probably gave more goal assists than any other kid. He has been a huge asset to the side & look forward to having his smarts around next season.

HAMISH PAXTON

Hamish has so much ability with his skills, a fantastic boot & speed. When put to use he could kick goals on demand. I would say he was tentative at times but this is U7s footy. With more belief next year in his HUGE gifts to play more on the ball great things await this young man. Practise hard in the off season Hamish.

FELIX PASZKIEWICZ

Felix found his calling early & really got the message of marking up on his opponent. He made every opposition team work hard for their goals & smothered a number chances over the season. This is a hard job however he seemed to relish the role. When forward he was kicking some cracking goals, great year Felix, you should be very proud.

U8s

Coach's report & player profiles

COACH MICHAEL DONALDSON

2015 was an outstanding year. By far our best. Week in and week out people were happy to get their hands dirty, get in among it and really share the load. It was a massive improvement on previous years. Yep, the parents this year were outstanding! Our parent whisperer and manager, David Henderson, deserves top credits. As a coach it was a joy. No need to worry about Thursday Night Tucker, the canteen and the ground setup. It allowed the coaches to concentrate on important life skills like winning and being magnanimous about it.

I could not have hoped for a better or more rewarding year.... on so many fronts.

Highlight No 1: We gained 10 keen draftees – many of whom had never kicked a footy. Two of these were girls. In the past, we've had enquiries and I was thrilled that River and Maya really enjoyed the season. Their debut was at the Sydney Swans vs Fremantle NAB cup game, surrounded by AFL legends. Both girls really rose to the occasion and were stand out players.

Highlight No. 2 was a very special weekend. The Adam Goodes booing saga had hit a crescendo. As a team we spoke about bullying, racism and how it can affect people. We all decided to support Goodsey by writing his number 37 on our arms. That sunny winter Saturday morning we played East at their home ground. Everyone arrived a good 40 minutes before the start – all proudly wearing Goodsey's number. Normally we get pantsed by East and while we were beaten by a point in each of our officially drawn games, everyone played their best ever footy. Nobody could be prouder. Oh, and we got a spot on national TV news too.

Highlight No 3. & 4. were the two SCG half-time outings for the team. They come around rarely and all the kids love running out onto hallowed turf.

We also celebrated Will Nichols' 50th game for the Greyhounds. Will has really developed over the past couple of years into an elite player that can swing a game.

Our success didn't just happen. While many parents helped with coaching sessions, special thanks must go to my co-coach Richard Hoeing for his efforts throughout the year.

Standout recruit	Griffin Ferrara
TV Week Award	Tom Evans
Wingman award	Oliver Colston

MILESTONES	
50 Games	Will Nichols

OLIVER CHAPLIN

While there was hesitation in his game last year, we'd seen enough to award him the highly coveted "Debutant of the Year". This year, again there was some reservation. Then, on the last day in May against our highly rated foe the Moore Park Tigers, an atomic bomb exploded at Jubilee park. At the epicentre was Oli. He dominated the centre. Clean first touches, blistering break-away runs and superb kicking. Not content with being awesome, he brought others into the game. Up front he confidently booted 3 long goals. Oli was back!

OLIVER COLSTON

Encouraged by his best buddy, Oli Chaplin, Oliver Colston took up AusKick for the first time. Being best buddies, they were rarely apart. This was great as shouts of "Kick it to Oli" doubled our chance of marks being hit. A couple of stand out moments occurred. First, as the perfect wingman during Oli Chaplin's rampage in round 7. Oli handpassing to Oli, back and forth. Oil to Oil to Oil, as they streamed through the mid-field. It was fun and off the back of this success, Oli Colston kicked 1 goal 3 behinds and was best on ground in our demolition (draw) of the Newtown Swans on their home turf.

FINN DERMODY

Another of the first year rookies, Finn's attitude and long and direct kicking is great. But for a beginner, it is his read of the play that is unbelievable. No better demonstrated, than in round 13 against Newtown Swans. Stuck in the half back pocket, the Swans hesitated and committed football cardinal sin #1: Thou shalt not kick across the line of goals. Reading the play early, there at the top of the 50m arc was Finn, who plucked the pill from the sky, swivelled, took a couple of steps and booted it confidently between the big sticks. If Joffa barracked for the mighty Greyhounds, the gold lame jacket would be on and the "Game Over" banner erected.

JAKE DONALDSON

Jake likes to talk to the opposition. I don't know what about – perhaps the latest Minecraft mod. As the ump throws the ball up there's a brief pause in Jake's chatter. Seconds later he emerges from a cluster of arms, legs and bodies with the footy in his hands to dish it off to a team mate or kick it over the head of the kid still thinking about Minecraft. This was no better exemplified than his outstanding best on ground performance against comp heavy weight: East. For this one, I truly mean, well done son.

TOM EVANS

Every team needs a bit of pizzazz. Football-wise Tom is a talent: the mischievous zig-zigging, slick hand passes and crazy banana kicks at goal. However, more importantly he has fun with footy. And cheeky too. During an interview for the evening's national TV News, there in corner of each frame was Tom showing us his handball, marking or baulking skills. While that interview ended up on the cutting room floor, the entertainment talent scouts have asked for his number.

GRIFFIN FERRARA

Griffin is another first year rookie. But watching him play, you would not know it. He's a great mark and booming kick. On debut he joined a select few by kicking two goals. For someone in his first year he reads the play very well and has been brilliant out of defence. Overall, he's solid as a rock. Looking forward, Griffin's future is bright.

HUGH GIBBONS

Hugh joined the team this year. We're glad he did. His smarts and deft touch in the ruck has been excellent and it is for that reason he has been awarded Best First Year Ruckman. He's also the only player in the team who has a cackle as he runs out of defence. I don't know why, but it makes me have a bit of a laugh too. Hugh is also blessed with a booming kick which we'll look to hone next season.

JAMES HARDY

James' hunting ground is the left forward pocket where he bends the ball through the big sticks before celebrating with his customary fist pump. He's footy passion personified. This was on full show at last year's presentation day. On the stage was AFL legend Kevin Sheedy who called for questions before rambling. All throughout, at the front, with his hand held high was James. After 50 minutes, he got his chance, "Have you got any tips for an upcoming player like myself?" Sheeds then taught him all about the hip and shoulder. While not allowed in U8s, we're hoping to see it in the coming years.

MASSIMO HENDERSON

Max's read of the play and leadership in the defensive half is excellent. He must love it down there, because even when he's on the ball I find him there at centre half back positioning himself just in front of our opponent's gun forward. He's got a big straight kick which is great for getting the ball out of full back or booting it long out of half back to our forwards. Next year I hope he becomes more selfish and has a few more shots at goal! We certainly know he can kick the distance

LEO HOEING

Weaving in and out of packs. If there's a loose ball bobbling around the forward pocket, within a blink Leo has snaffled it, jammed it onto his right boot and slotted it over the umpire's hat. He has toe and is the fastest runner in the team who will relish the step up in ground size of next year. Leo is a combination of Lewis Jetta combined with Eddie Betts. Yep, that good.

LUKA HOVEY

This was Luka's first year of AFL. By round three we were all completely blown away with his superb running and kicking game. He then backed it up each and every week since. Luka has been a real find! He's first to the ball and loves a run along the wing. Definitely one to watch in the coming years.

BEN HUNT

Describe Ben's performance? I could but it would be an overload of superlatives. He's dominated the forward, back and mid-field. He's booted the equal highest number of goals for the team and managed to also squeeze in a number of games for the U9s. He's certainly ready for next year's rule changes and will relish more freedom. Superb year Ben.

XAVIER JACKS

WRIGHT-CHANTRILL AUSKICK RISING STAR AWARD WINNER. Playing his second year, Xavier has taken his game up a level. His read of the play is excellent. His pin-point passes are gold. Up front, he knows how to kick goals either from acute angles or outside the 50m arc and came tantalisingly close to joining Ben and Tom as the leading goal kickers. However, it is his consistency at training and in the games that has earned him the Wright-Chantrill Auskick Rising Star Award. A big future awaits.

MAYA KELLY

Out of all the new rookies at the club, I am proudest of Maya. Completely new to the game, Maya was little apprehensive. She gave it her all and learning quickly. She has developed her handpass to be the best in the team. They are always well placed and perfectly executed. (This has encouraged a number of the boys to improve theirs.) Teaming up with River and working together, it's been a joy to have the two girls in the team. Her standout game was against Newtown where she kicked her first goal and collected the match day award. Well done Maya.

WILL KIMBERLEY

For donkey years he's dominated the game. Earned the most MVPs and been one of the league's prolific scorers! And then Michael Jordan gave it all up and switched to baseball! Just like Michael Jordan, Will's taken a sabbatical. We're hoping that our triple Coleman medallist will soon return from his hiatus.

LUCAS KUNG

Lucas is another one of this year's rookies. His politeness and calmness extends to his football. He has a rare skill that all the footy greats have. Bending the laws of physics, Lucas creates oodles of space and time for his runs off half back and down the wing. With only a couple of goals to his name for the season and in a surprise move, Lucas started at full forward for our gala day grand final. Within 10 minutes had booted 3 goals. Wow!

NED LARKE

New to the game, Ned improved with each training session and game. He quickly earned the respect of his team mates for his tap ruck work and long kicks. Fast forward to our last game at the SCG he ran on to the ground with red and white war paint on his face and took up his position at full back. There, marking deep in defence, he stepped back and launched the loongest bomb the SCG crowd had ever seen... sailing all the way to our goal line. Ned is therefore the deserved winner of the Bernie Quinlan "super boot" award.

TOBIAS LINDSAY

Without doubt Tobias is the best mark in the comp. Often under pressure and up against the competition's best forwards, it's always Tobias who reads the ball's flight better or jumps higher to take the mark. Very dependable and with a booming kick, he deserves the highest accolades. Next year, as the ground size is increased and kicking and marking is more important, I expect him to continue to shine. Perhaps more time at full forward is in order?

NOAH MACKENZIE

There are none better than Noah at the centre bounce. I think he's been watching Nic Nat or Hale because he's always tapping the ball to our advantage and then following up looking for a hand pass back. And often he does get it. Once he gets to arc, he can't help himself and loves a long kick at goal. Not yet Noah, this is AusKick! Bring on next year.

REMY MORROW

Remy re-joined the team after a year away. His kicking, run and hunger for all the ball is excellent. Down back he's saved us many time with his read of the play and his kicks out of full back have been very thoughtful and executed perfectly. He loves streaming out of defence with the ball tucked under his arms.

WILLIAM NICHOLS

This year as the sun was setting on the season he chalked up 50 games. Will is one of a core group of elite U8s player. He's always been very accurate with his kicks, brilliant rebounding off half back and devastating up front. His work rate and two-way running is one of the highest in the comp. And now, thanks strong competition in the handball stakes from Maya and River, Will now has a very slick handpass in his arsenal. However, Will's key skill cannot be taught. I don't know how he does it, but the ball is either in his hands or seconds off from being in his hands. You'll not see a player who has run more in a game.

BILLY O'BRIEN

In his second year, Billy is now starting to get more involved at the centre bounces. Our tap ruck work has really improved this year, which is great because it now means that Billy's getting more of the ball. In the past where there was hesitation, he's now quickly jamming the ball on to his boot and kicking it to our forwards. Up front he's had some agonisingly close kicks at goals. He's had fun and is always fun to be around.

RIVER REID

Needing someone to demonstrate how to kick the footy at our first training session. Bing, up shot River's arm. Doink. Although her kick ricocheted off Declan's noggin, it was a great kick and certainly got everyone's attention! (Declan now sits at the back.) Game one was the half time Sydney Swans vs Freo NAB Cup game. Here, in front of all the AFL legends (Buddy, Kennedy, Fyfe) and corporate sponsors she outclassed everyone by being first to the ball and very clean with her kicks and handpasses. And this was game one! She's very competitive, dominates the midfield and is always first to volunteer. She involves everyone in the team and has encouraged all around her to improve their game. So much so, that Will Nichols has learnt to handpass. I'm sure she'll continue to shine.

TOM ROBERTS

Do not let his laconic easy going exterior fool you. Many have, only to see his blonde mop bobbing, weaving and sidestepping with ease towards the goals. He's lightening fast, a solid mark and a booming kick. Starting in the middle, Tom switches on as soon as the ump throws the ball up. Dust and players follow him and he is one of the most devastating players on the team who leaves opposition teams DOA. Wooed from soccer, he's already been identified by those in the know as a player to watch. To top it off, he and Ben Hunt share honours for the highest number of goals kicked. Not bad for a laconic first year rookie. Bad luck Chelsea, I think he's found his sport.

DECLAN WILLIAMS

With the footy is in his hands and a smile on his face, Declan pauses standing still waiting. Players from both teams scatter this way and that. Declan still waits. There's players doubling back, going long and donging into each other. It is in this chaos theory created by his stillness, that Declan seizes opportunity and begins his run. His standout game was at our grand final gala day game, when he was a great sport and volunteered to help out the Moore Park Tigers. Perhaps not privy to the secret coda, he was a complete star and repelled three certain goals. Declan has been fantastic for us (and the opposition) on the last line of defence.

U9s

Coach's report & player profiles

COACH SIMON TRACY

COACH'S REPORT

The jump from Auskick to U9s is big, probably the biggest single step the players take until they move to divisions. I don't want to overstate it, in terms of life stages it's not like puberty or driving a car or starting to eat blue cheese, but in footy terms, it's pretty big. First up, they can tackle. This generally didn't seem to be a problem in the U9s, for many the willingness was there, it just required technique. Like cooking. When people start cooking that just try and jam as many flavours on a single plate as they can, and just about everything has chilli in it. The point is, like cooking, tackling requires practice, but what you lack in skill you can make up for with enthusiasm. And chilli.

The bigger field took its own toll early in the season, especially on the warm April days against the hard running sides. But we did it, we developed endurance to play out games and players got better at positioning themselves rather than just chase, chase, chase. An opposition coach from Newtown, the arch rivals of the Black team remarked after losing a game having been four goals up at half time and being held scoreless in the second half that the will and endurance of our team was so good he would be getting his players on the training track that very week.

Watching the players transition U9 rules was interesting, there were some players who I wasn't sure how they would adjust took to it naturally, they became new players on the bigger field, while some who were smashing it in the U8s took longer to get with it in U9s. I'm pleased to say that by seasons end all players in all teams were making contributions to their team's performance, and I think if you asked the coaches what they were most proud of this season, that would be it.

Natural ability will only get you so far, and as the players get older it counts for less and less, while hard work and listening to coaches becomes more important. Our natural players had great seasons, but it's the performance of the players who have to practice a bit more or be given specific instructions from coaches on what to do in the game that has been most exciting. And probably the single most important contribution to our success.

Which brings us nicely to success, a relative concept that means different things to different people. In politics, sadly it's just about winning elections. In business it's about profit and the bottom line. In Candy Crush it's about levels. Divine. In footy, it can be easy to over simplify it and say it's only about winning. At the AFL level winning is important, because success is defined in building towards a Premiership, but footy clubs at all levels play a much bigger role than just smashing out the trophies.

Success at the Glebe Greyhounds can be measured in different ways. Player registrations, volunteering, financial stability, home games at Jubilee. Getting six teams into Grand Finals, a new club record. Importantly, it's not about one single measure, it's those things together that demonstrate success. In summary, 2015 was a success for Glebe.

Then there's success U9 style. Mid way through the season we recognised our teams were unbalanced. We had lost a couple of players to the U10s and had Aiden and Arndt had season ending injuries (not football related thankfully). The coaches decided to make some changes to ensure our teams were evenly competitive, without coming at the expense of playing footy with your mates. The equalisation policy bore fruit, many of the drawn games all three of our teams were playing were coming down in our favour.

Then we played Gala Days. Put aside confusion about rules and draws and ladders and finals. What we had were three teams in a field of 22. After two weeks of round robin that group was cut to eight teams to play finals. And all three U9 teams went through, more than any other club. Our players made a very good account of themselves in their games and every single one of them should be very proud of how they played, not just on the Gala Day but for the whole season. From there the Hounds team made it all the way to the Grand Final against Easts. Unfortunately they didn't bring home the chocolates, but they didn't leave anything on the field either. I count that as success.

MILESTONES

50 Games	Luca Smith
----------	------------

There were many other season highlights for the U9s. There were the standout games that will live long in our memories, like the Hounds playing Maroubra Red at Heffron with Thomas kicking goals and George stopping a certain goal and winning the game in his first game for the Hounds after coming across from the Whites; the Blacks and Newtown Gold at Henson Park when Harry took a beautiful pack mark at full forward on the siren with Glebe two points down; and of course the long standing rivalry between the Whites and Drummoyne Teal which switched back Glebe's favour after trouncing them in the Gala Day.

There are a number of individual performances that will also be remembered, Nick's Gala Day performance when he was sick and was so dominant, especially marking, that the opposition had no answer. Rupert Gilles who makes up for what he lacks in size with heart, laid a tackle on a huge Drummoyne Teal player and took him over the side line. Saxon took a great mark in the forward flank at Maroubra and went back a kicked the goal that won us the draw. All memorable performances.

There are plenty of good memories from the year as well, like getting 40 kids down to the park on Saturday mornings when games were washed out to play footy, or when Mike and Greg took training once on their own and had to call for a stretcher for injured players, running through the banner to Hells Bells, schnitzel TNT, Swans players coming to meet the kids at Maroubra the morning after losing to Richmond and the first four questions were "how does it feel to lose". For me, the best memory I have of the season is after the games seeing the parents taking extra kids home to play or go to footy, friendships not just between the players but the parents as well that would never have happened if it wasn't for them playing footy at Glebe. And I count that as success.

A massive thank you to Dapper Dan Kenny, Magic Mike Cooney and Gregarious Greg Smith for a wonderful season. Your honesty and passion is fantastic. To Amazing Angus McDougall, you are a champion again, your input at training is invaluable. To the managers, Adorable Anna Kearns, Charming Christian Rugge-Price and Pretty Paul Andreacchio, thank you. Your job is really important to make sure the teams run smoothly and you have all done it exceptionally. 'K'aptivating Kirsty Bass, another season gone, probably our best one yet. Thank you, you're awesome. And to the players, thank you. I have loved coaching you alongside the team coaches this year, and I can't imagine what we could have done differently. Footy is a players game, our job as coaches is to get you to game day, once you're on the field you're on your own, and you have all played a great season. We have a lot of work to do next year, we've all seen the standard we need to reach, but I know you can do it if you bring the effort. Only eight years until the U17 Premiership, and I know we're the team to do it. Enjoy the off season and summer sport if you're doing one, but keep practicing. 50 kicks, 50 handpasses and 50 marks every day. See you in 2016, Go Greyhounds.

BLACKS

CHARLIE BASS TRACY

Charlie, like everyone in the team, played in all positions throughout the year but it was in the centre that he made the biggest impact. He's a natural outside player who likes tackling, and his standout game this year was against nemesis team Newtown Gold who were all over us in the first half. Charlie received coach's instructions to play tight on their best player and he restricted him to no possessions after half time, not by tagging but by playing in front and being first to the ball. Great work Charlie.

HENRY DANIELS

There are a couple of players who standout in the team because of their positive attitude, willingness to listen and hard work, and Henry is one of those players. When the coach asks Henry to play a certain way or do a certain job, Henry performs it to the letter, but it's his leadership on the field by doing little things like reminding players to mark their opponents, or leading into space or picking up loose players that has won him this award. A breakout season for Henry, well done.

SAXON KERR

Another player that took a step in U9s and was relishing the challenge. Don't underestimate his quiet demeanour with lack of will or courage. He's hard at the footy, runs games out, tackles ferociously, can play in all positions, and took a mark and scored a goal against Maroubra that will be spoken about in hushed tones for years to come. Saxon has proven himself to be an invaluable member of the Black team and look forward to seeing where his game goes next. Great work Saxon.

WILL KILLEN

Will is the definition of the in and under player. He never looks happier than when he is on the bottom of a pack, except when he's won a hard ball, fended off a tackle and kicked to the forwards. Will has had a very good season and is a well liked member of the team. He almost missed the Gala Day with an injury to his foot, but bounced back with a breakout performance in the Gala Days playing in the centre. Well done Will, a fantastic season.

ALEX NORMAN

Alex has always been a strong runner and ball winner, however this season was standout. His leg speed, endurance and body strength saw him able to break tackles as well as he laid them, crash packs and leave opposition players in his wake. He and Felix made a potent ruck and rover combination, when the ball landed in his hands Alex would take off and the crowd would hold their breath as he kicked it forward.

Sadly we'll be losing Alex to Abu Dhabi for the foreseeable future, however there will always be a spot at the Greyhounds when you come back. Great job Alex.

HARRY POWDITCH

There have been many words used to describe Harry this year. Laconic. Nonchalant. Unassuming. The word they're actually looking for is effortless, as in everything about how Harry goes about his footy seems effortless. He never panics, he never gets over excited, he simply plays the role he has been given in the most effective, reliable way possible. Anyone who witnessed Harry at fullback during the Gala days knows what this award is for. Time and time again good opposition would load up a shot at goal only to have it land on Harry's chest. He didn't drop one. A really great year Haz, well done.

LUIS PLACENCIA

Few players have the desire to learn and then put it into action like Luis does. You make one remark about hand balling over opposition players to team mates waiting outside and suddenly Luis is trying it in the game. No one is better than Luis at understanding the role he is given in a game and playing that role perfectly. He played a key role in defence this year using his consistently good marking to stop goals when he played full back and physical effort to take on the opposition's best player. Luis never leaves the field without a red face and dirty guernsey. Fantastic work Luis.

FELIX RUGGE-PRICE

Felix took his game to another level this year. He has always been a strong runner and long kick, this year Felix focussed on winning his own ball at every contest, and on rucking where his height and endurance make him a natural, but it was his work on technique and deciding when to tap and when to punch the ball that really stood out. Felix is a bit like the Hulk. If he gets hurt or frustrated in the game the opposition better look out, that's when Felix responds with a goal or a spectacular mark. Another great season Felix, well done.

CHARLIE SARAH

Charlie is a quality player in all positions, but it's up forward that he feels most at home. As a small forward he is exceptional at leading into space, something that is hard for players to understand, and create opportunities for himself to kick goals. In the Gala days he worked well in combination with Dawson, not just passing to each other but protecting them from defenders as well. Charlie also spent time working on his kicking throughout the season and it resulted in his drop punt becoming a potent weapon, something that runs in the family. Excellent work Charlie.

JAMES SCHMIDT

James is one of those players that is so valuable to a team, he can play in every position. When he plays defence he marks up and makes a contest when the ball comes in, if in the mid field he tackles and up forward he can take a grab, some of his best work has been marking with his hands in front. His work rate and effort at training and in games is fantastic, James is an asset to the team.

BILL SMITH

Another standout season from Bill. He has a long kick which he uses very well, backing himself to have a shot at goal from centre half forward, but it's in the clinches that Bill excels. He uses his strong body to crash through packs and will take on a tackler every time. One of the great sights in the Black team is to see Bill emerge from the congestion, two or three opponents hanging off him, the ball in one hand and booted deep into the forward line, sometimes even for a goal. Nice job Billy.

PARKER STEVENSON

Parker was one of those players who just exploded in U9s. He brought a level of fearlessness to his tackling that left crowds holding their breath. He was relentless with his second and third efforts in bringing down the player with the ball spectacular. He had a haircut part way through the season which left the coach worried about a Samson situation, but it seemed to make him lift his performance even more. Great season Parker.

DAWSON WILLIAMS

Dawson was new the Greyhounds this year. In fact, Dawson was new to footy this year. Anyone who saw him play would be shocked to know that. Dawson is a natural competition, who brings effort to every single contest, no matter what position he plays, but when he's forward he looks like he might win the game off his own will, with his performance in the Gala days a standout. He is a very good kick and takes a good mark, but it is the effort he brings that really makes him a great player. Fantastic work Dawson.

WHITES

OSCAR BRISTOW

A tough year for Oscar through illness & injury that left him gutted not being able to be on the pitch playing with his mates. When he was on the ground he made some huge contributions early in the season leaving us pondering how far this kid will progress. His big improvements are in his kicking & reading of the game. Oscar always pays attention, listens to the coach & does his best. With a full season under his belt next year he will be unstoppable. We missed you this year Oscar.

XAVIER BUSCH

Xavier is a hugely talented player with silky skills. A moment that needs to be mentioned that displayed these skills was against Newtown when the defence was coming hard onto his preferred right foot when in front of goal, no problem onto his left foot for a cracking shot. Xavier would play all over the oval if we didn't have positions given his speed & ability to run hard. No shock to his representative selection. He took marks all over the ground & long penetrating kicks his trademark. A consistent performer that works hard for his team mates. Another great season Xavier.

LUCA COONEY

The goal king. A beautiful long kick of the ball that produced many goals during the year. He is an unselfish player handing the ball over if another player had a better position to take a shot. Highlights would be 2 goals against old foes Drummoyne in the gala's, one was from nearly half way. He has a knack for creating space & giving himself time to decide on the best options. Sold the biggest candy of the year a number of times, what a great season Luca, keep the practice up in the off season.

RUPERT GILLIES

It was a breakout season for Rupert. A very determined & driven player who is not scared of anything or anyone. In fact the bigger they are it would seem the harder Rupert goes trying to make dents in some of the biggest fellas in the comp. Apart from putting his body on the line, smothering kicks, smashing through packs, tackling hard, Rupert has some great skills kicking goals & hand passing through the midfield. Let's not forget to mention his enthusiastic goal celebrations. Courage, desire, team work, fearlessness are the reasons why Rupert had such a HUGE year.

FRANK LEWIS

One of the best & hardest tacklers in the game, this award comes as no surprise. Frank wants to be heavily involved in the action at all times. I would put one clear win of the season down to Franks tackling that won him free kick after free kick. A very enthusiastic member of the side, he has worked hard on his kicking & has greatly developed this part of his game. Saving many goals this season Frank with your endeavours on the ball closing down opposition players, what a marvellous year Frank.

MATISSE LIU

Matisse developed her game strongly in the second half of the season. It has been a huge transition this year with the size of the ground doubling & the introduction of tackling. Matisse, once mastering these new facets of the game, resumed her role as the cool calm head & a leader of the side playing her best under pressure. Matisse excelled from the midfield dishing out good & timely hand balls. She has a strong team sense & plays accordingly for another brilliant season.

ROWAN O'CONNOR

Rowan is a strong & physical footy player tough at the ball. He is best getting stuck in at the ruck & trying to share the footy with his team mates. His ball disposal improved remarkably this year as well as making many long & decisive runs resulting in goals for the team. He wears his heart on his sleeve showing his passion for the game. He knows no other way than to give 110%. You can see on his face how much he loves working with the team, be very proud of your efforts Rowan.

LUCA SMITH

Luca takes on the general role, organising & directing his team mates into position. Being vocal & encouraging those around him is one of his strengths & is a fine quality to possess. His kicking & running has developed along with leading. Tackling hasn't been an issue playing school rugby each week before backing up for the Grey Hounds. It hasn't been easy backing up some weekends but Luca doesn't want to let his side down & finds his 2nd/3rd & 4th wind when required, you're a great clubman Luca.

LINUS STAFFORD

Linus has made monstrous leaps in his footy development this year. A strong & fast runner naturally he adds overheads marks & a safe pair of hands to his resume. So much so he was positioned in the back line this year playing an important role in the goal square halting opposition forays. Holding position in the square then cleaning up the footy when it came into his domain & taking off on superb runs using his graceful style to burn off would be tacklers. Loving your style Linus.

OLIVER WALLIS

What a year for Oliver, his level of commitment & involvement increased dramatically & therefore so too did his football. No other than the eventual grand final winners, Easts White, did Ollie lift to have his best game of the season. He had the Easts defence pinned down in their quarter where he seemed to have the ball on a string. Ollie loves playing with his mates showing us what its all about with a huge smile. We are very fortunate to have you at the club Ollie, congratulations on the season.

RORY WATTERS

I would like to thank Rory's mates for introducing him to the Glebe Greyhounds. He is an absolute cracker of a player. We can't believe what he has achieved in his first year. He runs himself ragged & never stops. His speed is lightening & read of play progressed well & further skill work will round him off for next year to be an on baller of the highest quality. When the coaches asked him to do something he listened attentively & responded with effort & enthusiasm. Awesome Rory.

ANGUS YOUNG

Angus is a quiet achiever, not saying too much letting his feats tell the story. Angus played well all over the park creating a healthy problem of where best to play him. We don't know where that is but when up back he proved to be a safe pair of hands in the backline with a steady head to move the ball intelligently upfield. However, when forward he displayed a knack for kicking goals. Like a few of his team mates his form peaked at the right time in the Gala's & in the finals. We look forward to seeing more from Angus in the years ahead. Super year.

JAKE DOPIERALA

This kid is tough. Hard at the ball often found at the bottom of the pack scrounging for the footy. After a sluggish start by the Whites in the first game of the Gala days Jake took it upon himself to fire up his team mates busting a pack of West Magpies defenders like bowling pins with a determined run to get the Whites on the scoreboard. The great determination & tenaciousness comes from a fella that never played AFL before, I know it's hard to believe. What a start, I can't wait to see you in your second year Jake.

ARCHIE CHRISTIE-DAY

Archie is a very talented footballer with time to select the best options. A team player it was a joy to see him gel with his new team mates, lifting them to his high standards. We found that midfield was where he excelled controlling play around the ruck setting up goals for his forward line. He is able to dispose of the ball in very tight situations that would impress the professionals. No surprise he was awarded representative honours. You have fantastic ability Archie, well done for your year.

LOUIS QUAYLE

Louis, like Angus, is good everywhere. He can tackle, kick goals, compete in the stoppages, I could go on. The left foot boomer contested hard for the footy & knows his way around the footy ground. He can read the play & positions himself extremely well for a junior footballer. Louis transitioned nicely into the Whites mid season & we are very lucky to have him in our side. One of his great strength's is his selflessness. He has fantastic team mentality. Great year Louis.

ARNDT HASELER

Arndt started the season very well. With the introduction on tackling it took a few games to adjust to the contact. Not for Arndt, he seemed to be a natural tackler & didn't mind getting involved in the rough & tumble. Sadly for Arndt his season was cut short due to injury & we didn't get to see his potential. He was missed in the back end of the season & we hope that he will be able to return for the Greyhounds in 2016.

HOUNDS

Grand Finalists Sydney Harbour U9

NICHOLAS ANDREACCHIO

A super regular season was capped by a tremendous finals campaign, as he stood tall when the heat was on. Strong and skilful, he's also great overhead and possesses a big tank.

HUGH DAVIS

Hugh was another to blossom during the year, as he learned his big frame and long arms could clunk plenty of marks and bear hug unsuspecting opponents.

JAMES FULTON

Our on-field general, James understands the game and marshals the troops accordingly. Great in the forward line, where his pressure and tackling lock it in, much to our opponents' displeasure.

GEORGE GRIFFITH

Joined us mid-season and became another who embraced his physical size and emerged a tremendous defender. Made a huge last-ditched tackle in the elimination final to save our bacon.

AARON HOENIG

Aaron is the kind of player who does everything well: kick, mark, handball, tackle. He was able to play anywhere anytime, but possesses super instincts for goal and a knack for a snap.

JACK JURY

In his first season with Glebe, the soccer convert combined his natural foot skills with thundering defensive pressure. Very quick and a super mark, his bone-jarring tackles became his trademark.

WILL KENNY

Big kicks, big marks, big bags of goals, including six in a game. Despite his obvious prowess as a forward he is a damaging defender where he is impassable and tackles with, as they say, "authority".

THOMAS MOSS

The most improved player in the team, Thomas emerged as a very strong mark and rugged tackler. He was one of our standouts on grand final day, where he went toe-to-toe with the best.

OLIVER O'CALLAGHAN

The toughest nut in the team, Oli just knows one way: run, tackle, win the ball, hit a target. Repeat. For all his grunt he's also got pinpoint disposal and is deadly in front of goal.

ZACHARY RODGER

Another big improver on the season, Zach began to embrace the physical contest and developed into a rugged forward and pinch-hitting ruckman.

NED WADLAND

Champs like him, baby they were born to run. Really really quick, and a good mark, Ned used his pace off half-back and on the wing to scoop up loose ball and bail us out of trouble.

HARRY WADLAND

Reads the play exceptionally well and takes an inordinate number of intercept chest marks. Can look out of the contest but his closing speed and strong leap spoiled many an opponent's morning.

VELAYUS WYNNE

Very clever player, especially up forward, his deft handballs and dancing feet set up plenty of goals. His mark-then-run-and-bounce major in Rd 13 was the goal of the season.

U10s

Coach's report & player profiles

COACH PETER READ

COACH'S REPORT

It is a bit surreal, dear reader, as I sit here only a week after our Greater Sydney Juniors Grand Final weekend. A weekend that followed the season that was.

Having just emerged from my first swim of the season and now sitting on a friend's balcony overlooking the sea we are girt by, I am reflecting on what to write about the mighty Glebe under 10s squad. The words growth, leadership & team come to my mind and for very good reason.

The pups of last season have grown up, now 9 and 10 years old, they are growing in many ways. Clearly those parents who competed in our annual boys v. parents end of season "grudge" match will have noticed they are faster, stronger, think quicker, kick further, leap higher (no, it is not as the boys will have you believe that you are getting older and slower). They are also growing as young men of this world, they care for their mates, they listen to their coaches and they want to learn. They have all definitely become better for their experience with our great club and its values. They are a pleasure for the coaches to coach, the fans to cheer and the opposition teams to compete against.

Leaders are emerging from the playing groups. Who would have thought boys would be saying "no criticism of team mates" as they ran out to play? Who could have dreamed of our boys giving a pat of encouragement when their mates were being brave and things went a bit pear shaped? Who would have thought that the team leaders would stand in front of their teams at the breaks and give the team talk better than the coaches? That's what this fine group of leaders did in 2015.

Footy is a team sport. I am sure someone greater than me has said that and I acknowledge them. We all have our kids play team sports to try to teach them that in life you cannot do it all on your own. The power is in TEAM. To watch our boys train and play they all got it and they all were wonderful around the squad and the three teams. I think especially with boys it is good to give them a variety good reference groups as they approach teenage years and beyond. Their footy team should be one of them. I know all the coaches and managers have worked very hard to provide that to our playing group.

Some kids will always be stars, while others will take longer to blossom. For the greyhounds our club has always been one that prides itself on everyone getting a game. We should all remember this is for the kids and that is where our enjoyment should come from. It is why the team of coaches and managers and other helpers do what they do. Particular thanks must go to, in no particular order the coaches of the Whites, Simon & Hounds, Dan; the respective managers, Fiona (Whites), Kingsley (Hounds) & Andy (Blacks); my elder Son, Michael who was wonderful in helping at training and as the Blacks' runner on game days.

Congratulations must go to some of the boys in particular: Our four representative players who did the City Team proud – Archie Christie-Day (Hounds); Darcy Dessent (Blacks); Mo Faye (Whites); & Max Rider (Blacks). Our two boys who gained admission into the Swans Academy – Jack Harris & Max Rider, an awesome achievement and two of the leaders who will bring new ideas to make our teams better for their experience. The winner of the Susan Parker Award as the graduate from Auskick – Darcy Dessent, a star who started with the club as an under 5. All our players who were part of the Black & White List, our club academy (thanks Joey). All of the mighty Blacks Team that made the Grand Final! Three of whom were picked in the 2015 All Stars – Darcy, Jack & Max.

Well done too to the boys who won the Association awards for their teams, the best and fairest and runner up best and fairest for each team and other awards listed below. Thank you too to the U9s who enjoyed the opportunity to play up this year. A particular mention to Bill Smith who played regularly with the Blacks through the year and through our finals campaign, thanks Billy. Finally to our parents and carers who ferried the lads to training and game day, who stood on the side line and cheered some great footy, who baked cakes and cut oranges, carried water, waved goal flags, stuck on band aids, helped with training drills and were soundly beaten in the "grudge" match, thank you all.

BLACKS

Grand Finalists Sydney Harbour U10

RAYMOND BURN

Raymond learned the greatest lesson in footy this year – to go forward. Through packs, hand balls to advantage, taking marks it was all in Raymond's highlight package this season. As a coach you love a player who plays to the game plan without question. Playing in the middle and up front this was a real breakout season for young Raymond.

SAM CASSELL

Happy to play the small forward or small back role Sammy used his blinding speed to the team's advantage. Always smiling, like the assassin, Sam tackles with a ferocity that often surprises the opposition and delights the coach. He is a magic to have in the side and will often lighten a solid training session with a welcome funny line. Great stuff Sam.

DARCY DESSENT

Often starting at Centre Half Back and swinging forward late in the game, Darcy did whatever was required by the team. A player that will lower his eyes and deliver laser like passes to his team mates in better positions but also a player that can drive a goal home. Clearly from the awards list this was an amazing season for Darcy on top of a number of fantastic seasons all the way from the U5s. Well done Darcy.

SAM DONALDSON

An injury interrupted season kept Sam a little quiet early on but come finals time he was genuinely back to his best. Playing his best football in the engine room or down back that booming kick often drove the team deep into attack. Great to see a player who is not keen on the forward line also bagging a few goals. Tremendous work Sam.

JACK HARRIS

Captain Jack led the only way he knows – from the front. Wow! The toughest player in the competition. If our team was known for its intensity and hardness it all came from Jack driving the team forward from the first bounce in every game. Not long in our great game Jack clearly has all the attributes to be a star. A season of recognition had its capstone with Jack being selected for the Swan's Academy. Looking forward to next season with you Jack.

OWEN LLOYD-SHEPHERD

Hard as nails is Owen. He spent most of his time doing the hard in and under work. Giving clearance after clearance, he was instrumental in the team going deep into the final series. In the gala days he proved he is not a one dimensional player giving us a real target up front who not only was a ball magnet but also a sure kick at goal. Wonderful team play Owen.

TOM MCGRATH

For a first year player, Tommy soon learnt playing for the Blacks meant playing hard. Never one to shirk a contest he made the stealth handball an art form. At training Tom was an inspiration to his team mates, always one of the first to understand the drills and then on game day converting theory to practice. Absolutely magic first season Tom.

LIAM READ

A big boy with a big heart. Liam made the ruck position his own. Feared by the opposition, with a lethal leap for the ball. Always ready to put his body on the line, he was fearless in the ruck, and solid when needed in defence and deadly at full forward. This year Liam really developed the game sense and consistency that made him such a valuable asset to our team. One of the Coach's favourites – sensational work Liam.

MAX RIDER

No surprises who our best and fairest was. Arguably the best player in the competition. Be it marking, scoring, playing centre half back or centre half forward or even in the ruck Max is just outstanding. Rightly rewarded with representative honours, all-star honours and selection in the Swans Academy, Max can be well satisfied with his great season. Future Superstar Max.

WILL SHARP

If you want to see what every coach wants in a first year player look no further than Will. A half back forming the "wall" with his mate Flynn he was just outstanding in all the finals. A safe mark, a sure kick and a haul of 8 goals made his rookie year just fantastic. A wonderful lad to coach, he can look forward to an amazing season next year in the under 11s. Super season Will.

FLYNN TANNER

Flynn took it as a personal insult if his opponents made it past him. As the team's anchor in defence, very little got past him and he kept up the energy game after game. He was also the start of many of our attacking raids with his rebounding style and fearlessness to run off his opponents. Although only playing a small amount of time up front, Flynn finished fourth in our goal tally. A season to be very proud of Flynn.

COOPER TWINE

A versatile player, Coops made the goal celebration part of our team. Popular with the other players as he would do any job asked of him for the good of the team. Maturing into a real solid player he is one of the five boys who started as under 5s in 2010. His height and size are a great advantage to the team, as is his intensity when he's fired up! You are a real Grand Final player Cooper.

HOUNDS

NICHOLAS EDWARDS

One of our most classy players, Nick is skilful in kicking, passing and reading the play. He made a fantastic contribution to the Hounds in his 3rd year and has more than 40 games to his name. He is a great team player, was consistently in the best and fairest tally and his selflessness is a common characteristic in the Edwards' family; Kingsley managed the team, Sally was first aider extraordinaire and Harrison the team runner! Nick was incredibly effective on the backline, and this season he saved close double the goals he kicked and yet was the Hounds highest goal scorer – an outstanding achievement and witness to his precision performance! You should be proud of your efforts Nick, well done and see you next year!

JAMES GIBSON

In his 3rd season, James has more than 30 games to his name and plays with the experience and consideration provided from every one of his games. He is well liked and helped settle the u9s, who joined mid-season, and this allowed the team to be more cohesive, earlier than otherwise. Most memorable were the tight contests where James rose to the challenge and supported his team-mates through hard tackling and pressure to force multiple turn-overs and move the ball safely forward. James was effective in lifting the team through his impact and he featured on the best & fairest tally. Well done James, great work, keep it up & see you next year!

SAM HOWARD

In his 5th season, Sam is one of our most experienced players and packs a pint-sized power punch to damage any opposition offensive. The pressure he causes when contesting the ball, tackling hard, often causes a turn-over. Added to this, he is aware of his team mates and shows the Greyhound's spirit often as the first to help an injured player, regardless of own or opposition. His preference to play forward and discipline to stay in position has allowed the team to snap forward to the goal square, knowing he is waiting to pop a sneaky goal, much to the delight of his team mates and spectators. Keep up the spirit Sam & see you next season!

JACK KILBY

A seasoned campaigner, approaching 70 games in his 5th AFL season, Jack has the most games of any Hounds' boys. He is happy and has fun with his mates at training which contrasts markedly with his on-field determination on game day. Jack was part of many good centre and forward combinations, in the thick of the contest, quick to get the ball out and also keen to have a quick snap at goal. He one of our best scorers and featured on the best & fairest tally. You had a great season Jack, well done & see you in 2016!

ALEXANDER LAWES

Alex developed in his 3rd season of footy, is approaching 40 games and made a unique contribution to the Hounds this year. He follows instructions well, is well liked by his team mates and is very interested in learning and improving through training and matches. A reliable all-rounder, selfless in play and a true team player, he is one of our best on-field thinkers so often positions himself well to collect the ball and make most effective use of the footy. Well done in 2015, keep up the good work Alex and see you next year!

ALEXANDER LONGVILLE

One of our best on-ballers, Alec had his 3rd season this year and spent more time on the backline, saving dozens of goals in some games and really developed his skill reading the play, protecting the backline and sending the ball forward. Also spending time centre and forward, Alec is very effective which ever position he plays. His speed, enthusiasm and ability to read, position and win the ball ensured he was consistently in the best & fairest votes, won the Hounds best & fairest award this season and was also nominated for the Association Outstanding Achievement award. Well done Alec, you should be very proud of your outstanding contribution to the Hounds – see you in 2016!

HUNTER MACKENZIE

Hunter was a great asset to the team in his 2nd season with the Greyhounds. He increased the depth & breadth of his game this year and made a solid contribution in all positions, tapping into his steely determination for the benefit of his mates. He has a reliable boot, uses his height & speed well; giving much needed support in the centre, bursting through the pack to bomb the ball forward, has a particular flair on the backline and kicked a handful of goals when playing forward too – like a true champ! Hunter, be proud of your efforts, the team depended on you and you consistently delivered – well done & see you next year!

FLYNN MORRISON

In Flynn's 4th season, we welcomed his switch from u9s to the u10s in Round 7, to avoid clashes with soccer. Approaching his 50 games, he is a stylish player with skill and regular training showing in his game – he kicks very well, has an ability to bounce on the run, roves the pack well, and produced some valuable scores in several games this year. From when he joined, he quickly made a difference to the Hounds and should be very proud of his efforts – keep up your training Flynn and see you next season!

LOCHLANN O'CALLAGHAN

Loch had a great 3rd AFL season in 2015 and made a valuable impact in each position he played. With a natural desire for maximum aggression in defence, he improved through the season, especially in his ability to get the ball out fast to his mates and with awesome confidence in any position. Loch has a booming kick and was part of many great linked-plays with his team mates, getting the ball out of danger and featured in both the top goal scorers' shortlist and best and fairest votes – a recognition that his consistent efforts were noticed. Well done Loch, great season – we look forward to seeing you in 2016!

RAPHAEL QUOYLE

2015 was Raph's debut season and we were thrilled to have him join the team. With soccer clashes in the u9s, a move to the u10s in mid-season, allowed him to play footy and PLAY he did!! He made a marvellous contribution to the team; a key defender with a preference for the back flank, he can read the play well and get the ball quickly out of our danger zone. He has natural skill with his AFL, quickly slotted into the team, is well liked, and made a big difference to the Hounds from when he joined. Thanks for your help in a great debut season Raph – we look forward to seeing you back next year!

ZACK SEIVER

Zack joined from WA and it's clear he loves to practise in the park with his dad, Mark. He improved markedly through the season and played every game he could in his first year with Glebe Greyhounds. He loves the centre contest, working up a great sweat, is effective on the ball and through his tough tackling was able to stop even the biggest opponents. The support he gave his mates when contesting the ball was top-class and saw him in the best & fairest tables. Keep improving Zack & look forward to much more next year!

WHITES

JOSHUA AHIE-SLATTERY

Josh's natural brilliance has the ability to change games in an instant, with natural flair that's exciting to watch. Josh was always looking to help in the ruck or seeking out teammates as he sent the ball forward, and he's a great foil to Mo. Josh's talent makes him great athlete in any sport he tries. It was fantastic to have you and your winning smile in the side Josh!

JAZPER ALEWOOD

Jaz is every coach's dream player: enthusiastic, first to the action and incredibly versatile, no matter where he was asked to play, making him the backbone of the Whites. Jaz played with relentless tenacity and his constant effort made him an inspiration for the whole side. A thinker too, Jaz is always keen to offer his insights to help his fellow players. Jaz, you're awesome! And that's why you're sharing the Best and Fairest. You rock!

LUCA MORROW

As one of our finest ruckmen, Luca's height made him a god, summoning the ball from the heavens in tap outs and contested marks. He pushed hard all season, getting stronger every game, controlling the ball through the midfield as well as shutting down the opposition attacks. Luca's bravery was matched only by his soaring kicks, especially in the forwards. Great work Luca, be very proud of your achievements. Your big heart fills us all with admiration!

TOM CARROLL

Tom is tiny dynamite, an on-baller who explodes out of the contest, shrugging off bigger players like confetti, or felling them should they dare to take him on. Resolute, resourceful and rugged, Tom is a great team player who glues the side together and makes it work so much better. He knows just where to look to drive the ball forward and his courage in contests is phenomenal. Tom, you're the man!

JAKE EVANS

Jake delivers superb footy with quiet determination. His consistency and rugged intensity making him one of our most valuable players, whether in attack or defence. Jake's instinct for how play unfolds puts him in the right spot time and again, often single-handedly creating our side's momentum and opportunities. Another 50 gamer this year, Jake all-round reliability makes him a dream player. Jake, I wish there was an award for awesomeness! You're the best.

MAMADOU FAYE

Mo's dazzling speed made him so exciting to watch and a crowd favourite as he raced towards the goals, but more importantly, he proved that defence is just as critical to winning matches and his chasing and tackling was invaluable too. Mo's enthusiasm, leadership and resilience made him a team lynchpin and he was our rep player in 2015. It's been a thrill and pleasure to coach you, Mo!

ARCHER KING

A pocket rocket who gave the Whites our season highlight in the final game when he pounced on the ball and, dragging two defenders with him, kicked the goal that sent the crowd wild! Archer was also a fearless on-baller, diving in where bigger boys dare not, his hunger inspiring the team to push harder too. His positive approach also brought great team spirit to our side. Keep kicking goals, Archer!

JASPER NICHOLS

Jasper is a brilliant ruckman, a smart footballer who keeps pushing the game forward, gaining valuable ground every time he touches the ball. He's shone this year, notching up 50 games and also becoming a critical flanker with a prodigious work rate that's set the benchmark across the midfield. That commitment earned Jasper the team's Outstanding Achievement Award for 2015. Top work Jasper, we're so proud of you!

PADDY THOMAS

The White's hard man, you know that when Paddy's beside you, no matter how tough it gets, he's tougher. A 50 gamer adept at any position, Paddy's at his best midfield, where his relentless appetite for the contest wears down oppositions, especially when he wrenches the ball and spins away to set up the attacking plays. His grit and consistency made Paddy a very well deserved co-winner of the Best and Fairest Award. Congrats!

ARCHIE THOMSEN

Archie anchors the backline with impenetrable defence that shuts down the most dangerous rival forwards, and locks in the ball. He saved countless goals with smotherers and tackles that regularly earned turnovers and also showed he's more than just a tagger, sending the ball forward with big, accurate kicks. Archie reads a match well and the 50 gamer shows great leadership to help set up our defensive line. Top footy Archie!

KIRA VERZAR

Incredibly versatile across the field, Kira is one of our essential ruck-rovers, hungry for the ball to spill from the pack so he can use his strength to push it forward or ready to pounce with a tackle if the opposition attempts a break. Dogged and eager, Kira's continued effort has been a joy to watch and he's definitely this coach's pick for most positive player. Congratulations Kira, great work!

Coach's report & player profiles

COACH DAN KENNY

COACH'S REPORT

Premiers Sydney Harbour U11 City Division 2

What a year! In our first year of competitive footy, the young men of the U11 Greyhounds thrived. We won the premiership, won the minor premiership, won 11 out of 13 home and away games, scored a massive 1065 points, including 163 goals, and conceded a miserly 420 points. Our percentage in the home and away season was a truly astounding 249%, an effort that would impress even Alistair Clarkson!

But the stats only tell half the story. Far more than the wins and the trophies, it was the growing maturity and determination of our players that really impressed the coaches. They brought a level of discipline and focus to training and games that we hadn't seen before, and the improvement in player skills and fitness showed that many were putting in the hours outside of training to improve their play. Most impressively, players such as Jacko and James demonstrated a reliable kick off their non-preferred side, a skill which takes many, many hours of practice, while the improvement in kicking and marking skills of some of our new guys, such as Harry and Robbo, showed that they too were working hard to be better players.

From the first game, our players lived by the mantra of playing hard and aggressive footy and moving the ball quickly. Our players showed a willingness to put their bodies on the line and take the fight to the opposition which is rarely seen in U11s footy. Samuel's efforts to single-handedly hold back the Newtown midfield in round 14 was the stand out performance, though the big bumps and heavy tackles were many and not far between. Some of the other standouts were James' big bump in the first Concord game, which really set the standard for the season, Pat's crunching shepherd to put Samuel away against Newtown, and Matthew throwing Moore Park midfielders around like they were rag dolls in the Quarter Final!

We started the season aiming to improve the speed with which we moved the ball, an objective which we definitely achieved. We moved the ball quickly and played on with confidence, ripping many an opposition apart and piling on some massive scores. This took teamwork across every part of the ground. Many a move started deep in the defence with Ben or Finn, was channelled through Baz or Jacko at half back, through Samuel and Baz in the midfield and onto Harvey, Olly or Gabriel up forward. The highlight of the year was a length of the field goal from Finn to Nick, to Will to Harvey which turned defence into six points in about 20 seconds.

Teamwork was the other area which set our team apart. This year we specialised in positions and learnt the importance of doing your job and trusting your teammate to do theirs. We saw this in the superb defensive work of Finn, Pat and Ben in the backline, the hard two-way running off halfback from Jacko and Baz, the hard grunt work from midfielders such as Samuel, James, Hayden, Matthew and Blake and the dominant forward work from Cullen, Joey or Bowie. Our men showed a selflessness and dedication to the team through some fantastic shepherding work, by playing the less popular positions to their best or by setting up players in the hot spot rather than taking the shot ourselves. Combined with some really strong communication and working together, particularly in defence, it made us a force to be reckoned with.

Despite all of these fantastic outcomes, the greatest achievement of the team was introducing four new players to the team and to footy. Harry, Robbo, Olly and Bowie were welcomed to the team and taken under the tutelage of players like Samuel, James and Jacko. The leaps forward that they made in their skills were a result of the hard work that these players put in and the support that their teammates provided. Their performance in the Grand Final set us apart and was the perfect end to the year for a team that worked so hard for each other.

Well done on a fantastic year, we couldn't be prouder of you! Taking the premiership was just reward for the maturity, teamwork and hard work that the team put in through the year. It's been a pleasure coaching the team and we hope to see everyone back (with a few friends) to play again in 2016.

SAMUEL SCUTELLA

Samuel has always set the standard for hard work, ball skills and tough football in the team and this season was no different. Super-consistent, Samuel was always amongst the best on the field, hard at the ball, running two ways across all four quarters, ferocious in his tackling and nailing accurate passes to set up his teammates. But it was his leadership that Samuel really developed this season. He took the new players under his wing, providing advice and encouragement and teaching them the skills of the game. Footy is a team game, and by taking an active role in his teammates' development, Samuel's already considerable contribution to the team was multiplied massively. Samuel's best on ground performance in the Grand Final was exceptional and the perfect end to a fantastic year!

GAME OF THE YEAR: Grand Final – On the biggest stage of all, Samuel ripped it up in a best on ground performance. His two way running was superb, his work in tight aggressive and his attack sublime with a game high three goals to his name.

JAMES KENNY

The other half of the dynamic duo, James formed a lethal on-ball combination with Samuel this season that was the undoing of many a team. Always hard at the ball and tough as old boots, James stepped up the aggression yet again, laying some truly bone-jarring bumps and shutting down opposition midfields with his aggressive tackling. James also added attacking flair to his repertoire this

year, kicking more goals than his career total at the beginning of the year and developing his kicking off both feet to take part in some brilliant attacking plays. James also played a strong on-field leadership role, providing encouragement and fire to push the team to greater achievements.

GAME OF THE YEAR: Round 5 v Concord – One week after returning from a dislocated thumb, and in the biggest game of the year to date, James was on fire. His running out of defence was devastating, he laid some absolutely massive bumps and took two big contested marks in the goal square to score two goals.

HARVEY LYNN

Our answer to Buddy, Harvey's lethal left boot was a highlight throughout the year. Playing at Centre Half Forward, Harvey's leading was hard to match, his contested marking dominant and his decision making sublime. Over the season, Harvey kicked bags of 4+ goals on no less than 8 occasions, including 5 goals in a dominant performance in the Quarter Final! It was an incredible effort, particularly given his reputation preceded him and many coaches double or triple teamed him with their best defenders! But Harvey was more than just a goal kicker. Always humble, Harvey led by example at training and was a positive influence on all around him. He worked hard to improve his skills and participated enthusiastically in everything he was asked to do. His selection in the Swans Academy at the end of the year was well deserved after all his work over the season.

GAME OF THE YEAR: Round 5 v Concord – In the biggest game of the year at that stage, we had a healthy lead, but were still not safe at the last break. Then Harvey let loose, kicking four goals in ten minutes to absolutely blow Concord off the park. It was a stunning display of contested marking, fast play and accurate goal kicking!

GABRIEL QUOYLE

Our prodigal son, returning to the Greyhounds after two years in the wilderness, Gabriel was an absolute revelation for the team. His enthusiasm and commitment, both at training and on game day, were infectious and inspiring. Playing off both the half-back line and the half-forward flank, Gabriel's work rate was exceptional and he could always be relied upon to listen to and implement any feedback that he was given. It was an attitude that he also brought to training, which unsurprisingly saw Gabriel's skills and performance move forward in leaps and bounds throughout the season. Whenever we thought we'd seen Gabriel's best, he'd come back the following week and show us that he was only just warming up! Gabriel capped off the year by being selected for the Swans Academy, a just reward for all the hard work he did during the year.

GAME OF THE YEAR: Grand Final – Gabriel's workrate in the biggest game of the year was just exceptional. All day he ran hard to present as an option, tackled himself to exhaustion and supported his teammates wherever possible, finishing off his day off with a critical goal in the last quarter.

SAMUEL JACKSON

Jacko set the standard this year for hard two-way running and teamwork. He provided us with incisive run out of defence, but could also be relied upon to sprint back just as hard to lay a covering tackle. Jacko's skills were also exceptional, a good reliable kick off both feet, a strong mark and an ability to get in tight and fight for it when on-ball. Jacko's determination was best demonstrated by the efforts he'd put in deep in the fourth quarter when everyone's legs were tired. Even at this point, it would be common to see Jacko sprinting forward to provide an option in attack, and then sprinting 100m+ back to lay a covering tackle. Importantly, Jacko was also the standout at training, always enthusiastic, determined to improve and a fantastic listener. He was an inspiration for the team!! **GAME OF THE YEAR:** Round 15 v Concord – Down 7 points at the last change, Jacko took the helm as captain and lifted the intensity to white hot levels, blowing Concord off the park and winning by three goals.

OLIVER MATISON

Playing in his first year of AFL, Ollie looked like he had been born with a Sherrin in his hand! Playing off halfback, on-ball, on the wing and across the half forward line, Ollie was creative with the ball, hard at it when it was loose and strong in defence. Ollie has a fantastic sense for positioning himself to support the attack and a decision-making ability that usually takes years to develop. Unsurprisingly given his performance, Ollie worked extremely hard at training, setting the standard for others to follow. An absolute cracker of a first year and one that shows a lot of promise for the future! **GAME OF THE YEAR:** Round 8 v Newtown – After the team had a quiet first quarter, Ollie ripped into the opposition, attacking the ball with aggression, working hard to present as a target and booting a cracker of a goal. From there, Newtown was never in it!

BENJAMIN BASKIN

While it doesn't get the attention of other positions, fullback is one of the most important positions on the field. It takes tenacity, skill and aggression, usually under extreme pressure, and there is no room for error. Where a mistake in the midfield or up forward can be easily recovered from, a mistake at fullback usually results in a goal against us. After a few games where our defence was lacking, Ben took on this crucial position and made it his own, setting a standard of determination that was inspirational to the rest of the team. His calmness and tenacity when under pressure and the sheer will he showed to stop the

opposition in their tracks was exceptional and gave the midfield confidence that he could hold off the opposition if they could just sprint back to help him out. While it's hard to record stats on what you prevent from happening, we can say with confidence that the opposition scored far less goals when Ben was at fullback than when he wasn't. Further, Ben showed time and again a selflessness and dedication to the team which everyone should aspire to, laying shepherds to give others space, tackling his heart out and setting up moves to put others away. A true team man in every sense of the phrase! **GAME OF THE YEAR:** Round 15 v Concord – with Concord pressing and our team under pressure, Ben was an absolute rock at fullback, stopping goal after goal in impossible circumstances. Ben's work kept us in the game and was the difference in a match which we only won by three goals.

HARRY DUNNE

Playing in his first year of footy, Harry spent time down back and in the ruck, but played predominantly in the forwards. Harry worked hard to develop his skills and brought determination and aggression to the forward line. His work in the Grand Final to provide space for Cullen and to fight for the ball was excellent and a fitting end to a season where Harry has rapidly grown in confidence. **GAME OF THE YEAR:** Grand Final – Harry came alive in the third quarter, fighting aggressively for the ball and getting it to the forwards. Harry stood up just when the team needed him most!

JOEY FERREIRA

One half of our ruck combination, Joey brought strength and a bullocking run to the position, pushing aside defenders as he smashed his way out of the centre. His tap work was fantastic, working effectively with Samuel and James to give us first use of the ball at critical times. Joey was also able to go forward as a key position player, providing a strong marking target and a reliable kick for goal. **GAME OF THE YEAR:** Round 3 v Moore Park – With many of our players out, Joey stood into the breach, providing a dominant target up forward, taking numerous marks, tackling hard and kicking two goals.

HAYDEN HANDO

The other half our ruck combination, Hayden competed strongly in the rucks and ran as hard as the midfielders, laying tackles, shepherding to provide space and running hard with the ball. His determination to continue working hard across all four quarters was an inspiration to the team and a key part of maintaining our drive through the game. Hayden formed a formidable combination with James and Samuel, taking control of the centre and providing first use of the ball to our forwards. **GAME OF THE YEAR:** Round 6 v Newtown – With Joey out and playing on a wet, tight field, Hayden worked himself to the bone across all four quarters, dominating the centre, tackling his heart out and providing run going forward.

WILL KENNY

Will started the season as a goal sneak working off Cullen and Joey, where he showed a fantastic sense for the goals and an ability to kick them from anywhere. Will worked hard to expand his skills and improve his strength, so that later in the season he stepped up to play a shutdown role down back and spend some time on ball. His strong marking and accurate kick provided us with a steady hand in defence through the finals series that was critical to the outcome. **GAME OF THE YEAR:** Grand Final – Will took numerous marks across the halfback line, including a big pack mark, which kept Moore Park locked up in their defensive 50, giving us the upper hand.

FINN KITCHIN

Playing across halfback most of the season, Finn's reading of the play is truly exceptional. He seems to have a sense for where the ball is going to go before it has even been kicked. His work across the halfback line stopped countless opposition attacks, often with a devastating counterattack which was critical to the team's success. Finn's teamwork was also fantastic, working extremely well with the other defenders and the midfield, and providing a very strong target when he was sent up forward. **GAME OF THE YEAR:** Round 14 v Newtown – Under pressure from a strong Newtown attack, Finn was exceptional, cutting off numerous plays and marshalling the defence to hold back the tide.

MATTHEW LANE

Matthew brought a dominant force and raw strength to our midfield which struck fear in the hearts of the opposition, belting their players off the ball and moving it quickly to set up many forays forward. Matthew is all heart, giving his all to tackle or bump the opposition or to chase down the loose ball. His determination and effort was exceptional, but his work with the ball was also great. His snapped goal against Concord in round 5 was another season highlight! **GAME OF THE YEAR:** Preliminary Final v Moore Park – Matthew was on fire, throwing their midfielders off the ball like rag dolls and providing our forwards more supply than they knew what to do with!

CULLEN LUM

Our most versatile player, Cullen spent time across every line through the season, showing skill, determination and aggression wherever he was sent. His booming kick added a different dimension to our backline, while his contested marking was absolutely dominant when at full forward and his strength struck fear in the hearts of the opposition when in tight. Cullen with ball in hand and at full flight is a fearsome sight to behold and one that brought a unique aspect to our attack. His 3 goal effort at full forward in the Quarter Final showcased Cullen's dominance with the ball in hand! **GAME OF THE YEAR:** Round 8 v Newtown – With Finn off for the week, Cullen was absolutely sensational across halfback, working extremely hard to cover in defence and providing drive in attack.

BOWIE PARSONS

Bowie joined the Greyhounds halfway through the season and quickly impressed the coaches and his new teammates with his enthusiasms and commitment to learning the game. He fought hard for the ball when it was loose and was courageous in tight. His hard work was paid off when he scored his inaugural goal against East Sydney in Round 11 to the delight of all his teammates! The future is bright for this young man! **GAME OF THE YEAR:** Round 10 v Concord – In just his third game, Bowie burst onto the scene, getting numerous possessions and working hard with his teammates. It was a watershed moment for Bowie and one that he hasn't looked back from!

SEBASTIEN PROCTER

Bringing exceptional ball skills, strong teamwork and an innate sense for attacking options, Baz was an important part of our attack, playing across halfback, on-ball and in the half-forward line. Over the year he combined with teammates to absolutely rip apart the defence of unsuspecting opposition teams. His final series was superb, combining well with Jacko on the halfback flank to provide both the first line of defence and an additional attacking option. Well done on a fantastic season! **GAME OF THE YEAR:** Round 15 v Concord – Working off the halfback flank, Baz combined with James and Samuel to slice apart Concord's defence, while also backing up to hold off their attack at crucial times.

BLAKE PROVEST

All fire and aggression, Blake ripped midfielders apart with his incisive running and frantic tackling. His speed off the mark and determination provided us with attacking flair and was also used to great effect in a shutdown role during the finals. Blake made positive steps forward with his discipline and focus during the latter part of the season, a development which, if continued, will see him achieve his exceptional potential next year. **GAME OF THE YEAR:** Quarter Final v Moore Park – After playing a ripping role in the centre, Blake was sent to shut down their gun forward and did an absolute belter of a job, cutting him out of the game and giving us the upper hand.

SAMUEL ROBERTS

Another of our rookies, Robbo brought an exceptional fitness level and running prowess to provide us with an attacking option on the wing, as well as spending time up forward and in key defensive positions. Robbo improved steadily throughout the season, working on his marking ability and kicking to increase his effectiveness and play an important role through the finals series. A fantastic start for the young man! **GAME OF THE YEAR:** Round 14 v Newtown – Robbo added marking prowess to his natural running ability to provide us with a fantastic marking option throughout the day

PATRICK TAME

The team's quiet achiever, Pat played a critical role supporting Ben in the back pocket or on the halfback flank. Pat worked hard to shut down the opposition attack, marking up on loose players and tackling hard to lock up the ball. Going the other way, Pat worked hard to support the attack and was selfless in shepherding to make room for other players. **GAME OF THE YEAR:** Round 8 v Newtown – Pat amped up the aggression and ran hard in both directions all day. The bump he laid to make room for Samuel was one of the team highlights of the year. I'm sure that player is still stunned!

Coach's report & player profiles

COACH WARWICK MOSS

COACH'S REPORT

Grand Finalists Sydney Harbour U12 White Division 3

What an awesome season for the Glebe U12s.

The coaching staff, managers and all the parents could not be prouder of the boys for this year's effort. We fell just short of the Premiership, losing to Pennant Hills by a solitary goal, despite an inspired last quarter effort.

This was a far cry from the opening game against Cronulla Blue down at Gwawley Park. A few of our key players were missing, some new boys playing their first game for Glebe, and some their first ever game of AFL. We lost 1-124. The boys showed plenty of heart, but we learnt the hard way what it is like to be a team of individuals against a TEAM. It set up our season as we had a goal right from that first week: learn to play as a team and work hard for each other. We would look forward to our next encounter with Cronulla to measure our improvement.

Things started to turn around immediately with the full squad available and the boys all working together. Division 3 suited us, and allowed us to gain confidence and know that if we put our minds to it, we could not only grind out a game but win comfortably.

The very next game we won the last quarter against the wind to set up a thrilling topsy-turvy victory over Newtown. Comfortable wins over Maroubra and Easts saw us to the Cronulla re-match. To be fair, slippery conditions helped us but the loss by 7 points against a team that had beaten us by 123 points only weeks before showed our improvement and our potential.

Cronulla moved up to Div 2, and down came our eventual nemesis Pennant Hills. To beat them by a goal on their home turf was a highlight of six consecutive victories. By now, we were not looking forward to the easy games: only the hard games against Pennant Hills and Newtown were going to truly challenge the boys and keep fuelling our improvement.

That challenge came in the last game of the Home and Away season, a 39 point loss to Pennant Hills, but we still finished minor premiers with a record of 10 wins, 4 losses and 2 washouts from our 16 games.

The loss in the previous game sparked a much more intense effort in the Semi-Final, but unfortunately in front of a very parochial and vocal Glebe crowd, Penno sealed the victory with a goal in the last couple of minutes. A hard fought five-goal win over Newtown in the Preliminary Final saw us facing off against Penno for the third time in four weeks. Things looked good when we goaled in the first minute, but unfortunately the rain and slippery conditions didn't help us on the day, and Pennant Hills, by beating us three games out of four, showed they were deserved winners. But the experience will only drive the U12s harder to want to take the next step in the U13s.

Go Hard Greyhounds!

REPRESENTATIVE PLAYERS	
Lachlan Walsh	Ryan Hennessy

MILESTONES	
100 Games	Riley Fitzroy
50 Games	Baxter Aurisch Toby Phillips Luca Fotea Ryan Hennessy Augustus Tierney

BAXTER AURISCH

Baxter had an outstanding year patrolling and controlling the backline. His overhead marking has always been strong, but his ability to win the ball at ground level was a feature, as was his 'signature' handball to himself! Third in the best and fairest, top four in 12 of his 15 games with two best-on-grounds shows just how brilliant a season he had.

ALEC BURKE

A fantastic first year from Alec who is really starting to come to grips with the game. For someone who had never played before, his marking shows real natural ability. No official stats were taken, but it's a fair bet that Alec won the count for one-handed marks! He was enthusiastic right from the first game. Can't wait to see what 2016 brings for Alec.

CHARLIE EYIAM-ROWE

Charlie had a superb year, making fullback his own. As the last line, he prevented countless goals. His marking and kicking really improved, as evidenced in the Preliminary Final, when he streamed out of defence, dished off a handball, got it back, then booted the ball up the wing: a 60+ metre play. If there were a Most Improved award, this would be Charlie's for an outstanding 2015.

YURIBAYA FARRAWELL

Yuri's season began with a best-on-ground performance in the midfield, before becoming a gun half-forward flanker. Yuri has great attack on the ball, a good mark, a lovely kick for goal and can hit a target. But he is also as good off the ball as anyone, always putting his body in the way to help out. A stunning year from one of our most valuable players.

RILEY FITZROY (VICE CAPTAIN)

Riley is an outstanding footballer. Out of 14 games, he was best on ground six times, second five times and third three times. His usual standard was always good, but some games were even a cut above. One game the umpire said: "Look, I can't give you a free kick EVERY time you tackle". Riley has all the skills, but what stands out is his ability to read the play, always putting himself in the right spot to win the ball. As vice captain, his next big step will be to pass on his knowledge and help all the other boys to improve.

MAXIMILIAN FOLEY

A great first year from Max, mostly played in the backline but also at times in the ruck and on the wing. Max always has a positive attitude and a quiet, no-nonsense approach. Some of our games didn't help Max as there wasn't a lot for him to do, but when needed he would charge out with confidence and repel many an opposition attack to set up one of our own. He was a close call for rookie of the year.

LUCA FOTEA

Despite a disrupted season due to basketball commitments, Luca had another really solid year. His favourite position is centre half forward, from which he always provides a lead and pressures the defence to lock the ball in our forward half. He can take a great overhead mark as well as win the ball at ground level. His long-range goal late in the Grand Final almost got us over the line!

FINN HAWKINS

You could hardly find a more enthusiastic footballer than Finn Hawkins. He has a huge drive to contribute and improve. He hates not being in the action. Finn excels in the wider spaces of the wing and half forward flanks, but also shows willingness to tackle hard and attack the ball in close. He kicked 20 goals for the season (second most) including a seven goal bag against Newtown in front of a very vocal home crowd!

RYAN HENNESSY

After the first game where he provided Rhyce Shaw-like run off half back, Ryan firmly planted himself in the midfield – working brilliantly with Riley. In his quiet but very determined way Ryan put in a huge performance every week. One of our best kicks and a good mark, Ryan also excelled in close, always getting the ball out into space. He thoroughly deserves his Most Consistent award.

ROBERT KANALEY

Often the quiet achiever, very understated, always gritty and determined, Robert was our Rookie of the Year. No mean feat given the quality of this year's rookies. Robert proved one of our most versatile players: the only one to play in all five lines from full back to full forward. His shepherding off the ball was a real highlight, such as his block allowing Toby to kick the sealer in the Preliminary Final.

HAMISH KIDD

A fantastic year by Hamish, who would be a strong contender for most improved, if we had that award. He picked up several weekly 'Best Team Man' awards for his tackling pressure up forward and down back. His drive to score a goal was intense all season, but while falling short, he provided some important goal assists. Crucial saves in the Grand Final were worth many more goals. Hamish will not be returning in 2016, but was a crucial part of our success in 2015 and he will be missed. All the best, Hamish!

FINN MCKENDRY

An outstanding year by Finn "Scoop" McKendry. From his pinch-hitting in the ruck to his impassability at centre half back (side-by-side with Baxter and Lachie), he was always in the action. Polling in the top three votes in 11 of his 16 games, with five best-on-grounds, he was an incredible runner up in the B&F. Finn is developing a booming, penetrating kick that drives the team forward, and his solid chest-marking stopped most attacks. Once Finn improves his overhead marking next season he will truly be the complete footballer.

EDWARD MOIR

Edward ended up being one of our most valuable players. He was our main ruckman, but also played really important roles at centre-half back and centre-half forward. He taps really well to advantage, always competes, tackles well, has a strong mark and a long kick off one step. His role in the ruck helped us keep stable half back and half forward lines. The Best Team Man indeed!

TOBY PHILLIPS (CAPTAIN)

Toby stepped into the captaincy role with a huge, match-winning performance early in the season against Newtown. He led from the front, always taking responsibility, sometimes too much, and always had positive and encouraging words for the team: just what you want in a captain. A huge presence at full forward, Toby brought down some big marks and kicked some excellent goals at crucial times. Next year will find Toby more in the ruck where he can really influence the contest. Well done on a great year, Captain!

ASHTON ROBINSON

Ashton stepped into the full back role along with Charlie, combining brilliantly. Ashton can take a big mark in congestion, and has a long kick. He showed his versatility by sometimes playing in the ruck, and other times being a forward target. He was always looking to get more involved in the game. He has a strong ability to find the football when it's nearby, and is great to have in the side.

LUCA STENEKES

Luca missed a few games, but when he played, he really put in. He can play both back and forward, and applies a strong tackle. He and Gus hunted together, freeing up Riley and Ryan to take the ball forward. Luca played mostly in the backline but had some good success at half forward and on the wing. Luca's kicking was much improved this season, and with a bit more consistency should have a really good 2016.

DAVID THOM

Another very handy first year player. David is a quiet, unassuming person, but when the ball is nearby he is keen to get it and hold his ground. He kicked some important goals when goals were hard to come by, particularly against Pennant Hills. David played mostly on the wing, but later in the season he swung forward and back when needed. His kicking and marking improved throughout, and next year he should take some further big steps.

AUGUSTUS TIERNEY

If there is ever a player who loves to have a role and can stick to it like superglue it's Gus. He played most of the season on the wing, steaming in at the centre bounce to lay a tackle, helping Riley and Ryan to clear the ball. He is fast around the ground so could get to a lot of contests. Later in the season when Riley was being tagged, Gus stepped in to help out. Could not be happier with Gus' effort this season.

MARQUIS TROPMAN

It was a good first season for Marquis, who put in a big effort to come to terms with a new sport. He is fit and physical, and with more games behind him will learn to throw his weight around. By the end of the season he was getting to more contests, laying more tackles and getting the ball out quickly. It seemed that Marquis might miss the Grand Final, but his determination to be there was fantastic and he contributed well on the day.

LACHLAN WALSH

Lachlan has become the most versatile player and had a standout season. He played much of his football in the backline, in concert with Finn McKendry and Baxter. It speaks volumes that he was also the team's leading goalkicker! His Paul Puopolo-like forward pressure locked the ball in to help our forwards and mids pile on the goals. But when things were getting tough in defence, Lachie would go back to help out; at other times he took on a tagging role. He was arguably best on ground in the Grand Final, and never stopped trying.

Coach's report & player profiles

COACH DAN HENNESSY

COACH'S REPORT

Premiers Sydney Harbour U13 Division 3

After the annus horribilis that was 2014 I was somewhat anxious as Season 2015 came into view. Not surprisingly a number of guys that played with us in 2014 didn't return. Some moved cities, some changed clubs, and some changed sports. Fortunately balancing the exodus was an influx of new or returning players.

The draw for 2015 had us playing a number of clubs we'd never encountered before; Manly, Heathcote, Ramsgate, Bangor and Willoughby Mosman. I had no idea how we'd match up against these teams but the evidence from practice matches now had my pre season anxiety in check.

The season started well with the U13s squad registering just their second victory in 20 months of football with a 39 point win! After two washouts, the wins continued with a highly contested but scrappy victory over Penshurst. The Round 5 game vs Willoughby Mosman was for me the most significant game of the 2015 home and away season. I remember writing Effort Creates Opportunity on the white board prior to the game and effort was what we got. A 35 point victory against a strong opponent.

Round 6 saw the team take on Heathcote in what was to become a serious season rivalry. Despite losing Tom Greaney early in the game to a broken wrist, the boys held on for hard fought draw. Manly at Weldon Park was next. They fielded several of their Div1 players but by now the Glebe U13s were on a steady march and scored a 49 point victory. The first half of the season ended with us heading into the bye undefeated and second to Heathcote on the ladder. But yet to play a home game.

We kicked off the mid-season with very strong wins against North Ryde and Canada Bay. Around this time, sitting second and undefeated I knew we were a show for the finals. I asked the guys to consider what goals they may have for the remainder of the season. There wasn't a lot of feedback but everyone was aware there was a potential shot at a Premiership.

There always seems to be one team that troubles and for us that was Easts. Round 11 was a hotly contested game with Glebe managing to scrape a narrow 8 point win. The next week North Ryde put up a solid showing but was again dispatched by our boys in commanding style. Round 14 and Bangor were unfortunate enough to run into a full strength and tough Greyhounds outfit bristling with confidence.

In round 13 Heathcote lost their first game of the season and Glebe went to top of the table. As I pointed out to the guys – it now made us the #1 target and the challenge was retain that position through consistent performances. At that point I really felt the extra effort and momentum from all involved really begin to kick in.

In the run home to the finals Easts again provided stiff opposition. In an attempt to shore up their own finals aspirations they ran a number of their Div 1 guys against us. This was a tense and exciting game. Glebe led all game but a rally in the 3rd and 4th quarters by Easts pegged it back and on the siren Glebe prevailed by a single point. A narrow escape by the slimmest of margins but our undefeated record was intact and the Minor Premiership was in the bag.

Our last home & away game was against third placed Willoughby/Mosman who always brought out the best in Glebe. The first half was tighter than I'd have liked, however the fourth quarter was something else. In front of a vocal home crowd the boys broke loose from the midfield and piled on a burst of goals to completely blow the game open sending our opponents back over the bridge with a 40 point loss. It was a powerful display and the confidence the guys took from it was going to be needed for the finals campaign ahead.

While the Greyhounds had played some excellent football during the regular season what the guys were about to produce in the three weeks of the finals was nothing short of exhilarating. The first final was against Heathcote – a crunch game played between two opponents that had been eyeing each other off all year. This was finals footy. In front of a large crowd this was tough, contested, skilful and close. When the final siren sounded Glebe were 6 points in front eliciting cheers and whoops all round. While we took the moment to celebrate everyone knew the job wasn't done. Finishing second on the ladder gave Heathcote a second chance and I knew they would be back.

What happened in the qualifying final against Willoughby Mosman was breathtaking. Our midfield was on fire and totally dominated, combining with our forwards seamlessly. Oh the run and carry. The hand and foot skills, the shepherding, angle switching and the accuracy at goal....oh the accuracy. At the other end our defence was tough and miserly. Swarming on our opponents, turning over their ball and rebounding. At half time in a Grand Final qualifier were we up 60 to 0. Only thing left to do was watch Kade score the goal of the year with an individual effort that started off half back and ended with him tackling their full back and winning the holding the ball free kick before slotting the goal. Game over!

The Big Show. The Grand Final

As expected Heathcote were our Grand Final opponents and it meant that we'd need to be at our best. Without doubt they were physically the toughest team we'd come across all year and I knew we were in for a torrid encounter.

With dark skies and a heavy atmosphere over Olds Park nerves were in evidence as the game began. Marks were dropped, tackles missed and kicks shanked by both teams. The contest was as fierce as expected but the skills weren't in evidence as they had been the week before. Both teams placed extraordinary pressure on the ball carrier. The Hawks play a tough physical brand of football and they were taking no prisoners.

At ¼ time our boys were a little rattled and it was time to compose. Message to the guys all morning was that they were good enough to win, that they deserved their place here, that their game style and effort was good enough. They just needed to lay it out, trust themselves and their teammates and let the scoreboard take care of itself. And so it did. A sense of composure began to replace the nerves and by ½ time we were a goal in front. And that's when the rain came.

Change of game plan. The assistant coaches and I had reinforced the need to get over the ball, use their bodies to isolate the ball and draw a free kick. This and, when in possession, pump it long by foot – playing for territory. Now with the increasingly slippery conditions this was the key. To a man our boys stood tall. Relentlessly contesting, tackling and pushing the ball forward added

extra pressure to their defence and Heathcote began to buckle. ¾ time break and the talk was simple. Stick to the game plan. 15 minutes of pure effort now lay between the boys and the ultimate reward. Heathcote had no answer in the fourth. Our boys were just too big, too tough and too strong around the ball. Now, despite the conditions the marks were sticking and the kicks accurate. Heathcote were kept scoreless while we finished the game with a series of attacking raids into the forward 50 three of which rewarded with goals.

Final siren sounds. 8.4.52 Glebe def 3.6.24 Heathcote. Undefeated. Minor premiers. Premiers! An incredibly satisfying result for all.

There were three groups of boys that combined to form the victorious 2015 Greyhounds. The old firm as I call them. The guys that played out 2014 and fronted up in 2015. These boys formed the backbone of the team. Having been on the receiving end of several thrashings they knew the effort and work rate required to get the job done. Their leadership – mostly by example – was instrumental in securing the prize. I am so proud of each of them.

The second group was the new guys. We were lucky to recruit a group of guys so willing to buy into the team and match the old firm in endeavour and toughness. The two groups complimented each other and quickly gelled into the cohesive team we witnessed.

Thirdly we needed to enlist the support of some boys from the U11s and U12s to help with numbers and to provide support should we make the finals. Finn Mckendry,

Baxter Aurisch, Ryan Hennessy, Finn Kitchen, James Kenny and Sam Scutella all qualified to represent the U13s in the finals and in so doing became important and integral members of the squad. To these boys and others who stepped up we are most grateful.

I also need to make mention of our 2015 representative Player achievements. Clem Bicknell, Max Hochuli, Dylan Howard & Daire Filitonga were all selected from the whole pool of Div 1, 2 & 3 U13 players in the Greater Sydney Juniors and played for the victorious City team. Abe Mahlab and Max Hochuli were awarded runner up and 3rd runner up in the combined Greater Sydney Juniors U13 Best and Fairest Awards. An incredible achievement and richly deserved acknowledgement of their efforts. Dylan Howard was also selected in the Joss Talent Identification Program for the U13s. This is a team selected from the Swans Academy players.

2015 Was a MASSIVE year for our squad.

Finally in such a successful year there are numerous people around the team that assist and encourage. A special thanks to Bobbi Mahlab who stepped up as team manager and took care of the administration. To Jason Howard and Joey Britton whom I called frequently for advice or a whinge and often at inappropriate times. And to Dan Kenny who regularly provided valuable game day support as Runner. I told the boys many times that whatever their goals were they had to be their own. Not mine, not their parents but their own. I'm sure glad their goals and mine aligned! I had a thoroughly enjoyable year. What a great season. Well done boys.

ABE MAHLAB

Now team B&F three years running Abe is the definition of a ball magnet. Playing in the midfield it's often his knack for anticipation, quick hands and explosive first steps that enable him to get clear and release. Obviously a fine player for several years, Abe took his game to a new level in last six weeks or so. Abe's goal radar tightened and in the finals series kicked several awesome goals on the run from the pockets, disposed quicker and found targets in both attack and defence and added a real tackling pressure to his game. Abe received the ultimate acknowledgement of his effort on the biggest stage as he shook an early hard tag to be adjudged Best On Ground by the umpires in the Grand Final. A big game player and an absolute star. Congratulations on another outstanding year.

AIDEN CLARKE

It's hard to overstate Aiden's contribution to the success of 2015. Coming from Rugby, Aiden had brought with him a great ability to tackle and quickly learnt the differences between the codes with regard the tackle technique. He also displayed a remarkable ability to read the play of a code he'd never played, instantly picked up kicking and hand ball skills and his spatial awareness was second nature. He looked like an AFL player with several years experience and instantly installed in the midfield. A real inside player Aiden added steel to the midfield. His attack on the ball and ball carrier was ferocious, his two way running a feature and when close to goal took his opportunities. We were fortunate to have Aiden come to the Greyhounds and hope the success we had in 2015 encourages him to come back for more.

ANGUS CADOGAN

A quietly passionate footballer and team player, Angus spent most of the season as one of the tight knit and miserly defensive outfit where his bigger body and experience of 2014 contributed greatly. A second year player Angus worked hard on his fitness throughout the season and in the latter games spent time positioned further up field on the wing where he seemed well suited. A great team player very much liked and admired by his comrades, Angus has huge potential and is primed to deliver a break through season in 2016.

BEN HENNESSY

Injury curtailed much of Ben's season. It wasn't until round 14 that he was fully fit and was then was a little rusty and out of match practice. However, his form returned just when needed most and his positional play, organisational command and fearless attack on the opposition and football payed dividends in defence during the finals. His efforts in the first final against Heathcote directly saved several goals, and with Kade, Ben formed an understanding and highly effective Full back/Centre half back pairing that contributed greatly to our success in the finals series.

BYRON YOUNG

For several years Byron has been working hard and looking to improve his game. Byron was consistently first to training and his efforts and attention were very much noticed and appreciated. As the season played out the work really began to pay off. Byron's run and carry and disposal efficiency has improved out of sight. Always a physical player he was often stationed in defence. However his skills also now allow for versatility and like Angus he was run off the wing, midfield and up forward for periods of the year. His experience came in to play during the finals and he played one of his best games in the Grand Final. A great season Byron.

CLEM BICKNELL

While the U13s midfield was the best in the comp our defense led by Clem was miserly and stoic. Week in week out Clem was courageous, effective, sporting and clean by hand and foot. Whether sweeping, key position or tagging Clem always gave an absolute 100% with remarkable efficiency and never left anything on the field and always put his body on the line. Pound for pound perhaps the most consistently courageous player in the U13s making a huge contribution to the success of the season.

U13s

DAIRE FILITONGA

Daire's contribution was again invaluable. As key position forward Daire is often the target for forward 50 entries and his 20 goals for the season in the 12 games he played shows just how important it is to have him there. Daire's form fluctuated during the season but like many others he proved to be a big game player and when finals time came he stepped up and produced the best performances of his season. He was particularly good in the Grand Final and proved a handful for the Heathcote defence. Another great year accentuated by his inclusion in the City Reps squad.

DANIEL LOVIBOND

Dan came on a transfer from Newtown. A regular all year at training Dan's skill level and aggression at the ball and opponents increased markedly as the season progressed. Again like many others he saved his best to last and during the finals campaign presented a physicality to his game that contributed greatly to the forward line pressure where he was stationed and gained the respect of his teammates. A massive effort from Dan in 2015 has seen him establish an excellent foundation off which to build further in 2016. I'm looking forward to seeing how far you can go.

DYLAN HOWARD

Co-captain and 2015 City Representative team member. As one of our most experienced players and only Swans Academy member in the squad, Dylan provides excellent leadership and game strategy input. With his ability to read the game and great skills by hand and foot Dylan has a knack for finishing off forward 50 thrusts with clutch goals at important times. As Mr Reliable with set shots in front of goal he can be counted on to get the job done and finished the season topping the goal scoring with 24 goals. Last season Dylan added a tenacity and toughness to his game. This year he took it further. Not the biggest guy in the team Dylan's heart and outstanding consistent effort marks him as a leader and with Co-captain Clem steered the guys to success. Another fine season from Dylan.

ETHAN HOMER

Ethan returned to Glebe after a three year absence and we're sure glad he did. Another rugby player Ethan brought with him a physical game. It took us some time to find the right position for Ethan. Starting off around the wing Ethan shifted into the back six as the season progressed. There he found a role and position that complimented his skill set (Rugby full back) and appetite for the contest. Along with Ben, Angus and Clem, Ethan provided the real muscle that was required to stop and rebound countless forward raids from opponents. A team player with no fear Ethan was another invaluable new addition to the squad.

GABE BASS TRACY

Gabe missed the entire 2014 season with injury so it was great to see him front up for 2015. Having missed so much footy – the whole of the 12s – it took Gabe a while to adjust to the increased speed and contact of the 13s. Possessing a great kicking action Gabe was stationed in the forward line for most of the season as he regained his bearings. Yet another player whose game built over the season Gabe became increasingly confident in his own ability and finished the season with seven goals. Six of which were kicked in the last few weeks. With a full season under his belt Gabe is now capable of stamping his authority in the forward line in 2016.

KADE FOX-QUINN

Kade is the most mercurial member of the squad. With a natural ability to run, Kade often took on the opposition as a rebounding Centre half back – breaking the tackle and bouncing repeatedly down the wings to find targets inside the forward 50. His individual goal against Willoughby/Mosman in the Grand Final qualifier has my vote for goal of the year. A 140 metre effort on the longest oval in the comp, breaking the first tackle, two bounces, a kick, chase, tackle, a free kick a Goal! Magic! In defence Kade also shone at Full Back where his height, leap, and overhead marking frustrated and stymied many attacks. Kade possesses talent in spades. I sense 2016 could be a big year for him. Watch this space.

MAX HOCHULI

Max is no less than a Colossus and our ruckman for 98% of the time. His strength and leap enabled him to dominate all contests and in so doing set the platform for the quick and agile followers Abe and Sebastian. Along with Aiden closing down any opposition threat this combination was the cornerstone of the teams success. Add to Max's ruck work his two way running, tackling, smothering and disposal efficiency and we had an absolute giant of a player. Perhaps though the most notable aspect of Max's game is his long

range kicking. Kicking in from defence Max could penetrate a press with his range and accuracy. As the season progressed he and Abe sought each other in general play – often moving the ball forward between them with great efficiency. In attack Max's kick was punishing and there were several long range bombs that found the centre of the main sticks sucking the air and fight out of the opposition as they sailed through. Max demoralized some opponents and most teams found him impossible to counter.

REX QUILL

Perhaps one of the most remarkable features of Rex's arrival at the club in 2015 was that he came from soccer. Remarkable in the sense that by seasons end he possessed perhaps the cleanest overhead hands in the team – a talent so obviously wasted in that other code. Rex's development was quick as he took on board the lessons of kicking and hand balling. The marking seemed to come naturally as did his sense of positional play. Rex was embraced by the team and for a first year player made a huge contribution in both defence and attack kicking five goals for the season including one in the Grand Final. If Rex's development continues at this rate he has a huge 2016 in front of him. Another fine recruit to the team.

RYAN KITCHIN

An old face around the team in 2015 Ryan had a job of juggling conflicting sporting commitments. We managed to have his commitment from about half way through the season and he immediately made his presence felt. Ryan has vast experience and I needed to call upon that in the middle weeks as with a couple of key absences we were short of old hands down back. Ryan knows how to read the play and his ability to cut off and sit a kick behind play was instrumental in closing out our defence on several occasions. In attack Ryan was effective. As an old hand he knows where the goals are and his return to the side yielded instant results on the scoreboard. Hopefully in 2016 we get to see a little more of him.

SEBASTIAN WOOD

As a member of the old firm and the fourth member of the all conquering midfield unit Sebastian plays a pivotal role. With Abe, Sebastian plays the opposition defence. They may be able to stop one of them but they can't stop both. Sebastian has the unique ability to simultaneously play as both an inside and an outside midfielder. This attribute allows him to slip through an oppositions midfield defence's radar and I have many recollections of Sebastian sneaking through a congested

ruck to snatch a loose possession inside only to run wide and punch it forward. Sebastian's defence is also a feature of his game and along with his midfield comrades he provides an effective and invaluable first line against the counter attack. Sebastian missed a couple of games and filling his role was one of the more demanding tasks I had to face. That in itself speaks volumes for his contribution. A contribution not lost on those observing as Sebastian always features strongly in the B&F count. Yet another outstanding year.

NAMKHAÏ STYLIANOU

Rounding out our new recruits for 2015 is Namkhai. Namkhai applied himself diligently to training and if it weren't for a training mishap on the eve of the Grand Final would have been the only squad member to have played every game. The physical nature of the game can be one of the biggest challenges to those starting their AFL journey. Namkhai struggled earlier on with this aspect but in the latter stages of the season began to find the body height and timing to not only avoid unnecessary contact but to also put on a bump and shift opposition out. Namkhai's hand and foot skills also came a long way and he took several clean clutch marks on the half back line. With a full debut season under his belt, 2016 holds much potential for Namkhai.

TOM BROWN

Another of the old firm Tom Brown had what I'd call a break out season. I recall watching Tom cover 60 meters in a flat chat sprint in the warm up game against Wests – knowing then that if we could harness that focus and effort we had a new weapon at our disposal. With Max Hochuli now permanently in the Ruck and Clem at Half back Tom was able to go forward. Using his size and agility down low, Tom played a small forwards game in the body of the biggest guy on the field. Result = carnage for the defence. Tom missed a large chunk of the early season through injury but upon returning his game went from strength to strength. Once he had ball in hand Tom was unstoppable often barnstorming toward goal literally shaking off defenders. Wet weather football is his forte and as the rain came down hard in the Grand Final we released the shackles. Tom came up the half forward line and created havoc with his size and aggression at the ball. Tom landed several massive 40+ meter goals during the season including a set shot in the rain during the final quarter of the Grand Final to sink Heathcote's aspirations. It's always exciting when Tom gets the ball and I already can't wait to see what he does in 2016.

TOM GREANEY

While not his first year at Glebe we hadn't seen much of him before the season. Tom started off the year well with solid performances against Penshurst and Willoughby/Mosman. Unfortunately we lost him to a broken wrist in May against Heathcote and didn't see him again until the finals were almost on us. Tom worked hard to get back into the squad and was great to see him regularly at training and the kicking clinics. Tom played a great role in the Finals campaign and despite not being one of the bigger guys he is courageous and gets involved physically in the contest. As they say you can't teach that. Tenacity and a desire for the ball is the first quality one looks for as coach and Tom has that in spades. With a full preseason and a Premiership medal I hope to see Tom lining up for the Greyhounds in 2016.

U14 Youth Girl

Coach's report & player profiles

COACH MONICA BOURKE

COACH'S REPORT

2015 will go down in Glebe Greyhound history as the year we entered our first all girls team into the Sydney AFL competition. Hazel Bluett, Erin Bradley, Elyse Burke, Hannah Massie and Lori Wong will be remembered as the girls crazy and brave enough to step forward to be the founding members of our Youth Girls team.

And what a fine year they had. Starting from a very small base with an away game to Pittwater we were lucky enough to be able to merge with Newtown to form a joint team and ensure we had enough players to field a team each week. For most, this was their first time playing AFL but what they lacked in skill they made up for with enthusiasm and commitment to training and by the end of the season they were contesting the ball, crashing into packs and soaring high for marks like champions.

The youth girls competition was played in great spirit and a breathe of fresh air compared to some of the hyper competitive games in the 'boys' competition. Given our team had more girls closer to 10 than the 14 year age limit it's not surprising they struggled to score points but the joy with which they celebrated each small milestone and the passion they showed in the last few rounds is very encouraging for next year.

We'll continue the joint venture with Newtown next year and hope to attract more Glebe players so we can field a stand alone team in 2017. So bring your friends, neighbours, cousins down to play youth girls footy next year!

A massive thanks to Monica, Georgia and Alex for coaching, training and sharing their wisdom with the girls. And a big thanks to Cherilyn from Newtown who managed the joint team. A special thanks also to Hazel, who left a developing side at Drummoyne to help us with our fledgling Glebe start up. Her experience and enthusiasm helped the girls develop faster and enjoy the game more.

REPRESENTATIVE PLAYERS	
Hazel Bluett	Erin Bradley

U14s Youth Girl

HANNAH MASSIE

As a late starter to football Hannah quickly demonstrated her ability for the game. Hannah worked her way into great skills for others players to look up to. Her ability to play multiple positions for the greyhounds displayed talent for her ongoing football career! Her hit outs, kicking, tackles and numerous goals were incredible displays of talent.

ERIN BRADLEY

First year of playing football and Erin is a natural goal kicker. Erin proved to be a leader for the greyhounds encouraging others via her team skills and direction. Erin proved to be a great mentor for the younger girls in the team.

HAZEL BLUETT

Hazel has an incredible love of football and that showed throughout the season for the greyhounds! Her natural ability was displayed via her commitment to show just how flexible from playing a fullback to playing a centre – to kicking goals! A great player with a career ahead of her.

ELYSE BURKE

Elise began her career by watching her brother train with the greyhounds – she later jumped onto the football oval and became a dedicated and determined player. Her improvement to the game grew quickly – taking marks, handballing and kicking became second nature. Her position of wing assisted to greyhounds kicking goals.

LORI WONG

First time ever playing afl and Lori perfected the ability as a wing player to dodge and weave through the packs and keep moving the ball forward. Her numerous marks and goals assisted the girls up forward scoring goals. Her bravery was outstanding competing against players twice her size.

COACH JOEY BRITTON

COACH'S REPORT

I think the saying goes "What doesn't kill you makes you stronger". Certainly that is true with the 14s boys this season. Despite coming 4th in a Division 3 competition last year we found ourselves up to division 2 this year.

The first five games of the year were tough with many games ending up with us being on the end of some very heavy losses. The early stages of this season were not great and I could sense the boys dropping their heads. I reiterated to the boys a lot this year that "sometimes the only way out of something is through it" and I am so thankful for the way they responded. They kept working, putting in and turning up and were eventually rewarded.

Round 12 at North Ryde will stay with me for a long time. It was an extremely gutsy performance with everyone putting in for four quarters which resulted in an unexpected and fantastic win. Mark Gibbins was quoted after the game as saying "I have never seen anything like that" such was the ferocity that the boys played with. Two weeks later we beat them again at Jubilee in another great display.

This season wouldn't have been possible without the amazing support of a great group of parents. Our fantastic manager Margaret Cassidy, who has been wonderful in her organising but really goes above and beyond in all of her duties my sincere thanks. Then to the ever faithful Luke Macdougall who has earned the reputation as the ultimate Jack of All trades clubman – Thank you so much. Special mention also to Richard Falkiner, Sam Tierney, Gerard Wright, Nick Pratt, Dave Claringbold, Di Rodie and Mark Gibbins who have also given so much to the team this year.

As I get a little bit older the thing I have learnt about football is that (luckily for us) it isn't about winning. It is about the amazing relationships you form with your team mates and the football community around you. One of the biggest joys for me this season was seeing new friendships form and the way in which all of the boys have gelled, there is such mateship and support that now exists in the team. Sadly a wonderful young man in our team lost his mother this year. I am so proud of the way our boys came around him this year and at the character our team showed through this tough time.

Finally I want to say that after two years at the helm, it is now my time to pass on the baton. It has been a blessing for me to coach this wonderful group of young men. I look forward to seeing at distance all of you develop as footballers and people over the coming years. Thanks for everything.

Joey

COACH	Joe Britton
MANAGER/ PHOTOGRAPHER	Margaret Cassidy
GAME MANAGER	Patrick Denvir

PRESENTATION AWARDS	
Best and Fairest	Lewis Verrell
Runner Up Best & Fairest	Zac Skrabanich
Best Team Man	Angus MacDougall
Most Consistent	Dom Gibbins
Most improved	Callan Pratt
Rookie of the Year	Lewis Verrell
Leading Goal Kicker	Brendan Doyle

REPRESENTATIVE PLAYERS	
Max Hochuli (U13 City)	Brendan Doyle (U14 City)

MILESTONES	
100 Games	Brendan Doyle
50 Games	Jay Falkiner Max Hochuli

MISCHA BROWNE

I am very proud of Mischa. He played some great games this year, silky skills and is a clever and smart footballer who knows how to find the ball. An inspiration to his team mates.

CORY CAREY

Cory was a great addition to the team this year. He knows how to find the goals and can also run and get the ball. Versatile player who will only get better.

LUC CLARINGBOLD

A broken collarbone meant he missed most of the season. Luc is such a big part of the team. Hard at the ball and a great footballer. But also a terrific team man and a great encourager of his team mates.

MAX COLLINS

Max's development this year was rapid. His fitness, kicking, tackling and ball winning ability meant that he became a key part of our defence.

HUGO CRANWELL

Hugo showed such great improvement in his first year of football. He became a very solid and reliable backline player who would rarely get beaten in contests.

LUKE DENVIR

Fantastic skills and a booming kick. Luke continued to develop this year and played some big games. Unfortunately I didn't get many opportunities to play him forward this year which is where he is most dangerous, as the team needed him in defence. Luke shows great on field leadership and when he is on, there are few better.

BRENDAN DOYLE

Brendan's skill level is a cut above. He has a unique ability to break a game open and can find the goals from anywhere. A great part of the team.

JAY FALKINER

Jay is extremely underrated and is a great backline player who always does his best. He leads by example and rarely misses training or games. Thanks Jay.

JAY FOSTER

Jay kicked some great goals this year. It has been good to see Jay's marking and handballing improve as well. He can turn a game.

DOM GIBBINS

Plays so far above his weight division. Agile and fast but also tough and hard at it. A true champion.

JAKE HARVEY

Jake has lots of pace and agility. Jake played some great games this year, he has an ability to break lines and take the game on. Jake can become elite if he sticks at it and works hard.

RILEY HOLMES

Unfortunately we didn't get to see much from Riley this year. Riley is a very talented footballer who has the ability to do freakish things on the football field. I hope to see him back next year.

GULLIVER HULL

Another great year from Gully who is developing into a very good Key position player and Ruckman. Well done.

ANGUS MACDOUGALL

Heart and soul of the team and club. A fantastic club man who leads from the front and sets the tone. Match winning performance with 5 goals against North Ryde. Thanks for everything you do Angus.

DAVIE RICE

Added so much to the team this year. Gun footballer and person, sticks up for his team mates and always gives his all.

MAX RODIE

Such a great person to have around the team. Max's attitude and enthusiasm inspires others. It was great to see Max try so hard and improve his kicking this year.

CALLAN PRATT

Superb season, Callan's speed and work rate got us over the line in our wins this year. A great team man, Cal shows enthusiasm, passion and a desire to improve. A great example for his team mates.

ZAC SKRABANICH

Zac is becoming an elite player. His attack on the ball, tackling and great team play have added so much to the team. Zac has a great desire to continually improve and he was rewarded this year with second in the B/F and a spot in the All Stars team. Congratulations on a great season Zac.

DANIEL THIELE

Due to injury didn't get to see Dan much. Which is a shame because the boys love Dan and he brings so much to the team. Provides great attack on the ball and run.

OSCAR TIERNEY

Lots of pace of the half back line. Oscar improved a lot this year in his kicking and ball winning. A great team man.

LEWIS VERRELL

Best and Fairest in his first year! Glebe Rookie of the year! Prodigious talent, gun ruckman and a true match winner who can do things on a football field I haven't seen anyone do before.

DANIEL WRIGHT

Extreme improvement from Dan this year. Dan's skills and ability to read the play helped set up goals this year. Great season Dan.

MAX HOCHULI

Max is a tall and strong defender who has a great ability to read the play and get the ball out of the backline with his strong crash through approach and kick. Max was given the opportunity to also play with his true age group during the latter part of the season and participate in their final series.

U15s Div 1

Coach's report & player profiles

COACH BRAD SCUTELLA

COACH'S REPORT

What a cracking season from a great bunch of players.

This was a massive season of change for our Under 15s boys. We had a large number of boys come over from Drummoyne and Concord as well as two players from Newtown, two boarders from Joeys and another two players from Pennant Hills. We combined to form two great teams. The boys got on well from the get go to form one complete cohesive unit. As a coach seeing the creation of these friendships this was the most pleasing part of the season.

To show how genuine these boys were we started pre-season training in January and kept on going through to our defeat in the semi final in August. A massive season. A big thank you to Oscar Osborne, former club champion and current Sydney Uni NEAFL player, for taking the time out and taking the boys for pre-season training.

We structured the Div 1 and Div 3 teams to try and ensure both teams had the best chance of being successful. And it worked. A big thank you to Joey Britton for coming up with the idea of playing 16 on the field and two on the bench in Div 1. This enabled the Div 3 team to be a standalone team with supplementation from the Div 1 team as required. Though opposition Div 1 teams didn't like our initiative, it meant both teams were competitive. The proof was in the results at the end of the season. Our Div 1 team made it to the semi finals and our Div 3 team made it to the Grand Final. A superb effort from an outstanding bunch of players.

Div 1 boys played against some of the best players in NSW and acquitted themselves well. The Sydney Harbour Competition is much more competitive than the Western Sydney competition. The boys acquitted themselves well in the toughest competition in their age group in NSW. We won six games lost eight. We had to win our last two games to finish fourth and we did. Our two close losses against Manly/Pittwater could have changed that ratio around significantly however it wasn't meant to be. We were competitive and acquitted ourselves well in the losses.

These boys have consistently made the semi finals or the grand final over the last five years. Quite proudly the boys kept this record intact. Hopefully next year we can go one better.

Our unsung hero for the season is definitely Roger Bluett. Roger worked tirelessly for our boys this year and went well beyond doing normal management duties. He organised lifts for boys to and from games and training, organised parents on the BBQ, canteen, liaised with opposition team management re various issues, constantly updated team sheets due to late outs and at the same time copped heaps of abuse and handled it like a true statesman from opposing teams. Roger's calmness and organisation was outstanding.

Other parents chipped in as well (and I am sorry if I don't mention everyone), Andrew Adams for goal umpiring, Richard Glover for running the line, Dermott Crowley, Adrian Searle and David Alais for being runners, Nick Potter photography, Craig and Mary Kent canteen and First Aid, Maus canteen, Dave Byrne for his surveillance on the opposition, Don for doing everything else, de Vries family for picking up boys, Anghos McDonald for packing up, Bill Lees medical assistance and Kevin Munro for assisting on Indigenous issues. Also thank you to the Div 3 boys who came down to cheer on their mates and water running.

Most of all a big thank you to a fine bunch of young men who played so well all season. I was impressed by their maturity, mateship and attitude. Once again it was a privilege to coach you.

See you next year.

U15s Div 1

TIM ADAMS

A seven year stalwart of the club who is always reliable. Played up front, fullback and in the ruck. No matter where I put him he never let his team down. Given some really hard tasks this year marking up on State Representative players, unselfishly sacrificing his attacking game to play a defensive game. Also backed up and helped out in Div 3 when his club needed him. A great clubman.

SILVAN BLUETT

Ultra reliable and fiercely competitive player who is full of mongrel and bad manners. Strong upper body with heaps of strength. Threw quite a few opposition players around like a rag doll and at no stage allowed himself to be intimidated. One of our toughest players who was sorely missed when he sat out a few games due to injury. Great kid to coach and backed up to help Div 3.

BLAKE BYRNE

Joined us from Drummoyne this year and quickly became a team favourite. Was outstanding during pre-season training displayed exceptional fitness and worked tirelessly on the field. Unfortunately suffered a dislocated shoulder in game 5 which ruled him out for the season. Showed how much of a great team man he is by coming down to training, psyching the boys up before matches and helping out on game day. Will be a lethal weapon in 2016.

BILLY CHUDLEIGH

Another great season from a great team player. A player who runs hard and can play anywhere on the field. Played mainly at Centre Half Back, occasionally fullback and from time to time moved up into the forward line. Kicked a respectable nine goals and displayed fierce competitive spirit. Showed that he 'belonged' as a first division player and from time to time backed up to play Under 17's. Well done Billy.

FINN CROWLEY

Another great season from a great player. Plays against opposition one year older than him and shows absolutely no fear. Runs hard all day leaves opposition players sprawling on the ground behind him and chipped in with 8 goals. Displays great versatility by being able to play in any position on the field, great overhead mark and long reaching kicks. Also selected in the City Representative team. Great season Finn.

JORDAN DE VRIES

A totally fearless player who plays well above his size and weight. Played on the ball for the most part of the season as well as any other position requested of him. A prolific ball winner with natural instinct on how to read the game and knew how to win the ball and clear from the midfield. Has great positional sense, generally knew where the ball was going and positioned himself beautifully to rack up plenty of possessions. Well done Jordan.

RYAN DE VRIES

Fitted straight in with the team and showcased his natural talents throughout the season. Stood in as a backup Ruckman and did a superb job. Played in virtually every position on the field including on the ball, forwards and backs. Uses his height to advantage by taking great overhead marks and hooked up instinctively with Jordan on many occasions. Acquitted himself extremely well against much more fancied opponents and on many occasions outplayed them.

MILES GLOVER

Another solid season from a player who at long last is starting to mature. Was our leading goal scorer with a very respectable 23 goals for the season. Played well at both Centre Half Forward and Full Forward. Took some great marks up in the forward line and knew how to crumb off the ground. Played a few games on the wing which complimented his pace and ability to run and carry. Well done Miles.

SCOTT HANSFORD

Mr Reliable who always gives 100%. As a coach I always felt comfortable having Scott out on the wing because he would always be in position had absolutely no fear in a contest and always a team player. Able to turn defence into attack by chasing down many opponents out wide with his blistering pace which changed the momentum of the game. Showed plenty of courage after suffering a concussion mid way through the year and came back as tough and committed as ever. A very gutsy player.

JOJO HOWARD-SHIBUYA

Another tireless worker who was always reliable in our backline. Runner up Best and Fairest and always looks good when running with ball in hand. Totally unselfish player who always looks for support and always chooses the right option. The only player who didn't kick a goal all year but that's the price you pay when you are such a good backline player. One of our best team players who found his voice this year and encouraged the boys during our tough times.

NICK LEES

An absolute gun who can play anywhere. Played most of the season in the backline so that we could take advantage of his ability to mark and run with the ball. Blinding pace with Phar Lap like stamina with the ability to run all day. Then back up and play Div 3 as well. Put up in the forward line from time to time and displayed "Ice cool" temperament by kicking crucial set shots when needed. Fearless on the ball competitor who blended straight in with the team. Great season Nick.

TOM LINDFIELD-KENT

Another accurate goal kicker with a very respectable 22 goals for the season. Possess a great overhead mark and safe hands. Played mainly up in the forward line at Full Forward or at Centre Half Forward. Displayed his versatility by playing on the ball from time to time as well as on the wing. Selected in the City Representative team. All up a pretty good season.

EWAN MCDONALD

One of the most talented and smartest players in the team. Able to play in any position on the field. An extremely accurate goalkicker, can kick off both feet, has great positional sense, knows how to read the game, great mark, excellent run and carry, strategic player who puts players into gaps as well as creating opportunities and leads. Excellent on the ball, outstanding in the backline and superb in the forwards. A great team player who set up many goals and kicked a respectable 11 goals. A great kid to coach as well. Ewan has it all.

OLIVER MORGAN-AUGUST

Another new player to the team however he fitted in straight away. Used his size and height advantage well which was a great asset against all opponents. Excellent overhead mark which meant he constantly beat his opposite number. Played most of the season in the backline mainly due to his safe hands and reliable positional play. Loves to run with the ball and looks good in full flight. Great team player who continued playing despite niggling injuries. A very courageous boy.

CHE MUNRO

A great first year at Glebe and quite fittingly was awarded the Best and Fairest. Outstanding fitness, played as our number one Ruckman and a prolific ball winner. Consistently went in hard and showed no fear against much bigger and more fancied opponents. Rucked against two of the best Ruckman in NSW and acquitted himself well. Excellent with his overhead marking and positional play and looks great in full flight with the ball. Selected in the City Representative Team.

SANDO PATRIELLI

Hard running left footer with a massive kick and plenty of mongrel. Fitted straight in with the team and quickly became a team leader. Played inspiring football every week and a pleasure to coach. Commanded the left wing and totally dominated his opponent week in week out. One of the fittest players in the team, capable of running all day. Great team player who would get back in defence then run forward to set up his forwards. Great season Sando.

U15s Div 1

JAMES SCUTELLA

Team Captain. The General of the midfield who organised the rucks, calls and positional plays in the centre of the game. Ran third in the Best and Fairest count this year. Not a bad effort considering he missed a few games due to injury. The complete on ball player who runs both ways, has no fear, gets clean possession to support players, takes marks under pressure, kicks straight and has great positional sense. Chipped in with five goals for the season. Well done James.

TOM STAPLETON

Had a solid year playing mainly in the forward line at Full Forward or Centre Half Forward. Possess a great overhead mark, an excellent forward support player who set up other forwards on many occasions as well as kicking seven goals. Accurate set shot goalkicker and cool under pressure. Also played in the ruck from time to time, won many tap outs and put in plenty of second efforts. Had a solid season against some pretty tough opposition. Good effort Tom.

LOUIS WILCOX

Safe, reliable and has a great overhead mark. One of our best backline players who plays consistently well. Pulled off some pretty fierce tackles this year with strength and timing. Always involved in the hard stuff even when isolated in the backline and never backs down from a contest. Played in the midfield from time to time and acquitted himself well. An underestimated team player who does all the subtle things well like 'shepherding' and charge downs.

U15s Div 3

Coach's report & player profiles

COACH DAVID ALAIS

COACH'S REPORT

Grand Finalists Sydney Harbour U15 Division 3

The Under 15 Div 3 Greyhounds can look back on season 2015 with great satisfaction. From a difficult start we got better and better with every game and finished up in a grand final that we nearly won. As coach, I look back at the continual improvement over the year with great satisfaction, but I know the real credit goes to the players for working hard to improve and for sticking out a season that brought a number of challenges.

For the first time, 2015 saw this group split into Div 1 and Div 3 teams and with scarcely enough players for two full squads this made for a difficult start to the season. In true Greyhound spirit we put our heads down and made the best of it, recruiting a couple of hardy rugby players from St Josephs and gaining some great new imports from Drummoyne and Concord. Rounding out the team were some ever reliable Under 14s players who backed up for a second game and some tired Div 1 players who played again in Div 3. A big 'thank you' to everyone who helped with player numbers to keep the team afloat this year.

With so many new players, the first challenge as coach was to find their best position, and for the boys to get to know each other's game. After some shuffling in the first few games the boys started to look at home in their new positions and the teamwork start to gel. Indeed, teamwork was one of the features of this team: they were a selfless playing group with no ball hogs and everyone shared the ball around. Another impressive aspect of this group was the on-field leadership. There were several players who showed they were prepared to lead from the front, encourage their team mates and proactively organise the team when our structures were under pressure.

We didn't know it early in the season but the team's ability to share the ball around would turn out to be the key to beating the bigger, taller sides we encountered in the finals. As one of the smaller teams in the competition, we were outsize in the finals but we were not outgunned. When the ball had to be won on the ground, the boys were tenacious and fierce competitors. This was clear to everyone who saw the finals games who were full of praise for your efforts. Once we had the ball in hand, we shared it around quickly and out ran our lumbering opponents. It was very gratifying for me to see the boys seriously challenged in the finals, yet still find a way to win.

The end of the season was definitely the high point. We'd been on a rising trajectory all year and it peaked in the final series. It was great to see the focused intent on your faces and the total four-quarter efforts you put in. You really stepped it up for the finals and enjoyed two hard-fought and very satisfying wins in the semi finals. The committed effort you gave in the Grand Final was sensational: high intensity, full commitment, and a disciplined four-quarter effort. In the end it wasn't enough to claim victory over a very good footy team that finished the year undefeated. Still, it was a close game and you can hold your heads high and be very proud of yourselves, just as I was proud of your efforts as coach. You are clearly on an upward trajectory and I can't wait to see that improvement continue in season 2016.

COACH	David Alais
ASSISTANT COACH	Adrian Searle
	Dekka Adams
MANAGER	Laurie Patton

PRESENTATION AWARDS	
Best and Fairest	Philippe Alais
Runner Up B&F	Griff Taylor
Best Team Man	Tyler Fuata
Most Consistent	Rory Potter
Most Improved	Michael Fiadino
Leading Goalkicker	Philippe Alais (24)

MILESTONES	
50 Games	Mikey Grove

U15s Div 3

MIKEY GROVE

Very reliable and a tough competitor, Mikey is rarely beaten at fullback. He has the strong 'no nonsense' style about him that great defenders have, as well as safe hands when marking high balls under pressure. We could always rely on Mikey even when he was isolated in the backline: his ability to win the one-on-one contest is outstanding. He showed his courage and commitment this year by playing several games with a painful shoulder injury. Another great season.

RORY POTTER

Played mainly on the wing or forward flank this year and was always a threat with his pace and ability to win the contested ball. A very safe mark and a goal sneak when playing forward, he can always be relied on to give 100% effort. Rory also plays a physical game and inspires his team mates with his courage and unflinching style and his ability to lay a tackle. Congratulations on a terrific season.

FRED WATKINS

Fred's clean ball handling skills and his poise under pressure stood out in a very strong season of football. He played mainly as a key defender and went from strength to strength as the season progressed. Fred showed he was a calm player with good decision-making when the ball had to be cleared out of defence. He also has the makings of a great forward with his clean, one-grab marking. A great season.

SEBASTIAN LADOGNA

Seb had a great debut season this year and showed a lot of improvement over the season. A newcomer to Aussie rules footy, he quickly picked up the 'drop punt' kicking style and showed a talent for taking marks. He played at Full forward for most of the year and took some excellent marks and finished with a handy tally of 13 goals, placing him 3rd on the goal-kicking list. Well done Seb, a great debut season.

JACK NEGLINE-SMITH

Jack had a terrific season in 2015, his first year at Glebe. He showed plenty flair and competitive spirit and was always a gutsy competitor, playing a variety of roles. Although relatively new to Aussie rules footy, he was often given the tough task of playing as first ruckman, or as a key defender or forward when required. None of this phased Jack, who loves to compete hard and contests every play with fierce commitment. His gutsy effort in the ruck this year was a big factor in our success. Congratulations on a great season.

NICK MURRAY

Nick was another one of the new recruits to Glebe this year. To watch him play you'd never guess he was new to the game of Aussie rules football. A fierce competitor, he played with pace and dash all year when given space, and was tough as nails when contesting the ball in a pack. His strong tackling was a feature and his four-quarter efforts showed his unwavering focus and commitment. A great effort, well done.

TOM DESSENT

Tom played whenever his rugby league commitments allowed and was a welcome addition to our squad. He made a solid contribution every time he played with his tackling and physical work in the packs a standout. He also knows how to lead and find space. He's a valuable contributor and team-oriented player with a good kick, Tom always pulls his weight. Well done.

TYLER FUATA

Tyler had a great year. Beginning the season in the back line and on the flanks, he found his niche in the midfield. Tyler showed he was a tireless runner and a strong tackler, and quickly raised his game as he learned the skills of the midfielder. By season's end, he was one of the pillars of our midfield group. A great team player and always willing to work hard, Tyler's efforts were noticed by the judges and he was rewarded with 3rd place in the Best & Fairest award.

COOPER SEARLE

A stellar performer all year, Cooper displayed plenty of skill as a player and contributed strongly as a leader. A clever player who reads the game well, Cooper always puts himself in the right position at the right time. Starting the season on the half-back line, Cooper was a terrific organiser down back but his skills were needed in the midfield where he was a key member of a strong midfield trio. He shows good leadership skills and can be relied upon to help organise the team during games. Well done, Cooper, a great season.

LEWIS PATTON

Lewis had a strong season and applied himself well in defence or attack as required. His height was an asset in the backline where he showed himself to be a tough and dogged defender who relished a contest. He laid many great tackles down back this year but was also a skilful finisher in the forward line where he showed a knack for converting half chances into goals. Was a great asset to the team in playing both ends of the ground and finished as second leading goal scorer. Well done on a great season.

DON CHOI

A big presence in the backline who was always ready to throw his weight around, Don was a great contributor. He saved his best for the finals, playing his three best games when we needed him most and never taking a backward step. Don is learning the game fast in his second year and always handles the ball cleanly. Great work Don.

GRIFF TAYLOR

The quiet achiever, Griff has been a stalwart in defence for the team. Always committed, always cool under pressure, Griff was a key player for us. His ability to read the game saw him cut off a lot of opposition attacks, and his excellent decision-making and ball skills saw him deliver the ball safely out of defence time and time again. A terrific competitor and a great tackler, Griff was a consistent performer every week and was rewarded with 2nd place in the Best & Fairest count. Well done, Griff, a great season.

MICHAEL FIADINO

A star performer all season. Michael has fantastic pace and combines it with a fierce competitive spirit. His chasing and tackling, and his second and third efforts in the packs were an inspiration to his team mates. Michael played on the wing mostly, where his pace was a great asset, but showed he could use his pace as a leading forward, and he also relished a run in the midfield. Fantastic season.

JOSH KERR

Josh's season went from strength to strength. As our tallest player he was called on to play the toughest positions on the field as ruckman or centre half forward. He showed a great willingness to take on these demanding tasks and revealed very strong competitive streak, thriving on the challenge and often diving in for second and third efforts. His best games were played in the finals when we needed him most. Well done, a great season.

PHILIPPE ALAIS

Philippe had a strong season, playing with commitment in the midfield and providing leadership around the ground. He formed a terrific midfield unit with Tyler and Cooper who showed their mettle in the finals by regularly holding their own against much bigger opponents. Philippe worked hard all season, running back to help in defence and drifting forward to kick goals. He finished as the team's leading goal-kicker and won the Best & Fairest award. Well done on a great year.

ANGUS MACDOUGALL (U14S) & BRENDAN DOYLE (U14S)

Two of our keen Under 14s players who regularly played up for the 15s. Both were ultra reliable, Angus playing mainly as a defender, and Brendan mainly in attack. Both boys filled in when we were low on numbers and always put in gutsy performances against much bigger opponents. Angus is a smart defender who reads the game well and Brendan is a clever small forward who chipped in with critical goals in our finals campaign. Both boys displayed plenty of true Glebe Greyhound spirit. Well done to both of you.

U15s Div 3

U17s

Coach's report & player profiles

COACH FRAZER ADAMS

COACH'S REPORT

Well, it would have been nice to win a couple more games this year. We lost some by close margins and there were a few blow outs. We had 2 consecutive washouts early in the season which made it hard to maintain consistency.

Pre season started with some beach work at Coogee and some boxing training at Sweatbox. We got to play a night game at Manly [more on them later] and a trip out to Rooty Hill saw us playing on Blacktown International Sports Ground.

It was great to see the boys grow throughout the year. Whoop got stronger, Joe's tap work got better, Ned's leadership skills in the back half kept improving, Gabe grew into the midfield spot and wasn't letting go, Sonic-o-Sonic did everything asked of him, ran with the mids, led with the forwards, ran and ran and I mean busted a gut running. Henry flew higher and higher, Rhino bled, Lenny took a punch and earned himself a footy. We introduced new game plans through the season, having the boys play specific roles on the field. We saw this take their game to a new level, understanding the strategy behind the idea, and working hard as a team to get results.

Part of coaching the team was teaching the boys that the game is more than just kicking goals. Taking responsibility for posting availability on Facebook meant I could plan the starting line up, manage emergencies, pick a runner for the day [which Mark Gardiner took over as our players fell, big thanks Mark] or work out who was running water. Injuries, sickness, operations, concussions, HSC, overseas holidays and ski trips hampered our plans through the season, tearing our starting squad of 27 down to just 16 available for one match. Thanks to Chudders, Magpie, JoJo and Tom S from the 15s for boosting our numbers and slotting right in.

My highlight of the season was heading towards the end of the year with 3 rounds to go. We knew realistically that the first two games were going to be difficult – Newtown/Wests and Cronulla, so we set ourselves the task of winning the last game against Manly, who had beaten us twice during the season, once by 10 points, and once by just 5. What a feeling to watch the boys play for each other, work for each other, follow the game plan, take on their roles and keep Manly goalless in the last quarter. It was a hard fought game, on their home turf, but we led the whole way and came out 28 point victors. We could sing the song proudly for those boys leaving us this year. This was our Grand Final.

This year I think the boys learnt more than just football skills. They faced some challenging situations and worked out how to manage difficult times. Coming together as a team, supporting each other on and off the field, learning how to talk and ask for help, knowing that these boys will be mates for life, was something special to watch.

And so to say thank you. To my assistant coaches – Dekka and Jarryd – with their great football minds, working on game plans, setting training drills to get the boys moving. Their help was invaluable. I watched the boys respond to instruction and coaching from these two young men who gave up their own time to give back to a club they love. Thank you to Peter and Geoff for backing up again from last year, covering goal and boundary umpire duties each week. Thank you Mark Gardiner for taking on the running duties, and Michael Dunlop for bringing the water bottles – even when his own son wasn't playing. All the parents and families need a big thank you for running their boys around and supporting the team at games. And last but by no means least, thank you so much to Maxine for being manager/organiser/communicator/supervoman and loudest supporter! It has been great to work with you over the past two years. The club is going to miss you and they will be big boots to fill.

COACH	Frazer Adams

50 Games	Luke Astri

UMPIRES

Will Stewart	
--------------	--

U17s

AARON ABBONIZIO

Always solid in games, Aaron's superbout would always get us out of trouble in the back-line. Unfortunately he came down with illness and missed a big chunk of the season but when he did play, their full forward was always dominated.

ALEX MOUNTFORD

Notorious for not knowing what time the game is. Alex always burst out of the back-line with serious pace leaving his opponent in his wake thinking to himself "how can I grow a mo like that?".

CHARLIE STOKES

The unit, Charlie is legit one of the most solid kids I've ever met. Charlie is a forwards nightmare, never letting his opponent get an inch of space and when they do he generally gets the better of them.

CONNOR SMITH

One of the biggest improvers in the team this year, Connor would always deliver with contested possessions and goal saving tackles, a menace off the half back line.

DARAGH MULLEN

An absolute pleasure to coach you this year. Daragh would without a doubt leave everything on the paddock. Supreme skills and a killer stare down, Patty would be proud of what you achieved this year.

GABRIEL BEECH-JONES

If there's one kid you don't wanna mess with on a footy field its Gabe, a tackling machine. Gabe has no doubt been one our most improved players this year, and this shows in the best and fairest count. A notable moment this season was when I witnessed Gabe tackle the soul out of a Cronulla player's body.

HENRY GOWERS

#thelinkup, Henry is gifted with great ball skills and incredibly suited to a high half forward role, able to put a smile on anyones face, you're a pleasure to be around H.G.

HENRY LAMSHED

Henry was unstoppable up forward this year, if you want anyone to take a 4 v 1 contested mark Henry's your guy. A brilliant leader on and off the field Henry will definitely move on to greater things in senior footy.

ISAAC MAHLAB

Diesel is an absolute champ for making the regular commute up from Victoria to play for us. Always a pleasure to have you martialing the troops from the back-line.

ISAAC WALLIS

Rabbit, we're gonna miss you mate, everyone loves the way you play footy and you've been a solid addition to the team.

JACK DEVONSHIRE

J.D is a coach's dream, always up and about ready to take on his next role for the team. Leads the pre game chant brilliantly as well.

JACK GARDINER

An absolute freak at goal kicking. Put Jack anywhere inside 50 and the ball will sail straight through the middle of the goal. Not only is Jack a great goal kicker he's also a brilliant on field leader and I hope he takes those qualities into next year.

JAMES DUNLOP

James had an excellent season this year. He would always lead by example with his hard ball gets and tackles. One of my hobbies is actually watching kids get taken off the field after a James tackle.

JOE STAPLETON

Joe was a monster on the field this year towering over pretty much everyone. Joe's tap work around the ground usually gave us first use of the ball aiding in our attacking play. Our most consistent player this year and well deserved.

LACHLAN DAVIS

Coming down with glandular fever didn't really help Lachy's season this year but it was always great to see him on game day supporting the boys. Also providing top banter from the sidelines.

LENNY PARSONS

Lenny was our go to tagger if we needed an opposition player shut down. Always kept his man to minimal touches even after getting punched in the face.

LUKE ASTRİ

Luke really stepped up in leadership this year, a great talker and really led by example not only on the field but at training as well. Yea Luke stepped up in leadership but could he get to anything on time..... Nope.

MICHAEL KENNEDY

With Aaron out we had to put Mickey K at full back and he stepped up to the task, cutting off countless opposition attacks and bursting out of the back-line with pace always getting boot to ball.

MURALI CHINNAPPA

Another one of our strong back six, Murali always read the play well knowing when to punch or when to mark. Hampered by ankle injuries Murali always played at 100% and never slowed down.

NED TARANTO

Mr. Reliable, we could always rely on Ned to win the crucial one on one contests or take that mark on the goal line or make that tackle or make that spoil, I could go on forever but I'm only allowed a few sentences.

OISIN FILITONGA

Everyone loves the way Osh goes about his footy, always a good laugh on and off the field. Oisin could go from kicking goal of the year to missing a shot from the top of the goal square and that's what we love about Osh.

OLIVER ASHBY

Just a solid backman, ready to take the game on. A notable performance was his game against Penshurst where he cut off countless attacks with brilliant contested marks, polled a lot of votes in that game mate.

RAPHY WEIR

It really sucked that Raphy could only manage a few games this year, plagued with a season ending shoulder injury. But when Raphy played he always provided a physical presence and great running play.

RYAN MARTIN

Rhino really worked hard on his game this year especially his kicking. He would always run and run and run until he was buggered and had to run himself to the bench. Ryan's last few games of the season really showed how much he's improved on his skills.

WILL STEWART

Outstanding year for Sonic, runner up in the best and fairest shows that. A versatile player who shone in any position we played him in; midfield, half back-line or up forward, Will would always impact the game in his own special way.

WILLIAM GOWERS

Whoop had a lot of special treatment from opposition teams this year but he didn't let that get to him and he would always bounce up and get on with it. Moving from the half back line into the midfield really helped him develop his inside game. Winning the best and fairest by a fair margin this year showed how he dominated this season.

Perpetual trophies

Per

2015 RECIPIENTS

JUNIOR FOOTBALLER OF THE YEAR

WILLIAM GOWERS (U17s)

Awarded to a senior player who has demonstrated excellence in skill and sportsmanship throughout the year or over several seasons, and whose performances have brought most credit upon the player and the club.

WRIGHT-CHANTRILL AUSKICK RISING STAR AWARD

XAVIER JACKS (U8s)

Awarded to an U8s player who has demonstrated excellence in skill and commitment and displaying most potential in Auskick over several seasons.

CLUB ROOKIE OF THE YEAR

LEWIS VERRELL (U14s)

Awarded to the player who, in his/her first year of playing club AFL, is judged to be the most skilled or displaying the most potential.

SPIRIT OF THE CLUB AWARD

DEKKA ADAMS (U17s ASSISTANT COACH)

Awarded to the player or former player whose selflessness of spirit and generosity of nature furthers both the club and the code.

MICHAEL MCNAMARA MEMORIAL CLUBMAN OF THE YEAR

JASON HOWARD

Awarded to the person, who, through sportsmanship, service, innovation and concern for the club and its ideals, has contributed the most over one or more seasons. Michael McNamara played for Glebe in the 1980s, captaining the U15s in 1985.

BOB CLARK MEMORIAL GOLDEN BOOT TROPHY

HARVEY LYNN (39 goals)

Awarded to the season's leading goal kicker and named in memory of Bob Clark, who played for Balmain Tigers.

TERRY WATSON MEMORIAL GOLDEN BACK TROPHY

BAXTER AURISCH (U12s)

Awarded to the most distinguished backline player for the club. In memory of Terry Watson, who coached in the early 90s and father of former players Andrew (91 games) and Dylan (121 games).

DROUDIS AWARD FOR DETERMINATION AND COURAGE

TYLER FUATA (U15s)

Donated by the Droudis family to honour the most determined and courageous player during the season. Paul Droudis played 100 games for Glebe and then played for the Balmain Tigers, represented Australia in the international Cerebral Palsy Games, and in 2000 received an award from the Prime Minister.

SUSAN PARKER MEMORIAL AUSKICK GRADUATE OF THE YEAR

DARCY DESSENT (U10s)

Awarded to the U10s player who had shown significant development since graduating from the Auskick program. Susan Parker was club registrar 1999-2002, wife of Robert Parker (Auskick coach 1996-80) and mother of Mark (142 games) and Michael (236 games).

PLAYER LIFE MEMBERSHIP

WILLIAM GOWERS (235 GAMES)

Awarded when a player with 200 or more games, (excluding representative games), finishes their career with the club.

LIFE MEMBERSHIP

Awarded in recognition of long term contribution and service to the club. Life membership is the greatest honour presented by the club.

THE GLEBE FAMILY CUP

BASS-TRACY FAMILY

Awarded to the family that has made a significant contribution to the club during the season.
